You can take it with you

Winter winds are beginning to blow. Snowbirds are heading south to avoid the frigid air, while others are preparing to travel for the holidays.

Now is the perfect time to promote Premium Forwarding Service (PFS). It's a premium alternative to Temporary Change of Address or Hold Mail services — as well as a great way to increase holiday revenue.

PFS is a personalized service for residential customers who want to receive all of their mail at a temporary address while away from their permanent address for an extended period — from two weeks up to one year. Most mail is forwarded once a week by Priority Mail.

Publication 621, *PFS Guidebook for Employees: An Introduction to Premium Forwarding Service*, describes key features and benefits of the product and includes frequently asked questions and useful tips for USPS employees. In addition, a brochure, Publication 615, *Premium Forwarding Service*, and counter card, Sign 615, *Take Your Mailbox With You*, are available for lobbies. All three are available from the Material Distribution Center. Information on how to order the guidebook and the other materials is available in the November 8, 2007, *Postal Bulletin* (pages 69–71).

Give the gift of life

Since 1997, the Postal Service's Gift of Life Campaign has added 35,000 potential donors to the National Marrow Donor Program (NMDP) registry.

More than 6,000 men, women and children search the registry each day, hoping to find a matching donor. These patients have leukemia, lymphoma and other life-threatening diseases that require a marrow transplant. Since tissue types are inherited, a diversity of donors increases the likelihood that all patients will find a match.

Currently, 38 postal districts participate in the campaign. In fiscal year 2007, USPS registered 5,545 names with the NMDP. Continuing in fiscal year 2008, dependents of USPS employees — ages 18–60 — also can volunteer to be tested through this program. The goal this year is 5,750 registrants.

Considering registering? Here's the good news — the process no longer requires a needle. Potential donors simply have the inside of their cheeks swabbed to obtain tissue samples for type testing. Visit marrowdonor.org for more information.

Extraordinary courage

Oakland, CA, Letter Carrier Alan Girard was finishing his rounds when he saw smoke pouring from the Baywood Apartments.

Oakland, CA, Letter Carriers Gilbert Rangel, left, Alan Girard, Karen Hill, and Tanya Joseph with Baywood Apartments Property Manager Kathy Walsh. Letter Carrier Rick Quinonez also helped rescue residents of the apartment complex during the fire.

A window shattered as Girard approached the 112-resident senior citizens complex. Flames spread quickly to the third floor.

Girard activated the fire alarm and pounded on doors. He helped several residents to a stairwell, where he was joined by letter carrier Rick Quinonez. The two helped customers — including a wheelchair-bound resident Quinonez had to carry — down a flight of stairs to safety.

Outside, Letter Carrier Gilbert Rangel joined Quinonez and Girard. The three returned to the building to assist more residents, some with walkers, to safety. Meanwhile, Letter Carriers Tanya Joseph and Karen Hill rushed to the top three floors of the six-story complex and rescued more residents.

The letter carriers had rescued 100 residents by the time firefighters arrived to extinguish the three-alarm fire. In a letter to Postmaster General Jack Potter, Baywood Property Manager Kathy Walsh wrote that the quintet of letter carriers displayed “extraordinary courage.” She added, “It's not often that you find people of such character and willingness who go above and beyond the call of duty, and for this we are thankful.”

USPS extends National Postal Museum agreement with Smithsonian

USPS and the Smithsonian Institution will continue to showcase the history of the nation's mail service for up to 20 more years.

The pact extends the Smithsonian's current stewardship of the museum in Washington, DC, for the next 10 years, with options to extend the agreement an additional 10 years.

The National Postal Museum — which opened in 1990 — contains the largest and most comprehensive collection of stamps and philatelic materials in the world. The facility is in a building that served as the Washington, DC, Post Office from 1914 to 1986.

Packaging the holidays

The holidays are upon us and USPS employees will once again process and deliver more than 20 billion cards, letters and packages between Thanksgiving and Christmas.

