PostalOne! Helping business mailers get the job done right

Now it's easier than ever for companies of all sizes to use the power of business mail with *PostalOne!* — the business mail management system that performs for customers. *PostalOne!* electronically links business mailers with their entire mail supply chain and the Postal Service through a hard-working suite of online tools that streamline business mailings and give customers virtual, hands-on control at every point in the process.

To get started, customers can ask their Business Mail Entry manager for a guided tour of all that *PostalOne!* offers. Or they can call the *PostalOne!* Customer Care line at 800-522-9085 or visit www.uspspostalone.com.

PostalOne! helps business mailers get the job done right.

Louisville PDC improves flat sorter performance

The fall mailing season is here. Mail processing facilities looking to get the best performance out of their automated flat sorter machines (AFSMs) using the new automatic induction (AI) technology could take a tip or two from the Louisville, KY, Processing and Distribution Center (PDC).

The Louisville team is mastering the AFSM 100's new AI and automated tray handling system. The site continually reaches top performance levels, averaging more than 15,300 mailpieces per operational hour — nearly 10 percent above where they were before AI. That's the kind of improvement USPS facilities are going to need for a successful fall mailing season.

Want to be like Louisville and increase your facility's AFSM performance? Operational tools and support documents are available on the Engineering intranet Web site at <http://web.eng.usps.gov/references/systemperformance.htm>.

USPS issues Southern Florida Wetland stamp pane

Unveiling the new Nature of America stamp pane are, from left, Naples Zoo Board of Directors President Larry Richardson, student Jonas Garcia, USPS Chief Human Resources Officer Tony Vegliante, student Ahven Donavon and Naples Zoo Safari Director Jane Tetzlaff.

To raise awareness of the diverse species inhabiting the fragile environment of the world's largest subtropical marshland — the Florida Everglades — the Postal Service has dedicated the *Nature of America: Southern Florida Wetland* stamp pane and stamped postal cards.

The stamps and cards depict 21 plants and animals found in southern Florida wetland areas. The stamp pane, which can be used as a "flash card," has information on the back listing common and scientific names. The ceremony took place at the Naples Zoo at Caribbean Gardens against a backdrop of many of the plants and creatures seen on the sheet.

Pacific Area Energy Program Committee earns national recognition

The Pacific Area Energy Program Committee has received two awards from the federal government in Washington, DC — a Presidential Award for Leadership in Energy Management in the Results category and a Federal Energy and Water Management Award.

Under the leadership of Pacific Area Environmental Programs Manager Ray Levinson, and with the help of Environmental Specialist Joseph Vanden Berg, the committee delivered significant results in key areas such as energy efficiency and energy conservation, increased use of renewables, improved electric reliability and reduced energy costs.

The committee's activities have resulted in more than \$108 million in completed energy efficiency and energy management retrofit projects, including development of the largest civilian agency stock of solar photovoltaic systems. These projects are already delivering annual cost savings of approximately \$9.4 million and annual energy savings of nearly 340 billion BTUs (British thermal units).

Winter Park, FL, Aloma Carrier Annex earns VPP Star Flag award

Winter Park, FL, Aloma Station Manager Kathy Grimsley, left, Supervisor Pierre Libersat, APWU Steward Al Robinson, NALC Shop Steward Johnny Palacio and Postmaster David Maze show off their new VPP Star flag.

The Winter Park, FL, Aloma Carrier Annex has earned one of the Occupational Safety and Health Administration's (OSHA) highest awards — the Voluntary Protection Program (VPP) Five Star Award for workplace safety.

The VPP recognizes organizations that go beyond traditional safety programs by incorporating comprehensive safety and health into their overall management structure. Employees and their managers typically form teams to implement safety programs that exceed minimum standards. VPP companies routinely report injury rates 50 percent lower than other companies in their industry.

Winter Park is the first workplace in the Central Florida District to earn the VPP honor. It is also the second in the Southeast Area to receive the award.

Job instructor training updated

An on-the-job instructor (OJI) helps fill the niche between classroom training and practical experience for employees. A redesigned OJI training course — course number 21505-00 — is now available through the Material Distribution Center (MDC). The new course is 6.5 hours and provides OJIs with the specific training techniques they need to be successful, preparing them for the city and rural carrier, sales and services associate and mailhandler training courses.

Course components are now available for download at the Employee Development Training Course Materials site at <http://trainingmaterials.usps.gov>. You can also order course components from the MDC:

Course Title	National Stock Number	Price (Each)
Job Instructor Training, Facilitator Guide	7610050004550	\$2.94
Job Instructor Training, Participant Guide	7610050004551	\$2.37

Five modules stress the importance of providing a standardized message from the academy through the OJI component of training. On-the-job training is emphasized as a critical follow-up to academy training in driving improved performance.

Holiday Snowflakes stamps dedicated

Leading the applause at the unveiling of the Holiday Snowflakes stamps are, from left, American Stamp Dealers Association President Eric Jackson, USPS Senior VP and General Counsel Mary Anne Gibbons, snowflake photographer and physicist Kenneth Libbrecht and USPS Stamp Services Manager David Failor.

USPS held a first-day-of-issue dedication for its 2006 *Holiday Snowflakes* stamps series at the New York Mega StampShow.

The *Holiday Snowflakes* stamps are produced from photographs of actual snowflakes taken by physicist Kenneth Libbrecht. An author of four books on snowflakes, Libbrecht used a small paintbrush to move each crystal from a cardboard collection board to a glass slide. He took the pictures in the wilds of Michigan, Alaska and Canada, with a digital camera attached to a high-resolution microscope.

The images represent two types of stellar snowflakes. Three of the images are dendrites, which have tree-like branches. The fourth, shown on the lower left of the pane, is a sectorial plate, featuring broad branches divided by ridges.

The holiday stamps are on sale now.

Domestic Mail

DMM REVISION

New Mailing Standards for Sharps and Other Regulated Medical Waste Containers

Effective November 9, 2006, we are revising 601.10.17 of the *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) for sharps and other regulated medical waste containers. Our new standards promote uniform container testing methods and ensure the integrity of mailpieces containing sharps and other medical waste. Specifically, the new standards:

- Revise the process for authorizing and suspending authorization for mailing sharps and other regulated medical waste containers to enhance monitoring and control of medical waste in the mail.
- Require container vendors to provide us with the names and addresses of their distributors on request.
- Revise container standards and container testing standards to ensure that container testing is performed on a consistent basis for all sharps and other regulated medical waste containers.

Sharps and other regulated medical waste containers approved for mailing prior to November 9 can maintain their authorization until it expires (24 months from the most recent approval). Containers submitted for authorization or renewal of authorization on or after November 9 must meet the new standards.

		*	*	*

[Revise title of 10.17.7 as follows:]

10.17.7 Sharps Medical Waste and Regulated Medical Waste Containers

[Replace “manufacturer or distributor” with “vendor” throughout 10.17.7.]

* * * * *

[Add new authorization information to the end of item a1 as follows:]

1. ***Vendors that market their containers to distributors are responsible for disposal and cleanup costs attributed to those containers. In addition, vendors must provide a list of distributors, including firm names, addresses, and telephone numbers, to the Postal Service on request.

* * * * *

[Revise item a3 to add “name” and “phone number” as follows:]

3. Name, address, and phone number of each storage and disposal site.

* * * * *

[Add text at the end of item a8 as follows:]

8. ***and verification that the merchandise return service (MRS) permit fee and accounting fee have been paid.

[Add new item a9 as follows:]

9. Address of the post office or postage due unit where the containers are delivered.

* * * * *

[Revise the package testing information in item b1 by replacing the last sentence as follows:]

1. ***Package testing results must show that the contents of the primary container did not penetrate through the primary container during package testing and that the primary container can

maintain its integrity at temperatures as low as 0°F and as high as 120°F.

[Revise the third sentence of item b2 to read “4 mil” as follows:]

2. ***If one of the components is a plastic bag, the bag must be at least 4 mil in thickness and must be used in conjunction with a fiberboard box.***
* * * * *

[Revise item b4 by replacing “a watertight barrier” with “the primary receptacle” as follows:]

4. There must be enough material within the primary receptacle ***

[Revise item b5 as follows:]

5. Each mailpiece must not weigh more than 25 pounds. The container’s maximum allowable weight must be printed on the outside of the box and on the assembly and closure instructions included with each mailpiece. The mailpiece must be tested at the maximum allowable weight identified by the vendor.
* * * * *

[Add a new sentence at the end of item c1 as follows:]

1. ***Place the label on the top or on a side of the container.

[Add a new sentence at the end of item c2 as follows:]

2. ***The symbol on the outer shipping container must be at least 3 inches high and 4 inches wide.
* * * * *

[Add new item c7 as follows:]

7. Vendors must retrieve mailpieces held at processing facilities due to improper labeling such as no return address or due to improperly completed shipping papers.

