DMM Revision: New Option for Mailers Using a Mailer's Postmark

Effective December 4, 2008, the Postal Service™ is revising *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)* 202.4.2, 302.3.2, 402.3.2, 602.1.5.3, and 604.3.1.8 to provide mailers that precancel stamps on some Standard Mail® pieces (weighing 13 ounces or less), through the use of a mailer's precancel postmark, the option to omit a return address from their mailpieces. Additionally, we provide clarification that, for the purposes of requiring a return address on mailpieces, ancillary service requests embedded into Intelligent Mail® barcodes are treated similarly to their corresponding physical endorsements.

Currently, all mailers using precanceled stamps are required to place a complete domestic return address on their mailpieces. This enables postal employees to contact the Post Office™ of mailing (or the Post Office serving the mailer) if there are issues pertaining to a particular mailpiece. Mailers that precancel adhesive stamps, stamped cards, and stamped envelopes with a mailer's postmark are required to request an authorization through the Post Office of mailing. Current standards further require that

mailer's postmarks include the Post Office name or ZIP™ Code of the acceptance office and the mailer's postmark permit number of the authorized mailer. These records provide adequate documentation that allows mailpieces to be associated with their respective mailers without the need to require a return address on each mailpiece.

This revision allows mailers using a mailer's postmark on Standard Mail pieces (weighing 13 ounces or less) not otherwise requiring a return address to have the option to omit the return address, and it will continue to provide adequate tracking and accountability in the event of a USPS® inquiry.

We will incorporate these revisions into the next printed version of the DMM and into the December update of the online DMM. The DMM revisions referenced in this article may be viewed via Postal Explorer® at <http://pe.usps.com>.

DMM Revision: Amended Move Update Standards

Effective November 23, 2008, the Postal Service™ revised the *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)* 233.3.5, 243.3.9, 333.3.5, 343.3.9, 433.3.5, and 443.3.9 to reflect the changes to the Move Update standard.

The Move Update standard is a means of reducing the number of mailpieces in a mailing that require forwarding, return, or discard by the periodic matching of a mailer's address records with customer-filed change-of-address orders received and maintained by USPS®.

The DMM is updated to include the revisions that signify mailing addresses must be updated within 95 days prior to the mailing date, and that this revision includes Standard Mail® service in addition to First-Class Mail® service.

We will incorporate this revision into the next printed version of the DMM and into the next update of the online DMM available via Postal Explorer® at <http://pe.usps.com>.

DMM Revision: Products Mailable at Nonprofit Standard Mail Prices

Under statutory restrictions in the *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 703.1.6.11, products that are mailed at the Nonprofit Standard Mail prices must meet at least one of three exceptions. A *low-cost item* is one of the exceptions referenced in the Internal Revenue Code. The value of a low-cost item — the actual cost to the authorized nonprofit organization — is determined each year by the Internal Revenue Service, adjusted for the cost of living. Effective

January 1, 2009, the value of a low-cost item is \$9.50 or less.

We will incorporate this revision into the January 18, 2009, update of the online DMM available via Postal Explorer® at <http://pe.usps.com> and into the next printed version of the DMM.

Publication 51 Revision: Mailability of Small Packets to Cuba

Effective December 4, 2008, the Postal Service™ is revising Publication 51, *International Postal Prices and Fees*, to allow the mailings of small packets to Cuba. Currently, Publication 51 stipulates Priority Mail International™ “package services” are not available to Cuba. “Package services” include both small packets up to 4 pounds and parcels. Therefore, we are revising this standard by changing the verbiage “package services” to “parcels” to clarify that Priority Mail International parcels are not accepted. This revision is consistent with the

change we are making in the *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®).

We will incorporate this revision into the online version of the Publication 51, which can be accessed via Postal Explorer® at <http://pe.usps.com>.

Mover's Guide News: January 2009 Mover's Guide Is on Its Way

The January 2009 issue of Publication 75, *Mover's Guide*, will be available before the end of December. As of January 1, 2009, you must display the new issue and recycle all expired versions.

Important Shipping Information

All Post Offices™ in the United States will automatically receive *Mover's Guide* copies for the January 2009 print run. They will be delivered in one or two shipments based on the quantity required by each office. To find out how many shipments your office will receive, check http://blue.usps.gov/purchase/operations/ops_downloads.htm.

- All Post Offices will receive their first shipment in mid-December. Second shipments will arrive 4 to 6 weeks later. Shipments will arrive in quantities of 25, 100, and 300.
- Display this edition on January 1, 2009, unless your current stock of this item has been depleted before this date. After January 1, 2009, you must recycle all old versions of the *Mover's Guide* remaining at your facility.
- If you would like to order supplemental quantities of the *Mover's Guide*, call 800-816-6837 or visit http://blue.usps.gov/delret/L4CustServSupp_Mover.htm.

Important Mover's Guide Information

- *Mover's Guides* are printed and distributed three times per year — December (for January use), April (for May use), and August (for September use).
- It is important that all offices distribute the entire *Mover's Guide* to customers. The *Mover's Guide* contains instructions on how to fill out the change-of-address form and valuable move-related offers, and it generates revenue for the Postal Service.™
- Post Offices *must* recycle old versions of the *Mover's Guide*, as these contain expired forms, information, and coupons that cannot be used by the postal consumer.

