Bill Schultz's **Bicentennial Era** presentation was the highlight of our first meeting away from WNL. It featured both US and foreign entries as well as other non-stamp related items and history.

This month, **'My Favorite Stamp Album Night'**. Bring and show off that stamp related project you have been working on over the years.

It should be interesting to see the variety and scope of interest of the members.

Treasures' Report: Checking - \$1,612.17; Savings - \$ 1,540.75; Total - \$ 3,152.92

CHICAGOPEX will be November 19-21 at a **new location**, the **Westin Chicago Northwest**, 400 Park Blvd, Itasca, IL 60143 (see map).

In addition to the large number of stamp dealers, the American Air Mail Society, the American Society of Polar Philatelists, and the France and Colonies Philatelic Society will also hold their annual conventions during the event.

The USPS, UN and other postal administrations will also set up for filling in your missing 2010 issues.

The last three stamp issues of the 2010 program are due out Thursday, 21 October at the Mega Stamp Show in New York City.

This will complete a year where the 26 issues produced 79 collectable stamps. Notable were the reduced number of ordered stamps – about 2-3 million panes each. We will also see the first 'Forever' Holiday stamp. (see page 2)