[Revise item d as follows:]

- d. *Package Testing.* Vendors must submit to the manager, Mailing Standards (see 608.8 for address), package testing results from an independent testing facility for each package for which the vendor is requesting authorization. In addition, vendors must submit package testing results from an independent testing facility when the design of a container system changes or every 24 months, whichever occurs first. The test results must show that if every mailpiece prepared for mailing were subject to the environmental and test conditions in 49 CFR and the additional test requirements in 10.17.7e, no contents would be released into the environment and the effectiveness of the packaging would not be significantly reduced. The Postal Service may require proof of accreditation

or other documentation to support the credentials of an independent testing facility.

[Add new item e as follows:]

- e. *Testing Criteria.* Each mailpiece must pass each of the tests described below:

1. *Leak-proof test.* The test must be conducted on one primary receptacle with the lid in place, without the secondary and outer packaging. The test duration must be at least 5 minutes and must be conducted at 20 kPa (3 psi). The pass/fail criterion is: no air leakage from anywhere other than the closure of the primary receptacle. Air leakage at the closure is not considered a failure if the primary receptacle passes the test for watertightness as determined by placing 50 ml of de-ionized water into the primary receptacle, securing the closure, and then turning the container on its side and observing for any evidence of leakage. Any evidence of water leaking from the primary receptacle is a failure.
2. *Stacking test.* One mailpiece must withstand the test in 49 CFR 178.606. The dynamic compression test must be conducted on the empty, unsealed mailpiece assembled for mailing, without the primary receptacle(s). The test mass is the vendor-identified maximum weight, not to exceed 25 pounds, as indicated on the outer shipping container and on the assembly and closing instructions. A compensation factor of 1.5 must be used to compute the test load, based on the vendor-identified weight. The pass/fail criteria are: no buckling of the side-walls sufficient to cause damage to the contents in the primary container, and in no case does the deflection exceed 1 inch.
3. *Vibration test.* One mailpiece filled with sharps or other regulated medical waste must withstand the test in 49 CFR 178.608. The test mailpiece is filled with sharps or other regulated medical waste to the vendor-identified maximum weight, not to exceed 25 pounds, as indicated on the outer shipping container and on the assembly and closing instructions. The test sample is prepared as it would be for mailing. The pass/fail criterion is: no rupture, cracking, or splitting of any primary receptacle.
4. *Wet drop test.* Five mailpieces filled with sharps or other regulated medical waste must withstand the test in 49 CFR 178.609e. Each test mailpiece is filled with sharps or other regulated medical waste to the vendor-identified maximum weight, not to exceed 25 pounds, as indicated

on the outer shipping container and on the assembly and closing instructions included with each mailpiece. Each mailpiece is prepared as it would be for mailing and subjected to the water spray as described in the test. A separate, untested mailpiece is used for each drop orientation: top, longest side, shortest side, and corner. The pass/fail criteria are: no rupture, cracking, or splitting of any primary receptacle, and no contents may penetrate into or through the body or lid of any primary receptacle.

5. *Cold drop test.* Five mailpieces filled with sharps or other regulated medical waste must withstand the test in 49 CFR 178.609f. Each test mailpiece is filled with sharps or other regulated medical waste to the vendor-identified maximum weight, not to exceed 25 pounds, as indicated on the outer shipping container and on the assembly and closing instructions included with each mailpiece. Each mailpiece is prepared as it would be for mailing and chilled as described in the test. A separate, untested mailpiece is used for each drop orientation: top, longest side, shortest side, and corner. The pass/fail criteria are: no rupture, cracking, or splitting of any primary receptacle, and no contents may penetrate into or through the body or lid of any primary receptacle.
6. *Impact test.* One mailpiece filled with sharps or other regulated medical waste must withstand the test in 49 CFR 178.609h. The test mailpiece is filled with sharps or other regulated medical waste to the vendor-identified maximum weight, not to exceed 25 pounds, as indicated on the outer shipping container and on the assembly and closing instructions included with each mailpiece. The mailpiece is prepared as it would be for mailing. The pass/fail criteria are: no rupture, cracking, or splitting of any primary receptacle, and no contents may penetrate into or through the body or lid of any primary receptacle.
7. *Puncture-resistant test.* Package testing results must show that during all of the previous tests, the contents did not penetrate through the primary container.
8. *Temperature test.* Package testing results must show that each primary receptacle maintained its integrity when exposed to temperatures as low as 0°F and as high as 120°F.
9. *Absorbency test.* Package testing results must show that the primary receptacle(s) contain enough absorbent material to absorb three

times the total liquid allowed within the primary receptacle in case of leakage. Absorbency is determined by pouring 150 ml of deionized water into the primary receptacle(s), then turning the receptacle(s) upside down and observing for any evidence of free liquid not absorbed on contact. Any evidence of free liquid is a failure.

10. *Watertight test.* Package testing results must show that no leakage occurred when 50 ml of deionized water was placed into the secondary containment system and the entire system turned upside down for 5 minutes.

[Add new item f as follows:]

f. *Suspension of Authorization.*

1. The Postal Service may suspend a vendor's authorization based on information that a mailpiece no longer meets the standards for mailing sharps medical waste and regulated medical waste containers, or that the mailpiece poses an unreasonable safety risk to Postal Service employees or the public. The suspension can be made immediately, making the mailpiece nonmailable immediately. The vendor may contest a decision to suspend authorization by writing to the manager, Mailing Standards (see 608.8 for address), within 7 days from the date of the letter of suspension. The appeal should provide evidence demonstrating why the decision should be reconsidered. Any order suspending authorization remains in effect during an appeal or other challenge.
2. When a vendor is notified that its authorization to mail sharps or other regulated medical waste containers has been suspended, the vendor must immediately: (1) Recall all identified containers. (2) Notify all customers that they cannot mail the identified containers. (3) Suspend sales and distribution of all identified containers. (4) Collect the identified containers from distributors, consumers, and the Postal Service without using the mail and in accordance with all federal and state regulations.

MARKETING MATTERS — FACTS AT A GLANCE

Facts That Might Surprise You!

You probably know the person who brings you your mail and maybe even the person who sells you your stamps. And you know how to address an envelope, affix a stamp, and deposit it into the mail. So what else is there to know about the Postal Service™? Well, did you know these facts? The Postal Service provides:

- **Reach.** The Postal Service delivers to more than 144 million homes, businesses, and Post Office™ boxes in every community, coast to coast, 6 days a week — and it delivers Express Mail® items every day of the year, including Sundays and holidays.
- **Access.** The Postal Service serves more than 7.5 million customers each day at one of more than 37,000 Post Offices. And each day, nearly 1 million people visit the Postal Service's award-winning Web site at www.usps.com.
- **Volume.** Postal Service employees sort, sequence, and deliver more mail — 212 billion pieces of mail a

year — to more people over more distance than in any other country.

- **Transportation.** The Postal Service operates a transport and delivery fleet of more than 214,000 vehicles that travel more than 1 billion miles each year.
- **Impact.** As reported in the *Washington Post*, the Postal Service "is at the center of a \$900 billion mailing industry, which employs 9 million people in such businesses as direct mail, paper manufacturers, and printers."

The mail is an important part of our nation's economy, and the Postal Service is working hard to meet the personal and business communication needs of everyone.

PostalOne! Is Teaming Up Online To Move Business Forward

Now it's easier than ever for companies of all sizes to use the power of business mail with a *PostalOne!*® account. *PostalOne!* electronically links mailers and the U.S. Postal Service® through a suite of online tools which streamline business mailings.

Save Time and Money

PostalOne! reduces time-consuming paperwork with electronic postage statements and documentation; streamlines acceptance and verification so mailers can spend less time at the business mail entry unit (BMEU); integrates mail planning and production with postal workflow; enables automated postage payment, mail entry scheduling, and reconciliation; and more.

Discover How PostalOne! is Quick, Easy, and Convenient!**Quick**

- Eliminate hard copy documents.
- Produce on-screen reports and analysis in seconds.
- Reduce time at the business mail entry unit (BMEU).

Easy

- View the postal information about mailings online.
- Be alerted when permits and fees are due.
- Access financial transactions 24/7.

Convenient

- Display current rates and discounts, and calculate postage.
- Generate alerts if processing problems occur.

Payment

By using *PostalOne!*'s centralized account payment features, mailers can manage funding their account or multiple accounts through automated processes.

Customer Feedback

We invite feedback, questions, and suggestions anytime. Customers should feel free to contact their Business Mail Entry Manager directly or call the *PostalOne!* Customer Care line at 800-522-9085.

Getting Started With PostalOne!

To begin, mailers should decide which electronic documentation "on ramp" meets their mailing needs: Postage Statement Wizard® (PSW), Mail.dat®, or Web Services.

