## USPSNEWS@WORK

### Now playing: Star Wars stamp promo premiers in several theaters

The *Star Wars* stamps go on sale nationwide in Post Offices and on [usps.com](http://usps.com) May 25. But before the “movie that launched a thousand sequels” gets its own stamps, the stamps themselves are being promoted at — where else? — movie theaters.

A promotional video featuring the *Star Wars* collectible stamps will play before feature presentations and on TV sets in lobbies at select theaters in New York, California and Washington, DC. The promo captures the personalities of the *Star Wars* characters in a fanfare of sound effects, music and imagery.

Visit <https://liteblue.usps.gov/news/link/2007may18onscreen.htm> for a list of movie theaters running the promo. The promotion will run through May 31.

Don't despair if there aren't any theaters featuring the promo in your corner of the galaxy. You can see it on *USPS-TV On Demand* — *On Demand* is not available on all USPS computers.

### Where it all began: USPS celebrates at Jamestown festivities

Thousands flocked to Jamestown, VA, recently to celebrate the 400th anniversary of America's first English settlement. And USPS was in the middle of it all.

New Millennium Studios Vice President Daphne Maxwell Reid, USPS Governor Katherine Tobin, Virginia Attorney General Bob McDonnell and Jamestown 2007 Stamp and Cachet Project Director Dr. Edwin Logan.

The Postal Service celebrated by issuing the 41-cent *The Settlement of Jamestown* stamp. The First-Class Mail stamp depicts the three ships that carried the settlers to Jamestown, and comes in the shape of a triangle — representing the settlers' triangular fort.

USPS Governor Katherine Tobin was the dedicating official and also inserted a signed sheet of *The Settlement of Jamestown* commemorative stamps into America's 400th anniversary commemoration time capsule — to be opened in 50 years.

### New mail scanning video gives tips to protect USPS revenue

A new video gives tips on properly scanning inbound international packages to protect USPS revenue. Without proof of delivery, the Postal Service is liable for the loss of numbered parcels sent by customers from countries outside the U.S.

From USPS video on mail scanning.

The failure to scan international mail costs the Postal Service millions of dollars a year, according to Global Business Managing Director and Senior Vice President Paul Vogel.

The rate has improved since then, thanks to new labels that the international service centers now apply to packages to alert carriers and retail associates that scanning is required. And the new video “International Mail Scanning” also will help. It's available on *USPS-TV On Demand* at <http://blue.usps.gov/pac/uspstv/welcome.htm> under Top Picks. You can get Voice of the Employee (VOE) credit for watching it — course #15201-87.

Area and district Delivery Confirmation coordinators, retail associates, and letter carriers should view the video. DVD copies have been distributed to all Postmasters or station managers. If your office didn't receive a copy, contact Overseas Delivery Manager Ron Middlebrooks at [ron.middlebrooks@usps.gov](mailto:ron.middlebrooks@usps.gov).

### Going the distance: This LLV puts long into life

They're called “long-life vehicles.” But with 402,000 miles on the odometer, one delivery vehicle is single-handedly redefining the term.

Express Mail Clerk Chuck Woods regularly drives this LLV, which has logged more than 402,000 miles.

The Kansas City, KS, long-life vehicle (LLV) has the highest mileage in the Western Area — and possibly the Postal Service.

Incredibly, Chuck Woods, an Express Mail clerk at the Kansas City, KS, Post Office, has put the majority of miles on the LLV. The well-traveled vehicle has been in service since 1994.

“We’re confident that ‘Chuck’s Truck’ — nicknamed by vehicle maintenance staff — will make it to a half million miles,” said Allen Knoll, Shawnee Mission Vehicle Maintenance supervisor. “Our VMF employees do an outstanding job of keeping our vehicles in safe working order — and on the road.”

### Bringing home the children: Program to find missing children improves

They have been a familiar sight in customer mailboxes for more than 20 years. “Have You Seen Me?” postcards, featuring the names and faces of missing children, reach more than 120 million people weekly. The program — responsible for returning 144 missing children since 1985 — has improved.

