ASM Revision: Postal Service Commercial Advertising Policy

Effective January 1, 2009, the *Administrative Support Manual (ASM)* is revised to replace Subchapter 44, *Commercial Advertising Policy*, in its entirety to reflect organizational changes and current responsibilities and to maintain consistency with other programs and practices.

It is important to note that under both the existing and revised commercial advertising policy, field managers do *not* have local authority to enter into joint marketing, co-branded, or commercial advertising agreements.

Administrative Support Manual (ASM)

* * * * *

4 Relations With Other Organizations

* * * * *

[Revise 44 to read as follows:]

44 Commercial Advertising Policy

441 Purpose

The purpose of this policy is to allow the Postal Service, in the exercise of its business judgment, to maximize the value of its property through the display of commercial advertisements. This policy is not intended to create a public forum for the dissemination, discussion, or debate of issues or ideas.

442 Definition

A *commercial advertisement* is an advertisement purchased pursuant to contract that promotes nothing other than a product or service available in commerce. Specifically excluded from this definition are advertisements that take a position, explicitly or implicitly, on government, public policy, morality, politics, or religion (whether or not they also convey a commercial message).

443 Scope

443.1 What the Policy Covers

This policy applies to all Postal Service property, including all real property and all tangible and intangible personal property.

443.2 What the Policy Does Not Cover

This policy does not alter, or apply to, current practices and procedures involving the following:

- a. Lobby management as prescribed in all applicable Postal Service policies and regulations (including, without limitation, manuals, handbooks, and management instructions).
- b. Advertising of Postal Service products, services, or brands alone, or in combination with the products, services, or brands of another government or business entity.

444 Guidelines

444.1 General

Except as prohibited by this policy, the Postal Service may accept a commercial advertisement for display on Postal Service property.

444.2 Indecent or Obscene Advertisement

The Postal Service will *not* accept a commercial advertisement that:

- a. Is indecent or obscene.
- b. Depicts violent or sexual material that would be harmful to minors.
- c. Is unlawful or legally actionable.

The terms “obscene,” “indecent,” and “harmful to minors” have the broadest meaning permissible under United States Supreme Court decisions and other applicable judicial decisions.

444.3 Competing Products or Services

The Postal Service will *not* accept a commercial advertisement for a product or service that competes with a Postal Service product or service.

444.4 Alcohol, Tobacco, Weapons, or Gambling

The Postal Service will *not* accept a commercial advertisement for alcohol, tobacco, weapons, or gambling.

445 Administration

445.1 Vice Presidents of the Sponsoring Organization

The vice president of the organization within the Postal Service requesting to display commercial advertisements on Postal Service property (the “sponsoring organization”)

is responsible for ensuring that this policy is properly administered. Each vice president may delegate this responsibility to a representative within his or her organization who is familiar with this policy and its requirements.

445.2 Clearance Committee

Before implementing the display of any commercial advertisement, the sponsoring organization must submit a written proposal for the advertisement, accompanied by a *Commercial Advertisement Standard Clearance Form* (see Exhibit 445.2), to the clearance committee, comprised of the following individuals:

- a. Senior vice president, General Counsel, or designee.

- b. President, Shipping and Mailing Services, or designee.

- c. Vice president, Corporate Communications, or designee.

Within thirty (30) days of receipt, the clearance committee will review the proposal and complete and return the *Commercial Advertisement Standard Clearance Form* to the sponsoring organization. 423 Shortpaid Mail

[Revise 423.1 and 423.2 as follows:]

423.1 General Procedures at the Originating Mailing Office

When shortpaid items are returned to sender, endorse the item, “Returned For...Additional Postage.” Enter the amount of the deficiency.

423.2 Disposition

Once the class of mail has been determined, follow the appropriate procedures below for shortpaid outbound international mail.

423.21 Global Express Guaranteed (GXG) Shipments

Shortpaid Global Express Guaranteed (GXG) shipments must be endorsed “POSTAGE PAID” and forwarded without delay to the appropriate Global Express Guaranteed processing site. Except for items paid with Click-N-Ship postage, immediately notify the sender of the action taken and request payment of the deficient postage. Shortpaid Global Express Guaranteed shipments paid with Click-N-Ship will be collected automatically through this system.

Note: Global Express Guaranteed shipments must not be held for postage due payment unless the deficiency can be obtained from the sender without delaying the dispatch of the shipment.

423.22 Express Mail International Shipments

Shortpaid Express Mail International shipments must be endorsed “POSTAGE PAID” and forwarded without delay to the appropriate exchange office. Immediately notify the sender of the action taken and request payment of the deficient postage.

Note: Express Mail International shipments must not be held for postage due payment unless the deficiency can be obtained from the sender without delaying the dispatch of the shipment.

423.23 Priority Mail International Shipments

Shortpaid Priority Mail International shipments with or without a return address must be endorsed “POSTAGE PAID” and forwarded without delay to the appropriate exchange

office. For items with a return address, immediately notify the sender of the action taken and request payment of the deficient postage.

Note: Priority Mail International shipments must not be held for postage due payment unless the deficiency can be obtained from the sender without delaying the dispatch of the shipment.

423.24 First-Class Mail International and Postcard Shipments

Shortpaid First-Class Mail International and postcard shipments with a return address must be returned to sender for additional postage (see 423.1). Shortpaid First-Class Mail International and postcard shipments without a return address must be forwarded to the exchange office.

Endorse the item "Postage Due." Do not enter the amount of the deficiency.

Exception: For shortpaid First-Class Mail International and postcard shipments to Canada without a return address, endorse the item "Postage Due" and enter double the amount of the deficiency.