- In an effort to reduce waste and still provide each postal facility with the proper quantity of *Mover's Guides*, call 800-816-6837 if you receive too many or too few *Mover's Guides* or if you have questions about your quantity.
- To find out when shipments will arrive, check http://blue.usps.gov/purchase/operations/ops_downloads.htm.
- If your facility receives an entire pallet of *Mover's Guides*, break down the pallet. It may contain boxes that need to be shipped to other facilities, and this will ensure all facilities receive their needed supply.

Keep track of your inventory. Businesses and other organizations must purchase the *Mover's Guide* and can obtain order forms by calling Imagitas at 800-816-6837. For further information, visit our Frequently Asked Questions at http://blue.usps.gov/delret/L4CustServSupp_Mover.htm.

Catalog Address Change and Request Card

- The Catalog Address Change and Request Card is attached to PS Form 3575, *Change-of-Address Order*, and allows movers to let catalogers know their new address.
- **Important Note:** The Catalog Address Change and Request Card must be **detached** from PS Form 3575, the catalog description card, and the online adoption message. The Catalog Address Change and Request Card and PS Form 3575 should be mailed separately. **This is important for change-of-address processing.**

Remember, consumers can change their address online at www.usps.com: under "Would you like to...?" at the bottom, click *Change your address*.

Delivering Holiday Gifts and Greetings Worldwide

The Postal Service™ offers many convenient and competitively priced services to ship packages at home and abroad. You can help ensure a positive holiday shipping experience for customers by informing them about the many services the Postal Service offers online — at discounted prices, and by reminding them of critical shipping dates.

Use the following guide when advising customers about the various options and services available. By offering our customers the right products that will ensure timely, safe delivery of their holiday gifts, the Postal Service can provide a quality customer service experience and take some of the stress out of the holidays.

Holiday Mail Preparation

Customers can purchase Ready Post® packaging or use the Postal Service’s free, eco-friendly, expedited packaging to send out their holiday gifts.

Order Free Shipping Supplies Online

Customers can order free USPS® shipping supplies online at www.usps.com/supplies or by calling 800-610-8734. Express Mail® and Priority Mail® envelopes and a variety of boxes are available for both domestic and international shipping. The mailing labels and Customs forms that you need for APO/FPO destination addresses and international shipping as well as Global Express Guaranteed® (GXG®) envelopes are also available.

The Postal Service is in favor of reducing waste and reusing boxes. However, please remember that wine, beer, and liquor boxes cannot be used for mailing. Any markings on previously used boxes should be removed or crossed out, especially barcodes, postage, and addresses.

Proper packaging is essential for packages to withstand transit and handling. Using padding such as bubble wrap or other materials to reduce shifting will protect the contents, and using packaging tape instead of masking tape will seal the package securely. For added protection, a separate slip of paper should be included inside the package with the sender’s and recipient’s addresses so that, in case the label does get damaged, the package can still reach its destination.

Customers can prepare Priority Mail International combined labels and Customs forms on the Postal Service website, www.usps.com, or through authorized PC Postage® vendors and receive a 5 percent discount. Also at www.usps.com, customers can order free shipping supplies (such as the envelope shown in Exhibit 1 — Priority Mail International service uses the same packaging as domestic Priority Mail service); print shipping labels and the appropriate Customs forms all in one document; purchase up to \$500 in additional insurance (to purchase more insurance — up to \$5,000 — customers must make the transaction at a Post Office retail counter); and schedule a free Carrier Pickup for their holiday packages.

Priority Mail International service offers several different options:

- Flat-rate envelopes.
- Flat-rate boxes.
- Variable-weight packages.

Flat-Rate Envelopes

Priority Mail International Flat-Rate Envelopes are just \$9.95 for Canada and Mexico and \$11.95 to all other countries. There is a 4-pound weight limit on Priority Mail International Flat-Rate Envelopes.

Insurance is not available with the Priority Mail International Flat-Rate Envelope. Also, tracking services are not available unless the customer purchases Registered Mail service, which provides added security.

Every Priority Mail International Flat-Rate Envelope requires PS Form 2976, *Customs Declaration CN 22 — Sender's Declaration* (green label), affixed to the outside of the envelope. In addition, if the item weighs 16 ounces or more or is valued at \$400 or higher, the customer must also prepare PS Form 2976-A, *Customs Declaration and Dispatch Note — CP 72*, and enclose the form set inside the package; in this case, the customer affixes only the upper portion of PS Form 2976 (cut on the dotted line) to the envelope and discards the lower portion. (For more information, see IMM 123.61.)

Flat-Rate Boxes and Variable-Weight Packages

Priority Mail International can use the same Priority Mail Flat-Rate Boxes for international shipments as for domestic shipments:

- Regular Flat-Rate Boxes:
 - One price to Canada and Mexico — \$23.95.
 - One price to all other countries — \$38.95.
- Large Flat-Rate Box:
 - One price to Canada and Mexico — \$29.95.