Sample of the ADVO ShopWise flyers with the new “Have You Seen Me?” appeal at bottom.

To enhance the program’s visibility, the direct mail company is moving the missing children’s pictures and profiles to the back cover of *ShopWise*, the flyers that presently accompany the postcards.

The postcards, known as detached address labels (DALs) to postal carriers, will no longer be needed. ADVO, creator of the “Have You Seen Me?” program, has eliminated the DALs.

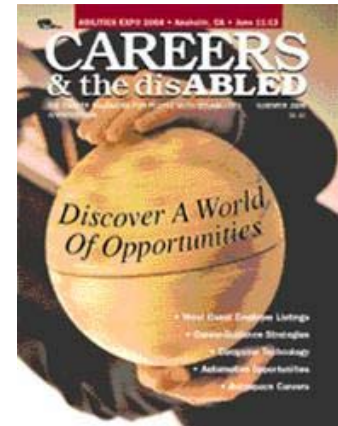

Placing the information directly next to the indicia and a customer’s address, which is typically the first item a customer views, will increase awareness. Further enhancements include replacing the black-and-white photos of the missing children with color pictures.

The change means carriers will no longer need to merge the postcards with their respective flyers, which should speed delivery time. For more information about this program, go to [www.missingkids.com](http://www.missingkids.com).

### USPS selected employer of the year: Postal Service employee also recognized

The nation’s first and only career-guidance and recruitment magazine for people with disabilities has named the USPS a Public-Sector Employer of the Year.

The Spring 2007 issue of *Careers & the disABLED* magazine also recognized Betty Henderson, Philadelphia supervisor of Distribution Operations, for her work on coordinating

activities between the Deaf and Disabilities Awareness Group and her mail processing group. The magazine said Henderson — who is also deaf — was “assertive and confident and ensures that she communicates effectively with the Philadelphia team.”

The Postal Service received the award for its “progressive efforts to recruit, hire and promote people with disabilities,” the article said. Additionally, the magazine’s readers chose USPS as one of the top five employers where its readers would most like to work.

The magazine highlighted the Postal Service’s Video Remote Interpreting and Video Relay Service — two forms of Web-based sign language interpreting technology — as examples of programs designed to make sure that all employees have an equal opportunity to participate in every aspect of employment. Both systems are available to more than 1,100 deaf and hard-of-hearing postal employees.

### One call does it all: Postal Inspection Service offers toll-free phone number

The U.S. Postal Inspection Service likes to keep its customers satisfied, and a new call center helps them do that. Customers and USPS employees nationwide now can dial one toll-free number, rather than looking up individual phone numbers, for the Postal Inspection Service's many locations.

Callers can reach the appropriate Postal Inspection Service office by dialing 877-876-2455 from 8 A.M. to 4:30 P.M. in all time zones, and selecting from these options:

1. Mail service issues (callers are then directed to 1-800-ASK-USPS).

2. Emergency situations.
3. Mail theft or identity theft issues.
4. Mail fraud issues.
5. Postal Inspection Service customer support.

Option No. 2, Emergency situations, is automatically routed to a special operator for assistance if a call is made after business hours.

# Online International Shipping Enhancements and Forms Field Information Kit

**[Editor Note:** This article first appeared in *Postal Bulletin 22206 (5-10-07, pages 33–38)*. It is repeated in this issue, in its entirety and unchanged (except for page links to the sample forms and the byline at the end).]