You can help make sure your package arrives in good condition by using a sturdy box such as the Priority Mail Flat-Rate Box to keep your shipment secure. Pad items with bubble wrap, newspaper or other material to reduce shifting and protect the contents. Use packaging tape instead of masking tape. And for added peace of mind, write addresses on a separate slip and place in the package.

Order free USPS shipping supplies online at www.usps.com/supplies or by calling 800-610-8734.

DMM Notice: Mailing Letters or Flats with Magnets

The following is an update to our policy on mailing letters or flats that contain thin flexible magnets, such as those designed to be placed on refrigerators or similar surfaces. The original policy notice appeared in *Postal Bulletin* 22083 (8-22-02, page 16). The guidelines below are specific to thin flexible magnets for automation-rate letter-size mailpieces and all flat-size mailpieces. All enclosed or attached magnets should have a minimum of 10 poles per linear inch.

For automation-rate letter-size pieces:

- Magnets may not exceed 1/32 inch in thickness.
- The magnetic surface may not exceed 26 square inches (length times height).
- The magnetic surface may face either the address or the nonaddress side.
- Enclosed magnets must be affixed to the contents, wrapped within the contents to prevent excess shifting, or fill the mailpiece with no more than 1/2 inch clearance between the left and right edges of the magnet and the mailpiece edges.
- Magnets permanently attached to, or prepared as, an integral part of unfolded cardstock pieces should be located on the leading edge of the mailpiece.
- Automation-rate letters must meet other relevant standards in DMM 201.

For flat-size pieces:

- Magnets may not exceed 1/32 inch in thickness.

- The magnetic surface may face either the address or the nonaddress side.
- Magnets must be enclosed in the flat-size mailpiece and either must be affixed to the contents, wrapped within the contents to prevent excess shifting, or fill the envelope with no more than 1/2 inch clearance between the left and right edges of the magnet and the mailpiece edges.
- Mailpieces must meet the DMM standards for flat-size pieces in DMM 301.

Prior Postal Service™ approval granted for mailpieces with enclosed or attached magnets is still valid, if the mailpiece design has not changed since approval. Customers may seek approval for automation rates for mailpieces with designs that differ from the above guidelines by contacting their local manager, business mail entry. Managers, business mail entry receiving such requests should coordinate analysis and testing with the Pricing and Classification Service Center. Mailpieces that may be transported by air, such as those mailed at First-Class Mail® rates or at Standard Mail® rates with either Express Mail® or Priority Mail® Open and Distribute also must meet the standards for magnetic materials in DMM 601.10.21.

DMM Revision: Clarification of Standards for Not-Flat-Machinable Pieces Qualifying for 5-Digit Rates

Effective December 6, 2007, the Postal Service™ is revising the *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)* to clarify existing standards regarding the preparation and eligibility of Not-Flat-Machinable (NFM) pieces placed on 5-digit/scheme pallets. This clarifies that NFMs qualify for the 5-digit NFM rate whether they are prepared loose or in 5-digit bundles when they are placed on 5-digit/scheme pallets under 705.8.10.

These changes will be incorporated into our December update of DMM 443 as noted below.

We will incorporate these revisions into the next printed version of the DMM and into the monthly update of the online DMM available via Postal Explorer® at <http://pe.usps.com>.

Thrift Savings Plan: 2008 Catch-Up Contributions for Participants Age 50 and Older

New Dates and Contribution Limits

If you are a Thrift Savings Plan (TSP) participant age 50 or older, you may be eligible to participate in the catch-up contributions for the TSP. Note the dates and contribution limits that follow:

- These contributions supplement your regular TSP employee contributions; that is, they do not count against the Internal Revenue Service (IRS) annual limit on elective deferrals (\$15,500 in 2008), but they do have their own annual catch-up limit, which is \$5,000 in 2008.
- There are no Postal Service™ matching contributions associated with TSP catch-up contributions.
- Your initial election for 2008 can be *effective* no earlier than the first pay period (PP) in the 2008 calendar year (PP 01-08), which begins December 22, 2007.
- For your initial elections to be effective during that first pay period, make your election using *PostalEASE* between Wednesday, December 19, 2007, at 12:01 P.M. CT and Wednesday, January 2, 2008, at 11:59 A.M. CT.
- After December 22, 2007, you will be able to elect catch-up contributions at any time. Once you do, you can change the amount or stop at any time, using *PostalEASE*, without affecting your regular contributions.

