**DMM Revision: APO, FPO, and DPO Mailpieces Bearing a Customs Declaration — Clarification and Update**

Effective May 3, 2010, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®) 703.2.3* to clarify the correct customs declaration form (PS Form 2976 or PS Form 2976-A) for items addressed to APO, FPO, and DPO locations.

These revisions are closely aligned to the recent change in *Postal Bulletin 22281 (3-25-10, page 46)* for “Overseas Military/Diplomatic Mail” that revised Restrictions “B”, “B1” and “B2”. In addition, these revised standards provide clarity as to when (and what type) of customs declaration is required when sending items to APO, FPO, and DPO destinations, regardless of mailpiece shape, contents, value, weight, or mail class.

Finally, we clarify that when a customs declaration is required, the surface area of the address side of the item to be mailed must be large enough to contain completely the applicable customs form, postage, and any applicable markings, endorsements, and extra service labels.

[Revise title and text of 703.2.3.6 as follows:]

**2.3.6 Customs Declarations**

Customs declaration PS Form 2976 or PS Form 2976-A must be applied to mailpieces sent to APO, FPO, and DPO addresses as required in the “Overseas Military/Diplomatic Mail” section of the *Postal Bulletin*. When a customs declaration is required, the surface area of the address side of the item to be mailed must be large enough to contain completely the applicable customs declaration, postage, and any applicable markings, endorsements, and extra service labels.

[Redesignate current 2.3.7 through 2.3.9 as 2.3.8 through 2.3.10, and insert new 2.3.7 as follows:]

**2.3.7 Customs Declarations—Required Usage**

Except as provided in 2.3.8, the following mailpieces addressed to an APO, FPO, or DPO ZIP Code must bear a customs declaration PS Form 2976-A, *Customs Declaration and Dispatch Note — CP 72*, or PS Form 2976, *Customs Declaration CN 22 — Sender’s Declaration*, as follows:

- a. A properly completed PS Form 2976-A is required for any mailpiece weighing 16 ounces or more regardless of contents, value, shape, or mail class. When the surface area of the address side of the mailpiece is not large enough to contain PS Form 2976-A, the smaller PS Form 2976 may be substituted (e.g., the Priority Mail *Small Flat Rate Box*).
- b. A properly completed PS Form 2976 is required for any mailpiece containing potentially dutiable contents weighing less than 16 ounces.

We will incorporate this revision into the next printed version of the DMM and into the monthly update of the online DMM available via Postal Explorer® at <http://pe.usps.com>.

## DMM Correction: Deposit of APO, FPO, DPO, and U.S. Territory Mailpieces Bearing a Customs Declaration

On March 25, 2010, the article “Deposit of APO, FPO, DPO and U.S. Territory Mailpieces Bearing a Customs Declaration — Update” in *Postal Bulletin 22281*, pages 54–56, in part, revised *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®) 608.2.4* that now provides a table format for the U.S. territories, possessions, and Freely Associated States that require a customs declaration when mailing Priority Mail® items weighing 16 ounces or more. ## IMM Revision: Restrictions for Belarus

Effective May 3, 2010, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) to reflect current restrictions for Belarus.

This revision is consistent with a final rule issued by the U.S. Department of the Treasury's Office of Foreign Assets Control (OFAC) and published in the *Federal Register* on February 3, 2010 (Volume 75, Number 22, 5502–5511), which promulgates certain sanctions against certain nationals of Belarus. To the extent that these changes apply to Postal Service customers or addressees, the revised IMM standards implement the portions of the Treasury's directive that are effectuated through the OFAC regulations.

Mailers may not send items to a blocked person, which includes an individual or entity that is listed on the Office of Foreign Assets Control (OFAC) Specially Designated Nationals list. Also, mailers may not send items to any entity owned fifty percent (50%) or more by any blocked person. This restriction does not apply if the mailer obtains or qualifies for a license from OFAC, or if the item is covered by an applicable exemption. Many OFAC sanctions programs have exemptions that cover the mailing of personal communications containing nothing of value, certain humanitarian donations, and informational materials such as books,

newspapers, and CDs. For additional information, including an explanation of each sanctions program, licenses, and exemptions, see the relevant set of OFAC's regulations for Belarus at [www.treas.gov/offices/enforcement/ofac/sdn](http://www.treas.gov/offices/enforcement/ofac/sdn), or contact OFAC at 202-622-2000.

