IMM Revision: Global Express Guaranteed Participating 3-Digit ZIP Codes — Update

Effective September 8, 2009, the Postal Service™ is revising *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) section 213.1 to add the new “851” 3-digit ZIP™ Code service area to the list of Post Office™ facilities that accept Global Express Guaranteed® (GXG®) items.

The article titled “DMM Revision: Arizona District ZIP Codes Realigned to Include ‘851’ 3-Digit Service Area” in *Postal Bulletin 22262* (7-2-09, page 4) announced a ZIP Code realignment in the Arizona District. The realignment impacted various existing 852 prefixes that converted to

851 prefixes — many of the Postal Service facilities within this new service area included participating GXG acceptance sites. Consequently, IMM Exhibit 213.1 is revised to include the new 851 3-digit ZIP Code service area.

We will incorporate this revision into the next printed version of the IMM and into the monthly update of the online IMM, which is available via Postal Explorer® at <http://pe.usps.com>.

IMM Revision: Company Permit Imprint Postage Payment Option for International Mail

Effective September 8, 2009, the Postal Service™ is revising *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) section 152.4 to clarify that a company permit imprint may be used as an authorized postage payment method.

For clarification and to provide greater customer convenience, we are revising IMM 152.41 and 152.44 to include a company permit imprint option as a postage payment

method. In addition, we have added two new graphics to Exhibit 152.44 to illustrate this style of permit.

We will incorporate these revisions into the next printed version of the IMM and into the monthly update of the online IMM, which is available via Postal Explorer® at <http://pe.usps.com>.

Effective September 8, 2009, the Postal Service™ is revising *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) to reflect Postal Service operational changes for International Priority Airmail™ (IPA®) service and International Surface Air Lift® (ISAL®) service.

We are updating the origin 3-digit ZIP™ Codes in Exhibit 292.462 (IPA service) and Exhibit 293.462 (ISAL service) to include seven 3-digit ZIP Codes that were inadvertently omitted from the exhibits, and also to include the new “851” ZIP Code that we announced in the article titled “DMM Revision: Arizona District ZIP Codes Realigned to Include ‘851’ 3-Digit Service Area” in *Postal Bulletin 22262* (7-2-09, page 4). We are also deleting 12 invalid 3-digit ZIP Codes. These changes are as follows:

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <http://www.usps.com/missingmoneyorders/security.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP™ Codes through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and

which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO/DPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and requests must be postmarked no later than 30 days following the requested pictorial postmark date.

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: PICTORIAL POSTMARKS, followed by the NAME OF THE STATION, ADDRESS, CITY, STATE, ZIP+4® CODE, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The following pictorial postmark has been extended for 30 days:

How to Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city. The first day of issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

Supply Management

eBuy Purchases of Bottled Drinking Water Services From Nestle and DS Waters for Fiscal Year 2010

All sites purchasing yearly bottled water service from Nestle, marketed as Arrowhead, Calistoga, Deer Park, Ice Mountain, Ozarka, Poland Spring, or Zephyrhills, or from DS Waters, marketed as Alhambra, Belmont, Crystal Springs, Hinckley Springs, Kentwood Springs, Sierra Springs, or Sparletts via eBuy on-catalog purchase are requested to process their requisitions for fiscal year (FY) 2010 before October 1, 2009. All requisitions need to be processed and approved prior to October 15, 2009, to avoid a lapse in service. Processing of requisitions is required during this period because the supplier needs to have your FY 2010 on-catalog requisition in the eBuy system in order to invoice your FEDSTRIP.

Note: There are some sites that cannot receive service directly from Nestle or DS Waters. These sites are authorized to purchase off-catalog as long as Nestle or DS Waters have stated they will not service their locations.

If your site sent a successfully processed eBuy requisition to the supplier last year, you can use this requisition to re-order. By re-ordering, you are copying last year's requisition, which will be assigned a new "R" number. Ensure quantities and units of measure are correct on the new requisition prior to sending for approvals.

See the following Material Logistics Bulletins (MLBs) for more bottled drinking water information, including step-by-step ordering instructions:

- MLB-CO-07-009 — Nestle: http://blue.usps.gov/purchase/_pdf/ops_mlb07-009.pdf.
- MLB-CO-07-010 — DS Waters: http://blue.usps.gov/purchase/_pdf/ops_mlb07-010.pdf.