Eligibility for Catch-Up Contributions

To elect catch-up contributions, you must:

- Be age 50 or older, or turn 50 in the calendar year the election is submitted and processed.
- Be able to self-certify that by the end of the calendar year you will have contributed the IRS annual deferral limit, \$15,500, through regular contributions to TSP and/or to other plans subject to the elective deferral limit.
- Be in a pay status. Contributions are made from basic pay through payroll deductions only.
- Not be in the 6-month noncontribution period following the receipt of a financial hardship in-service withdrawal.

Note: There is no “look-back” provision to see what you could have contributed but did not. If you are eligible to participate, you simply have the right to contribute the additional funds up to the annual catch-up contributions limit. If you have been performing active duty military service, however, you may be eligible to make missed catch-up contributions under the Uniformed Services Employment and Reemployment Rights Act (USERRA).

How to Enroll in TSP 50+ Catch-Up Contributions for Calendar Year 2008

To prepare to start TSP 50+ catch-up contributions, before accessing *PostalEASE*, read the instructions in the

TSP catch-up contributions material sent to your address of record and then complete the enclosed worksheet. If you did not receive the mailing, call the Employee Service Line toll-free at **877-477-3273** to reach the Human Resources Shared Services Center (HRSSC).

You may access *PostalEASE* on the Employee Web on the Internet at <https://liteblue.usps.gov>, on **Postal Service Intranet Blue** at <http://blue.usps.gov>, or at an **employee self-service kiosk**. Using one of these may be easier than using the telephone. Just follow the instructions. Otherwise, call the Employee Service Line toll-free at **877-477-3273** to reach *PostalEASE*.

You must have available your Employee ID (found at the top of your earnings statement) and your USPS personal identification number (PIN). Instructions for obtaining your USPS PIN are on the worksheet.

Catch-up contributions will be invested in your account based on the most current contribution allocation on file with TSP. Your contribution allocations must be made with the TSP using the TSP Web site, ThriftLine, or form TSP-50, Investment Allocation.

Other Information

Making elections after PP 01 — You may make more than one election in any given calendar year (so long as you do not exceed the annual catch-up contributions limit). You must complete your election using *PostalEASE* by 3:59 A.M. CT the second Wednesday (day 12) of each pay period in order for the election to be effective in that pay period.

Keeping within your tax deferral limit — The annual amount of your catch-up contributions is combined with your regular tax-deferred contributions and shown in the deferral block of IRS Form W-2. If the amount shown exceeds the IRS limit for regular contributions, the IRS will check your date of birth with the Social Security Administration and assume that any amount over the limit is attributable to the catch-up contributions. If you see that you will exceed the catch-up contributions limit (usually by contributing to more than one plan), you may contact the TSP and request a refund of the excess catch-up contributions.

Terminating catch-up contributions after withdrawals — If you receive a financial hardship in-service withdrawal, your catch-up contributions must stop along with any regular employee contributions for a period of 6 months.

Making elections next year — Your catch-up contributions election terminates automatically with the last pay date of the calendar year to which it applies, unless you have previously terminated the election or you have reached the annual catch-up contributions limit. You will need to make a new election for each calendar year in which you wish to make catch-up contributions.

Questions — If you have questions about TSP or *PostalEASE*, contact HRSSC for assistance.

Thrift Savings Plan: 2008 Employee Information for Career Employees

New Dates and Contribution Limits

As there is no longer a Thrift Savings Plan (TSP) Open Season, you may elect to contribute to TSP or change the amount of your total contributions at any time. Contribution limits remain the same. New dates are shown in the material that follows.

You may elect to make contributions up to \$15,500 — the Internal Revenue Service (IRS) annual limit on elective deferrals — during the 2008 calendar year. Your contributions each pay period must not exceed 90 percent of your basic pay.