Mailers can submit postage statements online with PSW. Using a secure Internet connection and simple, on-screen fields, PSW helps mailers complete postage statements online in the USPS *PostalOne!* account. Mail.dat and Web Services are file transfer protocols that allow mailers to transmit their mailing information from their production software directly to the USPS *PostalOne!* system. The

choice between Mail.dat or Web Services is usually determined by the data output from the presort software being utilized by the mailer or his/her mail service provider.

Postage Statement Wizard may be a good fit if the mailer:

- Uses presorted or discounted mail.
- Handwrites most information on postage statements.
- Presorts manually or uses simple presort software.
- Has just a few pages of presort documentation.
- Usually mails locally.

Mail.dat or Web Services may be a better fit if the mailer:

- Uses presorted or discounted mail.
- Uses complex presort schemes.
- Uses sophisticated or customized presort software.
- Mails in large quantities to a broad range of delivery areas.
- Plans transportation for drop-ship mailings.
- Serves as a mailing agent or mail service provider for other business mailers.

Note: Technical considerations determine which is best for mailers. They should contact the *PostalOne!* Help Desk (800-522-9085) for more information.

Business Mail Entry managers are prepared to give guided tours of all that *PostalOne!* offers.

To use PSW, Mail.dat, or Web Services, mailers must first sign up for a *PostalOne!* account, which is free, and

offers many additional benefits and features. Here are just a few:

■ **Account Balance and Fee Information Anytime**

From their desktop, mailers can track their deposits, account balances, and transactions.

■ **Real-Time Reports 24/7**

PostalOne! gives mailers continuous access to a variety of reports. They can review mailing history, monitor trends, and more.

■ **Document Everything**

Mailers can view and print statements, as well as receipts — capture deposits, transactions, and trends.

■ **Remote Inspection**

This allows mailers to view reported mail processing issues online, including labeling, barcode, and other errors. It also allows them to use this information to avoid repeat issues and minimize future delays.

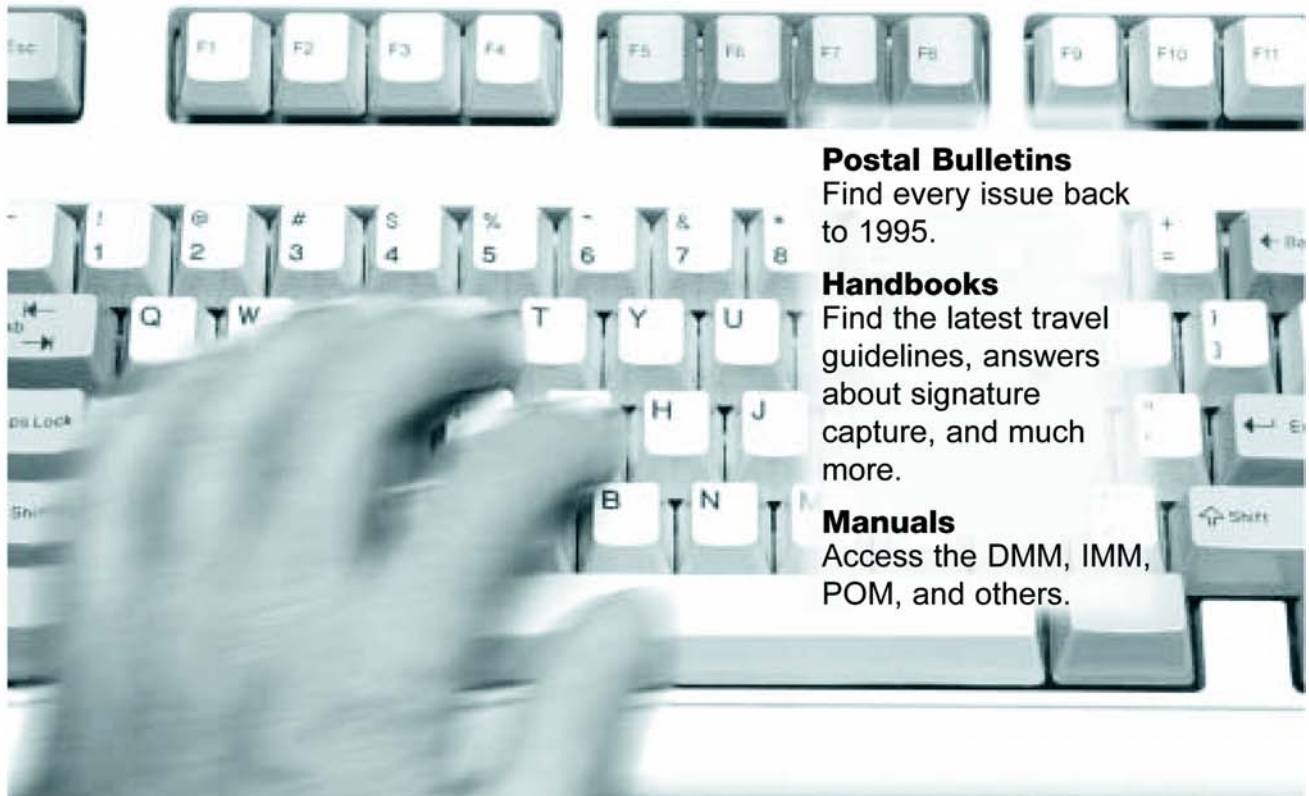

Business Mail Entry managers are available to tell mailers about many more benefits and features they can enjoy with *PostalOne!*

NOTICE

Change in Vendors — Purchasing Cash Equivalent and Noncash Award Items

Effective immediately, all *cash equivalent* and *noncash* award items for \$25 or more must be purchased from one of the approved vendors listed below. Policies affecting the issuance of award checks through Eagan and the local purchase of noncash tangible items are unchanged.

As a reminder, awards may be issued for a wide range of purposes; however, the purchase of award items must conform to the policies established for our formal award and recognition program. In addition, managers must take appropriate action to ensure the security of items purchased. Additional information, including award descriptions, limits, and approval authority, is available at <http://blue.usps.gov/hrisp/comp/awards.htm> and in ELM 470, Recognition and Awards.

Approved Vendor of Cash Equivalent Awards

The approved cash equivalent award is the American Express Gift Cheque issued in \$100 denominations, purchased directly from American Express through eBuy. Gift cheque purchases must follow proper eBuy purchasing protocol. Purchases directly from the American Express Web site are no longer authorized.

Effective immediately, the interim procedures requiring you to submit PS Form 8230, *Authorization for Payment*, and invoice to the San Mateo Account Center are discontinued. To ensure proper payment for purchases made via eBuy, do *not* submit PS Form 8230 or invoice.

Approved Vendors of Noncash Awards

There are five approved vendors of noncash awards of \$25 or more, which are limited to gift certificates in denominations of \$25, \$50, \$100, and \$250. These items are purchased through the vendor's Web site (listed here) using an IMPAC credit card for payment. Gift certificate awards must be reported in eAwards as a "Spot Gift Certificate" award. To minimize the number of eAwards entries, managers may aggregate multiple gift certificate awards as a single entry for each employee. However, gift certificate awards must be reported in the calendar year they are issued. Payroll calculates and pays tax assistance on award amounts that exceed \$50.

Health Benefits Open Season

The 2006 Federal Employees Health Benefits (FEHB) Open Season is scheduled for November 13 through December 12, 2006, 5:00 P.M. CT. Many open season changes may be made via self-service on *PostalEASE*. During this open season, eligible employees may make any one, or a combination of, the following changes:

- Enroll if not enrolled.
- Change from one plan to another plan.
- Change from one option to another option.
- Change from Self Only to Self and Family.
- Change from Self and Family to Self Only.
- Cancel enrollment.
- Change from pre-tax to post-tax payment of health insurance premiums, or vice versa.

Enrollment changes and new enrollments made during the 2006 open season will be effective January 6, 2007 (Pay Period 02-07).

Distribution of Open Season Materials*Employees*

Before the start of the FEHB Open Season, the *2007 Guides to Federal Employees Health Benefits (FEHB) Plans* for (1) career employees (RI 70-2); (2) Postal Inspection Service and Office of Inspector General (OIG) employees (RI 70-2IN); and (3) certain temporary (noncareer) employees (RI 70-8PS) will be mailed from the national level to each employee's address of record. Each 2007 Guide includes:

- An overview of FEHB Program eligibility requirements and election choices during open season.
- A comparison of biweekly premium costs of participating plans.
- An explanation of the pre-tax payment feature, including a current list of qualifying life events (status changes).
- Enrollee survey results provided by the individual health plans.
- Information about accreditation of the key systems and processes that managed care organizations use.

This year, all employees eligible for FEHB will also receive the *2007 Guide to Federal Employees Dental and Vision Insurance Program (FEDVIP BK-1)*.

Installations

To assist in publicizing this FEHB Open Season, all installations are asked to post on bulletin boards the open season notice provided on page 47 of this *Postal Bulletin* and to leave it posted through December 12, 2006. Also provided on page 49 is the Federal Employees Dental and Vision Insurance Program notice which should be posted through December 11, 2006.

