

Perforations

Great Britain - Scott 1345-1349

Last month we were tag-teamed by the Mother-Daughter team of Louise and Eileen Mason who gave a very interesting talk on Eskies - or Eskimo dogs. What was interesting about the presentation was how one stamp lead to the research on the painter (George Stubbs), the History of the Royal Veterinary College, the start of Dog Shows and the politics on how the breed came to their present name of Eskie — all from looking at one little stamp.

This month, we need to finalize plans for Decembers Holiday Brunch as well as bringing and share your favorite "Silly Stamp(s) (e.g. Lundy Island, Rattlesnake Island, match & medicine, Christmas (or other) seals, various Cinderella(s) ...)

The year is almost over as far as new issues from the USPS. The Harry Potter booklet is due out 19 November and the Kwanza issue is to be distributed on 26 November. The complete list of stamps is on page 2.

For the third year, LCPS has used November to show the patrons of the Grayslake Area Library that there is some variety and historical properties to the hobby of stamp collecting. — Thanks to all who contributed.

Treasures' Report: Total – \$ 3,256.74
