

Last month, after some jokes and an unannounced stamp quiz, we were treated to a talk about **"Fakes, Fantasies, Forgeries, and Familiar Friends**, by Bill Schultz.

In support of the presentation, he handed out over \$3M of stamps and other philatelic material for the crowd to examine as he discussed the people and events that impact on the hobby. We believe he got everything back.

This month Tom Willer will talk about **"Australia and New Zealand: Philatelic Meanderings"** after his trip down-under.

SPECIAL LCIPS COMMENDATION TO CHUCK, ED, AND CRAIG

On behalf of the LCPS, I commend your efforts to assist a non-society member in a time of need. A Highland Park resident inherited an extensive Swiss stamp collection. You three diligently evaluated and sorted the collection. You determined that the optimal method to dispose of the collection, which also included many Graff Zeppelin covers, through an auction. You then paved the way for Rasdale auction house to handle the auction. This collection was so large that it will be divided into more than 150 lots in an auction in Summer, 2013.

Thank you very much for your service to this non-member and being an extraordinarily fine example of selfless service. — Tom