### Migratory Bird Stamp Destruction

Before April 30, 2010, *all* retail associates must return unsold migratory bird stamps to the unit reserve. Prior to May 31, 2010, *all* unit reserve stock custodians must ship unsold migratory bird stamps to the stamp distribution offices (SDOs) or stamp distribution centers (SDCs) for receipt. All postal retail units are required to return unsold migratory bird stamps annually. Only philatelic units may maintain inventories of prior-year bird stamps for sale to collectors. SDOs and SDCs must establish and communicate a schedule for postal retail units to submit all unsold migratory bird stamps for destruction based on the dates previously mentioned and on the following requirements:

- Use PS Form 17, *Stamp Requisition/Stamp Return*, to return all unsold migratory bird stamps. Prepare an original and three copies and annotate “Returned for Destruction” and “Bird Stamps” on PS Form 17.
- List the bird stamps on the PS Form 17 by item number, quantity, redemption rate, and total dollar value.
- Enter the total value of the returned bird stamps in AIC 848 on the unit's PS Form 1412 on the date of dispatch to SDO/SDC.

- Enter the system-generated shipment number on PS Form 17.
- Ship unsold bird stamps along with the original and two copies of PS Form 17 to the SDO/SDC. Place the original PS Form 17 in a sealed envelope and tape it to the outside of the carton clearly marked as “Bird Stamps”. Place two copies inside the carton and file the third copy locally.
- Do not commingle international reply coupons (IRCs), redeemed stock, or saleable stock with migratory bird stamps returned for destruction.

**Note:** Postal retail units in districts where SDOs are consolidating into an SDC will ship migratory bird stamps to their new SDC according to special instructions provided for consolidated SDOs.

See Handbook F-101, *Field Accounting Procedures*, part 11-6.7 at <http://blue.usps.gov/cpim/ftp/hand/f101.pdf> for additional information about migratory bird hunting and conservation stamps.

### Business Connect Quarterly Contest — Quarter 3, Fiscal Year 2010

The Business Connect™ Quarterly Contest for Quarter 3, Fiscal Year (FY) 2010, runs from April 1, 2010, to June 30, 2010, and is focused on Priority Mail® Flat Rate Boxes and Envelopes. The objective is to conduct a minimum of five Business Connect activities — all of which must promote using Priority Mail service, focusing on flat-rate boxes and envelopes.

#### Competition Rules

Qualified participants include postmasters, station managers, managers of customer service, branch managers, and supervisors. Sales team members and Customer Relations coordinators are not eligible to enter, but they will be critical in the support and success of participants. Activities throughout the competition will automatically count towards monthly program targets, but to qualify for the contest, activities listed as requirements for that quarter must be completed and documented in the Business Connect Data Center at <http://blue.usps.gov/marketing/businessconnect/welcome.htm>; in the right side box, click *Go to Business Connect Data Center/Reports*. (An activity can be an individual meeting, group presentation, or lobby event.)

After the quarter (i.e., after June 30, 2010), the names of all qualified participants (i.e., those who have met the minimum activity requirements) will be entered into a random

prize drawing for one Grand Prize winner and 50 runner-up winners.

**Bonus Points:** For every sale for at least \$5,000 in estimated annualized revenue, the qualified participant will have his or her name entered an additional time into the drawing. For example, a qualified participant who doesn't make a sale for \$5,000 will have his or her name entered once in the drawing (for having completed the requirements); a qualified participant who makes one sale for \$5,000 will have his or her name entered twice (once for having completed the requirements, and once for the \$5,000 sale); and a qualified participant who makes one sale for \$5,000 and one sale for \$10,000 will have his or her name entered three times (once for having completed the requirements, once for the \$5,000 sale, and once for the \$10,000 sale).

#### Additional Rules

Participants must complete five Business Connect Priority Mail activities, which all must focus on domestic Priority Mail Service. To receive credit, participants must document their activities in the Business Connect Data Center by 11:59 P.M. CT on June 30, 2010. Select "Priority Mail (BC Contest)" as your activity.