- If you are covered by the Federal Employees Retirement System (FERS), you will receive Postal Service™ matching contributions. Newly hired

employees must first complete a required waiting period, as follows:

If you are appointed...	Agency contributions begin the first full pay period in...
June 2007 – November 2007	June 2008
December 2007 – May 2008	December 2008
June 2008 – November 2008	June 2009
December 2008 – May 2009	December 2009

- Your elections for 2008 can be *effective* no earlier than the first pay period in the 2008 calendar year (PP 01-08), which begins December 22, 2008.
- For your elections to be effective during that first pay period, make your election using *PostalEASE* between Wednesday, December 19, 2007, at 12:01 P.M. CT and Wednesday, January 2, 2008, at 3:59 A.M. CT.

Why Enroll in TSP

As an employee covered by FERS, you have three parts to your retirement program. Two parts, the FERS Basic Annuity and Social Security, offer future benefits that are funded automatically with deductions from your paychecks and with Postal Service contributions.

TSP, the third part of your retirement program, is not automatic. The decisions you make over time will directly affect the future value of your TSP account. Today is the time to review the booklet *Summary of the Thrift Savings Plan*, which is available from the Human Resources Shared Services Center (HRSSC) or at www.tsp.gov. It can help you make informed choices about how to use TSP to meet your immediate and long-term financial objectives. You do not want to realize years from now that you missed getting (1) substantial tax benefits, (2) interest earnings, and (3) Postal Service matching contributions to your account.

As a FERS employee, **you can double your money** by participating in TSP. How? Sign up to contribute 5 percent of your basic pay to TSP each pay period. After the required waiting period for newly hired employees, you will receive a 4 percent matching contribution and a 1 percent automatic contribution from the Postal Service. If you're contributing 5 percent of your basic pay, 10 percent will go into your TSP account — double your money. If you're making a contribution above 5 percent, 5 percent of your basic pay will be added to the total contribution going into your TSP account each pay period.

If you're a newly hired employee in the waiting period for Postal Service contributions, go ahead — sign up today while you're thinking about it. TSP is still a good deal while you're waiting. Why?

You receive **tax deferral** on TSP contributions and the interest earned in TSP. You get a **tax break right now** on what you contribute, since you don't pay income tax now on your TSP contributions. For example, if you're in the 25 percent federal tax bracket and you make a \$100 TSP contribution, **your paycheck won't go down by \$100 — it will go down by \$75**. (You also receive tax deferral on most state income tax, too.) You don't pay taxes now on the interest that your TSP account earns, either. That's because you don't pay taxes on your TSP contributions or on interest you earn until you withdraw your money from TSP, usually after you separate or retire.

For FERS employees, if you're not contributing at least 5 percent to TSP, you are losing valuable matching agency money that could be a very substantial amount when it's time to retire. The sooner you contribute and the more you contribute, the more compounding will work for you.

Note: If you have never worked for the Postal Service or the federal government before, then you are a FERS

employee. If you do have prior federal or Postal Service employment, and it has been determined that you are covered by the Civil Service Retirement System (CSRS) or CSRS Offset, then you won't receive automatic and matching Postal Service TSP contributions. You will still have the advantages of tax deferral and compounding described above. When you call *PostalEASE*, the system will automatically provide instructions for you based on your retirement system of record. If you have any questions about your retirement system coverage, please contact HRSSC.

Enrolling in TSP or Changing Your Contributions for Calendar Year 2008

To prepare to contribute to TSP, before accessing *PostalEASE*, read the instructions in the TSP materials sent to your address of record and then complete the enclosed worksheet. If you did not receive the mailing, call the Employee Service Line toll-free at **877-477-3273** to reach HRSSC.

You may access *PostalEASE* on the Employee Web on the Internet at <https://liteblue.usps.gov>, on the **Postal Service Intranet Blue** at <http://blue.usps.gov>, or at an **employee self-service kiosk**. Using one of these may be easier than using the telephone. Just follow the instructions. Otherwise, call the Employee Service Line toll-free at **877-477-3273** to reach *PostalEASE*.