This information kit is designed to inform Postal Service™ employees about the new international online shipping enhancements and their related forms. The new enhancements offer customers the ability to more easily transact online and streamline the acceptance of international online shipments that are tendered through Carrier Pickup service or retail locations. The following international enhancements will be available for use by customers who pay and print postage online with customs forms:

- **Electronic Mailing Date Stamp** — Click-N-Ship®, the eBay/PayPal Integrated Shipping Solution, and the PC Postage® vendors will now have the option to print a mailing date stamp on labels that are paid online. The mailing date stamp will appear in the mailing date stamp box allocated on the label and will include the origin ZIP Code™ and shipping date in the stamp. The mailing date stamp will be printed on all copies required for shipment and will replace the requirement to physically round date all forms when presented at a retail counter or through Carrier Pickup service.
- **Electronic Post Office Copy** — Customers who print online international shipping labels that include the customs forms will not have to submit a copy for retention at their local Post Office. Instead, the Post Office™ copy will be stored electronically for at least 1 year. Retail associates will no longer be required to pull and retain a Post Office copy when postage is paid online and deposited at a Post Office.
- **Online Insurance** — Click-N-Ship, the eBay/PayPal Integrated Shipping Solution, and PC Postage vendors will now have the option of offering insurance online for Express Mail International® and Priority Mail® International (not available for Priority Mail flat-rate envelope) services based on the availability in the country of destination. Customers may purchase up to \$500 of insurance online. Rates will be the same as domestic rates. Online insurance may not be combined with insurance purchased at retail locations.
- **Online Custom Form Barcodes** — Customers who print online labels combined with customs forms will now have customs forms with a **CJ**123456789US or **LJ**123456789US barcodes instead of the currently used **CP**123456789US or **LC**123456789US barcodes. This change will allow for fewer duplicate numbers and meet the growing demand of international online shipping.
- **Single Ply 4" x 6" Labels** — Customers who print online international shipping labels that use the PS Form 2976, *Customs Declaration CN 22*, will now be able to print this form as a single ply 4" x 6" label format (like domestic online shipping labels). This new online label will resemble PS Form 2976, *Customs Declaration CN 22* (green form), and can be used as a combination postage, address, and customs form label for Priority Mail International flat-rate envelope and First-Class Mail® International services.
- **Signature and Date Printing** — Click-N-Ship, the eBay/PayPal Integrated Shipping Solution, and PC Postage vendors will now have the option to print the customers name and date of mailing in the customs forms signature fields. Customers must agree to the terms and conditions of the signature field when they print a shipping label with customs forms online.
- **Online Discounts** — Customers who purchase postage at [www.usps.com](http://www.usps.com) using Click-N-Ship or through authorized postage vendors will qualify for the following postage discounts:
  - 10 percent on Global Express Guaranteed shipments.
  - 8 percent on Express Mail International shipments.
  - 5 percent on Priority Mail International shipments.

Related to these enhancements are new international online shipping labels that combine mailing information with customs forms, thereby eliminating the need for a separate customs form (either PS Form 2976, *Customs Declaration CN 22 — Senders Declaration* (green label), or PS Form 2976-A, *Customs Declaration and Dispatch Note — CP 72*). The new forms are:

- PS Form 2976-A-EMI, *USPS Express Mail International* (see pages [7–9](#) of this *Postal Bulletin*).
- PS Form 2976-PMI, *USPS Priority Mail International Flat Rate Envelope* (see page [10](#) of this *Postal Bulletin*).
- PS Form 2976-A-PMI, *USPS Priority Mail International* (not pictured).