## Prizes

A random drawing will be conducted after each quarter to award the Grand Prize and the 50 runner-up prizes. After Quarter 3, a qualified participant will have his/her name entered into a drawing for the Grand Prize — a trip for two to be the special guests of the USPS® tradeshow team in August at “Magic 2010”, fashion’s largest tradeshow event. Also, 50 runner-up winners will be selected to receive a gift certificate for a prize selection of their choice (\$50 value). To qualify, the participant must be a career employee of the

U.S. Postal Service® through September 2010 to win and accept the Grand Prize.

## Additional Information

If you have questions about The Business Connect Quarterly Contest, e-mail [Businessconnect@usps.gov](mailto:Businessconnect@usps.gov). In the subject line, include the word “Contest” and your district name (for example: “Contest — Houston District”).

## Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <http://www.usps.com/missingmoneyorders/security.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

## Other Information

### Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP™ Codes through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and

which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO/DPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

SUBJECT: Quarterly Contest – Quarter 3 – Promote Priority Mail® Flat Rate shipping and win a trip for two to Las Vegas and the MAGIC trade show.

With new commercials airing since March, I am pleased to report that the Flat Rate Box campaign continues to be a great success for the Postal Service.™ Your efforts on behalf of the campaign are a significant part of this success story. And I am counting on you to keep the momentum going. This quarter, I want you to look for opportunities to promote the Small Flat Rate Box as a great value and convenience for shipping smaller items.

And the prize is worth the effort: As in the last quarter, you have the chance to win a trip for two (2) to MAGIC – a top fashion trade show event in Las Vegas, NV, August 2010, as a special guest of the USPS® trade show team.

To qualify for the contest, you need to complete five Business Connect® activities – all of which must promote Priority Mail and focus on Flat Rate Boxes and Envelopes. Once you've documented your activities in the Business Connect Data Center (BCDC), your name will be entered into a random drawing for a chance to win the grand prize trip or one of fifty \$50 gift certificates.

*Please review these enclosed materials to help you prepare for your meetings:*

- **Contest Guide** – Refer to this guide for contest guidelines, presentation tips, and key messages.
- **Leave-Behinds** – Use these Flat Rate shipping folders and past materials – such as the Flat Rate tip sheet and Simpler Shipping measurement tool – as meeting openers and leave-behinds.
- **Letter/Rural Carrier Tear Pads** – Distribute the enclosed tear pads to letter and rural carriers so they can share them with business customers.

*Note:* You can order more leave-behinds and tear pads from the BCDC order site. Again, please remember you may order past materials from inventory to support your efforts.

Thank you for your enthusiastic participation that will help us reach our organization's revenue goals for the upcoming quarter. If you have questions, please contact your District Manager, Shipping and Mailing Solutions.

Sincerely,

## Business Connect® Third Quarter Contest

# The latest trend in shipping: Flat Rate.

### Spring's hottest item: Small Flat Rate Boxes.

**Promote Priority Mail® Small Flat Rate Boxes to your customers.** Small Flat Rate Boxes are a convenient and cost-effective way to ship for your customers. They can ship small items anywhere in the country for just \$4.95. Plus, with Flat Rate pricing, they can more easily predict their shipping costs.

**Continue to promote the Flat Rate lineup.** Remember to cover these key messages for Flat Rate Boxes and Envelopes:

**No need to weigh packages up to 70 lbs.** If it fits, it ships\*\* and with four box sizes and an envelope to choose from, we can accommodate virtually any shipment.

**A low Flat Rate anywhere in the country** takes the guesswork out of shipping.

**Simplify your shipping process.** Just fill it, seal it, address it, and ship it.

**Free boxes and envelopes delivered to your door.** We deliver free Flat Rate Boxes and Envelopes right to the customer's business, free of charge.

Here are some other Flat Rate advantages that you should mention:

- All options are less than \$15. Boxes start at \$4.95 (\$4.85 with lower online pricing), and an envelope ships for \$4.90 (\$4.75 with lower online pricing)
- Free Package Pickup<sup>†</sup> saves a trip to the Post Office™
- No surcharges for fuel, Saturday delivery,\*\* and residential delivery
- Online shipping (Click-N-Ship®), PC Postage®, and metered postage solutions available at [usps.com/postagesolutions](http://usps.com/postagesolutions)
- International Flat Rate options to 190 countries<sup>††</sup>

**Demonstrate the ease of Flat Rate shipping.** Bring Flat Rate Boxes and Envelopes to your meeting, and show customers how easy it is to order free supplies, purchase postage, print shipping labels, and request Free Package Pickup online.