You need your **USPS PIN**. If you do not know it, call the Employee Service Line toll-free at **877-477-3273** to reach *PostalEASE*, enter the Employee ID (found on your earnings statement), and when prompted to enter your PIN, pause and then press 2. Your PIN will be mailed to your address of record.

If you are enrolling in TSP for the first time, you will not be able to make a choice about which TSP funds to invest in. Your first TSP contributions will automatically go into the Government Securities Investment (G) Fund.

Contacting TSP to Make a Fund Investment Election

Once TSP has received your first contribution and sent you your TSP PIN number, your TSP account number, and your TSP Web password, you will be able **to contact TSP directly, at any time, to allocate your payroll contributions into any of the TSP investment funds or to make interfund transfers**. You may choose from five individual investment funds — the C Fund (S&P 500 stocks), S Fund (small cap stocks), I Fund (international stocks), F Fund (bonds), G Fund (securities) — and/or the L Funds (an investment mix of several funds). If you enroll and do not make a fund investment choice, your TSP contributions will continue to be invested in the G Fund.

The TSP PIN is not the same as the USPS PIN you use for *PostalEASE*. If you do not know your TSP PIN, account

number, or Web password, you can obtain all three by calling the ThriftLine toll-free at 877-968-3778 or the TDD toll-free line at 877-847-4385 and following the prompts. The account number and Web password can be mailed to you if you request them by accessing the TSP Web site and selecting *Account Access*.

To make your investment choices or interfund transfers, use your TSP account number and Web password at the TSP Web site, www.tsp.gov, or call the ThriftLine toll-free at **877-968-3778** and use your TSP PIN and account number. If you are deaf or hard of hearing, you may make TDD calls toll-free to **877-847-4385**.

If you simply cannot use the Web site or the telephone, you can obtain, complete, and mail form TSP-50, *Investment Allocation*, to the following address:

TSP SERVICE OFFICE
PO BOX 385021
BIRMINGHAM AL 35238

TSP-50 forms are available from HRSSC, but *not* from the TSP Web site. HRSSC *cannot accept* and *cannot process* your completed TSP-50 — you must mail it to TSP. If you use TSP-50, your investment choices won't take effect as quickly as they would if you used the TSP Web site or ThriftLine. Do not mail form TSP-50 before you receive your TSP PIN — your sign that TSP has set up your TSP account.

Other Information

Enrolling or changing your contribution level after PP 01 — For an election to be effective in any given pay period after PP 01, you must complete your election by 3:59 A.M. CT on the second Wednesday of that pay period.

Maximizing agency matching contributions — FERS employees may lose agency matching contributions if they reach the maximum IRS limit before the last pay period in

the calendar year. To evenly distribute your TSP contribution election over all the available pay periods, divide the IRS limit (\$15,500) by the available pay periods (26). This equals \$597 per pay period (after rounding up to the nearest whole dollar).

Viewing your participant statements — You may view your statements online at www.tsp.gov. The TSP Service Office mails quarterly statements to participants who have elected to receive paper copies.

Withdrawing money — You cannot withdraw money from your TSP account until you separate or retire from Postal Service or federal employment (unless you meet certain financial hardship guidelines or are at least age 59). Money you withdraw before normal retirement age may be subject to the early withdrawal penalty tax and income tax.

Being vested — If you should separate with fewer than 3 years of TSP creditable service, you will not be vested in (be able to keep) the 1 percent automatic Postal Service contributions and the interest earned from them. However, you are always vested in your own contributions, matching Postal Service contributions, and the interest earned from these amounts.

Borrowing against your TSP fund — Make sure to read about the TSP loan program before considering this option. While the main purpose of being enrolled in TSP is to help you save for retirement, you may borrow from your account to buy a home or for other reasons if qualified.

Questions — If you have questions about TSP or *PostalEASE*, call the Employee Service Line toll-free at 877-477-3273 to reach HRSSC and ask for help.

