New, hard cover mini-size, 240 pages, 1967 \$1 </>

Washington-Franklin Issues Part 4 — Last month we looked at the non-watermarked sheet stamps. This month we'll continue with the flat press, double-line watermarked sheet stamps. This is a very compact group of stamps that should be easily identified – provided you can find a portion of the watermark – not all that easy given the way watermarks were placed on the stamp paper ...

The Double-Line Watermark ID table is presented below:

PRESS	WATERMARK	TYPE-DENOMINATION	IMPERF	Perforations							Remarks
				12.5	12	12X10	10x12	11	10	11x10	
FLAT	DL-WMrk	Franklin ONE CENT	x	x	331	x	x	x	x	x