### Tips for success.

**Use the Opportunity Tool Kit.** To find new business prospects in your area, use the Opportunity Tool Kit through the Business Connect Resource Center from the Blue Page: <http://blue.usps.gov/marketing/businessconnect/welcome.htm>

Under "Packages," type in your ZIP™ Code to find contact information for local companies that are good targets for Priority Mail service.

**Contact the companies.** Let them know that you'd like a few minutes of their time to show them how Flat Rate Boxes and Envelopes can simplify their shipping and benefit their business.

**Take advantage of Flat Rate shipping tools.** We've included enough leave-behind Flat Rate shipping folders for the five presentations needed to fulfill your contest requirements. You can also utilize materials from inventory, such as tip sheets, Flat Rate Box measurement tools and dry erase boards. Be sure to make a follow-up call a few days later to see if the customer would like any additional help.

**Distribute tear pads.** Share the enclosed tear pads with letter and rural carriers to pass out to business customers. It's a great conversation-starter about the convenience of Flat Rate shipping.

*NOTE: You can order additional leave-behinds and tear pads from the BCDC order site while supplies last.*

### Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

## How to Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at [www.usps.com/shop](http://www.usps.com/shop).

### Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city. The first day of issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

### Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

**Note:** These approved eBay orders must be received by Supply Management at least 10 days prior to a published run cut-off date to be included in that run.

Cyril-Scott Company will deliver orders within 35 calendar days after printing. Printing begins 1 week after the deadline date, and actual receipt of the order will depend on the ultimate destination and the corresponding delivery service standard. ## Safety

### Buckle Up for Safety — It's a Simple Choice

Did you know that motor vehicle accidents are the leading cause of work fatalities? Most off-the-job accidental deaths involve motor vehicles, too.

Buckling up often means the difference between death and minor injury in a traffic accident.

When an injury-producing traffic accident occurs, there are actually two collisions. The first is the collision between the vehicle and whatever it hits, such as another vehicle or a utility pole. The second collision, or second impact, occurs inside the vehicle, when the occupant strikes the interior of the vehicle or another object inside. Injuries occur during this second collision, which happens less than a second after the first collision.

Even if you can't prevent the first collision, you can save yourself from injuries in the second. A belt and shoulder harness spread the force of the crash throughout your body, reducing or eliminating the impact.

Belts also keep you inside the vehicle. Doors often open in a collision, and the occupants can be thrown from the vehicle. The chances of dying are 25 times greater when the occupant is thrown from the vehicle.

Buckling up is the law, and is required by postal policy<sup>1</sup>. The conscious and personal choice to click the buckle is the one you make every time you get in your vehicle. It's the right choice for your safety and the well-being of your loved ones. Buckle up for safety! Buckle up for your family!

## Supply Management

### USPS Headquarters Managers and Field Installation Heads: Semi-Annual Capital Property Reviews

The next Semi-Annual Capital Property Review will commence on April 13, 2010; the completion deadline is April 30, 2010. The list of items to be verified by the selected finance numbers will be sent out by e-mail from “Materials, Customer Service — Topeka, KS.”

The Semi-Annual Capital Property Reviews are a Sarbanes-Oxley (SOX) requirement. A list of finance numbers that receive a Semi-Annual Capital Property Certification Report but do not submit the report on time will be provided to senior management.

The asset accountability service centers (AASCs) will provide instructions and guidelines on how the Semi-Annual Capital Property Reviews are to be conducted by the field and Headquarters groups. Handbook AS-701, *Material Management*, is under revision; instructions and guidelines provided by the AASCs will supersede Handbook AS-701 where there are conflicts.

### Transition Date From eBuy to eBuy2 Extended to April 16, 2010

The transition migration from eBuy to eBuy2 has been extended from March 31 to April 16 to allow for a smoother transition between the two systems.

If you have used eBuy to create requisitions, approve requisitions, or to process utility payments since January 1, 2010, and are not one of the over 45,000 users that have already registered for eBuy2 access, you will need to do so by April 16 to avoid an interruption in service.

