POM Revision: Letter Drops in Postal Lobbies for Local Postmarks

The following changes to the *Postal Operations Manual* (POM) will be effective July 31, 2008. Postal Service™ modernization efforts have made the lobby drop for local postmarks in POM 312.2 obsolete for approximately 15 years. The requirement for a lobby drop for the local postmark is therefore changed to an option, to be determined by the postmaster.

POM section 312.1 states that the local postmark must be made available at every Post Office™. POM section 312.2 states that at Post Offices, stations, and branches, a lobby drop must be provided for the deposit of mail “for which the local postmark is desired.”

Cancellation and routine postmarking of mail at Post Offices, except for transactions at the retail window, were made obsolete with the mechanized cancellation systems installed at larger facilities in the 1970s. After the installation of the Advanced Facer Canceller Systems (AFCSs) at processing plants more than 15 years ago, routine cancellation of mail at local Post Offices was virtually eliminated. The efficiencies of the AFCSs help keep postage rates as low as possible for all customers.

Note: POM section 312.1 remains unchanged, and the local postmark remains available at every Post Office.

Handbook EL-312 Revision: Procedures for Evaluating Nonbargaining Employees During the Probationary Period

Effective July 31, 2008, Handbook EL-312, *Employment and Placement*, is revised to incorporate Section 584.6, Nonbargaining Employees, which was reserved. Section 584.6 is updated to provide procedures for evaluating nonbargaining employees (supervisors, managers, and executives) during the probationary period. This includes instructions for:

- Using new PS Form 5956, *Employee Probationary Period Report*, to evaluate nonbargaining employees.
- Establishing individual core requirements for nonbargaining employees.
- Conducting and documenting interactive discussions between managers and nonbargaining employees.

Section 584.6 requires managers to conduct performance evaluations of probationary, nonbargaining employees at intervals of 30, 80, 150, and 170 days.

[Revise 584.6 as follows:]

584.6 Nonbargaining Employees

The Postal Service has identified the personal attributes needed for the successful job performance of nonbargaining employees. These attributes are described as behavioral examples in competency models for leadership and functional/technical competency. Competency models and evaluation forms have been developed for supervisory, managerial, and executive levels of leadership.

584.61 Conducting the Initial Discussion

During an employee's first week at a work site, the immediate manager must have an initial discussion with the employee to clearly outline performance expectations for the probationary period. This discussion is documented on the appropriate form, as follows:

- Supervisory — PS Form 5956-SUP, *EAS Supervisory Employee Probationary Period Report*.

- Managerial — PS Form 5956-MGR, *EAS Managerial Employee Probationary Period Report*.
- Executive — PS Form 5956-EXE, *Executive Employee Probationary Period Report*.

These forms are available online at <http://blue.usps.gov/formmgmt/forms.htm>.

584.62 Establishing Individual Core Requirements

As governed by the Pay-for-Performance (PFP) program, the employee and the evaluator establish individual core requirements through an interactive discussion. The individual core requirements must be established within 30 days after the employee assumes the position.

Individual core requirements are documented and tracked in the Performance Evaluation System (PES). For more information, see the PFP Web site, which provides the "Administrative Rules for EAS Employees," many other documents, and a link to PES.

584.63 Performance Evaluation Intervals

The probationary period for nonbargaining employees is 180 days. In addition to providing the ongoing feedback necessary for successful performance management, the manager must conduct four formal discussions with the employee. After the initial meeting during the employee's first week at the work site, the manager should conduct and document interactive discussions at the following intervals: 30 days, 80 days, 150 days, and 170 days. Both the employee and manager are required to initial the form to indicate completion of these discussions.

On the final (170-day) evaluation, the manager must recommend definitively that the employee be either retained or separated. The employee and the manager both must sign the evaluation form. If the employee refuses to sign it, the manager should indicate that the employee was offered the opportunity to sign, but declined to do so.

Corporate Communications

It's VOE Survey Time

Every quarter, the United States Postal Service® surveys 25 percent of its career employees. That means that over the course of a year, every career employee is surveyed one time. No other business our size can make that claim.

But the survey is only as good as you make it. And that means filling it out and giving USPS® your fair and honest opinion on how it is doing as an organization.

If you receive one this quarter, take the time to fill it out — on the clock — and return it so that it arrives before the August 25 deadline.

If you're part of a larger work group, your supervisor may set up a specific time for you and your co-workers to complete the survey. If that's the case, a box or tray may be set up to collect completed surveys, in their sealed envelopes, to mail. Or if you prefer, you can mail the survey yourself.

Responses are confidential. An independent contractor, not the Postal Service™, receives and tabulates the results. Please be honest and fair.

References to Accounting Services

Accounting Services manages accounting processes and procedures in three locations:

- Eagan, MN.
- St. Louis, MO.
- San Mateo, CA.

During the initial phase of Accounting Shared Services, these locations were called Accounting Service Centers (ASCs). Because the Accounting Help Desk is the single point of contact for Accounting Services, references to ASCs on the Accounting Web site and in published accounting documents have been revised to remove references to specific ASCs.

