Perforations

Last month, we discussed **"Buying at Auction"** - Looking at both internet and auction houses. It is getting more common for the auction houses are using the traditional site bidding, phone bidding and increasingly posting their auctions on the internet with Stamp Auction Network (www.stampauctionnetwork.com) being the largest site.

Other open internet sites are Ebay (www.ebay.com), Hipstamps (www.hipstamp.com) and Stamps2Go (www.stamps2go.com).

With the open sites one must be careful of forgeries.

This month, Bill Schultz will present **"A Topical Collection run Amok"**. The meeting will focus on topical stamp collecting in general, including some challenges, rewards, and resources available in starting up a topical collection. Bill will be sharing his ever-expanding rose topical collection and yes, squirrels will come up.

If you already have a topical collection of your own be sure and bring it along to share.

Brunch ...

The **Annual Holiday Brunch** will be held on **09 December** starting at **12 Noon** at the **Golden Coral** 1455 Dilley's Rd, Gurnee, IL.

Be sure to come (your next years (\$5.00) dues will be waved).
