# DOMESTIC MAIL

## Overseas Military Mail

Mail addressed to, from, or between military post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The tables below outline these conditions by APO/FPO ZIP Code through the use of footnoted mailing restriction codes, which appear on the page following Table 2.

Acceptance clerks should use these tables with the

integrated retail terminal (IRT) to determine whether an APO/FPO ZIP Code is active and which conditions of mailing apply. For Express Mail Military Service (EMMS) availability, refer to Handbook PO-514, *Express Mail Military Service*, and the local EMMS directory.

The complete tables appear in alternating issues of the *Postal Bulletin*.

## Oldest Usable Edition of COD Forms

Postmasters must check their stock of collect on delivery (COD) forms to make sure that all editions older than the latest usable edition are discarded. The oldest usable editions are:

- Form 3816, *COD Mailing and Delivery Receipt*, December 1994 (PSN 7530-02-000-9062).
- Form 3816-AS, *COD Card — Firm Mailings*, August 1994 (PSN 7530-02-000-9063).

If the December 1994 edition of Form 3816 and the August 1994 edition of Form 3816-AS are not in stock at their facility, postmasters should order no more than a 3-month supply of the latest edition of each form from the material distribution centers (MDCs) and destroy all previous editions when the new versions are received. Do not return old stock to the MDCs. Minimum order quantity for Form 3816-AS is 1,200.

Form 3816 is a five-part form that includes copies for both the mailer and the mailing post office. It should be used by customers who mail fewer than three COD articles at a time.

Form 3816-AS is a 3-part continuous feed form used by customers who mail three or more articles at a time. Because Form 3816-AS does not include copies for the mailer or the mailing post office, firm mailers must submit Form 3877, *Firm Mailing Book for Accountable Mail*, in duplicate, with their COD articles at the time of mailing. More information about the use of both forms can be found in *Domestic Mail Manual (DMM) S921.2.0*.

Both COD forms:

- Are constructed as multipart data envelopes (similar to the Express Mail label) with sections outlined in red for the COD mailer to complete.
- Include a delivery unit copy (Copy 1) that serves as the record of delivery.
- Include a payment copy (Copy 2) to return to the mailer with the COD payment to help the mailer match the payment to the right account number.
- Position the mailer's name and address on the payment copy so that it appears in the window of the envelope used to mail postal money orders (EM04 G-10 envelope). This makes it easier to return the payment to the COD mailer and helps reduce the possibility of sending it to the wrong address.
- Have a preprinted COD article number with a corresponding barcode so that it can be read by automated delivery record-keeping systems.
- Are provided in a continuous feed format so that the COD mailers can computer-generate the forms (Form 3816-AS only).
- Include a check-off box that allows the COD mailer the option to have the COD payment collected and returned via Express Mail under the COD mailer's Express Mail Corporate Account (EMCA) number.

Samples of these forms are shown on page 19.

## Pictorial Cancellations Announcement 96-5

As a community service, the Postal Service offers pictorial cancellations to commemorate local events celebrated in communities throughout the nation. A list of upcoming events for which pictorial cancellations are authorized appears below. If available, the sponsor of the pictorial cancellation appears in italics under the date. Also provided, as space permits, are illustrations of those cancellations that were reproducible and available at press time.

People attending these local events may obtain the cancellation in person at the temporary post office station established there. Those who cannot attend the event, but who wish to obtain the cancellation, may submit a mail order request. Pictorial cancellations are available only for the dates indicated, and *requests must be post-marked no later than 30 days following the requested pictorial cancellation date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail post-

age (32 cents per envelope or 20 cents per postcard). Items submitted for cancellation may not include postage issued after the date of the requested cancellation. Such items will be returned unserviced.

Customers wishing to obtain a cancellation should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: PICTORIAL CANCELLATIONS, followed by the NAME OF THE STATION, ADDRESS, CITY, STATE, ZIP + 4 CODE, exactly as listed below (using all capitals and no punctuation, except the hyphen in the ZIP + 4 Code).

After applying the pictorial cancellation, the Postal Service returns the envelope or postcard through the mail. Customers who want their serviced item returned under protected cover should include a larger, stamped, self-addressed envelope.

STAMP ANNOUNCEMENT 96-14

# Eastern Bluebird Stamp

Copyright USPS 1991

The Postal Service will issue a 3-cent Eastern Bluebird stamp (Item 1063), in a pane of 100, on April 3, 1996, in Washington, D.C. The stamps go on sale nationwide April 4. No official ceremony is planned.

The Eastern Bluebird stamp, designed by Michael Matherly of Cambridge City, Indiana, features a male Eastern bluebird perched on a pink, flowering crab apple tree branch. Although the printer of the stamp is new, the design is the same as the stamp issued on June 22, 1991, except that the denomination is expressed as "3¢" rather than "03."

### How to Order the First Day of Issue Postmark

Customers have 30 days to obtain the first day of issue postmark by mail. They may purchase the new stamps at their local post office, affix the stamps to envelopes or postcards of their choice, address the envelopes or postcards (to themselves or others), and place them in a larger envelope addressed to:

EASTERN BLUEBIRD STAMP  
 POSTMASTER  
 900 BRENTWOOD RD NE  
 WASHINGTON DC 20066-9991

Customers are reminded that the postage affixed to any First-Class Mail envelope must equal at least 32 cents, and to any postcard must equal at least 20 cents. Additionally, at least one of the new stamps must be affixed to an envelope or postcard in order to receive the first day of issue postmark.