Remember to replace references to Accounting Service Centers (ASCs) with references to Accounting Services when you update style guides, documents, forms, or online content. For example:

Fiscal Year 2008 Closing Guidance: Message From the Controller

I ask that each of you continue your efforts to control expenses. It is important that we carry this effort through to the end of the fiscal year by controlling discretionary activity. This does not mean curtailing business, but it does mean making prudent choices by deferring or eliminating non-critical activity, and purchasing goods or services throughout the year, rather than at the end of the fiscal year, simply because there are available budget funds. Please encourage your contractors to bill us in a timely manner for goods received and services rendered, so we can recognize the expense before the end of the fiscal year.

The following instructions will assist you, when appropriate, in helping the Postal Service™ close its financial books in a timely and efficient manner.

Lynn Malcolm
Vice President, Controller

I. Instructions for Fiscal Year 2008 Closing

All organizations are requested to limit their expenditures to essential spending. Accordingly, all vice presidents should review discretionary spending to ensure the Postal Service attains its financial target for this fiscal year (FY).

The instructions and reporting dates in this *Postal Bulletin* supplement procedures followed during the normal monthly or quarterly reporting schedule.

II. Fiscal Year

The Postal Service prepares its annual reports on a government FY basis, which comprises 365 days (366 in leap years), always ending on September 30.

III. End of Year Processing Activities and Timelines

Contract Modifications and Requisitions

Capital and Expense requisitions and requests for contract modifications will not be accepted by Supply Management after September 5.

Capital purchase card transactions will be accepted by Supply Management through September 15.

Also, organizations should limit capital commitments, particularly for Postal Service support equipment, to essential needs.

The schedule for Supply Management processing is as follows:

For requisitions received...	Funds are processed as follows...
On or before September 5, 2008	Supply Management will issue the required contract or modification for Accounting Services, San Mateo to process against FY 2008 funds.
On or after September 6, 2008	Supply Management will issue the required contract or modification for Accounting Services, San Mateo to process against FY 2009 funds.

Hardcopy paper commitment documents must be forwarded to Accounting Services, San Mateo no later than September 19.

Electronic files must be transmitted to Accounting Services as follows:

Send electronic files for...	To...	No later than...
Contract Authoring and Management System (CAMS)	San Mateo	September 30, 2008

Send electronic files for...	To...	No later than...
Facilities capital commitments and expense payments	St. Louis	September 30, 2008

Appropriate receiving reports or certified invoices for goods and services received by September 30 must be forwarded to Accounting Services, San Mateo no later than October 1.

Note:

1. Expedite processing of receiving reports and certified invoices as these documents are used to charge expenses to the proper FY.
2. Additionally, review contracts to ensure sufficient funds are available by September 19 to process invoices.
3. Supply Management will process all requisitions for the issuance of contracts against FY 2009 funds according to the following priorities:
 - Priority 1 — Capital commitment requisitions.
 - Priority 2 — Expense commitment requisitions.

IV. Accruals

As a result of the Business Improvement Process, Headquarters has decided to eliminate the PS Form 8163 accrual process entirely. The PS Form 8163 will no longer be submitted to San Mateo minimizing the additional workload during Year-End closing.

1. Goods received and Services rendered through September 30, 2008, will no longer be accrued at a finance number level. Only invoices certified and received by San Mateo by October 1 will be charged to FY 2008.
2. Headquarters Engineering and IT coordinators will have to meet with Corporate Financial Reporting to discuss amounts that need to be accrued.

Human Resources

July 2008 — Mandatory Stand-Up Talk

Managers and supervisors: This stand-up talk must be given to all employees who operate a vehicle in the performance of duty.

You also are required to comply with the guidelines in the stand-up talk if you operate a motor vehicle in the performance of duty. And, each quarter you must verify that postal drivers under your supervision have current, valid licenses.

You must suspend or revoke the Postal Service™ driving privileges of any employee who can't show you a current, valid state driver's license and, if required by state law and job duty, a commercial driver's license. The employee, including you, must not drive in the performance of duty until a valid state license can be produced. For bargaining unit employees, please see Article 29 of the appropriate collective bargaining agreement to determine whether rights or obligations exist concerning reassignment to non-driving duties.

If you drive for USPS, a state license is required

If you operate a motor vehicle as part of your duties — whether the vehicle is postal-owned, leased, your own, or a contracted vehicle — you must have a valid state driver's license in your possession when driving the vehicle.

If you drive a larger vehicle that requires a commercial driver's license, you must also have the commercial driver's license in your possession in addition to a valid state driver's license when driving to satisfy a job requirement.

As a Postal Service driver, you must comply with any restrictions on your state driver's license.

You must produce a current, valid state driver's license when requested by your supervisor or manager.

And finally, you must notify your supervisor or manager if your state driving license or commercial driver's license is suspended or revoked.

Think green!

Growing up in the apparel and accessories business, I have always strived to think green and make unique environmentally-friendly products. As a Postal Service licensee, I have added stamp art to my upscale product line. The line can now be seen in boutiques in the USA and abroad, airport gift shops, and museum stores from coast to coast. The popularity of the USPS program has been more successful than any line I have ever launched.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <http://www.usps.com/missingmoneyorders/security.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military Mail

Mail addressed to military post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO table below outlines these conditions by APO/FPO ZIP™ Codes through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO ZIP Codes are active and which

conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO ZIP Codes, toll free, at 800-810-6098, Monday-Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. If available, the sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of those postmarks.