Handbook F-15 Revision: Mileage Rates

Effective January 1, 2009, Handbook F-15, *Travel and Relocation*, is revised to reflect reimbursement rates for travel and relocation.

Handbook F-15, *Travel and Relocation*

* * * * *

Appendix A — Rates

A-1 Standard Mileage Rates

A-1.1 Mileage Rates

[Revise A-1.1 to read as follows:]

Vehicle	Cents per mile (Including Alaska)
Privately owned automobile	\$.55
Privately owned motorcycle	\$.55
Privately owned airplane	\$1.26

A-1.2 Reimbursement for Postal Service Supervisors

[Revise A-1.2 to read as follows:]

Postal Service supervisors (see 5-5.2.1.2) who travel in a privately-owned vehicle will be reimbursed at the rate of \$6 per day or 55 cents per mile, whichever is greater. Do not use the eTravel system to claim the \$6 daily rate because the excess of the daily rate over the actual mileage is taxable as compensation to the claimant. To claim the \$6 daily

rate complete PS Form 1164-A, *Claim for Reimbursement for Postal Supervisors*, and submit it to the Scanning and Imaging Center.

You are not required to provide odometer readings on the claim form; the traveler is responsible for the accuracy of the claim. However, if the approving official has reason to question the claim, the claimant must provide evidence to support the claim of distance traveled.

Forms

New PS Form 181-E, Ethnicity and Race Identification

The Postal Service™ is required by federal law to collect information regarding the ethnicity and race of all applicants hired. This information is used for the purpose of producing aggregate statistical reports to show agency data in hiring, placement, and advancement of individuals as it relates to ethnicity and race. Effective for all persons hired after January 10, 2009, ethnicity and race data is to be collected by having the applicant complete PS Form 181-E, *Ethnicity and Race Identification*. This form must not be given to an applicant until after he or she has been selected and given a job offer. Current employees who wish to correct their ethnicity and race answers should be encouraged to complete PS Form 181-E and submit it to their local Human Resources office for processing.

Processing PS Form 181-E

Process PS Form 181-E as follows:

1. Give PS Form 181-E to an applicant to complete only after the applicant has been selected and given a job offer.
2. Review the completed PS Form 181-E to determine whether the applicant has indicated an answer to both Question 1 and Question 2. Providing the information is voluntary; however, if the applicant chooses not to self-identify, the Postal Service is required to determine ethnicity and race by visual observation and should complete the form on behalf of the applicant.

3. Enter the answers from PS Form 181-E on the accession worksheet and in the applicable system when processing the accession action. An ethnicity and race change for a current employee must be processed as a profile change in the system for processing personnel actions.
4. Destroy the completed PS Form 181-E. Do not file PS Form 181-E in the Official Personnel Folder or in the Preemployment Investigation File.

Viewing PS Form 181-E Online

Notice to Employee

Refund. Even if you do not have to file a tax return, you should file to get a refund if box 2 shows federal income tax withheld, or if you can take the earned income credit.

Earned income credit (EIC). You must file a tax return if any amount is shown in box 9.

You may be able to take the EIC for 2008 if (a) you do not have a qualifying child and you earned less than \$12,880 (\$15,880 if married filing jointly), (b) you have one qualifying child and you earned less than \$33,995 (\$36,995 if married filing jointly), or (c) you have more than one qualifying child and you earned less than \$38,845 (\$41,845 if married filing jointly). You and any qualifying children must have valid social security numbers (SSNs). You cannot take the EIC if your investment income is more than \$2,950. Any EIC that is more than your tax liability is refunded to you, but only if you file a tax return. If you have at least one qualifying child, you may get as much as \$1,750 of the EIC in advance by completing Form W-5, Earned Income Credit Advance Payment Certificate, and giving it to your employer.

Clergy and religious workers. If you are not subject to social security and Medicare taxes, see Pub 517, Social Security and Other Information for Members of the Clergy and Religious Workers.

Corrections. If your name, SSN, or address is incorrect, correct Copies B, C, and 2 and ask your employer to correct your employment record. Be sure to ask the employer to file Form W-2c, Corrected Wage and Tax Statement, with the Social Security Administration (SSA) to correct any name, SSN, or money error reported to the SSA on Form W-2. If your name and SSN are correct but are not the same as shown on your social security card, you should ask for a new card at any SSA office or call 1-800-772-1213.

Credit for excess taxes. If you had more than one employer in 2008 and more than \$6,324.00 in social security and/or Tier I railroad retirement (RRTA) taxes were withheld, you may be able to claim a credit for the excess against your Federal income tax. If you had more than one railroad employer and more than \$2,960.10 in Tier II RRTA tax was withheld, you also may be able to claim a credit. See your Form 1040 or 1040A instructions and Pub 506, Tax Withholding and Estimated Tax.

Instructions for Employee

Box 1. Enter this amount on the wages line of your tax return.

Box 2. Enter this amount on the federal income tax withheld line of your tax return.

Box 8. This amount is not included in boxes 1, 3, 5, or 7. For information on how to report tips on your tax return, see your Form 1040 instructions.

Box 9. Enter this amount on the advanced earned income credit payments line of your 1040 or 1040A.

Box 10. This amount is the total dependent care benefits that your employer paid to you or incurred on your behalf (including amounts from a section 125 (cafeteria) plan). Any amount over \$5,000 is also included in box 1. You must complete Schedule 2 (Form 1040A) or Form 2441, Child and Dependent Care Expenses, to compute any taxable and nontaxable amounts.

Box 11. This amount is (a) reported in box 1 if it is a distribution made to you from a nonqualified deferred compensation or nongovernment section 457(b) plan or (b) included in box 3 and/or 5 if it is a prior year deferral under a nonqualified or section 457(b) plan that became taxable for social security and Medicare taxes this year because there is no longer substantial risk of forfeiture of your right to the deferred amount.