- One price to all other countries — \$49.95.
- Twenty (20) pound maximum weight.
- Requires PS Form 2976-A, *Customs Declaration and Dispatch Note* — CP 72.
- Priority Mail International Flat-Rate Boxes (20-pound maximum weight) and variable weight packages up to 70 pounds offer tracking to major destinations in Asia, Canada, and Europe.
- Priority Mail International Flat-Rate Boxes (20-pound maximum weight) and variable weight packages up to 70 pounds offer limited indemnity coverage at no extra charge.
- Insurance is available at the mailer’s option.

Priority Mail International Flat-Rate Boxes and variable-weight packages require PS Form 2976-A, *Customs Declaration and Dispatch Note* — CP 72. When using this form:

- The customer must fully describe the package contents and list the appropriate value declared in U.S. dollars in block 5, “Value (U.S. \$)” (located in the middle-right portion of the form).
- If the customer purchases additional insurance for Priority Mail International service, write a bold “V” followed by the dollar amount of the insurance in the “Insured Amount” block (in the upper-right corner of the form), and write the amount of the insurance fee in the “Insured Fees (U.S. \$)” block (under the “Insured Amount” block).

Proper Addressing

Remind customers that, regardless of the international service they choose, proper addressing techniques will help guarantee a worry-free delivery of their holiday items:

- Use the sender’s and recipient’s full first and last names.
- Print addresses legibly using the Roman (English) alphabet and Arabic numerals, or use machine-printed addressing, such as from a computer or typewriter.
- Include the country of origin on all shipments.
- In the last line of the address block, show only the country name, written in full (no abbreviations) and in capital letters.

- Place postal codes on the line above the country name. (Postal codes may contain letters and/or numbers.)

Note: To Canada, there must be two spaces between the province abbreviation and the postal code, as shown between “ON” and “K1A 0B1” in the sample below:

Sample Canadian Address	Sample Return Address
Ms Helen Saunders 1010 Clear Street Ottawa ON K1A 0B1 CANADA	Mr John Browning 2510 Royal Rd Vienna VA 22182-3042 USA

- Format all lines of the address with a uniform left margin.
- Remove or cross out old labels, especially those with barcodes.

Additional International Mailing Information

Customers should check the Individual Country Listings in the IMM to ensure that package contents are not restricted or prohibited in the destination country before sealing international packages.

To assure packages get through Customs and are delivered on time, check with the customer to make sure that:

- The package does not contain prohibited items.
- Every field on the Customs form is complete, and the declared value is accurate.
- There is a detailed description of each article.

Pay attention to the restrictions of each shipping product as well. For example, Express Mail International service does not allow shipments containing coins, jewelry, watches, and other valuable items.

Customs duties and taxes are assessed in accordance with the laws of the destination country and are based on the declared value of the shipment.

If duties or taxes are assessed, most countries will collect a Customs fee from the recipient in addition to the duties and taxes.

Shipments bearing incomplete Custom declarations may be returned to the sender.

Thrift Savings Plan 2009 Catch-up Contributions for Participants Age 50 and Older

New Dates and Contribution Limits

If you are a Thrift Savings Plan (TSP) participant age 50 or older, you may be eligible to participate in the catch-up contributions for the TSP. Note the dates and contribution limits that follow:

- These contributions supplement your regular TSP employee contributions; that is, they do not count against the Internal Revenue Service (IRS) annual limit on elective deferrals (\$16,500 in 2009), but they do have their own annual catch-up limit, which is \$5,500 in 2009.
- There are no Postal Service™ matching contributions associated with TSP catch-up contributions.
- Your initial election for 2009 can be *effective* no earlier than the first pay period (PP) in the 2009 calendar year (PP 01-09), which begins December 20, 2008.
- For your initial elections to be effective during that first pay period of 2009, make your election using *PostalEASE* between Wednesday, December 17, 2008, at 4:30 A.M. CT, and Wednesday, December 31, 2008, at 3:59 A.M. CT.
- After December 31, 2008, at 4:30 A.M. CT, you will be able to elect catch-up contributions at any time for the balance of 2009. Once you do, you can change the amount or stop at any time, using *PostalEASE*, without affecting your regular contributions.

Eligibility for Catch-Up Contributions

To elect catch-up contributions, you must:

- Be age 50 or older, or turn 50 in the calendar year the election is submitted and processed.
- Be able to self-certify that by the end of the calendar year you will have contributed the IRS annual deferral limit, \$16,500, through regular contributions to TSP and/or to other plans subject to the elective deferral limit.
- Be in a pay status. Contributions are made from basic pay through payroll deductions only.
- Not be in the 6-month noncontribution period following the receipt of a financial hardship in-service withdrawal.

Note: There is no “look-back” provision to see what you could have contributed but did not. If you are eligible to participate, you simply have the right to contribute the additional funds up to the annual catch-up contribution limit. If you have been performing active duty military service, however, you may be eligible to make missed catch-up contributions under the Uniformed Services Employment and Reemployment Rights Act (USERRA).

How to Enroll in TSP 50+ Catch-up Contributions for Calendar Year 2009

To prepare to start TSP 50+ catch-up contributions, before accessing *PostalEASE*, read the instructions in the TSP catch-up contributions material sent to your address of record and then complete the enclosed worksheet. If you did not receive the mailing, call the Employee Service Line toll-free at **877-477-3273** to reach the HR Shared Service Center (HRSSC).

