

Perforations

Last Month was the auction raising between \$600 and \$900 for the Post Card Museum, APS and the Club - we'll get the final number at the next meeting.

This month we'll discuss next years program, look back at our 75th year and, as usual, maybe trade a few more stamps?

The last Club event of the year is scheduled on 6 December at noon – The **Annual Holiday Brunch at the Gurnee Golden Corral**. A map is on page 2.

It is also time to think about next years dues – only \$5.00 - thanks to the auctions success. You will be able to pay at the Brunch or wait until January. It is also time to renew (or start) your Linn's Stamp News at the \$23.00 gift rate. In addition, the APS is collecting its dues – and like last year you can use the INTERNET to pay [www.stampstore.org/] and click on the icon.

Treasures' Report: Checking - \$1,021.74 Savings – 1,520.20 — Total: 2,541.94

The auction went off without a hitch thanks to the hard work and planning by Bill Schultz. Thirty-plus members and supporters turned out for the event and looked through, bid and walked away with many of the 300 or so lots offered.

Of the three boxes of donated material, Glenn and his son, Bruce, won the two United States and one United Nations collections in Lighthouse hingeless albums. Jack D. managed to outbid everyone on the mass of unmounted United Nations year sets and other material (except for 1997).

Sixteen lots of miscellaneous stamps that were not sold at face ended up in the club's postage box been and may be seen again on the next few months mailings of *Perforations*.