Box 12. The following list explains the codes shown in box 12. You may need this information to complete your tax return. Elective deferrals (codes D, E, F, and S) and designated Roth contributions (codes AA and BB) under all plans are generally limited a total of \$15,500 (\$10,500 if you only have SIMPLE plans; \$18,500 for section 403(b) plans if you qualify for the 15-year rule explained in Pub. 571).

Deferrals under code G are limited to \$15,500. Deferrals under code H are limited to \$7,000. However, if you were at least age 50 in 2008 your employer may have allowed an additional deferral of up to \$5,000 (\$2,500 for section 401(k)(11) and 408(p) SIMPLE plans). This additional deferral amount is not subject to the overall limit on elective deferrals. For code G, the limit on elective deferrals may be higher for the last three years before you reach retirement age. Contact your plan administrator for more information. Amounts in excess of the overall elective deferral limit must be included in income. See the "Wages, Salaries, Tips etc." line instructions for Form 1040.

Note: If a year follows code D, E, F, G, H, or S, you made a make-up pension contribution for a prior year(s) when you were in the military service. To figure whether you made excess deferrals, consider these amounts for the year shown, not the current year. If no year is shown, the contributions are for the current year.

General Questions

Imputed Income Life Insurance

The Imputed Income Life Insurance amount shown in Box 35 of the 2008 W-2 form is the net result of the IRS computation for taxable insurance benefits less the amount an employee pays for optional insurance in the calendar year.

The IRS requires the Postal Service to report as income the cost of Group Term Life Insurance in excess of \$50,000, which is paid by the employer. The formula is based on an employee's age, salary and life insurance coverage.

Thrift Savings Plan (TSP)

The following facts will clarify some of the common tax questions regarding TSP:

- a. Box 12a or 12b (see Instructions for box 12) may contain employee TSP contributions including TSP catch up.
- b. TSP contributions are reported in Box 12a or 12b with a code "D". Letter code "D" is explained on the reverse side of Form W-2 "Notice to Employee".
- c. Box 1, Wages, tips, other compensation, has been reduced by the amount of the employee's TSP contributions shown in Box 12a or 12b.
- d. Box 16, State wages, tips, etc., has been reduced by the amount of employee TSP contributions in Box 12a or 12b for all states, except New Jersey, Pennsylvania, and Puerto Rico.
- e. New York City, NY, Kansas City, MO, Detroit, MI, St. Louis, MO, and Madison County, KY, are the only localities, which allow income deferral for TSP. Box 18, Local wages, tips, etc., will be reduced by the amount of employee TSP contributions only if New York City, NY, Kansas City, MO, Detroit, MI, St. Louis, MO, or Madison County, KY, is indicated in Box 20, Locality name.

Employee Business Expense (EBE)

Equipment Maintenance Allowance (EMA), Carrier Drive-Out, Vehicle Hire, Supervisor Vehicle Usage, and Special Delivery are all considered employee expenses. Box 32, Employee business expense, will contain the non-taxable (not the total) EBE

amount, while Box 33, Taxable Employee business expense, will contain the taxable EBE amount. The taxable amount shown in Box 33 will also be included in Box 1, Wages, tips, other compensation.

Flexible Spending Account (FSA)

The amount contributed to an employee's Flexible Spending Account for health care will be included in Box 40 FSA Health Care and the amount contributed to dependent care will be included in Box 10, FSA Dependent Care Benefits. Both have been deducted from Box 1, Wages, tips, other compensation.

Health Benefit Pre-Tax

The amount contributed for Health Benefit premiums are considered pre-tax unless the employee declined the pre-tax benefit. The Health Benefit pre-tax amount is shown in Box 37, and has been deducted from Box 1, Wages, tips, other compensation.

FEDVIP

The amount contributed for Federal Employees Dental and Vision Insurance Program (FEDVIP) are considered pre-tax unless the employee declined the pre-tax amount is shown in Box 42, and has been deducted from Box 1, Wages, tips, other compensation.

Commuter Program

The amount contributed for the Commuter Program Box 41 is considered pre-tax for 2008 up to the IRS \$115 monthly limit for public transportation and/or the IRS \$220 monthly limit for parking and has been deducted from Box 1, Wages, tips, other compensation. Effective January 1, 2009, the parking pre-tax spending limit will increase from \$220 to \$230 and the public transportation limit will increase from \$115 to \$120. This increase can affect the deductions for November 2008, which is for the January 2009 benefit month. Any commuting expenses that are elected over the IRS limits will be considered post-tax.

State/Terr. Gross Wages

The amount in Box 16, State wages, tips, etc. will equal Box 1 with the following exceptions:

Mississippi does not allow income deferral for pre-tax commuter program public transportation and parking.

New Jersey and Puerto Rico do not allow income deferral. Therefore, the employee TSP, FSA, FEDVIP, Commuter Program pre-tax contributions and HB pre-tax contributions are not deducted from their State Gross.

Pennsylvania is the only state that does not require the Imputed Income Life Insurance to be added into the State Gross. Also, Pennsylvania does not allow income deferral for TSP, FSA Dependant Care, and Commuter Program pre-tax contributions.

Annuity Protection Program (APP)

Form W-2s are issued to former employees who receive payments from the Postal Service under the Annuity Protection Program. Any questions regarding these Form W-2s should be directed to:

Relocation gross is reduced by the excludable reportable amount reported in Box 12a or 12b before it is added to Box 1 (Wages, tips, other compensation).

Excludable reportable wages are reported in Box 12a or 12b with a code "P". Letter code "P" is explained on the reverse side of Form W-2 "Notice to Employee".

