For the April meeting we viewed the APS slide show **"Stamp Collecting: Earning a Merit Badge in This Fascinating Hobby."** The general consensus was that was the presentation (1993) was a little dated and should be updated.

John GRISHAM met with a local scout troop last month and hopes to meet with more. Any donations of stamps and materials would be appreciated.

Walt VEILE brought to our attention that our bank is now charging a fee to keep our treasury and is looking for a kinder bank. If you have any suggestions, let us know.

This month we will look at another APS slide show: **"Errors, Varieties and Oddities on US Stamps"**.

... and after the meeting.

Make a note that the May meeting is on the LAST TUESDAY (May 31) this month.

For June and July meetings, we are slated to view APS slide show S62: **"A HISTORY OF HAWAII AS TOLD THROUGH STAMPS"** (28 June) and S65 **"THE DIVISION OF THE UNION"** (26 July).

Any suggestions for 23 August?

About **Compex Stamp Show** - This year the **Iowa Stamps & Coins** [P.O.Box 77/Ankeny IA 50021/ PH: 515-964-1202/ <http://www.iowastamps.com/>] is organizing this three day event (27-29 May – the weekend before our meeting).

Be sure to check out the stamp and stamp supply dealers and the youth table (usually in the back corner).

In addition to 'just the dealer' there should be Philatelic sales by both the USPS and United Nations at the show.

COMPEX is the second largest (after **CHICAGOPEX**) in our local travel area and is well worth the drive.

New Issues. It has been a couple of months since we've updated the new USPS 2011 stamp issues. Scott is still churning out the new catalogue numbers. It should get much more interesting later this summer when several multi-stamp issues are due out.

The Scott Numbers are from the Virtual Stamp Club website (<http://www.virtualstampclub.com/2011usnew.html>) and have been very accurate in the past. Images of the stamps not shown in previous **Perforations** are shown below.