After applying the first day of issue postmark, the Postal Service returns the envelopes or postcards through the mail. There is no charge for the postmark. All orders must be postmarked by May 3, 1996.

The Philatelic Fulfillment Service Center also offers first day covers for new stamp issues and postal stationery items postmarked with the official first day of issue can-

\*Through 1990 the F Fund was invested in the Wells Fargo Bond Index Fund.

On December 31, 1995, Barclays PLC acquired Wells Fargo. Accordingly, the *names* of the funds in which the C and F Funds are invested have changed, but otherwise these are the same funds as before the acquisition.

The C Fund is invested in the Barclays Equity Index Fund, which tracks the S&P 500 stock index. The F Fund is invested in the Barclays U.S. Debt Index Fund, which tracks the Lehman Brothers Aggregate Bond index. The G Fund is invested in special issues of U.S. Treasury securities.

The monthly C, F, and G Fund returns represent net earnings after deduction of accrued administrative expenses. The C and F Fund returns also reflect the deduction of trading costs and accrued investment management fees.

The C, F, and G Fund monthly returns are dollar-weighted: they reflect net earnings on the changing balances invested during the month. The C, F, and G Fund returns for the last 12 months assume, except for the crediting of earnings, unchanging balances (time-weighting) from month to month and that earnings are compounded on a monthly basis.

The C and F Fund returns vary from Barclays returns because of C and F Fund expenses and changing balances in the C and F Funds.

Future performance of the three funds will vary and may be significantly different from the returns shown above. See the "Summary of the Thrift Savings Plan" for detailed information about the funds and their investment risks.

HANDBOOK PO-603 REVISION

## Rural Carrier Performance Appraisal

Section 633.234 of the *Postal Operations Manual* (POM) provides guidance to managers for reviewing rural carrier actual workhours relative to evaluated workhours. Due to pending revisions to the POM, these guidelines are now more appropriate for inclusion in Handbook PO-603, *Rural Carrier Duties and Responsibilities*.

Effective immediately, Handbook PO-603 is revised as follows:

### Handbook PO-603, *Rural Carrier Duties and Responsibilities*

\* \* \* \* \*

#### 150 Schedules

#### 151 Management Responsibilities

##### 151.1 General Requirements

Scheduling is the responsibility of management. Schedules must be realistic, based upon the receipt and availabil-

ity of mail, the route evaluation, and other related service considerations. You will receive reasonable advance notice when your schedule is to be changed.

##### 151.2 Performance Appraisal

If the weekly time required to serve the route consistently varies more than three hours, either below or in excess of the route's standard hours, managers should consider corrective action. Exceptions may be made for carriers 55 years of age or older, and carriers who have served continuously for 25 years or more, provided that their conduct and efficiency are satisfactory. When it is demonstrated that a carrier 55 or over cannot confine total working time to 48 hours per week or less, the route will be adjusted.

## Rural Carrier Pay Changes

This article provides personnel offices with the general increase and cost-of-living adjustment (COLA) roll-in information necessary to administer personnel actions for career bargaining unit employees covered by the 1995 U.S. Postal Service/National Rural Letter Carriers' Association (USPS-NRLCA) National Agreement. The new salary schedules appear on pages 47-61.

### Affected Schedules (RCS)

The pay changes described below apply to employees paid under the Retiree Eligible (RES) and regular (Non-RES) versions of the rural carrier and rural auxiliary schedules (rate schedule codes R, R1, B, and B1). Rural Carrier Mileage Schedules were distributed to area offices in early February.

### General Increase

Effective November 25, 1995 (PP 25-95), at 40 hours on the Rural Carrier Evaluated Schedule, the basic annual salary for each step increases by the same dollar amount as received by employees in grade PS-5 on November 25, 1995, with proportional application to the other evaluated hours and miles on the salary schedules.

### COLA Roll-In

Effective February 3, 1996 (PP 4-96), employees in affected schedules will have rolled in to basic salary one of the COLA amounts shown in the table below. This COLA roll-in results in the elimination of the retiree eligible (RES) versions of the rural carrier schedules.

COLA Roll-In Amounts At 40 Hours on the Evaluated Schedule	
Regular Schedule — Step A	\$1,789
Regular Schedule — Steps B-12	\$1,997
Retiree Eligible Schedule — All Steps	\$853

### Rural Carrier Associate (RCA) and Rural Carrier Relief (RCR) Rates

The rates for RCA and RCR employees appear in the table below.

Rural Carrier Associate (RCA) and Rural Carrier Relief (RCR) Rates		
Effective	On the rolls <i>prior</i> to August 24, 1991	Hired <i>on or after</i> August 24, 1991 (PP 19-91)
November 25, 1995 (PP 25-95)	\$13.90	\$10.69
February 3, 1996 (PP 4-96)	\$14.86	\$11.55

### Temporary Relief Carriers (TRCs) Rates

Effective March 30, 1996 (PP 8-96), the hourly range for TRCs will be \$9.55 to \$11.55 per hour.

### Impact of COLA Roll-in on Net Pay

Although there will be no change in the annual *base* salary, the employee's *basic* salary will increase by the amount of the COLA roll-in. This will result in a slight decrease in net pay for those employees who receive the COLA roll-in. This decrease in net pay is due to legally mandatory deductions from basic salary for retirement, life insurance, and, if the employee is enrolled and elected a percentage deduction, the Thrift Savings Plan.

### Implementation

The general increase and COLA roll-in discussed in this notice was implemented on February 3, 1996 (PP 4-96), and appeared in paychecks distributed on February 23, 1996.
