

Last month we continued with the planning, organizing and gathering material for the charity sale at the Midwest Stamp Dealers Association stamp show on 14-15 April. Table manning assignments were made for the sale, and the material was farmed out for pricing and display. We were also treated to a bag of "Jelly Belly Flops".

This month we will review the sale, have a chance to look at and buy materials that did not sell and put together a schedule of events for the rest of the year – and hopefully a treasurers report.