Federal Income Tax Withholding

Effective as soon as possible in 2009, payroll checks will reflect an increase in the Biweekly personal exemption value for each federal tax allowance from \$134.62 to \$140.38. Based upon provisions in the Jobs and Growth Tax Relief Reconciliation Act of 2003, the six tax

percentages remain at 10, 15, 25, 28, 33, and 35 percent. All information in this article is based on a Biweekly payroll period (PP) and the withholding tables in Internal Revenue Service (IRS) Publication 15, (*Circular E*), *Employer's Tax Guide*.

* Wages are determined after subtracting withholding allowances, CPP, FEDVIP, FEHB, FSA, and TSP contributions from your gross earnings.

Commuter Program pre-tax (CPP), Federal Employees Dental and Vision Insurance Program (FEDVIP), Federal Employees Health Benefits (FEHB), Flexible Spending Accounts (FSA), and Thrift Savings Plan (TSP) contributions made by employees are treated as pre-tax monies for these computations. When calculating your taxes, remember to subtract your withholding allowances and all of these contribution amounts from your gross earnings.

Note: There are two technical exceptions to this pre-tax rule. TSP contributions are tax-deferred; however, they are deducted during these computations. Additionally, in rare instances, if an employee has signed a pre-tax waiver for FEHB benefits, they are considered to be taxable income and not used in these calculations.

To determine the amount of withholding, follow steps 1 through 9:

1. Determine normal Biweekly gross wages from earnings statement.
2. Determine normal Biweekly TSP contributions from earnings statement.
3. Determine normal Biweekly FSA contributions from earnings statement. If applicable, add the amounts from both the FSA Dependent Child (FSADC) Sub-Account and the FSA Health Care (FSAHC) Sub-Account.
4. Determine normal Biweekly FEHB pre-tax employee contribution from earnings statement (abbreviated as HP).
5. Determine normal CPP employee contribution from earnings statement.

Note: This program is administered on a monthly basis. The CPP contribution is deducted in every second PP.

6. Determine normal Federal Employees Dental and Vision Insurance Program (FEDVIP) employee contribution from earnings statement.
7. Multiply the number of exemptions claimed by the new Biweekly exemption value of \$140.38 (withholding allowance). The federal tax line on the earnings statement shows the number of exemptions claimed (e.g., S1 = single with one exemption, M3 = married with three exemptions).
8. Subtract the amounts in step 2 (TSP), step 3 (FSA), step 4 (FEHB), step 5 (CPP), step 6 (FEDVIP), and step 7 (exemptions) from step 1 (Biweekly gross wages). The balance is the amount of wages subject to withholding.
9. Determine which range this amount falls into on the Federal Income Tax Withholding Table, and follow the instructions listed in the table.

The following is an example of how to compute Federal Income Taxes for a Federal Employee Retirement System (FERS) employee who claims married with three exemptions, and makes pre-tax contributions to the TSP, FSA, FEHB, CPP, and FEDVIP.

Example:

A FERS employee receives \$3,826.35 as Biweekly gross wages. The employee makes the following contributions: 11 percent of gross (\$420.90) per PP to the TSP; \$65 per PP to the FSADC Sub-Account; \$95 per PP to the FSAHC Sub-Account; \$131.48 per PP for FEHB (\$131.48 is the

actual cost for a Postal Service employee paying for High Option Self and Family (Category One) with the GEHA Benefit Plan); \$105 for this PP to the CPP; and \$43 for the GEHA PPO High Option Dental Biweekly Premium (Rating Region 2). Please note that this Plan Amount did not change for 2009. The employee claims married with three exemptions (M3 on the federal tax line of the earnings statement). Using the information provided in the Federal Income Tax Withholding Table in this article, federal taxes are computed as follows:

1. Total Biweekly gross wages	\$3,826.35
2. TSP contributions	420.90
3. FSADC contribution	65.00
FSAHC contribution	95.00
Total FSA contribution	160.00
4. FEHB contribution	131.48
5. CPP contribution	105.00
6. FEDVIP contribution	43.00
7. Exemptions (3 x \$140.38)	421.14

Computation continues as follows:

Biweekly gross wages	\$3,826.35
Minus TSP contributions	-420.90
Minus FSA contributions	-160.00

Minus FEHB contributions	-131.48
Minus CPP contributions	-105.00
Minus FEDVIP contributions	-43.00
Minus exemptions	-421.14
Amount of wages subject to withholding	\$2,544.83

To complete the computation, refer to the Married/ Biweekly segment of the Federal Income Tax Withholding Table. The amount of wages subject to withholding, \$2,544.83 falls within the “over \$921 but not over \$2,910” range. Using the information provided within that range, the final computation is as follows:

Amount subject to withholding	\$2,544.83
Subtract \$921 from \$2,544.83	1,623.83
Multiply \$1,623.83 by .15 (15%)	243.57
Add from the table	61.30
Add \$243.57 and \$61.30	304.87
Total federal income tax* that should be withheld from this employee's Biweekly check	\$304.87

* Rounding may vary this total by a few cents.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <http://www.usps.com/missingmoneyorders/security.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Federal Employees Health Benefits

Open Season

November 10, 2008, to December 9, 2008

New — Extended *PostalEASE* Self-Service Deadline for BELATED ENROLLMENT is Jan. 13, 2009, 5:00 P.M. Central Time (CT)

Belated Enrollment Deadline for employees not using *PostalEASE* is Jan. 31, 2009, 5:00 P.M. CT

Background

Each year, the U.S. Office of Personnel Management (OPM) works with Federal Employees Health Benefits (FEHB) carriers to strike a balance of protection against catastrophic events without shifting a high-premium burden to enrollees. OPM is taking steps to provide additional protections for employees participating in the FEHB program who have non-emergency surgeries performed by out-of-network physicians. They have asked FEHB carriers to re-evaluate their benefits for non-emergency surgeries, and they will communicate any benefit changes to you.

