### DMM Revision: Scheduled Pickup on Demand

Effective May 3, 2010, the Postal Service™ is revising *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 507.6 to standardize the process for scheduled Pickup on Demand® service by providing a new service agreement form. Additionally, we revise 507.6.3.4 that authorizes PC Postage™ as an approved method to pay for Pickup on Demand.

The new PS Form 5542, *Scheduled Pickup on Demand Service Agreement*, is shown on page 11 of this *Postal Bulletin*. It is designed to be used by customers who are requesting Pickup on Demand service, and it now aligns with our mailing standards.

##### **6.5.2 Service Agreement**

*[Revise text in 6.5.2 as follows:]*

##### **6.5.3 Service Hours**

*[Revise second sentence in 6.5.3 as follows:]*

\*\*\*Scheduled Pickup on Demand service begins the day after the service agreement is finalized and continues until the service agreement's stated end date or termination.

#### 6.5.4 Customer Changes

[Revise 6.5.4 by deleting item a in its entirety and incorporating item b into the introductory text as follows:]

The customer must notify the serving Post Office at least 24 hours before a scheduled pickup if the pickup is to be canceled or the volume of mail to be picked up is more than 20% higher than the volume specified in the service agreement. The customer may terminate scheduled Pickup on Demand service, effective 24 hours after the USPS receives the customer's written notice of termination at the serving Post Office. The customer must pay all fees for Pickup on Demand service provided before termination of service.

#### 6.5.5 USPS Changes

[Revise 6.5.5 by deleting item a in its entirety and incorporating item b into the introductory text as follows:]

The USPS may terminate scheduled Pickup on Demand service, effective 24 hours after the customer receives writ-

ten notice of termination from the serving Post Office. Termination is based upon the customer's failure to pay postage and fees or to meet the standards for Pickup on Demand service in 6.0. The customer may appeal this termination of services to the manager, Post Office Operations, but must pay for all fees for Pickup on Demand service provided during the appeal period.

We will incorporate this revision into the next printed version of the DMM and into the monthly update of the online DMM available via Postal Explorer® at <http://pe.usps.com>.

#### 646.8 Collection Boxes

##### 646.81 Policy

[Revise text to read as follows:]

Collection boxes, including post type, street collection, and relay storage boxes must not be sold to the public. They must be destroyed by the owning Postal Service entity and sold as scrap. Collection boxes designated for sale as scrap must be recycled. Contact a USPS environmental specialist for information concerning federal, state, and local scrap metal recycling requirements. (See 647.271). Collection boxes, including post type, street collection, and relay storage boxes, must not be loaned to organizations or agencies, including federal agencies, except as provided in 646.82.

##### 646.82 Loans

[Revise text to read as follows:]

With approval from the manager of Public Affairs, Corporate Communications, surplus collection boxes may be loaned to a federal agency such as a museum, for exhibit purposes only. There is no requirement to change the color or remove the indicia, although the lock must be removed and an audit trail established and maintained until the item is returned. A written license agreement must also be exe-

cuted to keep the use of the collection box under Postal Service control. The Postal Service must use PS Form 1590 signed by both parties and a signed license agreement acknowledging the Postal Service rights to monitor all collection box loans.

A loan of a collection box for use in a motion picture, on broadcast or cable television, and/or in advertising agencies is executed under a licensing agreement for a fee or no fee. Go to <http://www.usps.com/rightsandpermissions/> for an overview of the rights and permissions program and for more detailed information. Rights and Permissions, Chief Counsel, Corporate Law, must maintain a copy of the license agreement when a collection box is licensed by a third party for use in the entertainment industry or for any other purposes. All requests must be approved by the manager of Public Affairs, Corporate Communications.

**647 Methods and Priority**

**647.2 Methods**

\* \* \* \* \*

*[Revise title to read as follows:]*

**647.26 Donation to a Federal or State Agency, an Academic Institution, a Nonprofit Organization, or a Public Body**

**647.261 Policy**

*[Revise text to read as follows:]*

The Postal Service defines a public body as any state, territory, or possession of the United States, any political subdivision thereof, the District of Columbia, the Commonwealth of Puerto Rico, or any American Indian tribe. Collection boxes and Post Office boxes that are designated surplus to Postal Service needs must not be donated to federal or state agencies, academic institutions, nonprofit organizations, or a public body, but shall be recycled or destroyed and scrapped. Surplus material that is unmarketable, excluding collection boxes and Post Office boxes, may be donated to state agencies, academic institutions, nonprofit organizations, or a public body. Materials classified other than collection boxes that are designated surplus, nonsensitive, expendable, or obsolete are referenced in 647.262 and may be dealt with accordingly.