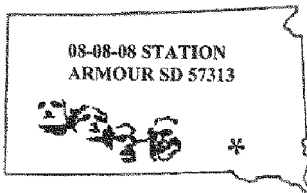

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: PICTORIAL POSTMARKS, followed by the NAME OF THE STATION, ADDRESS, CITY, STATE, ZIP+4® CODE, exactly as listed below (using all capitals and no punctuation, except the hyphen in the ZIP+4 code).

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® Web site at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city. The first day of issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, P.O. Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of non-specified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, P.O. Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

Toner Price Updates

As a result of the “Toner — Save Money and Protect the Environment” article that appeared in the *Postal Bulletin* on June 5, 2008, (issue 22234), you will see two changes to the pricing for toner offered in the OfficeMax catalog:

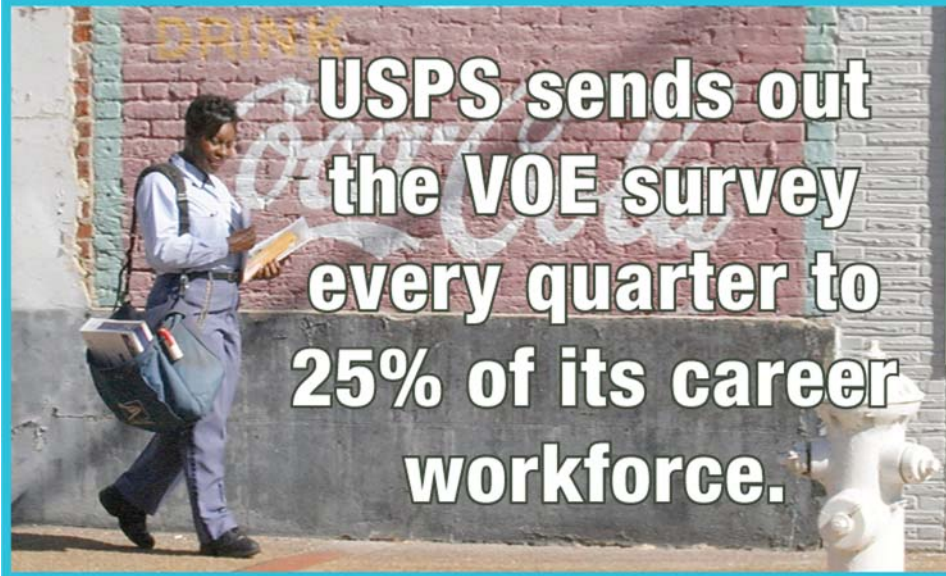

1. HP lowered the price it charges OfficeMax for many of its original equipment manufacturer (OEM) toner cartridges, and OfficeMax passed that savings on to the United States Postal Service®. If you prefer HP OEM cartridges, you will now pay a lower price for some of these cartridges. However, the OfficeMax-branded remanufactured toner cartridges still cost less than the HP OEM toner cartridges.
2. Under the Javits-Wagner-O’Day (JWOD) Act, seven of the OfficeMax-branded, remanufactured toner cartridges now convert to remanufactured cartridges from the National Institute for the Severely Handicapped (NISH) workshops. The NISH remanufactured cartridges still cost less than the OEM cartridges. You will still see the seven OfficeMax-branded remanufactured toner cartridges in the OfficeMax eBuy catalog. However, when you select them for purchase, they automatically change to the appropriate NISH remanufactured cartridges.

You will save from 6 to 66 percent by using the remanufactured cartridges. The following list shows the OEM cartridges and the corresponding remanufactured cartridges. All of the cartridges listed are available from the OfficeMax eBuy catalog.

Quick Pick List Update

Effective March 1, 2008, the Material Distribution Center (MDC) made available an online catalog in eBuy (<https://ebuy.usps.gov/jsp/co/Login.jsp>) listed under *Material Distribution Center — Supplies Equipment & Retail*. We recommend that you use the online site, which is the preferred method of ordering for sites.

You can still order items from the MDC and use the touch tone order entry (TTOE) system. Use either the 13-digit stock number or the 3-digit quick pick number (if one has been assigned). The most recent quick pick list is provided in this article. You can also download the quick pick list and instructions for using TTOE (also in this article)

from the Supply Management Web site at http://blue.usps.gov/purchase/operations/ops_downloads.htm.

The listed prices and bulk pack quantities (BPQs) are subject to change as new inventories are received at the MDCs. Items that are marked with an * are ordered through the MDC, but shipped directly from the vendor.

For the latest price information, contact Materials Customer Service at 800-332-0317. Follow prompts for general assistance. To place an order, call our TTOE at 800-273-1509. You must be registered to use TTOE. To register, call 800-332-0317, select option 1, and dial extension 2925. Then follow the prompts to leave a message. Wait 48 hours after registering to place your first order.
