# Perforations

Last month our meeting was held in the Warren-Newport Library's Lobby Meeting Room - the former site of their store. We were moved there at the last minute to make room for a last minute Library function that needed the conference room - as a token of their appreciation - we were rewarded - with a plate of cookies made by a member of the Program's Staff (they can move us anytime). What we did not finish, made their way down to the Naval Station's Dental Clinic (they lasted less than 30 seconds there – according to Dr. Winegard).

**Treasures' Report: Checking Account -- \$746.24; Savings Account -- 1,489.76; Total -- \$2,236.00**

The room was actually very nice, the people coming and going could see us and all these stamps on the table and I have heard that the staff has been asked about our activities there. Maybe should think about meeting there every once-and-awhile for promoting our activity.

Other than snacking on the cookies, we did find time to discuss a few stamp topics, watched people walk by outside and look through the stamps brought by various members ... and of course the Stamp Quiz.

**This month, Bill Schultz will be presenting a talk on Christmas Seals and related items in the McCullough Room A.**

If you have not heard already, hundreds of thousands of Star Wars fans have spoken, and Yoda (by about 10,000 votes) is their choice. The Jedi Master out-dueled Darth Vader in a battle to decide which **"Star Wars"** character would have a stamp released in September by the United States Postal Service.

I told you he'd win.

**Next meeting:**  
7PM on Tuesday 26 June 2007  
at the Warren-Newport Library  
224 North O'Plaine Road, Gurnee IL

**Officers:**