\* \* \* \* \*

**647.264 Donation to Foreign Government**

*[Revise text to read as follows:]*

Consideration may be given by the installation head or the assigned designee on a case-by-case basis to donate surplus equipment, other than collection boxes and Post Office boxes, to a foreign government. Requests for specific equipment will normally be received from International Postal Affairs. Approval to donate any equipment will be granted by the manager of Asset Management and Asset Management Performance & Accountability (AMPA). Surplus equipment located in the field will be processed for shipment through AMPA and the Asset Accountability Service Centers.

**647.27 Destruction and Landfill Disposal**

**647.271 Policy**

*[Revise text to read as follows:]*

Postal Service facilities, offices, departments, and entities must not use landfills to dispose of collection boxes. Postal Service entities that designate collection boxes for destruction must destroy by scrapping out the equipment followed by metal recycling. Methodologies used to process recyclables normally generate residual (waste) that cannot be sold, reprocessed, or reused. The processes noted above are the only authorized methods of destruction or disposal for collection boxes. The methods above comply with the Environmental Protection Agency, federal, state, and local environmental laws, and Postal Service regulations concerning the destruction, disposal, or recycling of metal objects.

## Publications

### Publication 75, Mover's Guide, News: the May 2010 Mover's Guide Is on Its Way!

The May 2010 issue of Publication 75, *Mover's Guide*, has been shipped to all Post Offices™. As of May 1, 2010, recycle all expired versions.

#### Mover's Guide Schedule Information

- *Mover's Guide* is printed and distributed three times per year — December (for January use), April (for May use), and August (for September use).
- Offices will receive their copies of *Mover's Guide* in one or two shipments. The first shipments will arrive in mid-April. The second shipments will arrive 4 to 6 weeks later. Shipments will be sent in quantities of 25, 100, and 300.
- Your facility may receive its *Mover's Guide* copies addressed to other offices. Please check the labels and forward the guides as necessary. Remember to scan delivery confirmations affixed to each box.

#### Behind the Counter Program

The Behind the Counter Program is here to stay! Below are a few reminders about program compliance:

- Continue to keep *Mover's Guide* copies behind the counter. No *Mover's Guide* copies should be placed in the inner or outer lobby or on the clerk counters.
- Retail associates should *encourage* their customers requesting change-of-address information to go online to [www.usps.com](http://www.usps.com). Internet change-of-address (ICOA) transactions provide customers with

the most convenient, safe, and secure way to change their address. Furthermore, ICOA transactions reduce processing time, improve address accuracy, and generate significant revenue for the Postal Service.

- Customers unwilling or unable to submit their change of address online should be given a complete, unopened *Mover's Guide*.

#### Inventory Management

### Retirement of POSTNET and PLANET Code Barcodes

In a final rule published in the *Federal Register* (73FR 49333–46348) on August 21, 2008, the Postal Service™ provided advance notice that commercial letters and flats with POSTNET™ barcodes will not be eligible for automation prices as of May 2011.

Mailers requesting Confirm® service for their automation letters or flats currently use either an Intelligent Mail® barcode or a PLANET Code® barcode, in combination with a POSTNET barcode. Therefore, when POSTNET barcodes

are retired in May 2011, Confirm subscribers who continue to use the POSTNET and PLANET Code barcode combination will no longer be eligible to claim automation prices for their mailings. They will, however, be able to participate in Confirm for nonautomation mailings of letters and flats.

## Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <http://www.usps.com/missingmoneyorders/security.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

## Other Information

### Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP™ Codes through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and

which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO/DPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

### Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

The F, S, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

\* Implemented May 2001.

**See next page for new L Funds.**

Returns were updated March 1, 2010.

## Proper Disposal of USPS Collection Boxes

### ***Do not sell, loan, or donate collection boxes!***

Collection boxes must be disposed of in accordance with Handbook AS-701, *Material Management*. Refer to Chapter 6, Asset Recovery: Redistribution, Recycling, and Disposal. Compliance with this policy will be rigorously enforced. Any release of a collection box to an unauthorized party will be referred for investigation.

Collection boxes, including post type, street collection, and relay storage boxes, *must not be sold* to the public. They must be destroyed by the owning Postal Service™ entity and sold as scrap. Collection boxes designated for sale as scrap must be recycled. Contact a USPS® environmental specialist for information concerning federal, state, and local scrap metal recycling requirements.