Thrift Savings Plan: 2008 Publicity Information for Human Resources Offices and the Human Resources Shared Services Center

Direct Mailings to Employees

To make Thrift Savings Plan (TSP) information available to employees, Headquarters issues two standard mailings:

- TSP enrollment information letters with *PostalEASE* instructions are mailed annually in mid-December to career employees at their mailing address of record.
- A package containing TSP BK08, *Summary of the Thrift Savings Plan*, as well as an enrollment information letter with *PostalEASE* instructions is sent to the employee's mailing address of record soon after a newly eligible career employee's PS Form 50, *Notification of Personnel Action*, is processed.

The employing office of record is the return address for undeliverable TSP enrollment information sent to newly eligible employees. When an office receives a returned kit, the office should encourage the employee to update his or her address. Employees with access to Employee Change of Address on the Intranet (from the Blue page) or to an employee self-service kiosk (available in some facilities) should use those entry methods. Other employees should submit an updated PS Form 1216, *Employee's Current Mailing Address*, to the Human Resources Shared Services Center (HRSSC) for processing.

Publicity

The Material Distribution Center (MDC) regularly sends TSP posters to Human Resources (HR) at district offices, area offices, processing and distribution centers or facilities, bulk mail centers, airport mail centers or facilities, remote encoding centers, the Office of Inspector General, Postal Inspection Service divisions, Headquarters, and selected Headquarters field units. Installations that receive the posters must distribute them widely and post them on bulletin boards.

To assist in publicizing the 2008 TSP enrollment opportunity, all offices must post the following on bulletin boards through December 31, 2008:

- The 2008 TSP employee enrollment information notice provided on page [39](#).
- The current TSP fact sheet that is published monthly in the *Postal Bulletin*.

Ordering Materials and Forms

Offices may order TSP forms and publications from the MDC as needed. Use touch-tone order entry (TTOE): call 800-273-1509. In addition, offices can check the TSP Web site, www.tsp.gov, for new or revised items.

Note: You must be registered to use TTOE. To register, call 800-332-0317, option 1, extension 2925, and follow the prompts to leave a message. (Wait 48 hours after registering before placing your first order.)

This listing will be provided to all Postal Service™ employees responsible for accepting and cashing postal money orders. Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <http://www.usps.com/missingmoneyorders/security.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Overseas Military Mail

Mail addressed to military post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO table below outlines these conditions by APO/FPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to deter-

Introducing the New Online Marketing Intelligence Library

Marketing and the Corporate Library have partnered to provide all Postal Service™ employees with a new online marketing information resource — the Marketing Intelligence Library (MIL). Available on the corporate Web site at <http://eagmnmsxeb5/portal/site/marketintel>, the MIL (which replaces the former resource called MarketTracks) offers a wide array of news articles, research papers, case studies, and market research.

The MIL is not just for Marketing employees — all of the library content is specifically selected for its relevance to the entire Postal Service. It's a dynamic resource tool that is updated every business day so it can be useful for any Postal Service employee in any job function.

The efficient design of the MIL home page makes it easy to quickly review and access all of the available sections of the library on one screen. The three primary content sections of the MIL are Research, Case Studies, and News:

- The Research section offers research studies, white papers, reports, articles, and other data from various external sources and Postal Service Market Research.

- The Case Studies section contains studies involving the use of Postal Service products and services as marketing tools in actual business situations.
- The News section stores more than 5,000 articles and is updated daily with important news that impacts the Postal Service.

Hyperlinks with cursor-enabled pop-up windows show brief descriptions of each item to help make your searches as quick and accurate as possible. Advanced search features include keyword and full-text search capabilities that will find the information that you need. You can even customize your search results by choosing from several menus of specific search filters. And even more enhancements are in the works.

No registration or login is required for access. To receive a weekly newsletter with links to the latest updates, send a blank e-mail with "MIL sign up" in the subject line to MarketIntel@usps.gov.

Visit the MIL today! And visit it again tomorrow, because it will be updated with more relevant information.

Packaging the Holidays — A Package for Every Present!

Customers want their holiday packages to arrive on time and in good condition. By informing customers about the critical shipping dates and services available, you can ensure that their holiday shipping experience is a positive one. The Postal Service™ offers many different services to ship packages at home and abroad. With the redesign of our international shipping offerings and the new Express Mail® and Priority Mail® flat-rate options available, it is important to notify customers about all the options available to them so that they can make an educated decision about how to ship their holiday packages.