The Material Distribution Center (MDC) will distribute most fee-for-service brochures to the same offices that receive Thrift Savings Plan and Flexible Spending Account materials. This distribution is to all customer service district offices, processing and distribution centers, airport mail centers, bulk mail centers, remote encoding centers, the Office of Inspector General, selected Postal Inspection Service divisions, and selected Headquarters field units.

The Rural Carrier Benefit Plan will be distributed to district and area Human Resources offices (not to the TSP/FSA installation distribution list). Additional copies may be requisitioned from the MDC:

- RI 72-5, *Rural Carriers Benefit Plan* (individual plan brochure for the rural carriers closed enrollment fee-for-service plan) — postal stocking number (PSN) 7690-03-000-3809.

The SAMBA Plan will be distributed to Inspection Service divisions and to the Office of the Inspector General. Additional copies may be requisitioned from the MDC:

- RI 72-06 SAMBA Health Benefit Plan (individual plan brochure for Inspection Service and Office of Inspector General employees.) — PSN 7690-90-000-9136.

The following items may be requisitioned from the MDC:

- RI 70-2, *2007 Guide to FEHB Plans* (postal career employees) — PSN 7690-03-000-3774.
- RI 70-2IN, *2007 Guide to FEHB Plans* (USPS Inspectors and Office of the Inspector General employees) — PSN 7690-09-000-9077.

*POST OFFICES WITH RURAL DELIVERY SERVICE***Rural Carrier Guarantee Period**

Each year the Postal Service™ establishes the 52-consecutive-week guarantee period for rural carriers working under the Fair Labor Standards Act (FLSA) section 7(b)(2). Last year's guarantee period ran from Saturday, October 29, 2005, through Friday, October 27, 2006. This year's guarantee period year runs from Saturday, October 28, 2006, through Friday, October 26, 2007.

Postal Service personnel managing rural carriers working under FLSA section 7(b)(2) must ensure those carriers work only the permitted number of hours during the guarantee period. Carriers are permitted to work 2,080 hours and

earn overtime up to 2,240 hours during the guarantee period. If a carrier works more than 2,240 hours within the guarantee period, section 7(b)(2) is voided and the carrier will have to be compensated for all hours worked during the guarantee period according to FLSA section 7(a). Managers must enforce the overtime rules to avoid having to comply with FLSA section 7(a).

Shipment Confirmation Acceptance Notice (SCAN)

On November 10, 2006, the Postal Service™ plans to launch a new PC Postage® feature called “Shipment Confirmation Acceptance Notice” (SCAN). Mailers will use this feature to obtain an “Acceptance” event for packages shipped using PC Postage applications. When a customer goes online to ship packages, a PS Form 5630, *Shipment Confirmation Acceptance Notice*, is created at the end of the transaction. This form has one barcode associated with all of the packages in the shipment. The customer can give the packages to a letter carrier or bring the packages to the retail window or the back dock. When the Postal Service employee scans the barcode on PS Form 5630, every package in the shipment receives an “Acceptance” event from the Post Office™.

PS Form 5630 is designed to better meet customer needs around tracking and visibility. Our customers who ship online tell us they want better visibility on their package shipments. This program enables us to be more competitive in the marketplace because direct-to-consumer shippers need a way to show their customers that items have been shipped. It is important to note that items with online postage labels will show only the “Accepted” event scan by using PS Form 5630. This feature will help improve our strategy of being Quick, Easy, Convenient™ for our customers. With this feature, our customers will have a complete online solution for shipping expedited packages — online labels with postage, free packaging, free Delivery Confirmation™ service, free Carrier Pickup™ service, and, with SCAN, the ability to validate shipment acceptance.

SCAN will save time and money for both the customer and the Postal Service. It’s just another way we are transforming our products and services to better meet the needs of our customers.

- More companies are selling direct to consumers through catalogs, direct mail, and the Internet. In 2006, online retail sales again outpaced growth for traditional retail. The majority of new jobs created in this country are from small businesses, and these companies rely on the Postal Service for shipping. The Postal Service is a favored choice for many shippers who value the quality and convenience we provide at the “first mile” and “last mile.”

- Our research shows that our customers want greater visibility for their packages. SCAN will provide the end-to-end visibility that meets our customers’ business needs.
- For more information on Delivery Confirmation service, just go to www.usps.com; click on *All Products and Services* and then on *Delivery Confirmation*.

This information kit is designed to inform Postal Service employees about the new procedures used with SCAN. The kit contains the following materials:

Standard Operating Procedures — Acceptance and Scanning of PS Form 5630 for SCAN by Delivery Acceptance, Retail Acceptance, and Back Dock Acceptance

General Information

On November 10, 2006, the Postal Service plans to launch a new PC Postage feature called “Shipment Confirmation Acceptance Notice” (SCAN). Customers using the Postal Service’s Click-N-Ship® Web site or other USPS-authorized PC Postage/label printing solutions will have the ability to print a shipping notice — PS Form 5630 — that represents a group of online prepaid packages. This shipping notice contains a barcode that is linked to all packages with any type of delivery barcode prepared for that day’s outgoing mail. Items that can be linked to the shipping notice barcode include Delivery Confirmation, Signature Confirmation™, Express Mail®, mail with extra services, and international mail.

Field Information Kit**Shipment Confirmation Acceptance Notice (SCAN)**

PS Form 5630 will contain a barcode similar to the barcode shown in Exhibit 1. It will contain a "50" service type code.

Exhibit 1

The customer can give the packages to a letter carrier (either giving them to the carrier at the time of delivery or leaving them for the carrier at the time of a scheduled pick-up) or can bring the packages to the retail window or the back dock. Regardless of how the customer submits the mail, Postal Service employees will accept the mailing and scan the barcoded PS Form 5630.

The following procedures discuss the various induction methods that a customer can use and the tasks of the Postal Service employees.

Delivery Acceptance

1. If the customer is personally presenting the packages, greet the customer.
2. When the customer presents PS Form 5630 (see Exhibit 1) and packages for acceptance, review the shipping labels to ensure that postage has been paid online. If postage has not been paid online with Click-N-Ship service or other PC Postage method, inform the customer that you can accept only prepaid items.
3. Accept articles using existing Click-N-Ship/PC Postage procedures.
4. Scan the barcode on PS Form 5630 (see Exhibit 1) by using the "Scan Enter Label ID" screen on the mobile data collection device (MDCD handheld scanner).

Note: Existing procedures for expedited items remain in effect along with SCAN procedures.

5. When the "Shipment Complete" screen appears on the MDCD handheld scanner, select "1: YES" (as shown in Exhibit 2).

Exhibit 2

SHIPMENT COMPLETE?	
1: YES	
2: NO	

6. If the customer is present, thank the customer and return PS Form 5630 to the customer; if the customer is not present, place PS Form 5630 in the customer's mailbox.
7. Collect and dispatch the mail appropriately. All current collection and acceptance standard operating procedures (SOPs) still apply.
8. If the volume noted on PS Form 5630 is significantly different from the actual volume collected, notify your supervisor upon your return to the office. There is no requirement that the volume in each shipment be verified.

Retail Acceptance and Back Dock Acceptance

1. Greet the customer.
2. When the customer presents PS Form 5630 (see Exhibit 1) and packages for acceptance, review the shipping labels to ensure that postage has been paid online. If postage has not been paid online with Click-N-Ship service or other PC Postage method, inform the customer that you can accept only prepaid items.
3. Accept articles using existing Click-N-Ship/PC Postage procedures.
4. Scan the barcode on PS Form 5630 by using the "Scan Enter Label ID" screen on the mobile data collection device (MDCD handheld scanner).

Note: Use only the MDCD handheld scanner to scan the barcode on PS Form 5630 — POS ONE scanners are not yet programmed to accept this barcode.

Note: Existing procedures for expedited items remain in effect along with SCAN procedures.

5. When the "Shipment Complete" screen appears on the MDCD handheld scanner, select "1: YES" (as shown in Exhibit 2).

6. Thank the customer and return PS Form 5630 to the customer.
7. Collect and dispatch the articles appropriately. All current collection and acceptance SOPs still apply.
8. If the volume noted on PS Form 5630 is significantly different from the actual volume collected, notify your supervisor. There is no requirement that the volume in each shipment be verified.

Postal Service FAQs About SCAN

1. Why are we providing this new service?

Customers using online label printing and shipping solutions have told us that it is extremely important to have an initial scan or online indication of the pickup or induction of their items. The Postal Service also feels that greater levels of acceptance scanning increases the value of our products as well the ability to analyze service trends.

2. Are letter carriers required to do this on the street?

Yes, carriers will use their MDCD handheld scanners to scan PS Form 5630 at the time of pickup. Retail associates at the retail window or at the back dock will also perform these scans when mailings are presented to them, also using their MDCD handheld scanners.