OPM is taking action in response to concerns over a change in coverage in the Blue Cross Blue Shield out-of-network reimbursement that would have established a \$7,500 co-pay for out-of-network surgeries. OPM negotiated this change to address situations where enrollees could be billed tens of thousands of dollars for non-emergency surgeries performed by out-of-network providers, a practice known as balance billing.

What This Means to You

You may make belated Open Season enrollment changes to your FEHB if benefit changes affect your enrollment decision in this program. You will have an extended enrollment opportunity through Jan. 31, 2009, 5:00 P.M. CT to make any enrollment changes.

New Deadline — *PostalEASE* Employee Self-Service Belated Enrollment for FEHB

- **After Jan. 13 at 5:00 P.M. and until Jan. 31, 2009 at 5:00 P.M. CT,** employees who wish to make a belated FEHB election must complete a *PostalEASE* FEHB worksheet including the block at the bottom with name, employee ID, signature, and date.
 - The *PostalEASE* FEHB worksheet is included in the *2009 Guide to Benefits* that was mailed to employees at their addresses of record in Nov. You may also find a copy on the Internet at <https://liteblue.usps.gov> and on the Intranet at <http://blue.usps.gov>; click *Open Season Benefits Elections — PostalEASE Self-Service Extended Deadlines!* and then *FEHB* for the worksheet.

Process for Employees Who Elect an FSA Contribution Higher Than the Maximum Permitted Amount

For this belated enrollment period only, if an election is submitted with an FSA contribution that is higher than the permitted maximum, the HR Shared Service Center will process the election for the highest possible amount.

FSA Rule for Employees Who Elect an Increased Health Care FSA Contribution Amount

An FSA rule will apply to employees who make a Health Care FSA election and subsequently elect an increased Health Care FSA contribution amount. Employees can only be reimbursed up to the original Health Care FSA contribution level for the expenses of eligible services or items received before the effective date of the increase. After that, the full increased amount is available.

FSA Rule for Employees Who Elect a Decreased FSA Contribution Amount

An FSA rule will apply to employees who make an FSA election and subsequently elect a decreased FSA contribution amount. The FSA contribution may be decreased no lower than either the amount already contributed in 2009 (plus any contributions missed because of low pay or leave without pay) or the amount claimed, whichever is higher. The decreased contribution amount may be adjusted upward if needed to reflect claims that were in processing when the decreased amount was elected.

Process for Employees Who Elect a Decreased FSA Contribution Lower Than the Minimum Permitted Amount

For this belated enrollment period only, if an election is submitted with an FSA contribution that is lower than the permitted minimum, the HR Shared Service Center will process the election for the lowest possible amount.

Reminder – the Dependent Care FSA is *not* for the Health Care Expenses of Your Dependents

To cover those, enroll in the Health Care FSA. The Dependent Care FSA is used to cover eligible expenses for your qualified dependents as explained in the FSA brochure and permitted by the IRS, such as payments to day care centers, nursery schools, summer day camps, and elder care centers. **If you enroll for the Dependent Care FSA and do not have eligible Dependent Care expenses, under IRS “use it or lose it” rules for FSAs, you will lose your Dependent Care FSA contributions.**

Federal Employees Dental and Vision Insurance Program

Dental and Vision Insurance Open Season

www.BENEFEDS.com

BELATED ELECTIONS ARE BEING ACCEPTED FOR FEDVIP THROUGH JAN. 30, 2009, 7:00 P.M. Eastern Time (ET)

The U.S. Office of Personnel Management (OPM) has authorized a belated enrollment opportunity through Jan. 30, 2009, 7:00 P.M. ET. This means that you can:

- **Enroll** in a Federal Employees Dental and Vision Insurance Program (FEDVIP) dental plan and/or a FEDVIP vision plan if you are *not* already enrolled for 2009.
- **Change** your FEDVIP dental plan enrollment and/or your FEDVIP vision plan enrollment for 2009.
 - **WARNING:** If you have already received benefits for 2009 under your current 2009 FEDVIP enrollment and you change to a different FEDVIP plan, you and/or your provider may be responsible for reimbursing the former plan for any benefits paid. If you have elected a new plan, that plan may consider your claims for the retroactive period of coverage, depending on the plan provisions, although this may require that you and/or your provider resubmit the claim to the new plan.
- **Cancel** your FEDVIP dental plan enrollment and/or your FEDVIP vision plan enrollment for 2009.
 - **WARNING:** If you have already received benefits for 2009 under your current 2009 FEDVIP enrollment and you cancel your FEDVIP participation, you and/or your provider may be responsible for reimbursing the former plan for any benefits paid.

You may find program information for FEDVIP on the Internet at <https://liteblue.usps.gov> and on the Intranet at <http://blue.usps.gov>; click *Open Season Benefits Elections — PostalEASE Self-Service Extended Deadlines!* and then *Dental and Vision Insurance*. You may also go directly to www.BENEFEDS.com, or if needed you may call BENEFEDS at 877-888-FEDS (877-888-3337), TTY 877-889-5680. Employees may continue to access www.BENEFEDS.com through Jan. 30, 2009, 7:00 P.M. ET, to obtain plan information and may communicate belated enrollment requests via the secure e-mail offered on the website. Employees without access to the Internet, and employees who wish to make a belated enrollment after Dec. 31, 2008, may call 877-888-FEDS (877-888-3337). Employees who are deaf or hard of hearing may place a TTY call to 877-889-5680. The deadline for calls to make belated enrollments is also Jan. 30, 2009, at 7:00 P.M. ET.