## Frequently Asked Questions

- Q. Will customers need to fill out and attach a customs form when they purchase international postage online?
- A. No. Each international shipping label created through the Click-N-Ship, eBay/PayPal Integrated Shipping Solution, or a PC Postage vendor web site contains all necessary mailing labels and customs form information. A separate form is not required.
- Q. How should customers attach international online shipping labels to package?
- A. Do the following:
- Express Mail International and Priority Mail International shipments. The customer should place the first three copies of the online shipping label inside the customs envelope (PS Form 2976-E) and retain the sender's copy.
  - Priority Mail International flat-rate envelope and First Class Mail International shipments. The customer should adhere their label to the package. A self-adhesive label is recommended. If tape or glue is used, they should not tape over the barcode. The edges should be secure.
- Q. Can self-adhesive or thermal labels be used with international labels?
- A. Yes. Customers who print international shipping labels for Priority Mail International flat-rate envelope and First-Class Mail International will have the option of printing the single ply label to adhesive or thermal labels. All other services printed online will require the customer to place the appropriate number of copies in a clear customs form pouch (PS Form 2976-E, *Customs Declaration and Dispatch Note Envelope*), which must be attached to the parcel.
- Q. Where can customers get the customs form envelope that is required for use with international packages?
- A. Customers can order PS Form 2976-E — at no additional cost — online at [www.usps.com/internationalsupplies](http://www.usps.com/internationalsupplies) or pick them up at a local Post Office.
- Q. Can customers use Carrier Pickup service when printing international shipping labels?
- A. Yes. Carrier Pickup service can be scheduled with any of the international services available online at [www.usps.com](http://www.usps.com).
- Q. Can customers drop their international mail item in a Postal Service collection box?
- A. No. International shipments created online include customs forms and by rule may not be deposited in a collection box. Customers must hand the item to a Postal Service employee in a Post Office or to their carrier at the time of mail delivery, or schedule a Carrier Pickup online at [www.usps.com/pickup](http://www.usps.com/pickup).
- Q. Can insurance be purchased online for the international postage?

#### Purpose of Revision

The language contained in ELM 665.17, Reporting Requirements for Sex Offenders, was established to identify current Postal Service™ employees required by any jurisdiction to report their status as sex offenders. The purpose of this requirement is to assist the Postal Service to protect the public, its workforce and its brand. Each report will be analyzed on a case-by-case basis to determine the appropriate action, if any, to take.

### Seamless Verification System Test

The Postal Service™ is conducting a limited operation test of the Seamless Verification System using Friend-to-Friend Mail® postcards. Postcards will be bound into five magazines from May 2007 through December 2007. Readers can detach the Friend-to-Friend Mail postcard, write a short message to a friend, address the card, and drop it in the mail.

As shown here in the illustration, the address side of each mailpiece contains the following:

- The imprint “NO POSTAGE NECESSARY IF MAILED IN THE UNITED STATES.”
- FIM B.
- A “FRIEND-TO-FRIEND MAIL” legend and the words “FIRST-CLASS MAIL PERMIT NO. [####] NEW YORK, NY” enclosed within a border.
- An Intelligent Mail® barcode.
- An address block.
- A separate area that the sender can use to write a short message to the recipient.

During mail processing, a POSTNET™ code will be sprayed on the address side of the postcard, and an Identification Tag will be sprayed on the reverse side of the postcard. The combination of the Identification Tag and the preprinted Intelligent Mail barcode on each postcard provides unique scan data that will allow the Postal Service™ to count each Friend-to-Friend Mail postcard placed in the mail.

Five permit imprint accounts have been established in New York City, and each permit imprint account is linked to a Centralized Account Payment System account established for the test. Postal Service Headquarters will send a billing statement to the New York City permit office indicating the amount of postage to be deducted from each permit imprint account for a certain mailing period. The permit office will enter this information into the Centralized Account Payment System.

**Important:** *Friend-to-Friend postcards are First-Class Mail items and should be delivered as addressed. They should not be held, delayed, charged postage, or returned for postage by any facility.*

Direct questions about this test of Friend-to-Friend Mail postcards to Mel Schneider by e-mail at [mel.r.schneider@usps.gov](mailto:mel.r.schneider@usps.gov) or by telephone at 202-268-7436.

### Customized Postage Is Being Tested on First-Class Mail Presort

The authorized market test for Customized Postage™ entered Phase IV on May 17, 2007. Phase IV includes the addition of First-Class Mail® presort postage on a limited basis.