3. What do I need to do when presented with these mailings?

Recognize PS Form 5630, *Shipment Confirmation Acceptance Notice* — also called the SCAN form. With the MDCD handheld scanner, scan the barcode on PS Form 5630 as “Accepted” and return the form to the customer. Dispatch all collected mail according to your local SOPs. Letter carriers and retail associates will be provided with standup talks and SOPs for guidance in this process.

4. How do customers get PS Form 5630?

The only way to receive PS Form 5630 is online through a PC Postage application such as Click-N-Ship, eBay, or one of the vendor’s applications. This is an approved Postal Service form, but it cannot be ordered.

5. Will all of the forms used by customers look the same?

Yes. PS Form 5630 will be used by all customers that choose to use this service.

6. What do I do if the volume noted on PS Form 5630 is significantly different from the actual volume collected?

Scan PS Form 5630 and accept the mail. The counting of packages with each shipment is not required. If the volume on the preprinted form is significantly different than what is accepted, please notify your supervisor.

7. What services will be linked to PS Form 5630?

The form will support online barcodes created for such mail classes and services as Delivery Confirmation, Signature Confirmation, Express Mail, Priority Mail®, First-Class Mail®, Parcel Post®, insured mail, bound printed matter, library mail, Media Mail®, Global Express Guaranteed®, Global Express Mail®, Global Airmail® parcel post, Global Economy® parcel post, Global Airmail letter-post, and Global Economy letter-post.

8. What happens if the barcode doesn’t scan?

If the barcode will not scan, key the barcode number into the MDCD handheld scanner.

9. What happens if the customer has more than one PS Form 5630 per day?

Each PS Form 5630 must be scanned. If this situation continues, please notify your supervisor.

10. Does SCAN count toward Del Con scores?

Although PC Postage items are not included in any Pay for Performance measurements, they are measured and require the same levels of scan and service performance as all products.

11. How will rural carriers be compensated?

For items accepted by rural letter carriers via the Carrier Pickup program, rural carriers will be compensated in accordance with the Memorandum of Understanding between the U.S. Postal Service® and the National Rural Letter Carriers’ Association (NRLCA) dated 04/08/04.

For items not accepted via the Carrier Pickup program, rural carriers will receive credit during mail count for scanning PS Form 5630 at the rate of 18 seconds per PS Form 5630 scanned. All mailpieces accepted or collected will be credited in accordance with Handbook PO-603, *Rural Carrier Duties and Responsibilities*, section 535.12n–p.

12. How similar is PS Form 5630 to PS Form 8125?

PS Form 8125, *Plant-Verified Drop Shipment (PVDS) Verification and Clearance*, is a drop shipment verification form that the customer must fill out for clearance and verification of drop shipments. When there is a discrepancy with the mail submitted with PS Form 8125, the Postal Service does not accept the mail until the problem is resolved. PS Form 5630 is automatically printed complete when a customer finishes the shipping order. The customer needs only to submit the form with the items. It’s a much easier process with PS Form 5630.

13. Does a copy of PS Form 5630 go back to the office?

No. Employees return PS Form 5630 to the customer or place it in the customer's mailbox after completing the scan.

Customer FAQs About SCAN

1. How do I get the form?

When you go online to ship packages via a PC Postage application such as Click-N-Ship or eBay, you will have the option of associating your labels with PS Form 5630, *Shipment Confirmation Acceptance Notice* — also called the SCAN form. At the end of the process, you will be able to close out your form and print it.

2. What scan events would I be able to see on usps.com?

You will be able to view the "Acceptance" event by entering the label barcode number on *usps.com* or your PC Postage vendor's site. (Do not use the barcode number on PS Form 5630.) All other tracking events will be product-specific.

3. Is there a limit on how many packages can be linked to PS Form 5630?

No.

4. Do I need PS Form 5630 if I have only one package that I want scanned at acceptance?

Yes.

5. Will PS Form 5630 list the number of packages by product type and number?

PS Form 5630 will categorize mail into four groups consistent with the Carrier Pickup product breakdowns: "Priority Mail," "Express Mail," "International Mail," and "Other."

6. How does SCAN work with Click-N-Ship?

Click-N-Ship and other PC Postage applications provide the ability to generate the SCAN form as part of their service offering. It will not be required but will be available for customers who desire indication of package pickup and acceptance by the Postal Service.

7. Do I have to wait in line to have PS Form 5630 scanned at retail?

You will be able to tender mail to your carrier, drop it at the back dock, or bring it to retail or other acceptance point. If

you bring it to retail, you must wait for next available retail associate unless instructed otherwise by the local office.

8. Will one SCAN form — i.e., one barcode number — work as a scan for all my packages?

Yes. All packages properly linked to PS Form 5630 barcode will receive the acceptance event once the barcode has been scanned.

9. Do I need to notify the carrier ahead of time (via Carrier Pickup service) that I will be manifesting for several packages?

If you would like your items picked up by the Postal Service, we encourage you to use Postal Service pickup services. However, Carrier Pickup or Pickup on Demand services are not required.

10. Once I close out a shipping order and print my SCAN form, can I go back and add items to it?

No. You may begin a new process for shipping packages and create a new SCAN form that will include the added items. However, please make every effort to provide only one PS Form 5630 per day.

11. Do items need to be shipped on the same date as the SCAN form date?

Yes, PS Form 5630 for a particular ship date must be closed out and printed in time to be inducted into that day's mailstream. If PS Form 5630 isn't printed by midnight on that day, it will automatically close and no longer be available for printing.

12. Why does the Postal Service allow the SCAN form to be printed until midnight before closing it? Isn't that too late?

In most cases, yes; however, some facilities — such as at airports — are open 24/7.

13. What similarities, if any, are required for packages associated with a particular SCAN form?

All labels for the same PS Form 5630 must have the same shipping-from ZIP Code™ and shipping date.

Standup Talk for Delivery Employees — SCAN for PC Postage Packages

[Please read this stand-up talk to all delivery employees and then post copies on employee bulletin boards.]

On November 10, 2006, the Postal Service™ plans to launch a new PC Postage feature called “Shipment Confirmation Acceptance Notice” (SCAN). Customers using the Postal Service’s Click-N-Ship® Web site or other USPS-authorized PC Postage/label printing solutions will have the ability to print a shipping notice — PS Form 5630 — that represents a group of online prepaid packages. This shipping notice contains a barcode that is linked to all packages with any type of delivery barcode prepared for that day’s outgoing mail. Items that can be linked to the shipping notice barcode include Delivery Confirmation™, Signature Confirmation™, Express Mail®, mail with extra services, and international mail.

The customer can give the packages to a letter carrier (either giving them to the carrier at the time of delivery or leaving them for the carrier at the time of a scheduled pick-up) or can bring the packages to the retail window or the back dock. Regardless of how the customer submits the mail, Postal Service employees will accept the mailing and scan the barcoded PS Form 5630.

What do you need to do?

- Recognize PS Form 5630, *Shipment Confirmation Acceptance Notice* — also called the SCAN form.
- Use the MDCD handheld scanner to scan the barcode on PS Form 5630 as “Accepted.”
- Give PS Form 5630 back to the customer or place it in the customer’s mailbox after completing the scan.

- Collect and dispatch mail in accordance with your local collection SOP.
- If an item requires any expedited scanning and handling (such as an Express Mail item), also do this according to local SOP.

What to avoid?

- Multiple forms: The customer should have only one PS Form 5630 per day. If more than one form is presented, scan all forms and dispatch all items accordingly. Please notify your supervisor, who should inform the customer that only one form is required each day.

Remember:

- Scanning PS Form 5630 is the only way to ensure that all items tendered by the customer will receive the “Acceptance” event from the Post Office™. This SCAN feature is designed to better meet customer needs around tracking and visibility.
- The Postal Service employee accepting the shipment must scan the barcode at the time the mail is collected. There is no need to bring PS Form 5630 back to the Post Office.
- PS Form 5630 can be used for single or multiple package shipments, as well as domestic and international.
- Customers may give these items to their letter carriers or take them to the Post Office.

For further information about this new service, please refer to the SOP beginning on page 19 and the FAQs beginning on page 21.

Standup Talk for Retail Employees — SCAN for PC Postage Packages

[Please read this stand-up talk to all retail employees and then post copies on employee bulletin boards.]

On November 10, 2006, the Postal Service™ is launching a new service for Click-N-Ship®, eBay, and other PC Postage® customers — it's called "Shipment Confirmation Acceptance Notice" (SCAN). Mailers will use this feature to obtain an "Acceptance" event for packages shipped using PC Postage applications. When a customer goes online to ship packages, a PS Form 5630 is created at the end of the transaction. This form has one barcode associated with all of the packages in the shipment. The customer can give the packages to a letter carrier or bring the packages to the retail window or the back dock. When the Postal Service employee scans the barcode on PS Form 5630, every package in the shipment receives an "Acceptance" event from the Post Office™.

Note: Barcodes on guaranteed packages still need to be scanned to start the clock.