You may access *PostalEASE* on the Employee Web on the Internet at <https://liteblue.usps.gov>, on the **Postal Service Intranet Blue**, or at an **employee self-service kiosk**. Using one of these may be easier than using the telephone. Just follow the instructions. Otherwise, call the Employee Service Line toll-free at **877-477-3273** to reach *PostalEASE*.

You must have available your Employee ID (found at the top of your earnings statement) and your USPS® personal identification number (PIN). If you don't know your USPS PIN, go to <https://liteblue.usps.gov> and click *Forget Your PIN?* Enter your 8-digit Employee ID (printed at the top of your earnings statement). Choose a new PIN immediately with Self-Service PIN Reset — just follow the instructions. Or, request your PIN from the USPS Intranet Blue or a self-service kiosk — click *Employee Self-Service*, then *PostalEASE*. Or, call 877-477-3273 and select 1. Enter your Employee ID. When prompted for your PIN, pause, then press 2. Your USPS PIN will be mailed to your address of record the next business day.

Catch-up contributions will be invested in your account based on the most current contribution allocation on file with TSP. Your contribution allocations must be made with the TSP using the TSP website, ThriftLine, or Form TSP-50, *Investment Allocation*.

Other Information

Making elections after PP 01 — You may make more than one election in any given calendar year (so long as you do not exceed the annual catch-up contributions limit). You must complete your election using *PostalEASE* by 3:59 A.M. CT the second Wednesday (day 12) of each pay period in order for the election to be effective in that pay period.

Keeping within your tax deferral limit — The annual amount of your catch-up contributions is combined with your regular tax-deferred contributions and shown in the deferral block of IRS Form W-2. If the amount shown exceeds the IRS limit for regular contributions, the IRS will check your date of birth with the Social Security Administration and assume any amount over the limit is attributable to the catch-up contributions. If you see that you will

exceed the catch-up contributions limit (usually by contributing to more than one plan), you may contact the TSP and request a refund of the excess catch-up contributions.

Terminating catch-up contributions after withdrawals — If you receive a financial hardship in-service withdrawal, your catch-up contributions must stop along with any regular employee contributions for a period of 6 months.

Making elections next year — Your catch-up contribution election terminates automatically with the last pay date

of the calendar year to which it applies unless you have previously terminated the election or you have reached the annual catch-up contribution limit. You will need to make a new election for each calendar year in which you wish to make catch-up contributions.

Questions — If you have questions about TSP or *PostalEASE*, contact the HRSSC for assistance.

Thrift Savings Plan 2009 Employee Information for Career Employees

New Dates and Contribution Limits

As there is no longer a Thrift Savings Plan (TSP) Open Season, you may elect to contribute to TSP or change the amount of your total contributions at any time. New dates and contribution limits are shown in the material that follows.

You may elect to make contributions up to \$16,500 — the Internal Revenue Service (IRS) annual limit on elective deferrals — during the 2009 calendar year. Your contributions each pay period must not exceed 90 percent of your basic pay.

- If you are covered by the Federal Employees Retirement System (FERS), you will receive Postal Service™ matching contributions. Newly hired employees must first complete a required waiting period, as follows:

If you are appointed...	Agency contributions begin the first full pay period in...
December 2007–May 2008	December 2008
June 2008– November 2008	June 2009
December 2008–May 2009	December 2009
June 2009–November 2009	June 2010

- Your elections for 2009 can be *effective* no earlier than the first pay period in the 2009 calendar year (PP 01-09), which begins December 20, 2008.
- For your elections to be effective during that first pay period, you should make your election using *PostalEASE* between Wednesday, December 17, 2008, at 4:30 A.M. CT and Wednesday, December 31, 2008, at 3:59 A.M. CT.

Why Enroll in TSP

As an employee covered by FERS, you have three parts to your retirement program. Two parts, the FERS Basic Annuity and Social Security, offer future benefits that are funded automatically with deductions from your paychecks and with Postal Service contributions.

TSP, the third part of your retirement program, is not automatic. The decisions you make over time will directly affect the future value of your TSP account. Today is the time to review the booklet *Summary of the Thrift Savings*

Plan, which is available at www.tsp.gov or from the HR Shared Service Center (HRSSC). It can help you make informed choices about how to use TSP to meet your immediate and long-term financial objectives. You do not want to realize years from now that you missed getting (1) substantial tax benefits, (2) interest earnings, and (3) Postal Service matching contributions to your account (if you are a FERS employee).

As a FERS employee, **you can double your money** by participating in TSP. How? Sign up to contribute 5 percent of your basic pay to TSP each pay period. After the required waiting period for newly hired employees, you will receive a 4 percent matching contribution and a 1 percent automatic contribution from the Postal Service. If you're contributing 5 percent of your basic pay, 10 percent will go into your TSP account — double your money. If you're making a contribution above 5 percent, an amount equal to 5 percent of your basic pay will be added to the total contribution going into your TSP account each pay period.

If you're a newly hired employee in the waiting period for Postal Service contributions, go ahead — sign up today while you're thinking about it. TSP is still a good deal while you're waiting. Why?