Effective Dates

Enrollments, changes, and cancellations will be effective on Jan. 1, 2009. These actions do not affect your enrollment(s) for the 2008 plan year.

Depending on the timing of your enrollment/change/cancellation, it may take one or more pay periods for your FEDVIP deductions to be adjusted to match your new election, and for your new FEDVIP plan to process your enrollment so that you can receive services/payment of claims.

Note: Depending on the timing of your enrollment/change, you may owe retroactive premiums back to Jan. 1, 2009. For employees who are making their first election of a dental or vision plan through the belated enrollment opportunity (and not for employees who are changing their plan election), OPM has advised that retroactive premiums cannot be paid on a pre-tax basis. If you owe retroactive premiums and you receive a direct bill in the mail from BENEFEDS, you must pay the direct bill. If you do not, your FEDVIP coverage will be cancelled.

If you do not make a FEDVIP election, any coverage you currently have will continue for 2009.

If this notice does not affect you, there is no need to take action.

Change in 2009 Blue Cross Blue Shield Standard Option Benefit for Surgery

Following is a letter that Blue Cross Blue Shield (BC/BS) sent to all enrollees. Employees considering enrolling in BC/BS should read this information.

Blue Cross Blue Shield Service Benefit Plan Letter

Important! Change in 2009 Standard Option Benefit for Surgery

Dear Service Benefit Plan Member,

The purpose of this letter is to advise you about changes that have been made to the 2009 Standard Option benefit for surgery (including maternity care) provided by Non-participating providers. As you may know, there has been some concern about the original change in this benefit for 2009 under which you would pay up to a maximum of \$7,500 for surgery performed by a Non-participating physician that is not related to an accidental injury or medical emergency. Previously, for 2008, you paid 25% of the Plan allowance (subject to your calendar year deductible), plus any difference between our allowance and the amount billed by the Non-participating physician.

In some cases, the difference between our allowance and the amount billed by these physicians resulted in members experiencing many thousands of dollars of unexpected out-of-pocket expenses. Changing the benefit structure to impose a \$7,500 limit was an effort to control the unexpected expenses. However, this benefit structure did not provide for the payment of benefits for surgeries costing less than the \$7,500 limit, and was not consistent with the way we provide coverage for other types of care you may receive from out-of-network providers.

We are pleased to announce a new benefit structure for 2009 that will restore the cost-sharing you expect from us, and a service that will preserve your right to use Non-participating providers while providing you with information to help you avoid unexpectedly large bills from Non-participating providers.

What is the new benefit?

Members will pay 30% of our allowance for the surgery (subject to their calendar year deductible) plus the difference between our allowance and the amount the surgeon bills. To help you avoid unexpectedly large bills from Non-participating providers, we are adding a special service for situations where the surgeon's bill will be **\$5,000 or more**. You should use this service to obtain our allowance for your surgery ahead of time. Beginning in 2009, you can call the number on the back of your ID card to obtain the information necessary to allow you to estimate your out-of-pocket costs for the surgery and make an informed choice about the provider you select for your surgical care. We strongly encourage you to take advantage of this new service.

How will I know if the billed charge will be \$5,000 or more?

Ask your Non-participating surgeon what the bill will be. We suggest you do this before making a final decision about the services.

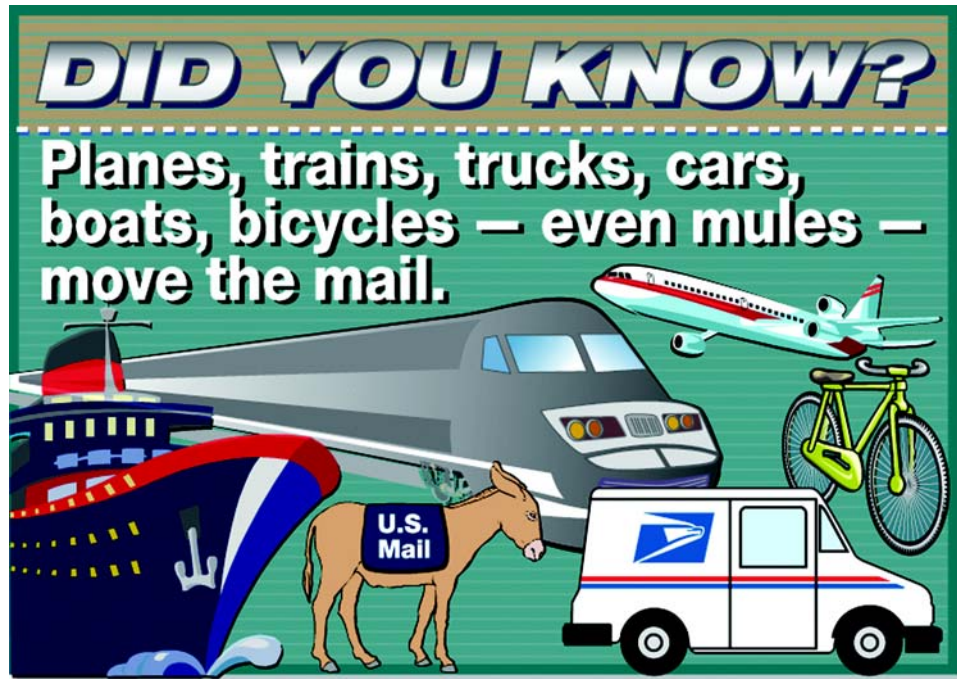

Medicare Part B is my primary payer. How do these changes affect me?

