# Perforations

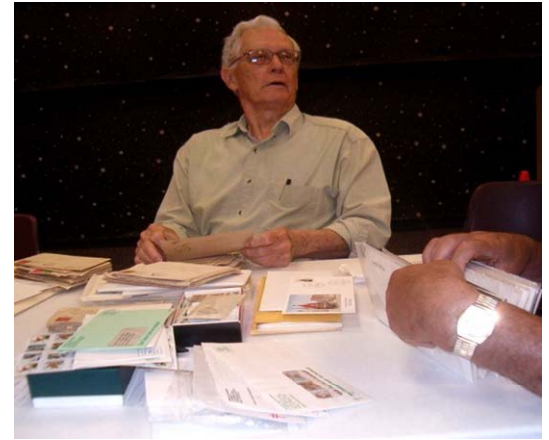

Web Site: [www.lcpshome.org](http://www.lcpshome.org)

The July meeting was mostly occupied with reviewing one of the donated boxes of philatelic material that Tom brought in. It contained some fascinating stuff, including some beautiful proofs and fascinating old covers. In addition to collectable material there was about \$100.00 in unused postage.

For our next meeting Tom will summarize the contents of another box, then bring it to the meeting for members to sort through.

Tom also described a vacation visit to the National Train Museum in Sacramento, CA, which he and his wife just returned from – and, of course, the monthly joke ....

Looking through the box ...