You receive **tax-deferral** on TSP contributions and the interest earned in TSP. You get a tax break right now on what you contribute, since you don't pay income tax now on your TSP contributions. For example, if you're in the 25 percent federal tax bracket and you make a \$100 TSP contribution, **your paycheck won't go down by \$100 — it will go down by \$75.** (You also receive tax deferral on most state income tax, too.) You don't pay taxes now on the interest that your TSP account earns, either. That's because you don't pay taxes on your TSP contributions or on interest you earn until you withdraw your money from TSP, usually after you separate or retire.

For FERS employees, if you're not contributing at least 5 percent to TSP, you are losing valuable matching agency money that could be a very substantial amount when it's time to retire. The sooner you contribute and the more you contribute, the more compounding will work for you.

Note: If you are covered by the Civil Service Retirement System (CSRS) or CSRS Offset, then you won't receive automatic and matching Postal Service TSP contributions. You will still have the advantages of tax deferral and compounding described above. When you call *PostalEASE*, the system will automatically provide TSP instructions for you based on your retirement system of record. If you have any questions about your retirement system coverage, contact the HR Shared Service Center.

Enrolling in TSP or Changing Your Contributions for Calendar Year 2009

To prepare to contribute to TSP, before accessing *PostalEASE*, read the instructions in the TSP materials sent to your address of record and then complete the enclosed worksheet. If you did not receive the mailing, call the Employee Service Line toll-free at **877-477-3273** to reach the HR Shared Service Center.

You may access *PostalEASE* on the Employee Web on the Internet at <https://liteblue.usps.gov>, at an **employee self-service kiosk**, or on the **Postal Service Intranet Blue**. Using one of these may be easier than using the telephone. Just follow the instructions. Otherwise, call the Employee Service Line toll-free at **877-477-3273** to reach *PostalEASE*.

You need your **USPS PIN**. If you do not know it, go to <https://liteblue.usps.gov> and click *Forget Your PIN?* Enter your 8-digit Employee ID (printed at the top of your earnings statement). Choose a new PIN immediately with Self-Service PIN Reset — just follow the instructions. Or, request your PIN from the USPS Intranet Blue or a self-service kiosk — click *Employee Self-Service*, then *PostalEASE*. Or, dial 877-477-3273 and press 1. Enter your Employee ID. When prompted for your PIN, pause, then press 2. Your USPS PIN will be mailed to your address of record the next business day.

Contacting TSP to Make a Fund Investment Election

If you are enrolling in TSP for the first time, you will not be able to make a choice about which TSP funds to invest in. Your first TSP contributions will automatically go into the Government Securities Investment (G) Fund.

Once TSP has received your first contribution and sent you your TSP PIN number, your TSP account number, and your TSP Web password, you will be able **to contact TSP directly, at any time, to allocate your payroll contributions into any of the TSP investment funds or to make interfund transfers**. You may choose from these investment funds — the C Fund (S&P 500 stocks), S Fund (small cap stocks), I Fund (international stocks), F Fund (bonds), G Fund (securities), and the L Funds (an investment mix of several funds). If you enroll and do not make a fund investment choice, your TSP contributions will continue to be invested in the G Fund.

The TSP PIN is not the same as the USPS PIN you use for *PostalEASE*. If you do not know your TSP PIN, account number, or Web password, you can obtain all three by calling the ThriftLine toll-free at 877-968-3778 or the TDD toll-free line at 877-847-4385 and following the prompts. The account number and Web password can be mailed to you if you request them at www.tsp.gov and select *Account Access*.

To make your investment choices or interfund transfers, use your TSP account number or custom ID and Web password at the TSP website, www.tsp.gov, or call the ThriftLine toll-free at **877-968-3778** and use your TSP PIN and account number. If you are deaf or hard of hearing, you may make TDD calls toll-free to **877-847-4385**.

If you simply cannot use the website or the telephone, you can obtain, complete, and mail Form TSP-50, *Investment Allocation*, to the following address:

TSP Service Office
P.O. Box 385021
Birmingham, AL 35238

TSP-50 forms are available from the HRSSC, but *not* from the TSP website. HRSSC *cannot accept* and *cannot process* your completed TSP-50 — you must mail it to TSP. If you use TSP-50, your investment choices won't take effect as quickly as they would if you used the TSP website or ThriftLine. Do not mail Form TSP-50 before you receive your TSP PIN — that's your sign that TSP has set up your TSP account.

Other Information

Enrolling or changing your contribution level after PP 01 — For an election to be effective any given pay period after PP 01, you must complete your election by 3:59 A.M. CT on the second Wednesday of that pay period.

Maximizing agency matching contributions — FERS employees may lose agency matching contributions if they reach the maximum IRS limit before the last pay period in the calendar year. To evenly distribute your TSP contribution election over all the available pay periods, divide the IRS limit (\$16,500) by the available pay periods (26). This equals \$635 per pay period (after rounding up to the nearest whole dollar).

Viewing your participant statements — You may view your statements online at www.tsp.gov. The TSP Service Office mails quarterly statements to participants who have elected to receive paper copies.

Withdrawing money — You cannot withdraw money from your TSP account until you separate or retire from Postal Service or federal employment (unless you meet certain financial hardship guidelines or are at least age 59). Money you withdraw before normal retirement age may be subject to the early withdrawal penalty tax and income tax.

Being vested — If you separate with fewer than 3 years of TSP creditable service, you will not be vested in (be able

to keep) the 1 percent automatic Postal Service contributions and the interest earned from them. However, you are always vested in your own contributions, matching Postal Service contributions, and the interest earned from these amounts.

