Philatelic Society - Established 1933

Website: LCPSHOME.ORG

At our last meeting in November we discussed this year's Chicagopex. Unlike last year, the crowd did not have to face a snow storm. The usual number of dealers were there and bargains were available with the lower and middle tier dealers. In addition, we discussed the next Holiday Brunch at the Golden Corral on Saturday 10 December at 1400.

Meeting Date Change:

This months meeting will be held at

7 PM - Wednesday 25 January

Grayslake Library - 4th Wednesday

This month, "Collecting PRC Stamps - 1949 to 1991" by Donghong LI, a quick look at "The American Philatelist" by Bill Schultz and have some fun with our annual elections (following true Illinois political traditional rules).

Please note, the February meeting will be held on 23 February (4th THURSDAY), and the May meeting will be on 30 May (5th TUESDAY) due to other higher priority evets. March, April and June will be on the usual 4th TUESDAY of the month.

Holiday Brunch 2016. This year's Holiday Brunch saw a much larger turnout than last year's event. The program saw Tom telling jokes to the group and Bill conducting the annual gift give-a-way.

Linn's 2016 U.S. stamp popularity poll is open for 2016 issues. The United States Postal Service issued 154 varieties of stamps and postal stationery, including one stamped envelope, 52 commemoratives, 75 definitives and 11 special stamps for occasions such as holidays and weddings.

Also part of the total were 15 imperforates — stamps without die cuts — from uncut press sheets of conventionally issued stamps that were offered to collectors on a limited basis at face value. The USPS has purposely created such varieties since 2012, and the Scott catalog editors began assigning them minor-letter listings last year.