If you have Medicare Part B as your primary payer, your benefits under the Service Benefit Plan will continue to be provided in the same manner as 2008. When Medicare Part B is your primary payer, Federal regulation limits the amounts physicians can bill you, and we waive some of your costs under the Service Benefit Plan. As a result, your cost-sharing responsibility is limited. Refer to your 2009 Service Benefit Plan Brochure for more information.

How do I get more information on this change?

For more details on the revised benefit, please refer to the attached list of changes to the *printed version* of 2009 Blue Cross and Blue Shield Service Benefit Plan Brochure (RI 71-005). You can also review our *online brochure* (available at www.fepblue.org, and through the OPM website at www.opm.gov/insure), which has been revised to reflect the changes. If you would like printed copies of the revised brochure pages and are unable to print them directly, you may request copies by calling the customer service number on the back of your ID card.

Please post on all bulletin boards through Jan. 31, 2009.

Belated Enrollment Opportunity

To ensure that you have adequate time to evaluate your enrollment options this Open Season, OPM is allowing Federal agencies to accept belated Open Season enrollment changes through January 2009. Your employment (or retirement) office will be able to assist you with any questions you may have about making a belated enrollment change.

Does the new benefit apply to surgery by a Non-participating physician that is related to an accidental injury or medical emergency?

No. Benefits for surgery related to an accidental injury or medical emergency are not affected by these changes. Refer to your 2009 Service Benefit Plan Brochure for more information.

What are the Standard Option benefits for care provided by Preferred and Participating physicians?

Your benefits for surgery and maternity care performed by Preferred or Participating providers are not affected by the changes to the Non-participating provider benefit. Providers who participate in our network have agreements to **accept our allowances as payment in full** for their covered services. With the exception of a change in coinsurance from 10% to 15% for Preferred provider care and from 25% to 30% for Participating provider care, your benefit coverage for these types of services remains unchanged from 2008. Refer to your 2009 Blue Cross and Blue Shield Service Benefit Plan Brochure for more information.

We are committed to ensuring our members have the freedom and flexibility to choose the providers they want to see. Standard Option members can receive care from any covered licensed provider — in or outside our provider network — and still receive benefits. An estimated 95% of eligible providers participate in our extensive nationwide Blue Cross and Blue Shield Provider Network. While Standard Option members can always choose the services of Non-participating providers, you can limit your costs for quality care by using in-network providers.

If you need assistance locating a Preferred or Participating provider, please call your local Blue Cross and Blue Shield Plan or visit our website, www.fepblue.org.

Wishing You Good Health,

Extended PostalEASE Self-Service Deadlines for Federal Employees Health Benefits and Flexible Spending Accounts Belated Open Season Enrollment Opportunities, and Belated Enrollment for Federal Employees Dental and Vision Insurance Program

If this notice does not affect you, there is no need to take action.

Background

As announced in *Postal Bulletin* 22248 (12-18-08, pages 63–65), based in part on guidance from the U.S. Office of Personnel Management (OPM), if you are an eligible Postal Service™ employee, you have an extended enrollment opportunity through January 2009 to make belated Open Season enrollment changes for Federal Employees Health Benefits (FEHB), Flexible Spending Accounts (FSAs) and the Federal Employees Dental and Vision Insurance Program (FEDVIP) if FEHB changes affect your enrollment decisions in these programs. If you do not make an FEHB election or a FEDVIP election, any coverage you currently have will continue for 2009. If you do not make an FSA election, you will not be enrolled in FSA for 2009.

The Postal Service has extended employee self-service enrollment via *PostalEASE* for FEHB and FSA as described below. Additional information that is not new and was presented in *Postal Bulletin* 22248 is being repeated here for ease of reference.

PostalEASE Employee Self-Service Belated Enrollment for FEHB

- **PostalEASE self-service FEHB elections are available through January 13, 2009, at 5:00 P.M. Central Time (CT) on LiteBlue and Blue, and at employee kiosks.** Select FEHB and then the Open Season button.
- **After January 13 at 5:00 P.M. and until January 31, 2009, at 5:00 P.M. CT,** employees who wish to make a belated FEHB election must complete a *PostalEASE* FEHB worksheet, including the block at the bottom with name, employee ID, signature, and date.

- At an employee self-service kiosk.

PostalEASE Employee Self-Service belated elections will not be available by phone.

FEDVIP Belated Enrollment

Employees may access FEDVIP plan information on the Internet at www.BENEFEDS.com and may communicate belated enrollment requests via the secure e-mail offered on the website through January 30, 2009, at 7:00 P.M. Eastern Time (ET). Employees without access to the internet, and employees who wish to make a belated enrollment, may call 877-888-FEDS (877-888-3337). Employees who are deaf or hard of hearing may place a TTY call to 877-889-5680. The deadline for calls to make belated enrollment is also Jan. 30, 2009, at 7:00 P.M. ET.

Belated Enrollment Effective Dates

If you make a belated Open Season change to your enrollment in FEHB, FSA, or FEDVIP, **the effective dates of the belated enrollment will vary among the programs.** Depending on the timing of your change, it may take one or more pay periods for your deductions and/or allotments to be adjusted to match your new election.

FEHB and FEDVIP Belated Enrollment Effective Dates

Belated FEHB enrollments will take effect on January 3, 2009, for enrollments made by the belated enrollment deadline. Belated FEDVIP enrollments will take effect January 1, 2009, for enrollments made by the belated enrollment deadline.