Borrowing against your TSP fund — Make sure to read about the TSP loan program before considering this option. While the main purpose of being enrolled in TSP is

to help you save for retirement, you may borrow from your account to buy a home or for other reasons if qualified.

Questions — If you have questions about TSP or *PostalEASE*, call the Employee Service Line toll-free at 877-477-3273 to reach the HRSSC and ask for help.

Thrift Savings Plan 2009 Publicity Information for Human Resources Offices and the Human Resources Shared Service Center

Direct Mailings to Employees

To make Thrift Savings Plan (TSP) information available to employees, Headquarters issues two standard mailings:

- TSP enrollment information letters with *PostalEASE* instructions are mailed annually in mid-December to career employees at their mailing address of record.
- A package containing TSP BK08, *Summary of the Thrift Savings Plan*, as well as an enrollment information letter with *PostalEASE* instructions, is sent to the employee's mailing address of record soon after a newly eligible career employee's PS Form 50, *Notification of Personnel Action*, is processed.

The employing office of record is the return address for undeliverable TSP enrollment information sent to newly eligible employees. When an office receives a returned kit, the office should encourage the employee to update his or her address. Employees with access to Employee Change of Address on the Intranet (from the Blue page) or to an employee self-service kiosk (available in some facilities) should use those entry methods. Other employees should submit an updated PS Form 1216, *Employee's Current Mailing Address*, to the HR Shared Service Center (HRSSC) for processing.

Publicity

The Material Distribution Center (MDC) regularly sends TSP posters to Human Resources (HR) at district offices, area offices, processing and distribution centers or facilities, bulk mail centers, airport mail centers or facilities, remote encoding centers, the Office of Inspector General, Postal Inspection Service divisions, Headquarters, and selected Headquarters field units. Installations that receive the posters must distribute them widely and post them on bulletin boards.

To assist in publicizing the 2009 TSP enrollment opportunity, all offices must post the following on bulletin boards:

- The 2009 TSP employee enrollment information notice provided on pages [25–27](#).
- The current TSP fact sheet that is published monthly in the *Postal Bulletin*.

Ordering Materials and Forms

Offices may order TSP forms and publications from the MDC as needed. Use touch-tone order entry (TTOE): call 800-273-1509. In addition, offices can check the TSP website, www.tsp.gov, for new or revised items or go to the Postal Service Intranet at <http://blue.usps.gov>; under "Essential Links," click *Forms*, for PS Form 1216.

Note: You must be registered to use TTOE. To register, call 800-332-0317, option 1, extension 2925, and follow the prompts to leave a message. (Wait 48 hours after registering before placing your first order.)

Licensing

Commercially Available Consumer Products

Brand licensing has become a powerful tool in the commercial marketplace, generating more than \$71 billion in 2007 retail sales for the United States and Canada.

Licensed consumer products are unique for the Postal Service™, as they are physical objects. Consumers are now able to see and experience the USPS® brand in different aisles of a store or in new stores that were previously beyond our brand's reach. As a result, increased awareness often occurs in places where the core business has not penetrated in the past, further increasing the value of that awareness.

We are beginning to see a permanent footprint in the commercial marketplace for our licensed products. The merchandise described in this article represents the official launch of a sustainable commercial consumer products program. Stamp Announcement 09-02: Celebrating Lunar New Year

© 2008 USPS

On January 8, 2009, in New York, New York, the Postal Service™ will issue a 42-cent, *Celebrating Lunar New Year* commemorative stamp in one design in a pressure-sensitive adhesive (PSA) commemorative sheet of 12 stamps (Item 573800). Designed by Ethel Kessler of Bethesda, Maryland, the stamp goes on sale nationwide January 8, 2009. The \$5.04 *Celebrating Lunar New Year* commemorative sheet may not be split and the stamps may not be sold individually.

The U.S. Postal Service® introduced its *Celebrating Lunar New Year* series in 2008. This is the second stamp in that series, which will continue through 2019 with stamps for the Year of the Tiger, Rabbit, Dragon, Snake, Horse, Ram, Monkey, Rooster, Dog, and Boar. In 2008, a stamp depicting festive red lanterns was issued to mark the Year of the Rat.

Art Director Ethel Kessler and artist Kam Mak, who grew up in New York City's Chinatown and now lives in Brooklyn, decided to focus on some of the common ways the Lunar New Year Holiday is celebrated. To commemorate the Year of the Ox, which begins January 26, 2009, they chose a lion head of a type often worn at parades and other festivities. Kessler's design also incorporates elements from the previous series of Lunar New Year stamps, using Clarence Lee's intricate paper-cut design of an ox and the Chinese character drawn in grass-style calligraphy by Lau Bun for "Ox."

How to Order the First Day of Issue Postmark

Customers have 60 days to obtain the first day of issue postmark by mail. They may purchase new stamps at their local Post Office™, at The Postal Store® website at www.usps.com/shop, or by calling 800-STAMP-24. They should affix the stamps to envelopes of their choice,

Stamp Announcement 09-03: Oregon Statehood

© 2008 USPS

On January 14, 2009, in Portland, Oregon, the Postal Service™ will issue a 42-cent, *Oregon Statehood*

commemorative stamp in one design in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 464300). The stamp, designed by Derry Noyes, Washington, DC, goes on sale nationwide January 14, 2009.