What do you need to do?

- Recognize PS Form 5630, *Shipment Confirmation Acceptance Notice* — also called the SCAN form.
- Use the MDCD handheld scanner to scan the barcode on the PS Form 5630 as "Accepted."
- Give PS Form 5630 back to the customer.

- Collect and dispatch all items in accordance with your local collection SOP.
- If an item requires any expedited scanning and handling (such as an Express Mail® item), also do this according to local SOP.

Remember:

- The SCAN form can be used for single or multiple package shipments, as well as domestic and international.
- The counting of packages with each shipment is not required. If the volume on the preprinted form is significantly different than what is accepted, notify your supervisor.
- After scanning the PS Form 5630, your MDCD handheld scanner will display the "Shipment Complete" screen — select "1: YES," and dispatch all the items as appropriate.

This is just another way we are transforming our products and services to better meet the needs of our customers

For further information about this new service, please refer to the SOP beginning on page 19 and the FAQs beginning on page 21.

NOTICE

2007 Social Security Medicare Tax Withholding

For 2007, the maximum limit on earnings for withholding in the Old-Age, Survivors, and Disability (OASDI) portion of the Social Security tax increases from \$94,200 to \$97,500. This is a \$3,300 increase from the 2006 limit. The Social Security tax rate remains at 6.2 percent, resulting in a maximum Social Security tax of \$6,045. This is a \$204.60 increase from the 2006 limit of \$5,840.40. There is still no limit on the amount of earnings subject to the Medicare portion of the tax rate. The Medicare tax rate applies to all taxable wages, and remains at 1.45 percent. The Federal Insurance Contribution Act (FICA) tax rate, which is the combined Social Security tax rate of 6.2 percent and the Medicare tax rate of 1.45 percent, remains at 7.65 percent for 2007.

The information in the following table is effective January 1, 2007.

Limit	From 2006	To 2007
Social Security Gross	\$94,200.00	\$97,500.00
Social Security Liability	\$5,840.40	\$6,045.00
Medicare Gross	No Limit	No Limit
Medicare Liability	No Limit	No Limit

NOTICE

Local Tax Code Information

The Postal Service™ collects appropriate federal, state and, in some cases, local taxes directly from the pay of our employees who are subject to these deductions. Based on agreements between individual local taxation authorities and the United States Treasury Department, the Postal

Service collects a number of occupational license taxes, city and/or county income taxes and license fees, revenue taxes, senior citizen taxes, mental health taxes, residence taxes, or, in some locations, two of these taxes. This updated Local Tax Code (LTC) listing adds and deletes a

number of tax collection locations and indicates the type(s) of taxes collected directly from our employees via payroll deduction procedures.

Some of the taxes shown here are automatically deducted from the salaries of Postal Service employees who live or work within the geographic boundaries of specific taxing authorities. However, most of these taxes have not been established as automatic deductions. If you are subject to any of these local taxes, you must be proactive and complete and submit the proper taxation paperwork. Frequent contact between the Postal Service, the Department of the Treasury, the Internal Revenue Service, and these taxing authorities indicates that many employees are not having the appropriate amounts withheld from their pay. You are reminded that, as a Postal Service employee, you are personally responsible for ensuring that the correct local taxes are deducted from your pay.

All Postal Service employees are bound by the materials contained within the Code of Ethics, Principles of Ethical Conduct for Government Officers and Employees. This includes Principle 12 which states: "An employee shall satisfy in good faith their obligations as citizens, including all just financial obligations, especially those — such as federal, state, or local taxes — that are imposed by law."

If you live or work in a locality that is subject to one (or more) of the taxes listed here and the correct deduction(s) is not being assessed from your pay, you should immediately complete a PS Form 4, *Employee's City or County Withholding Certificate*. After completing this form, forward it to the following address:

HR SHARED SERVICE CENTER
PO BOX 970400
GREENSBORO, NC 27497-0400

Direct all questions concerning these local taxes to the HR Shared Service Center at Greensboro. Call 877-477-3273, and select option 5.

GLOBAL EXPRESS GUARANTEED SERVICE

Updated List of GXG Retail Locations

Starting on page 59 is a complete, updated ZIP Code™ list of all retail locations — a total of approximately 8,300 locations — where Global Express Guaranteed® (GXG®) service is available to customers effective October 26, 2006. Use this list in place of the GXG retail site list published in *Postal Bulletin* 22177 (3-30-06) (that list started on

page 17). (The Postal Service™ may change the status of sites based on area and district identification of customer demand and potential growth of expedited international shipping.)

See also the following GXG Acceptance Matrix below, which shows employees how to process GXG shipments.

The new list includes retail offices that serve colleges and universities based on a list provided to district GXG coordinators. New GXG offices were identified in the Facilities Data Base (FDB) for the first time. Criteria for new GXG offices are listed in FDB. In the future, districts will continue to identify high-potential GXG offices and integrate them into the GXG facilities database on a quarterly basis.

New GXG offices are scheduled to receive a GXG Supply Starter Kit starting October 25, 2006. GXG On/Off procedures for new GXG POS ONE sites are as follows:

1. Select <Back Office>.
2. Select <File Maintenance & Unit Settings>.
3. Select <Systems & Unit Settings>.

4. Select <Other Parameters>.
5. Select <GXG Maintenance>.
6. Toggle <Unit GXG On/Off> to change from On to Off or vice versa.

GXG retail transaction standard operating procedures (SOPs) are available on the Delivery Web site:

- Go to <http://blue.usps.gov/delivery>.
- Under “Customer Service Operations,” click on *Retail Operations*.
- Under “Significant Links,” click on *Retail SOPs*.
- Under “International Products Standard Operating Procedures,” click on *Retail*.

(The direct URL for the Deliver Web site’s International Products SOPs is http://blue.usps.gov/delivery/retail/sop/international/top_page.htm.)

GXG retail locations may order PS Form 6182, *Commercial Invoice* — the customs documentation specifically for GXG — from the Material Distribution Center (MDC) and use touch tone order entry (TTOE): Call 800-273-1509.

Note: You must be registered to use TTOE. To register, call 800-332-0317, option 1, extension 2925, and follow the prompts to leave a message. (Wait 48 hours after registering before placing your first order.)

Missing, Lost, or Stolen U.S. Money Order Forms

Do Not Cash — Upon Receipt, Notify Local Postal Inspectors

This listing will be provided to all Postal Service™ employees responsible for accepting and cashing postal money orders. All interim notices should be destroyed when the numbers listed appear in the *Postal Bulletin*. The

actual serial numbers consist of the first 10 digits on the money orders. Check for altered dollar amounts by holding money orders to the light.

Missing, Lost, or Stolen Canadian Money Order Forms

Do Not Cash — Upon Receipt, Notify Local Postal Inspectors

This listing will be provided to all Postal Service™ employees responsible for accepting and cashing postal money orders. Destroy any interim notices when the numbers listed appear in the *Postal Bulletin*. The new money order serial numbers consist of the first 9 digits. The 10th digit is a check digit only.

Do not cash new style money orders **000 000 001 to 692 600 000**. Advise holders to send invalid money orders to: Canada Post Corporation, Ottawa, Canada K1A 0B1. Check for altered dollar amounts by holding money orders to the light.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.

- There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <http://www.usps.com/missingmoneyorders/security.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Overseas Military Mail

Mail addressed to military post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO table below outlines these conditions by APO/FPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to

determine which APO/FPO ZIP Codes are active and which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1630 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

We have eliminated “Not Active” entries from the table below to save space and paper.

RESTRICTIONS

LEGEND

PS Form 2976, *Customs - CN 22 (Old C 1) and Sender's Declaration* (green label)

PS Form 2976-A, *Customs Declaration and Dispatch Note*

- AAFES = Army and Air Force Exchange Service
- APO = Army/Air Force Post Office
- Box R = Retired military personnel
- FPO = Fleet Post Office
- DMM = *Domestic Mail Manual*
- MOM = Military Ordinary Mail
- MPO = Military Post Office
- PAL = Parcel Airlift
- PSC = Postal Service Center
- SAM = Space Available Mail
- USDA = United States Department of Agriculture

Note: Mail order catalogs are prohibited as SAM or PAL mail.

A. Securities, currency, or precious metals in their raw, unmanufactured state are prohibited. Official shipments are exempt from this restriction.

A1. Mail addressed to "Any Servicemember," or similar wording such as "Any Soldier," "Sailor," "Airman," or "Marine"; "Military Mail"; etc., is prohibited. Mail must be addressed to an individual or job title such as "Commander," "Commanding Officer," etc.