Please use the following guide when advising customers about the various options and services available. By offering to our customers the right products that will ensure timely, safe delivery of their holiday gifts, you can increase revenue as well as provide a quality customer service experience for our customers and take some of the stress out of the holidays.

Customers can purchase Ready Post® packaging or use the Postal Service's free, eco-friendly, expedited packaging to send out their holiday gifts. Proper packaging is essential for packages to withstand transit and handling. Using padding such as bubble wrap or other materials to reduce shifting will protect the contents, and using packaging tape instead of masking tape will seal the package securely. For added protection, include a separate slip of paper inside the package with the addresses so that, in case the package does get damaged, it can still reach its destination.

Priority Mail International Service

Used for quick, affordable global shipping, Priority Mail International service is a reliable, cost-effective way to send documents and merchandise to international destinations.

Customers can prepare Priority Mail International combined labels and customs forms on the Postal Service Web site at www.usps.com or through authorized PC Postage® vendors and receive a 5-percent discount. Also at www.usps.com, customers can order free shipping supplies (such as the envelope shown in Exhibit 1 — Priority Mail International mailings use the same packaging as domestic Priority Mail service), print shipping labels and the appropriate customs forms all in one document, purchase up to \$500 in additional insurance (to purchase more insurance — up to \$5,000 — customers must make the transaction at a Post Office retail counter), and schedule a free pickup for their holiday packages.

Priority Mail International service offers several different options:

- Flat-rate envelopes.
- Flat-rate boxes.
- Variable-weight packages.

Flat-Rate Envelopes

Priority Mail International Flat-Rate Envelopes are just \$9 for Canada and Mexico and \$11 to all other countries. There is a 4-pound weight limit on Priority Mail International Flat-Rate Envelopes.

Insurance is not available with the Priority Mail International Flat-Rate Envelope. Also, tracking services are not available *unless* the customer purchases Registered Mail service, which provides added security.

Every Priority Mail International Flat-Rate Envelope requires PS Form 2976 affixed to the outside of the envelope. In addition, if the item weighs 16 ounces or more or is valued at \$400 or higher, the customer must also prepare PS Form 2976-A, place it inside PS Form 2976-E, and enclose the form set inside the package; in this case, the customer affixes only the upper portion of PS Form 2976 (cut on the dotted line) to the envelope and discards the lower portion. (For more information, see *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) section 123.61.)

Flat-Rate Boxes and Variable-Weight Packages

Priority Mail International Flat-Rate Boxes and variable-weight packages provide limited indemnity coverage at no extra charge, can be insured for a fee, and offer tracking to major destinations in Asia, Canada, and Europe. (The tracking number is the 9-digit series barcode beginning with the letter “C” on PS Form 2976-A.)

Flat-rate boxes are just \$23 for Canada and Mexico and \$37 to all other countries. There is a 20-pound weight limit on Priority Mail International Flat-Rate Boxes. Priority Mail International variable-weight packages can weigh up to 70 pounds.

Priority Mail International Flat-Rate Boxes and variable-weight packages require PS Form 2976-A. When using this form, the customer must fully describe package contents and list their appropriate value declared in U.S. dollars in block 5, “Value (U.S. \$)” (located in the middle-right portion of the form). Also, if the customer purchases additional insurance for Priority Mail International service, write a bold “V” followed by the dollar amount of the insurance in the “Insured Amount” block (in the upper-right corner of the form), and write the amount of the insurance fee in the “Insured Fees (U.S. \$)” block (under the “Insured Amount” block).

Proper Addressing

Regardless of the international service chosen, please remind customers that proper addressing techniques will help guarantee a worry-free delivery of their holiday items:

- Use the sender’s and recipient’s full first and last names.

- Print addresses legibly using the Latin (English) alphabet and Arabic numerals, or use machine-printed addressing, such as from a computer or typewriter.
- Include the country of origin on all shipments.
- In the last line of the address block, show only the country name, written in full (no abbreviations) and in capital letters.
- Place postal codes on the line above the country name. (Postal codes may contain letters and/or numbers.)