With the issuance of this stamp in 2009, the U.S. Postal Service® commemorates the sesquicentennial of Oregon's statehood. Oregon was officially welcomed as the 33rd state in the Union on February 14, 1859. Today, Oregon boasts a diverse population, an active and innovative urban scene, and some of the most beautiful and fertile landscapes in the country.

Artist Gregory Manchess, a resident of Beaverton, Oregon, was inspired by his own experiences along the Pacific coast to create the painting for the stamp.

A list of events for which pictorial postmarks are authorized appears below. If available, the sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of those postmarks.

Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: PICTORIAL POSTMARKS, followed by the NAME OF THE STATION, ADDRESS, CITY, STATE, ZIP+4® CODE, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city. The first day of issue city Post Office will then forward in bulk all postmark requests to Cancellation Services,

Stamp Fulfillment Services, P.O. Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute

traditional black rubber postmarks if use of non-specified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of

issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, P.O. Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <http://www.usps.com/missingmoneyorders/security.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military Mail

Mail addressed to military post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO table below outlines these conditions by APO/FPO ZIP™ Codes through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO ZIP Codes are active and which

conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO ZIP Codes, toll free, at 800-810-6098, Monday-Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

The entries under “Changes” appear in bold in the APO/FPO table starting below.

Q. When will the price for mailing a letter go up?

A. The price increase for mailing services will be announced in February 2009 and take effect in May 2009.

Q. Why not raise all the prices at one time?

A. The January implementation for shipping services prices aligns the Postal Service[™] with price changes among other shipping companies and provides a clearer picture of the competitive, affordable products we offer.

Q. Why did the cost of mailing packages increase?

A. The costs of doing business — for things like transportation, utilities, and health care benefits — have continued to increase. Without an increase to keep up with rising costs, we would face significant loss. Contrary to popular belief, Postal Service operations are not subsidized by tax dollars—we must rely on the sale of postal products and services to cover our operating costs.

Q. Why not cut costs instead of increasing prices?

A. The Postal Service has been aggressive about cutting its costs. Like other businesses, however, the Postal Service cannot fully make up for the increase

in its expenses by cutting costs. Many costs are influenced by factors outside the control of the Postal Service, such as the rising price of fuel or difficult economic conditions. However, for each of the past several years we have committed to eliminating cost by a billion dollars. During fiscal year 2008, which ended September 30, we eliminated over \$2 billion in costs. Labor-related costs such as salary and benefits account for about 80 percent of our expenses.

Q. What are the changes for Express Mail?

A. Express Mail prices will increase an average of 5.7 percent. The Express Mail flat-rate envelope retail price will be \$17.50, regardless of the weight or distance traveled. Other than the flat-rate envelope, Express Mail prices continue to be based on weight and distance (zone). We will continue to offer reduced commercial base pricing.

Q. What is commercial base pricing?

A. Commercial base pricing is an incentive for customers to pay for postage online. For Express Mail service, the commercial base price will increase approximately 3.7 percent, and be 5 percent lower than retail price. The Express Mail flat-rate envelope will be priced at \$16.63, compared to the \$17.50 retail price. Commercial base prices are available to customers who pay postage through Click-N-Ship[®] service; to registered end-users of approved PC Postage[®] providers; or through an Express Mail Corporate Account (EMCA), including a Federal Agency Account. We will expand commercial base price availability to include customers paying postage using an approved information based indicia (IBI) metering system.

Q. What are the changes for Priority Mail?

A. Overall, Priority Mail prices will increase 3.9 percent on average, and retail prices will increase 4.7 percent. The Priority Mail flat-rate envelope retail price, as well as the unzoned 1-pound price, will be \$4.95. We are introducing a new Priority Mail small flat-rate box that will be priced the same as the flat-rate envelope— \$4.95, regardless of the actual weight or destination. Customers will now have four convenient flat-rate box options to choose from (i.e., small flat-rate box, two sizes of the regular flat-rate box, and the large flat rate box). We will continue to offer the \$2 price reduction for the large flat-rate box going to APO/FPO destination addresses.

Q. Is there a new commercial base price for Priority Mail items?

A. For Priority Mail items, commercial base prices will be an average 4.7 percent lower than retail prices. The Priority Mail flat-rate envelope and the new small

flat-rate box will be priced at \$4.80. Commercial base price availability will be expanded to include customers paying postage through the use of an IBI metering system, as well as continuing for customers who use Click-N-Ship service, are registered end-users of approved PC Postage providers, or use permit imprint manifest mailing systems (MMS).

Q. Are there any price changes to Express Mail International service?

A. Published Express Mail International prices will increase by 8.5 percent and vary by country group and weight increments. The Express Mail flat-rate envelope will be priced at \$25.95 for Canada and Mexico, and \$27.95 for all other countries.

Customers using Click-N-Ship or PC Postage service will continue to receive a commercial base price 8 percent lower than the comparable retail price. We are expanding availability of the commercial prices to include customers who pay postage using an EMCA, and who use approved software for mail preparation and Customs-related functions.

