The April 22 meeting featured an excellent presentation by Marty Cain entitled **"Civil War Stamps: Not Just U.S."**. One of the more interesting segments was the discussion of the St. Kitts Souvenir Sheets (Scott 480-483 "Railroads in the American Civil War").

We also discussed the feasibility of the LCPS participating/exhibiting itself in the Lake County Fair July 22-27. Bill Schultz should have more information at the next meeting on the logistics of such a venture.

Tom Willer also brought up efforts of an Augusta State University professor's survey on collecting data on stamp collectors - offering \$1.50 per individual survey. More information will be available at this meeting.

This month, in addition to the Lake County Fair and Collector's Survey proposals, we will be looking again at the donated material and finalizing its disposition.

St. Kitts Scott 482

Treasures' Report: Checking -- \$886.24; Savings Account -- \$1,505.33; Total -- \$2,391.57

Featured in the top-right hand corner of this month's cover, is the 75th Anniversary Stamp used on this mailing. Hopefully, they made it around Palatine's new "Terminator IV" Ink Jet Combo-Cancel/Shredding Machine.

There will be panes of ten stamps available at this month's meeting at \$10.00 per pane.
