DMM AND POM REVISIONS

Customer Mail Receptacles

Effective February 11, 1999, *Domestic Mail Manual* (DMM) D041 and *Postal Operations Manual* (POM) 632 are revised as follows to clarify the circumstances under which customers of rural and highway contract routes may share a single mail receptacle.

This revision will appear in the online DMM available via the Postal Explorer web site (<http://pe.usps.gov>) and will appear in the printed version of DMM Issue 55. This revision will appear in a future edition of the POM.

2.8 More Than One Family

If more than one family wishes to share a mail receptacle, the following standards apply:

- a. **Route and Box Number Addressing.** On rural and highway contract routes authorized to use a route and box numbering system (e.g., RR 1 BOX 155), up to five families may share a single mail receptacle and use a common route and box designation. A written notice of agreement, signed by the heads of the families or the individuals who want to join in the use of such box, must be filed with the postmaster at the delivery office.
- b. **Conversion to Street Name and Number Addressing.** When street name and numbering systems are adopted, those addresses reflect distinct customer locations and sequences. Rural and highway contract route customers who are assigned different primary addresses (e.g., 123 APPLE WAY vs. 136 APPLE WAY) should erect individual mail receptacles in locations recommended by their postmasters and begin using their new addresses. Customers having different primary addresses, who wish to continue sharing a common receptacle, must use the address

of the receptacle's owner and the "care of" address format:

JOHN DOE
C/O ROBERT SMITH
123 APPLE WAY

Customers having a common primary address (e.g., 800 MAIN ST, but different secondary addresses (e.g., APT 101, APT 102, etc.), may continue to share a common receptacle if single-point delivery is authorized for the primary address. Secondary addresses should still be included in all correspondence.

Overseas Military Mail

Mail addressed to, from, or between military post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The table below outlines these conditions by APO/FPO ZIP Codes through the use of footnoted mailing restriction codes, which appear on the page following the table.

Acceptance clerks should use this table with the

integrated retail terminal (IRT) to determine whether an APO/FPO ZIP Code is active and which conditions of mailing apply. For Express Mail Military Service (EMMS) availability, refer to the local hardcopy EMMS directory.

The complete table appears in the last *Postal Bulletin* of each month.

CORRECTION

Effective Date of Mileage Rate Change

Postal Bulletin 21986, (12-3-98) published an increase in mileage rates from 31 cents to 32.5 cents per mile effective December 3, 1998. The correct effective date for the mileage rate change should have been November 7, 1998.

Employees who were reimbursed for mileage at the rate of 31 cents per mile for expenses incurred between November 7, 1998, and December 2, 1998, should complete

a PS Form 1164, *Claim for Reimbursement for Expenditures on Official Business*, to claim the differential between the two rates. The claim should be made to the local post office or imprest fund. Employees are required to provide proof of payment at the lower rate.

CREDIT CARD UPDATE

Citibank VISA Travel Credit Cards

During the transition period from the American Express to the Citibank VISA travel credit cards, several issues have surfaced concerning maintenance of travel credit card records.

- If a cardholder moves, he or she must notify the credit card company of his or her new home address. Filing a change of address form with the Postal Service has no effect on the address of record maintained by the credit card company.
- If a cardholder relocates to a new job location, he or she must contact the travel card coordinator at the new job location to ensure that the account is transferred to the new coordinator's control number.
- If a cardholder leaves the Postal Service, the travel card must be surrendered as part of the clearance process (along with office keys, badge, and other accountable property). The credit card should be sent by the cardholder's office manager to the travel card coordinator for the area/district/functional area. The area/district/functional area coordinator is required to notify the credit card company that the cardholder is no longer a postal employee and that the account is to be canceled.
- All travel credit cards have an expiration date embossed on them. A replacement credit card will automatically be mailed to the cardholder in time to ensure that he or she will not be without an active travel credit card. Since these credit cards are, for security reasons, mailed in unmarked envelopes, a cardholder is cautioned to examine his or her mail carefully to avoid inadvertently discarding the new credit card.

EMPLOYEE RETIREMENT CONTRIBUTION RATES UPDATE

Changes in Employee Contribution Rates for Retirement

Provisions in the Balanced Budget Act of 1997, Public Law 105-33, will provide a temporary increase in the rates of retirement withholdings for employees covered by both the Civil Service Retirement System (CSRS) (including CSRS Offset employees), and the Federal Employees Retirement System (FERS). The increase is spread over 3 years and totals 0.5 percent of base pay.

The effective dates and percentage increases are as follows:

Effective Date	Pay Period	Percentage Increase
January 1, 1999	1	0.25%
January 1, 2000	2	0.15%
January 1, 2001	3	0.10%
Total		0.50%

Per Public Law 105-33, CSRS employee contribution rates will revert from 7.5 percent to the current rate of 7 percent of base pay on January 1, 2003. On that same date, FERS employees contribution rates will revert from 1.05 percent to 0.8 percent of base pay.

There will be no reduction in the Postal Service's contribution rate for employees. The current rates remain in effect throughout the 5 years encompassed by the law.

The first annual increase for Postal Service employees, including law enforcement personnel (and postal inspectors), will result in a slight decrease in take-home pay. The law's impact will be announced again in December of 1999 and 2000.

Post Collection Box Decal 55-J

This additional decal, developed for use on the old-style post collection boxes **ONLY**, is now available in the material distribution centers (MDCs). The design of Decal 55-J is identical to the corporate logo displayed on Label 55-A, *U.S. Mail Emblem*, which is used on all regular collection boxes, except that the size has been scaled down to 4 3/8" x 4 3/8".

One decal is to be affixed to each of the two sides of the post collection box; mounting and placement instructions are printed on the masking of each decal. These decals may be ordered using Touch Tone Order Entry (TTOE), faxing 785-861-2939, or mailing PS Form 7380, *MDC Supply Requisition*, to:

SURE MONEY/DINERO SEGURO UPDATE

Transaction Limit of \$2,999.99 for Dinero Seguro

This is a reminder to all participating Sure Money/Dinero Seguro post offices in California, Texas, and Illinois about the limit of \$2,999.99 per person per day. Current postal policy requires that these purchase restrictions be followed closely to avoid fines and legal action against the Postal Service and its employees. All Dinero Seguro and Bank Secrecy Act (BSA) training efforts have included the following points with regard to this important issue:

- The maximum amount of any single money-by-wire transfer is \$2,999.99.
- **Without exception**, no one customer may transfer more than \$2,999.99 in any one day. The \$2,999.99 daily limit applies regardless of the number of visits made by a customer to one of our postal facilities.

- Dinero Seguro transactions combined with money orders or Liberty Cash purchases that go over the \$2,999.99 limit will require customers to fill out PS Form 8105-A, *Funds Transaction Transfer Report*. All clerks will fill out PS Form 8105-B, *Suspicious Transaction Report (STR)*, for suspicious transactions.

The policy for this money-by-wire service has always been that no one individual can send more than \$2999.99 in any given day or in one transaction. Additionally, the rule for BSA is that anything over \$3,000 in face value per day requires a PS Form 8105-A to be filled out and submitted. Both the Inspection Service and BSA Compliance Office require that all employees adhere to these regulations. For further information on this subject, please refer to *Postal Bulletin* 21943, (4-10-97), pages 47–55.