Q. Are there any price changes to Priority Mail International service?

A. Yes. We are expanding availability of the commercial base prices to now include customers who pay postage using an IBI metering system and electronically transmit Customs forms. Priority Mail International customers using Click-N-Ship or PC Postage service, and customers who pay postage using a permit imprint and approved software for mail preparation and Customs-related functions, will continue to get a commercial base price 5 percent lower than the retail price. We will also add a new country price group (price group 10) for shipments to Australia and New Zealand.

Q. Can I use the new Priority Mail small flat-rate box for international mail?

A. Yes. The new Priority Mail small flat-rate box may be used for Priority Mail and Priority Mail International items.

Q. Are there any changes to Global Express Guaranteed (GXG) pricing?

A. Yes. GXG prices will increase 11.2 percent on average, and we continue to offer a 10 percent reduction with commercial base prices. We will expand commercial base price availability to include customers who pay postage using IBI postage metering systems and transmit Customs forms electronically, and continue to offer commercial base prices to customers who use Click-N-Ship service, or are registered end-users of approved PC Postage providers.

2009 Shipping Services Price Changes Answers to Frequently Asked Questions (FAQs)

A. Postal Service™ shipping services prices will change Sunday, January 18, 2009. The changes include new prices for all Express Mail®, Priority Mail®, Parcel Select® and Parcel Return Service, as well as prices for Global Express Guaranteed®, Express Mail International®, Priority Mail International™, and direct sacks (Airmail M-bags).

A. The move to an annual January implementation date for shipping services price changes aligns the Postal Service with price changes among other shipping companies, and provides a clearer picture of the competitive, affordable products the Postal Service offers.

A. We will announce new stamp prices and other mailing services prices in February to take effect in May 2009. Prices for Postal Service mailing services are capped by class of mail at the rate of inflation as measured by the Consumer Price Index (CPI). The current CPI rate is available on the Postal Regulatory Commission website at www.prc.gov.

Shipping services prices do not have a price cap, but there is a price floor: each product must cover its costs, and in aggregate the shipping service products must generate sufficient net contribution to cover 5.5 percent of the Postal Service's institutional costs.

A. Complete USPS® pricing information, including commercial base and new commercial plus pricing for Express Mail and Priority Mail service, is available in Notice 123, *Price List*, at www.usps.com/prices.

A. Prices will increase an average of 5 percent. By comparison, competitors announced price increases of between 5.9 percent and 6.9 percent.

Unlike other shipping companies, the Postal Service does not impose surcharges for fuel, residential delivery, or Saturday delivery. Our new prices are very competitive within the shipping industry, and reinforce the value Postal Service products have for our

customers. The average price change for each shipping service is:

Service	Average Price Change
Express Mail	5.7%
Priority Mail	3.9%
Parcel Select	5.9%
Parcel Return Service	5.3%
International Shipping Services	8.5%

A customer will receive commercial base prices during the first postal quarter of mailing. Thereafter, the incentive for each postal quarter is determined by the actual annualized volume or postage paid for EMI mailed in the previous full postal quarter. We will continue to offer additional volume pricing through customized agreements.

- For parcels that originate and destinate in the same BMC service area (see DMM 153.1.1).
- For parcels that measure in combined length and girth:
 - More than 84 inches but not more than 108 inches, and the piece weighs less than 20 pounds, use the 20-pound price (balloon price).
 - More than 108 inches but not more than 130 inches, use the oversized price, regardless of weight.
- Regardless of weight, a parcel that meets any of the criteria in DMM 101.7.2 must pay the nonmachinable price.

For parcels over 35 pounds, use nonmachinable prices.

- For parcels that destinate to a different BMC service area (see DMM 153.1.1).
- For parcels that measure in combined length and girth:
 - More than 84 inches but not more than 108 inches, and the piece weighs less than 20 pounds, use the 20-pound price (balloon price).
 - More than 108 inches but not more than 130 inches, use the oversized price, regardless of weight.
- Regardless of weight, a parcel that meets any of the criteria in DMM 101.7.2 must pay the nonmachinable price.
- Prices include the \$3.70 nonmachinable surcharge. The nonmachinable surcharge does not apply to parcels mailed at oversized prices or parcels sent with special handling.

To compute Parcel Post prices, go to Postal Explorer at pe.usps.com and click on "Retail/Single Piece" under Price Calculators in the left frame. For zone charts, click on "Zone Charts."

For parcels over 35 pounds, use nonmachinable prices.

1. Parcels that measure in combined length and girth:

- More than 84 inches but not more than 108 inches, and the piece weighs less than 20 pounds, use 20-pound prices (balloon price).
- More than 108 inches but not more than 130 inches, use oversized prices (regardless of weight).

2. Regardless of weight, a parcel that meets any of the criteria in DMM 401.2.3.2 must pay the nonmachinable prices.

3. Machinable parcels must be barcoded. Nonbarcoded machinable parcels are eligible only for retail Parcel Post Intra-BMC/ASF prices.

4. Prices include the \$0.82 nonmachinable surcharge. The nonmachinable surcharge does not apply to parcels mailed at oversized prices or parcels sent with special handling.

5. Prices include the \$2.21 nonmachinable surcharge. The nonmachinable surcharge does not apply to parcels mailed at oversized prices or parcels sent with special handling.
