

The November meeting was basically a 'Blast from the Past". Tom Willer was able to contact former LCPS Secretary Marilyn Dee and retrieve a good part of the clubs records dating back to the 1930's along with numerous books and other philatelic related items.

One box that Bill Schultz went through contained (with two others still being examined):

1. What looks to be a complete membership log from the start of our club in 1933 through 1953, listing the members in numeric order.
2. A typed constitution for our club.
3. What looks to be a nearly complete set of issues of 'Perforations' from 1933-1975. (Although I didn't spend the time to go through them issue by issue.) Big folders full of 15-20 year stretches.
4. A fascinating short diary of major club activities from the formative years (1933-41).
5. Tons of stuff from a range of 'LacoPex' events. I personally found it fascinating to see how big a deal it used to be (looks like the main club activity). Materials include programs, insurance policies, press releases, a set of index cards detailing lists of responsibilities of various committee chairs, even an award medal.

This month we will be looking at still another box, Bill Schultz will demo the wonder product "Bestine" that will remove SA stamps from paper and voting for the best (and worst) stamps in 2010 in the Linn's Stamp poll.