USPS receives requests from time to time from various sources to purchase, donate, or loan out surplus collection boxes. Collection boxes, including post type, street collection, and relay storage boxes, are considered postal intellectual property and *must not be loaned* to organizations, agencies, or a public body except as provided in section 646.82 in Handbook AS-701. The Postal Service defines a public body as any state, territory, or possession of the United States, any political subdivision thereof, the District of Columbia, the Commonwealth of Puerto Rico, or any American Indian tribe. All requests for collection box loans must be approved by the manager, Public Affairs, Corporate Communications.

A loan of a collection box for use in a motion picture, on broadcast or cable television, and/or in advertising agencies is executed under a licensing agreement for a fee or no fee. Go to <http://www.usps.com/rightsandpermissions/> for an overview of the rights and permissions program and more detailed information. Rights and Permissions, Chief Counsel, Corporate Law, must maintain a copy of the license agreement when a collection box is licensed by a third party for use in the entertainment industry or for any other purposes.

With approval from the manager, Public Affairs, Corporate Communications, surplus collection boxes may be loaned to a federal agency, such as a museum, for exhibit purposes only. There is no requirement to change the color or remove the indicia, although the lock must be removed, and an audit trail established and maintained by the installation head until the item is returned. A written license agreement must also be executed to keep the use of the collection box under Postal Service control. The Postal Service must use PS Form 1590, *Supplies and Equipment Receipt*, signed by both parties, along with a signed license agreement acknowledging the Postal Service rights to monitor all collection box loans.

# Displaying the U.S. Flag and the POW-MIA Flag

## U.S. Flag at Half-Staff

### How to Display

Displaying the U.S. flag at *half-staff* means lowering the flag to half the distance between the top and bottom of the staff.

### Specific Dates

Display the U.S. flag at half-staff on the following days each year:

- May 15: Peace Officers Memorial Day (see note 1 below).
- Last Monday in May: Memorial Day Observed (see note 2 below).
- December 7: National Pearl Harbor Remembrance Day.

*Note 1:* When May 15, which is the date for Peace Officers Memorial Day, falls on the third Saturday in May, which is the date for Armed Forces Day, display the U.S. flag in the full-staff position, *not* at half-staff.

*Note 2:* On the last Monday in May, when Memorial Day is observed, display the flag at half-staff from sunrise, or the hour at which you raise it, until noon, and then hoist it to the peak of the staff, until the time of closing or no later than sunset.

## POW-MIA Flag

### How to Display

In relation to the U.S. flag, display the POW-MIA flag (and any other flag) as follows:

- If displayed on the same flagstaff, place it below the U.S. flag.
- If displayed on a separate flagstaff, place it at the same level or lower. If displayed at the same level, place it on the U.S. flag's left.

When flying the U.S. flag at half-staff, fly the POW-MIA flag (and any other flags) at half-staff also.

### Specific Dates

Display the POW-MIA flag on the following days each year:

- Armed Forces Day: Third Saturday in May.
- Memorial Day: Last Monday in May.
- Flag Day: June 14.
- Independence Day: July 4.
- National POW-MIA Recognition Day: Third Friday in September.
- Veterans Day: November 11.

If any of these days fall on a nonbusiness day, display the POW-MIA flag on the last business day before the designated day.

For more detailed information about flying the U.S. flag and the POW-MIA flag, see the following parts in the *Administrative Support Manual (ASM)*:

- ASM 472, U.S. Flag Display.
- ASM 476, POW-MIA Flag Display.

## Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The following pictorial postmark has been extended for 30 days:

## How to Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at [www.usps.com/shop](http://www.usps.com/shop).

### Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city. The first day of issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

### Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

### Stop Sending Copies of PS Form 8176, Premium Forwarding Service Application, to Headquarters

Offices are no longer required to send a copy of PS Form 8176, *Premium Forwarding Service*<sup>®</sup> (*PFS*<sup>®</sup>) *Application*, to Headquarters (HQ). This requirement ended in 2007 when the application was revised and page 4 (HQ copy) was removed. In 2005, the PFS program office at HQ required a copy of page 4 when PFS was an experiment. However, the experiment ended in 2007 when PFS became an official product offering. Offices that still send copies to

HQ are wasting workhours and money — especially some offices that send them by Express Mail<sup>®</sup>, Registered Mail<sup>®</sup>, and Priority Mail<sup>®</sup> service.

## EPS Merchandiser Display Wins Gold and Holiday CounterCard Wins Bronze

On Thursday, March 11, 2010, USPS® Expedited Package Services (EPS) received a Gold Award and the USPS Holiday CounterCard received a Bronze Award at the Point of Purchase Association International (POPAI) Outstanding Merchandising Achievement (OMA) Awards at Global Shop.

POPAI is an international trade association for the marketing at-retail industry. POPAI's OMA Award is the premier award for recognizing the most innovative and effective in-store and at-retail displays, lifting sales, and making products memorable and enticing to consumers.

