

Last month, due to audio quality issues we were unable to view the APS "Computer Assisted Expertizing Part 1" video so instead we started discussing ways to expand the hobby and club membership.

As a result of this discussion, at the November meeting, we will have a discussion about spreading stamp collecting to people in retirement homes. Some of the points to be discussed include:

- Display some 1-page exhibits for a time at the retirement home to generate interest,
- Have some type of presentation at the retirement home,
- Make contact with prospective collectors,
- Provide some free stamps and a starter album,
- Assign a collecting mentor,
- Develop a complete plan for generating interest, through incorporating the new members into our club before we make first contact.

Feel free to bring other ideas to the table.

Also - How was CHICAGOPEX 2023?

As a side note, remember the annual Holiday Brunch is scheduled at the Golden Coral, 11:30 AM on 02 December (location: 1455 N Dilley Rd, Gurnee, IL). This year, Tom Willer will have the difficult task of maintaining some sort of order and decorum. --- Note: Door Prizes will be available.

75th Anniversary Stamp

Last month, the Lake County Philatelic Society marked its 95th Birthday (with a few years of random meetings from 1942-1946).

Lore states the biggest catalyst to the clubs founding was the 1933 Chicago "A Century of Progress International Exposition" and the USPOD issue of the Baby Zeplin (C18) stamp which caught the eyes of navy personnel stationed at the Great Lakes Naval Station and with Commander-in-Chief (President Roosevelt) interest in stamp collecting ...

Early on and up to 1950, the biggest share of membership was centered around the Great Lakes Naval Training Center. Meetings and activities moved off base in 1949 and since then migrated to Waukegan, Gurnee and Grayslake.

The images on this page date from 2006 to 2010 and show many members 2 who have passed on since.

Below is the January 1950 issue of the clubs newsletter - mimeograph/two column - a very time consuming process created by Don Sherman - club secretary.

VOLUME 4 - No. 1

JANUARY 24, 1950.

LAKE COUNTY PHILATELIC SOCIETY

U.S. EXPERT TO SPEAK TUESDAY.

WALDO HENNING of Chicago, authority on early U.S. stamps, will speak at the January 24th meeting of the Lake County Philatelic Society to be held in their Club Rooms at 213 Madison Street.

It has been announced that refreshments will be served after the meeting. Members are urged to attend and bring their wives and friends.

Invitations are being sent to other Stamp Clubs in surrounding towns, and a large attendance is expected.

GEORGE LINDBHART NAMED

A rising vote of THANKS was given to George Lindhardt at the January 10th meeting of the Lake County Philatelic Society for his extensive and untiring efforts in behalf of the club for the past six months.

President Nellie Rinehart was transferred to Virginia in the early summer, and it was with regret that her resignation was accepted.

Vice President Carroll Peterson next decided to move to Golden, Colorado, and it was with regret that his resignation was accepted.

As George Lindhardt was Secretary, it fell on his able shoulders to carry on as President, Vice President, Secretary and Treasurer, Editor of the Society News, Janitor and arbitrator of the many discussions occurring during his term.

THANKS again George for a job WELL DONE.

Carroll Peterson's new address is: 1116 High Apartment #4, Golden, Colorado

NEW OFFICERS INSTALLED

Miss Phoebe Booth, Waukegan Librarian, was installed as President for the coming year.

The Oath of Office was given by George Lindhardt, Acting President, and Miss Booth then took over the duties of President.

Bevly Butts, local Stamp Dealer, was installed as Vice President, assuming also, the job of Program Chairman which he has recently held in the absence of Carroll Peterson.

George Lindhardt relinquished his post as Secretary, which he has held for the past twelve years, to Don Sherman, and assumed the office of Treasurer.

GUST MILLER WINS IN QUIZ CONTEST

In the Quiz program conducted by Bev Butts at the January 10th meeting, Gust Miller came the closest to guessing the year in which the first U.S. booklet pans was issued.

The year was 1900 and Gust came through with 1902, Miss going Gust.

Bev Butts had a Block of New York Airmail as First Prize.

ATTENTION !

With the excellent programs being presented by Bev Butts, the members of the Lake County Philatelic Society who are not attending the meetings are missing a lot of fun and educational information about stamps.

If your wife wont let you out alone, bring her along.

OFFICERS TO STREAMLINE BUSINESS MEETINGS !

EMPHASIS ON PROGRAMS & TRADING

It has been suggested that our business meetings are too long, and that a lot of time is wasted in non-essential matters that should be rightfully be taken up by the proper committee before the regular meeting, and only after careful consideration by the committee, and the presentation of the facts to the Executive Board, should the matter be presented to the membership for vote and comment.

This procedure would eliminate a lot of time wasted in useless argument, and only the essential facts would reach the membership.

In a further effort to cut down on the time taken by business, the Secretary will enclose a copy of the Minutes of the previous meeting with the Bi-monthly Bulletin, and any corrections, additions or comments may be made at the next meeting. This will eliminate the necessity of reading the Minutes at each meeting. If corrections or additions are to be made, the Minutes will stand as presented, and the President can then proceed with the next order of business.

MEETINGS ARE SCHEDULED TO START AT 8:00 P.M., and for the past several meetings it has been 8:30 or later before we get under way. This has slowed us down to the point where it is time to go home by the time the Program for the evening has been presented. LET'S ALL PLAN TO BE PRESENT AND ACCOUNTED FOR AT 8:00 O'CLOCK. With the added time for trading you may find that stamp you have been looking for.

MEMBERSHIP DRIVE PLANNED

A proposed Contest with PRIZES is suggested to bring our membership up to the standards which will give us the ability to bring the membership better Programs throughout the coming year. BEVLY BUTTS, Program Chairman, has done a fine job in presenting his Programs, and promises that they will continue to grow in interest and quality as the Club grows. More about this later, but get ready to bring new and old members back into the fold and participate in the PRIZES.

1950 WORLD HOBBY EXPOSITION AT NAVY PIER - CHICAGO

In conjunction with the Chicago Tribune's OUTDOOR SHOW, to be held at Navy Pier on February 10 - 19, Walter N. Emerson, 7 South Dearborn St., Chicago, will supervise the stamp section in company with Robert H. Golden.

You can contact Mr. Emerson for a prospectus of the Show and other information relative to the exhibit.

LABOR HONORED BY COMMEMORATIVE STAMP ISSUE

On January 27th, a three cent stamp will be placed on sale at Washington, honoring the 100th anniversary of Samuel Gompers, former President of the American Federation of Labor from 1882 until his death in December 1924.