B. PS Form 2976-A is required for all mail weighing 16 ounces or more, with exceptions noted below. In addition, mailers must properly complete required customs documentation when mailing any potentially dutiable mail addressed to an APO or FPO regardless of weight. The following are exceptions to the requirement for customs documentation on nondutiable mail that weighs 16 ounces or more:

- Known mailers are exempt from providing customs documentation on non-dutiable letters, and printed matter weighing 16 ounces or more. (A known mailer is anyone who legally applies a permit imprint to a mailpiece. Mail with meter postage is not considered to be from a known mailer.)
- All federal, state, and local government agencies are exempt from providing customs documentation on mail addressed to an APO or FPO, except for those APOs/FPOs to which restriction B2 applies.
- Prepaid mail from military contractors is exempt, providing the mailpiece is endorsed "Contents for Official Use — Exempt from Customs Requirements."

B1. PS Form 2976 or 2976-A is required. Articles are liable for customs duty and/or purchase tax unless they are bona fide gifts intended for use by military personnel or their dependents. When the contents of a parcel meet these requirements, the mailer must endorse the customs form, "Certified to be a bona fide gift, personal effects, or items for personal use of military personnel and dependents," under the heading, Description of Contents. **Exceptions:** All other exceptions listed in restriction B above are applicable to this restriction.

B2. All federal, state, and local government agencies must complete customs documentation when sending mail addressed to or from this APO or FPO weighing 16 ounces or more.

C. Cigarettes and other tobacco products are prohibited.

C1. Obscene articles, prints, paintings, cards, films, videotapes, etc., and horror comics and matrices are prohibited.

D. Coffee is prohibited.

E1. Medicines or vaccines not conforming to French laws are prohibited.

E2. Any matter depicting nude or seminude persons, pornographic or sexual items, or nonauthorized political materials is prohibited. Although religious materials contrary to the Islamic faith are prohibited in bulk quantities, items for the personal use of the addressee are permissible.

E3. Radio transceivers, cordless telephones, global positioning systems, scanners, base stations, and handheld transmitters are prohibited.

F. Firearms of any type are prohibited in all classes of mail. See definitions of firearms in DMM 601.11.1.2c. This restriction does not apply to firearms mailed to or by official U.S. government agencies. The restriction for mail to this APO/FPO ZIP Code does not apply to firearms mailed from this APO/FPO ZIP Code, provided ATF and USPS regulations are met. Antique firearms are a separate category defined in DMM 601.11.2 and ATF regulations; they do not require an ATF form.

F1. Privately owned weapons addressed to an individual are prohibited in any class of mail.

F2. Importation of firearms is restricted to one shotgun and one single shot .22 caliber rifle per individual.

G. Only First-Class Mail letters, Periodicals, and Standard Mail items are authorized.

H. Meats, including preserved meats, whether hermetically sealed or not, are prohibited.

H1. Pork or pork by-products are prohibited.

I. Mail of all classes must fit in a mail sack. Mail may not exceed the following dimensions:

Length	
42"	72" length and girth combined
over 42" to 44"	24" girth
over 44" to 46"	20" girth
over 46" to 48"	16" girth
Maximum length	48"

This restriction does not apply to registered mail and official government mail marked MOM.

I1. This restriction does not apply to registered mail.

I2. This restriction does not apply to official government mail marked MOM.

J. Parcels may not exceed 108 inches in length and girth combined.

K. Mail that includes in the address the words, "Dependent Mail Section," may consist only of letter mail, newspapers, magazines, and books. No parcel of any class containing any other matter may be mailed to the Dependent Mail section. This restriction does not apply if the address does not include the words "Dependent Mail Section."

L. All official mail is prohibited.

M. Fruits, animals, and living plants are prohibited.

N. Registered mail is prohibited.

O. Delivery status information for Extra Services is not available on USPS.com.

P. APO is used for the receipt and dispatch of official mail only.

Q. Mail may not exceed 66 pounds, and size is limited to 42 inches maximum length and 72 inches maximum length and girth combined.

R. All alcoholic beverages, including those mailable under DMM 601.8.0, are prohibited.

R1. Materials used in the production of alcoholic beverages (i.e., distilling material, hops, malts, yeast, etc.) are prohibited.

T. Mailings of case lots of food and supplemental household shipments must be approved by the sender's parent agency prior to mailing.

U. Parcels must weigh less than 16 ounces when addressed to Box R. This restriction does not apply to mail endorsed "Free Matter for the Blind or Handicapped."

U1. Mail is limited to First-Class Mail weighing 13 ounces or less when addressed to Box R. This restriction does not apply to mail endorsed "Free Matter for the Blind or Handicapped." Videotapes are prohibited when addressed to Box R, regardless of weight.

U2. Mail is limited to First-Class Mail letters only when addressed to Box R.

U3. Mail is limited to First-Class Mail correspondence (including voice and video cassettes), newspapers, magazines, photographs, not exceeding 16 ounces, when addressed to Box R.

V. Express Mail Military Service (EMMS) not available from any origin.

V1. Delivery Confirmation service is not available.

W. Meat products, such as dried beef, salami, and sausage, may be mailed, provided they remain in their original, hermetically sealed packages and bear USDA certification. Other meats, bones, skin, hair, feathers, horns or hoofs of hoofed animals, wool samples, tobacco leaves, including chewing and pipe tobacco, snuff, cigars, and cigarettes, or obscene material, including obscene drawings, photographs, films, and carvings, are prohibited. Exception: 200 grams of tobacco per parcel are permitted duty free.

X. Personal mail is limited to First-Class Mail items (to include audio cassettes and voice tapes) weighing 13 ounces or less. This limitation does not apply to official mail.

Y. Mail is limited to First-Class and Priority Mail items only. All Periodicals, Standard Mail items, and Package Services items (including SAM and PAL) are not authorized. This restriction also applies to official mail.

Z. No outside pieces (OSPs).

Z1. The following restriction is applicable only to International Service Centers (ISC)/Exchange Offices. An Anti-Pilferage Seal (Item No O817E or O818A) is required on all pouches and sacks.

Displaying the U.S. Flag and the POW-MIA Flag

U.S. Flag at Half-Staff

How to Display

Displaying the U.S. flag at *half-staff* means lowering the flag to half the distance between the top and bottom of the staff.

Specific Dates

Display the U.S. flag at half-staff on the following days each year:

- May 15: Peace Officers Memorial Day (see note 1 below).
- Last Monday in May: Memorial Day Observed (see note 2 below).
- December 7: National Pearl Harbor Remembrance Day.

Note 1: When May 15, which is the date for Peace Officers Memorial Day, falls on the third Saturday in May, which is the date for Armed Forces Day, display the U.S. flag in the full-staff position, *not* at half-staff.

Note 2: On the last Monday in May, when Memorial Day is observed, display the flag at half-staff from sunrise, or the hour at which you raise it, until 12 noon, and then hoist it to the peak of the staff, until the time of closing or no later than sunset.

POW-MIA Flag

How to Display

In relation to the U.S. flag, display the POW-MIA flag (and any other flag) as follows:

- If displayed on the same flagstaff, place it below the U.S. flag.
- If displayed on a separate flagstaff, place it at the same level or lower. If displayed at the same level, place it on the U.S. flag's left.

When flying the U.S. flag at half-staff, fly the POW-MIA flag (and any other flags) at half-staff also.

Specific Dates

Display the POW-MIA flag on the following days each year:

- Armed Forces Day: Third Saturday in May.
- Memorial Day: Last Monday in May.
- Flag Day: June 14.
- Independence Day: July 4.
- National POW-MIA Recognition Day: Third Friday in September.
- Veterans Day: November 11.

If any of these days fall on a nonbusiness day, display the POW-MIA flag on the last business day before the designated day.

For more detailed information about flying the U.S. flag and the POW-MIA flag, see the following parts in the Administrative Support Manual (ASM):

- ASM 472, *U.S. Flag Display*.
- ASM 476, *POW-MIA Flag Display*.

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out of their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district "Missing Children" coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

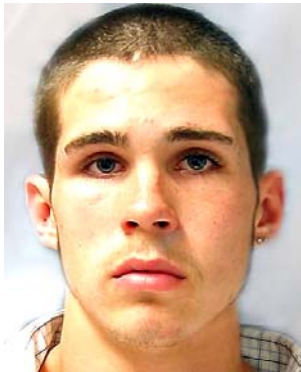

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

The Postal Service™ will issue a 39-cent definitive stamp, *Lady Liberty and U.S. Flag*, on November 8, 2006, in Washington, DC. This stamp is now available in a pressure-sensitive adhesive (PSA) folded vending book of 20 format (Item 675000).

For philatelic customers, the new vending book format is immediately available from Stamp Fulfillment Services. The new vending book will be available at Post Offices™ that have appropriate self-service vending machines as they deplete their local inventories of the nondenominated *Lady Liberty and U.S. Flag* vending book (Item 674300).