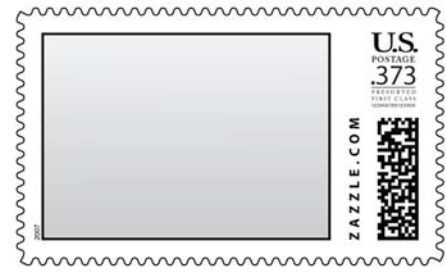

Listed below are some of the restrictions that apply:

1. Providers are only authorized to sell Customized Postage in the appropriate denominations to customers who have a permit to enter presorted mail at an acceptance unit.
2. All mailpieces in a particular customer’s mailing must be identical-weight pieces.
3. The format of the Customized Postage label for the First-Class Mail presort rate differs from those for

Customized Postage at full rates in that the label is not treated with fluorescence for facing.

4. Mailpieces bearing First-Class Mail presort Customized Postage are not eligible for value-added rebates (VARs) and may not be included in any such mailing for any purpose.

The following illustrations are examples of Customized Postage showing presort postage. All employees need to be aware that customized postage can now be used on First-Class Mail presort items so that mail that is properly prepared bearing First-Class Mail presort Customized Postage does not encounter delays when presented at an acceptance unit.

## Premium Forwarding Service Helps Customers and Generates Additional Revenue!

Premium Forwarding Service (PFS) is a popular and growing service that is especially appealing to customers when they are away from home in the summer and winter months. PFS is a personalized service designed for residential customers who want to receive all of their mail at a temporary address while away from their permanent address for an extended period — from 2 weeks up to 1 year. After the customer completes and submits the PFS application (PS Form 8176) and pays the required fees, the Postal Service™ bundles and reships mail to the temporary address for a customer or household. Most mail is reshipped once a week via Priority Mail® service.

### PFS Promotional Materials

We have updated the PFS promotional materials to reflect pricing based on the May 14, 2007, rate case implementation. All Post Offices™ should immediately remove and recycle previous editions of Publication 615 and Sign 615 and should confirm that current editions of the following PFS point-of-sale materials are on display on a writing table in the full-service lobby.

- Publication 615, *Premium Forwarding Service* (brochure).
- Sign 615, *Take Your Mailbox With You* (PFS counter card).

We have also updated PS Form 8176, *Premium Forwarding Service (PFS) Application*. Post Offices may use previous editions of PS Form 8176 until they receive the revised editions — however, in paragraph 6 under “Terms and Conditions” (on the original and all copies of the application), Postal Service personnel should use a pen to mark out the old weekly reshipping price of \$10.40 and write in the new weekly reshipping price of \$11.95.

The ordering information for these items is included later in this article.

### Tips for Post Office Personnel

Here are some tips to help employees responsible for processing PFS applications and shipments:

- Be sure that the customer provides the start and end dates on the PFS application. When the end date is

not certain, ask the customer to estimate the date because this is the only way to accurately calculate the fees.

- Calculate the number of weeks based upon the start date and the end date.
- Collect the full PFS payment upfront at the time of application: \$10 to enroll (AIC 108) and \$11.95 for each week of service requested (AIC 159). Be sure to place funds in the correct AIC!
- Ship PFS mail once a week on Wednesdays via Priority Mail service, and reroute PFS customers’ Express Mail® pieces, outside pieces, and accountable mailpieces immediately upon receipt.
- Do not send PFS mail to the centralized forwarding unit (CFS).
- Do not file a formal temporary or permanent Change of Address (PS Form 3275) for the customer’s permanent address simultaneously with PFS.
- Special Note: Do not send a copy of PS Form 8176 to Postal Service Headquarters — that requirement was discontinued on December 7, 2006, as noted in the article “Premium Forwarding Service: Get Up to Date — Be Prepared!” in *Postal Bulletin* 22195 (12-7-06, pages 16–23).

We will publish another article on PFS, including detailed FAQs, in a future issue of the *Postal Bulletin*.

PFS is a great service. Make sure your office promotes PFS to potential residential customers so they can stay connected when they are away from home.

Accidents Don't Just Happen.

## Work Safely

"Yes, this is miserable. I was standing between some APCs when a mule driver hit them.

It hurts, it itches, and, yes, it's inconvenient!

Who's fault? Well, that mule driver should have been safer.

Me? OK - I admit I shouldn't have been standing where I was, either.