Exception: To Canada, there must be two spaces between the province abbreviation and the postal code, as shown between “ON” and “K1A 0B1” in the sample below:

Sample:	Sample return address:
Ms Helen Saunders 1010 Clear Street Ottawa ON K1A 0B1 CANADA	Mr John Browning 2510 Royal Rd Vienna VA 22182-3042 USA

- Format all the lines of the address with a uniform left margin.
- Remove or cross out old labels, especially those with barcodes.

Additional International Mailing Information

Customers should check the Individual Country Listings in the IMM to ensure that package contents are not restricted or prohibited in the destination country before sealing international packages.

Although the mailer is responsible for complying with all postal and nonpostal laws and regulations regarding the mailing of goods, Postal Service retail employees must inform customers of applicable restrictions, prohibitions, or observations based on the destination country.

Pay attention to the restrictions of each product as well. For example, Express Mail International service does not allow shipments containing coins, jewelry, watches, and other valuable items.

Customs duties and taxes are assessed in accordance with the laws of the destination country and are based on the declared value of the shipment.

If duties or taxes are assessed, most countries will collect a customs fee from the recipient in addition to the duties and taxes.

Shipments bearing incomplete custom declarations may be returned to sender.

Stamp Announcement 08-01: Celebrating Lunar New Year

Copyright USPS 2007

On January 9, 2008, in San Francisco, California, the Postal Service™ will issue a 41-cent, *Celebrating Lunar New Year* commemorative stamp in one design in a pressure-sensitive adhesive (PSA) commemorative sheet of 12 stamps (Item 571300). Designed by Ethel Kessler of Bethesda, Maryland, the stamp goes on sale nationwide January 9, 2008. **The \$4.92 *Celebrating Lunar New Year* commemorative sheet may not be split, and the stamps may not be sold individually.**

In observance of the Lunar New Year holiday, the U.S. Postal Service® introduces a new series of *Lunar New Year* stamps beginning in 2008. The series will continue through 2019 with stamps issued consecutively to celebrate the Year of the Rat, Ox, Tiger, Rabbit, Dragon, Snake, Horse, Ram, Monkey, Rooster, Dog, and Boar.

Ethel Kessler worked on the new series with illustrator Kam Mak of Brooklyn, New York, and chose festive red lanterns that are common decoration at such celebrations where they are frequently hung in rows. Kessler also incorporated elements from the previous series of *Lunar New Year* stamps designed by Clarence Lee of Honolulu, Hawaii, who created paper-cut designs for all of the twelve animals associated with the Chinese lunar calendar as well as the calligraphic Chinese characters drawn by Lau Bun, also of Honolulu.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. If available, the sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of those postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: PICTORIAL POSTMARKS, followed by the NAME OF THE STATION, ADDRESS, CITY, STATE, ZIP+4® CODE, exactly as listed below (using all capitals and no punctuation, except the hyphen in the ZIP+4 code).

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The following pictorial postmarks have been extended for 30 days.

How to Order the First Day of Issue Traditional and Digital Color Postmarks

Customers have 60 days to obtain the first day of issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® Web site at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage, large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a five cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city.

The first day of issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, P.O. Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long, please allow sufficient space on the envelope to accommodate the postmark, and do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of non-specified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to: Cancellation Services, Stamp Fulfillment Services, P.O. Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

New Philatelic Product Update Brochure — Just In Time for the Holidays

USPS® Stamp Services will be mailing the first *Quarterly Philatelic Product Update* brochure to all Postal Stores during the first week of December. Area and district managers will receive courtesy brochures as well. Throughout the year, this new brochure will highlight the latest philatelic products available for sale in Postal Stores each quarter. This particular edition features the fabulous philatelic products most likely to appeal to customers this holiday season. Like stamps, philatelic products require a transfer

of accountability from the Stamp Distribution Offices (SDOs) via PS Form 17, *Stamp Requisition/Stamp Return*. If desired philatelic products are not available at a given SDO, that SDO should contact Stamp Fulfillment Services in Kansas City to procure the items.