The new eBuy2 is an enhanced version of eBuy that will improve financial controls, reduce costs, and provide a better user experience. System upgrades for eBuy2 allow side-by-side comparison shopping — with pictures — improved search capabilities, expanded use of business and item attribute indicators, and multiple shopping cart options.

For questions and answers about the new eBuy2 system, such as what is now live and functioning, or to learn what features in the old eBuy system will still be available after April 16, see the Frequently Asked Questions below.

For more information about eBuy2 — including training guides and brief video demos, visit [http://blue.usps.gov/purchase/eBuy2\\_home.htm](http://blue.usps.gov/purchase/eBuy2_home.htm).

#### eBUY2 Transition Frequently Asked Questions

*What is live and functioning in eBuy2?*

- Off-catalog requisitioning.
- Blackberry eApprover.
- Online supplier catalog ordering.
- On-catalog order receiving process.
- Paper Utility Bill Post & Certify (now called check request).
- Electronic Utility Bill Certify will be live for all 50 electronic utility suppliers on April 12.

*What roles should I apply for in eBuy2?*

Most users will apply for the requisitioner, approver, and analyzer roles. The details related to each role are described in the eBuy2 user registration guide on the eBuy2 blue page. Some users will also need to apply for the budget reviewer or finance number custodian role as well to create the approval hierarchy tied to each finance number. These roles should only be applied for at the direction of your leadership.

*How does the requisition approval process work in eBuy2?*

The basic approval process for every requisition is based on the finance number being charged and the requisitioner’s manager.

- Approver #1 — Budget reviewer for the finance number.
- Approver #2 — Requisitioner’s eAccess manager (can be changed in the requisition to any other eBuy2 approver).
- Approver #3 — Finance number custodian for the finance number.

The requisitioner and the approvers can add any additional approvers that are necessary for the requisition. They can also add individuals as an FYI notification.

A requisitioner cannot create a requisition against a finance number until the budget reviewer and finance number custodian roles are applied for and approved via eAccess, and the requisitioner’s eAccess manager has at a minimum applied and been approved for the approver role. Users with the analyzer role can run the USPS Finance Number Approval Chain Report to see if their approval chain has been fully set up in the system.

*How does the approver’s dollar limit apply in eBuy2?*

The approver’s dollar limit is being captured in the eBuy2 eAccess registration process for use in future sys-

tem enhancements. It is not utilized in the approval process at this time.

*When will my access to eBuy for creating requisitions be removed?*

Access to create new requisitions in eBuy will be removed for all users the morning of April 17. Requisitions that are in progress after April 17th will be evaluated to determine if they should be cancelled and reprocessed via eBuy2 or if they will be allowed to be completed in the eBuy system.

*I only use eBuy to submit service change requests (SCRs). Do I still need to apply for eBuy2 access?*

No. The SCR module in eBuy will stay in eBuy and not be migrated to eBuy2. You will continue to use the SCR module as it is today.

*Will I be able to see old requisitions in eBuy for historical reference?*

Yes. User access to view requisitions in eBuy will not be removed.

*Will my on-catalog blanket purchase orders that are in eBuy automatically be converted over to eBuy2?*

No. Any on-catalog blanket purchase orders for the remainder of FY10 and beyond will have to manually be

recreated and approved in eBuy2 by April 16. If this is not completed, the supplier will not be able to invoice your office via eBuy2, and thus you may encounter a disruption in service. Blanket purchase orders for off-catalog purchases do not have to be recreated in eBuy2.

*I hear that we will no longer be able to phone in orders to on-catalog suppliers, since this would bypass requisition approval controls. I work in one of the 300+ small offices without computer access to eBuy2. How do I place an order?*

You will need to call a Post Office™ facility with computer access — or your district office — and ask them to place the order for you.

*Where can I find training and user guides on eBuy2?*

[http://blue.usps.gov/purchase/eBuy2\\_home.htm](http://blue.usps.gov/purchase/eBuy2_home.htm)

*Who do I contact if I need technical assistance on eBuy2?*

Contact the National Material Customer Service Center at 800-332-0317. Contact the eBuy2 project team at [eBuy2@usps.gov](mailto:eBuy2@usps.gov).