How to Order First Day of Issue Postmark

Customers have 90 days to obtain the first day of issue postmark by mail. They may purchase new stamps by telephone at 800-STAMP-24. They should affix the stamps to envelopes of their choice, address the envelopes (to themselves or others), and place them in a larger envelope addressed to:

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. If available, the sponsor of the pictorial postmark appears in italics under the date. Also provided, as space permits, are illustrations of those postmarks that were reproducible and available at press time.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event, but who wish to obtain the postmark, may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: PICTORIAL POSTMARKS, followed by the NAME OF THE STATION, ADDRESS, CITY, STATE, ZIP+4® CODE, exactly as listed below (using all capitals and no punctuation, except the hyphen in the ZIP+4 code).

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

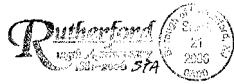

The following postmarks have been extended for 30 days.

NEW MANAGEMENT INSTRUCTION

Use of Retail and Cell-Phone Cameras

The new Management Instruction AS-882-2006-3, *Postal Service Use of Retail and Cell-Phone Cameras (MI)*, establishes the policy and procedures for: (1) Postal Service™ use of cameras for monitoring retail operations, and (2) restrictions on employee or contractor use of hand-held and cell-phone cameras in Postal Service facilities.

The MI establishes requirements for the approved use of cameras for monitoring retail operations, as follows:

- Sets prohibitions for retail lobby camera use and imaging.
- Limits access to retail lobby cameras to a need-to-know basis.
- Provides annual review and authorization of established standard technical, security, and access-control requirements.

The MI also sets corporate-wide limits on the use of the camera functions portion of those cell phones containing cameras.

The new MI provides the following benefits:

- Establishes corporate-wide regulations for the use of retail lobby cameras, including kiosks.
- Ensures accurate inventory and network control of all web cams.

- Standardizes practices and procedures for network-based cameras.
- Sets standards for images, e.g., security, disclosure, and retention.
- Enables the Inspection Service and Information Technology remote access to retail lobby cameras, if warranted.

MI AS-882-2006-3 went into effect on September 22, 2006. It is available on the Postal Service PolicyNet Web site:

- Go to <http://blue.usps.gov>.
- Under “Essential Links” in the left-hand column, click on *References*.
- Under “References” in the right-hand column under “Policies,” click on *PolicyNet*.
- Click on *MI*.

NOTICE

Product Identifiers Are on Blue

Product identifiers, images of stamps posted on vending machines to help customers identify the product they wish to purchase, can now be downloaded from Blue.

The link <http://eagnmmsg10d:8082/prodid/main.jsp> takes you to the product identifier page. Select the images you want in the desired quantity, print out, put in a plastic sleeve, and post on the vending machine.

The plastic sleeve (NSN 3550-03-000-8699) can be ordered from the Material Distribution Center in Topeka using touch tone order entry (TTOE). Call 800-273-1509.

Note: You must be registered to use TTOE. To register, call 800-332-0317, option 1, extension 2925, and follow the prompts to leave a message. (Wait 48 hours after registering before placing your first order.)

USPS Shipping Assistant Version 3.0 to Have a Sharp New Look

USPS Shipping Assistant®, the free and easy-to-use desktop application at USPS.com®, has been redesigned with a new look and many new features. USPS Shipping Assistant Version 3.0 will be available October 30, 2006.

Version 3.0 will combine label printing and package management into one convenient location, helping customers save time and money. Mailers will be able to create domestic, international, and merchandise return shipping labels and customs forms, and they will be able to verify domestic addresses, schedule a Carrier Pickup™, and even compare postage rates. Mailers will also be able to review their shipping records and confirm the delivery status of their shipments.

The simplified version of Shipping Assistant will enable customers to save time by having fields prepopulated with

frequently used data for their packages. Customers will be able to work offline or online, and they will be able to print labels immediately or save them in the Shipping Cart and print them all at once. Mailers must affix postage on each label.

USPS Shipping Assistant users can click on the “Shipping Assistant Message Center” tab to stay informed of timely news that could affect their shipments.

To download USPS Shipping Assistant 3.0 starting on October 30, 2006, go to www.usps.com/shippingassistant.

Retail Vending Equipment Program — Remove, Replenish, and Recycle

The Postal Service™ will be removing retail vending machines from Post Offices™ and other retail locations around the country beginning October 2006. The decision to remove vending machines from our retail lobbies was based on several factors. Mechanical breakdowns of the aging machines are increasing, and manufacturers are no longer making repair parts. Vending stamp sales are declining, service costs are increasing, and some machines are generating less revenue than the cost of their overhead. The vending machines only accept cash while many customers prefer the convenience of payment by credit or debit card, and retrofitting the machines to accept credit cards is not feasible. And today, customers have alternative ways to purchase stamps, which were not available at the inception of the vending program.

There are 22,933 vending machines, between 7 and 20 years old, located in Post Offices and other retail locations around the country. It is becoming increasingly difficult to procure replacement parts for vending machines due to the age of the equipment. In order to ensure parts are available to maintain revenue-producing machines, we will be removing the lowest revenue producers and using those machines for spare parts. Beginning in October 2006 through 2010, approximately 5,900 vending machines will be removed from service each year.

The objective of the Retail Vending Equipment Program is to help customers make the transition to alternate access channels such as *www.usps.com*; commercial retail establishments, including grocery stores; automatic teller machines (ATMs); and rural carriers in the communities they serve.

By removing the vending machines, the Postal Service will cut costs associated with supporting the equipment. Once the spare parts have been removed, the remaining pieces of the machines will be recycled with a metal recycler.

Talking Points

- **Customer focus.** Customers are buying fewer stamps from vending machines and choosing alternate channels. By taking vending machines out of service, the Postal Service can concentrate on the alternative methods that our customers prefer.
- **Cost savings.** The cost savings achieved, by removing the vending machines, contributes to the overall cost control initiatives that help keep postage rates affordable and supports universal service for our

customers. **The needs of customers who use cash to buy one or two stamps at a time will be met.**

- The Postal Service has identified 1,344 Post Offices with a large population of customers who make small cash transactions.
- Many of these offices already have single-stamp vending machines and those that don't have them will be receiving them from other offices where they are no longer being utilized.
- Seven percent of residential customers claim that postal vending machines are their primary access to stamps.
- **Customers will be encouraged to use alternate means to acquire stamps, including the following options:**
 - *www.usps.com* — ordering stamps online and using Click-N-Ship® service.
 - 800-STAMP24.
 - At more than 25,000 commercial retail establishments.
 - At more than 15,000 banking and credit union ATMs.
 - At more than 2,500 Automated Postal Centers.
 - Rural carriers.
 - Personalized postage.
- **It is fiscally irresponsible to continue maintenance on under-performing equipment.**
 - Some machines get one or two customers a month and garner only \$25.
 - The revenue from the vending machines located in nonpostal locations has decreased 35 percent from 2001 to 2005. This is evidence that many customers have already moved to more convenient alternate channels to purchase postage.
- **The bill validators (the mechanism that accepts paper money) are out of date.**
 - The United States Department of the Treasury has changed the \$5, \$10 and \$20 bills to address increased counterfeiting, and each time the bills are changed, the equipment created to accept the bills — the bill validators — must be upgraded as well.

- It would be too costly to upgrade the current vending machines and it would not be a wise investment due to the age of the equipment.

Retail Vending Equipment Program — Remove, Replenish, and Recycle Stand-Up Talk

To better serve all of our customers, the Postal Service™ will be gradually taking stamp vending machines out of service over the next 4 years, in order to focus more fully on the ways people prefer to buy stamps today.

With a wide range of quick, easy, and convenient ways to buy U.S. postage stamps — online 24/7; by phone; at pharmacies, grocery stores, and convenience stores; through Automated Postal Centers; and more — fewer people have been using stamp vending machines every year. Some machines have as few as two customers a month.

Some of the machines are 20 years old. Mechanical breakdowns are becoming more frequent. Replacement parts are scarce because they're no longer manufactured. In short, the vending machines often cost more to maintain than the value they provide to our customers.

A notice will be posted on machines, at least 30 days in advance of removal, listing nearby Post Offices™ and other locations where customers can buy stamps. There will also be a reminder of all the other ways postage can be purchased. These include the following:

- The Postal Store® at www.usps.com/shop, open 24/7.

- Click-N-Ship® at www.usps.com/clicknship, for print postage and mailing labels.
- By phone at 800-STAMP-24 (800-782-6724).
- By filling out a *Stamps by Mail*® order form, available from letter carriers and Post Offices.
- At more than 25,000 commercial retail establishments. For a list, go to www.usps.com; click *Locate a Post Office*, then select “Alternate Locations to Buy Stamps” from the Options pull-down menu.
- At more than 15,000 banking and credit union ATMs.
- At more than 2,500 Automated Postal Centers nationwide.
- From your rural carrier, if you are on a rural delivery route.

By **removing** the vending machines, the Postal Service will decrease costs associated with supporting the equipment. The removed equipment will then **replenish** the spare parts needed for upkeep of the existing pieces still being utilized. Once the spare parts have been removed, the remaining pieces of the machines will be **recycled** with a metal recycler.