Note: Depending on the timing of your enrollment/change, it may take one or more pay periods for your new FEHB and/or FEDVIP plans to process your enrollment so that you can receive services/payment of claims. Also, depending on the timing of your enrollment/change, you may owe

retroactive premiums for FEHB or FEDVIP. Retroactive premiums for FEHB will be deducted from your pay, and for most employees the premiums will be paid on a pre-tax basis. **Note:** For employees who are making their first election of a FEDVIP dental or vision plan through the belated enrollment opportunity (and not for employees who are making a change to their plan election) OPM has advised that retroactive premiums cannot be paid on a pre-tax basis. If you owe retroactive premiums and you receive a direct bill in the mail from BENEFEDS, you must pay the direct bill. If you do not, your FEDVIP coverage will be cancelled.

If you make a belated FEHB or FEDVIP Open Season change and you have claims for services incurred in 2009 under your former plan, you and/or your provider may be responsible for reimbursing the former plan for any benefits paid. If you have elected a new plan, that plan may consider your claims for the retroactive period of coverage, depending on the plan provisions, although this may require that you and/or your provider resubmit the claims to the new plan.

Belated FSA Enrollment Effective Dates

FSA open season enrollments will take effect on January 1, 2009, if they are made in *PostalEASE* or received by the HRSSC by December 28, 2008, at 5:00 P.M. CT. Elections made after this deadline until the deadline for belated FSA enrollments will not be effective January 1, 2009.

As a reminder, you cannot seek reimbursement from the 2009 FSA for the expenses of service or items received before the effective date of your participation. Furthermore, the maximum and minimum amounts you may elect through a belated FSA enrollment will be prorated. The key information is summarized in the following table:

Date and Time Open Season Enrollment Is Processed in <i>PostalEASE</i> or Belated Enrollment Is Received by HR Shared Service Center	Effective Date of FSA Participation and First Date to Receive Services or Items That Can Be Reimbursed From the 2009 FSA	Maximum FSA Contribution Amount
FSA Open Season Enrollment by Dec. 28, 2008, 5:00 P.M. CT	Jan. 1, 2009	\$5,000
Belated Enrollment from Dec. 28, 2008, 5:01 P.M., through Jan. 2, 11:59 P.M. CT	Jan. 3, 2009	\$4,807
Belated Enrollment from Jan. 3, 2009, 12:01 A.M., through Jan. 16, 2009, 11:59 P.M. CT	Jan. 17, 2009	\$4,615
Belated Enrollment from Jan. 17, 2009, 12:01 A.M., through Jan. 30, 11:59 A.M. CT	Jan. 31, 2009	\$4,423
Belated Enrollment from Jan. 31, 2009, 12:01 A.M., through Jan. 31, 5:00 P.M. CT	Feb. 14, 2009	\$4,230

Process for Belated Enrollments Submitted to the HR Shared Service Center With Amounts That are Higher Than the Maximum Permitted FSA Contribution Amount

For this belated enrollment period only, if an employee submits an election to the HR Shared Service Center with an FSA contribution that is higher than the maximum permitted contribution amount for the effective pay period as shown in the table above, the HR Shared Service Center will automatically process the election for the highest possible permitted contribution amount.

FSA Rule for Employees Who Elect an Increased Health Care FSA Contribution Amount

There is an FSA rule that will apply to employees who make a Health Care FSA election and then subsequently elect an increased Health Care FSA contribution amount during the belated enrollment opportunity. (For example, an employee might change his or her FEHB enrollment during January 2009 and therefore wish to increase the Health Care FSA contribution amount he or she originally elected).

An employee who increases his or her FSA Health Care contribution amount can only be reimbursed up to the original contribution level for the expenses of eligible services or items received before the effective date of the increase. After that, the full increased amount is available. For example, an employee who elected \$500 during FSA Open Season and then made a belated election of \$2,000 effective January 31, 2009, would be able to claim Health Care FSA amounts of up to \$500 for services or items received from January 1 through the remainder of the 2009 Health Care FSA participation period. The increased amount of \$2,000 would first be available for services or items received from January 31, 2009, through the remainder of the 2009 Health Care FSA participation period. In this example, if the employee had a \$700 health care expense on January 10, 2009, only \$500 could be reimbursed. Then, beginning January 31, 2009, the employee could receive services or items that could be reimbursed from the Health Care FSA for the additional \$1,500.

FSA Rule for Employees Who Elect a Decreased FSA Contribution Amount

There is an FSA rule that will apply to employees who make an FSA election and then subsequently elect a decreased FSA contribution amount during the belated enrollment opportunity. (For example, an employee might change his or her FEHB enrollment during January 2009 and therefore wish to decrease the Health Care FSA contribution amount he or she originally elected).

An employee may decrease his or her FSA contribution amount no lower than either the amount he or she has already contributed in 2009 (plus any contributions missed because of low pay or leave without pay), or the amount he

or she has claimed, whichever is higher. The decreased contribution amount may be adjusted upward if needed to reflect claims that were in processing when the decreased amount was elected. For example, an employee who elected \$5,000 during FSA Open Season and then makes a belated election effective January 31, 2009, would be able to decrease his or her contribution amount to approximately \$577 (the amount already contributed over three pay periods) or the amount already claimed, whichever is higher. If the employee had already claimed \$1,000 in eligible expenses, then the employee could decrease the contribution amount to no less than \$1,000.

Process for Employees Who Elect a Decreased FSA Election Amount Through Belated Enrollment That Is Lower Than the Minimum Permitted Contribution

For this belated enrollment period only, if an employee elects a decreased FSA election amount through belated enrollment and submits it to the HR Shared Service Center with an FSA contribution that is lower than the minimum permitted contribution amount as described in the preceding paragraph, the HR Shared Service Center will automatically process the election for the lowest possible permitted contribution amount.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. If available, the sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of those postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: PICTORIAL POSTMARKS, followed by the NAME OF THE STATION, ADDRESS, CITY, STATE, ZIP+4® CODE, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The following pictorial postmark has been extended for 60 days:
