The October meeting saw a varied group of collectable items — ranging from match book covers, bicycle pins, magazines all away down to 'just' everyday stamps.

We also learned a little about match book cover collecting from Glenn Zinck.

This month's theme is USPS items that are NOT stamps. We will also have an Bill's update on how the "\$1000.00 stamp investment" is doing.

As usual feel free to bring items in for trading.

Remember that this month's meeting is the LAST Tuesday of the month – 30 November.
