Last meeting was a sell/trade/swap event that saw a few items change hands. We also received one collection that will go a long ways in providing postage for the club's newsletter.

Another collection was brought in for a initial evaluation. Chuck later went out to the site and went through that and material that was not brought in.

This month's presentation will be **"Collecting Malay States Stamps"** by Dave Stueckemann and Tom Willer.

The Malay States were (a large segment of the Straits Settlements) a former British crown colony comprising parts of the southern and western Malay Peninsula and adjacent islands, including Singapore. Formed in 1826, it was under Indian control until 1867, when the British assumed direct authority. Singapore became a separate colony in 1946; the remaining area was granted to Australia and the Federation of Malaya (later Malaysia) in the 1950s.

This 129th **CHICAGOPEX** event will be **Friday-Sunday, November 20-22** at the **Westin Chicago Northwest, 400 Park Blvd, Itasca, IL 60143** (same place as the last five years). This is the largest 'local' stamp show in the area and one of the largest in the nation with many national stamp and supply dealers making an appearance.

Besides the 80+ dealers, *The Society of Australasian Specialists/Oceania*, *The India Study Circle*, *The Eire Philatelic Association* and *The Institute for Analytical Philately* will be holding their annual conventions at this year's stamp show.