Next time? Well, there's not going to be a next time. Not if I stay alert!"

Safety Depends on Me.

## Missing, Lost, or Stolen Canadian Money Order Forms

### Do Not Cash — Upon Receipt, Notify Local Postal Inspectors

This listing will be provided to all Postal Service™ employees responsible for accepting and cashing postal money orders. Destroy any interim notices when the numbers listed appear in the *Postal Bulletin*. The new money order serial numbers consist of the first 9 digits. The 10th digit is a check digit only.

Do not cash new style money orders **000 000 001 to 692 600 000**. Advise holders to send invalid money orders to: Canada Post Corporation, Ottawa, Canada K1A 0B1. Check for altered dollar amounts by holding money orders to the light.

## Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <http://www.usps.com/missingmoneyorders/security.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

## Other Information

### Overseas Military Mail

Mail addressed to military post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO table below outlines these conditions by APO/FPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to deter-

mine which APO/FPO ZIP Codes are active and which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

We have eliminated “Not Active” entries from the table below to save space and paper.

## Stamp Announcement 07-25: Pollination

Copyright USPS 2006

On June 29, 2007, in Washington, DC, the Postal Service™ will issue 41-cent *Pollination* commemorative stamps in four designs (Item 676800), in a pressure-sensitive adhesive (PSA) double-sided booklet of 20 stamps. Designed by Steve Buchanan of Winsted, Connecticut, the stamps go on sale nationwide June 29, 2007.

Buchanan created an intricate graphic scheme that emphasizes the ecological relationship between pollinators and plants, and also hints at the biodiversity necessary to ensure the future viability of that relationship. To that end, the four different stamp designs are arranged in two alternate blocks that fit together like interlocking puzzles. In one block, the pollinators form a central starburst; in the other block, the flowers are arranged in the center.

## Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. If available, the sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of those postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: PICTORIAL POSTMARKS, followed by the NAME OF THE STATION, ADDRESS, CITY, STATE, ZIP+4® CODE, exactly as listed below (using all capitals and no punctuation, except the hyphen in the ZIP+4 code).

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

## How to Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmark by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, and at The Postal Store® Web site at [www.usps.com/shop](http://www.usps.com/shop).

Customers may submit #6 or #10 covers constructed of paper rated as “laser safe.” The Postal Service™ recommends 80-pound Accent Opaque, acid-free envelopes, 9/16" side seams with no glue on the flap. There is a minimum of 10 covers at 50 cents per postmark required at the time of servicing. You may submit a check, money order, or credit card for payment. Two test envelopes must be included. For covers with graphics or lettering, please note the maximum size of all digital color postmarks is 2" high x 4" long. The Postal Service reserves the

right not to accept hand painted and other cachets that are not compatible with our digital color postmark. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of non-specified envelopes results in poor image quality or damage to equipment.

After applying the first day of issue postmark, the Postal Service will return the envelopes through the mail. There is no charge for the postmark. All orders must be postmarked within 60 days of the first day of issue date.

They should affix the stamps to envelopes of their choice, address the envelopes (to themselves or others), and place them in a larger envelope addressed to the following address:

## Postal Inspection Services

### One Call Does It All — Postal Inspection Service Offers Toll-free Phone Number

The U.S. Postal Inspection Service likes to keep its customers satisfied, and a new call center helps them do that. Customers and Postal Service™ employees nationwide now can dial one toll-free number, rather than looking up individual phone numbers for the Postal Inspection Service's many locations.

Callers can reach the appropriate Postal Inspection Service office by dialing 877-876-2455 from 8 A.M. to 4:30 P.M. in all time zones, and selecting from these options:

1. Mail service issues. (Callers are then directed to 800-ASK-USPS.)

2. Emergency situations.
3. Mail theft or identity theft issues.
4. Mail fraud issues.
5. Postal Inspection Service customer support.

Option No. 2, Emergency situations, is automatically routed to a special operator for assistance if a call is made after business hours.