### DFCB News Headline

Draftfcb Chicago and its Clients received five honors at the POPAI 2010 OMA Awards ceremony, including the Gold for the U.S. Postal Service's EPS Display — Permanent, Specialty Retailer category.

### USPS' POPAI Award Submission Entry: EPS

#### Display Objective

The U.S. Postal Service® faces aggressive competition from FedEx and UPS, but offers outstanding value to customers. Temporary displays have lifted sales in the past. USPS needed a permanent display to drive Priority Mail® service revenue, engage shoppers, and communicate competitive advantages.

The EPS display provides a permanent destination for shipping supplies at retail. The display enhances the customer/shopper experience, which allows customers to self-complete package preparation. The display is well organized, clearly communicates product benefits, and provides a reliable in-store location where customers can always come to stock up on supplies.

#### Shopper Engagement

This unique display is a "Shipping Supplies Beacon." From every angle, this display engages customers with the brand and educates them on various shipping options at the Postal Service™.

- Customers are educated on the available shipping services (via brochures and signage), as well as pricing for each service, eliminating unwanted surprises at the register.
- For the first time, Post Office™ customers are confident on where they can find the supplies they need, and are comforted in knowing that when they see this same display in other locations, they will be able to find what they need.

### Retail Experience

Being a well-organized and prominent display, it can intercept customers (answering their questions via signage) prior to anyone waiting in line. Thus, it makes each customer visit more efficient. The display organizes USPS shipping supplies, making it easier to see what needs to be restocked by Postal Service employees.

### Display Material

The EPS display is a rugged unit that features a custom vacuum-formed top seated on a Masonite fiberboard and metal base providing stability and eliminating tipping. This unit had to pass the Postal Service's stringent safety standards. Custom "pucks" provide easy changing of signage and a 50–70 percent savings over metal pucks.

### Results

Great news — USPS Priority Mail service is up 9+ percent in locations with the EPS display (compared to same size locations without this display). Praise continues for ease of use, convenience, and an enhanced customer and brand experience. This display truly reinforces the Postal Service's brand position of being *A Simpler Way to Ship* at retail.

Thanks to everyone who had a hand in making this possible!

## Supply Management

### Surface Transportation Category Management Center Moves to Largo, Maryland

Effective February 13, 2010, the Headquarters Surface Transportation Category Management Center (ST-CMC) relocated from L'Enfant Plaza to Largo, Maryland. This office will be co-located with the Eastern Transportation Category Management Team (TCMT) and supports the restacking effort at Headquarters.

This business decision will allow for greater synergies between the ST-CMC and the newly established Eastern TCMT. This consolidation provides an opportunity for the development of a Surface Transportation Center of Excellence to focus on a wide variety of transportation and ancillary services. Additionally, this consolidation will enhance

the group's ability to systemically align with business partners, suppliers, and customers to provide high quality services, deliver additional contract cost reductions, and manage cost growth in future years.

## Sustainability

### USPS ... Driving Toward a Sustainable Future

As the world celebrates 40 years of Earth Day, USPS® employees can take pride in more than 230 years of promoting a greener lifestyle. Throughout our history, we've championed new forms of transportation while keeping an eye on ways to minimize our environmental impact.

And with the largest fleet of civilian vehicles in the world — 217,000 — it's important to our business, our communities, and our customers that we do just that.

It helps that we have the largest fleet of alternative-fuel capable delivery vehicles in the world as well. More than 44,000 of our four-wheeled vehicles can run on electricity, compressed natural gas, biodiesel, or E-85.

And let's not forget our three-wheeled electric vehicles. T3s deliver mail in Texas, Florida, and California and cost only 2 cents a mile to operate.

Two wheels may seem old school to some, but they're helping the Postal Service™ stay on the leading edge of green delivery. With more than 70 bicycles routes in Florida and Arizona, it's estimated that USPS saves more than 15,000 gallons of gasoline each year and eliminates 50,000 pounds of carbon dioxide emissions annually through bicycle deliveries.

But the greenest of the green? Our more than 9,000 carrier routes that are delivered on foot. Our fleet of feet are among the smallest carbon footprints in their communities.

Of course, the Postal Service is doing more to lower its carbon footprint than just upgrading its fleet. In 2008, we began an aggressive campaign to lower petroleum-based fuel use 20 percent by 2015.

That's in line with the timeline established by President Obama's Executive Order 13514 for government agencies to reach that same reduction percentage. The Postal Service, as an independent federal agency, doesn't come under the recent Executive Order but is voluntarily participating anyway.

In 2009, USPS reduced its petroleum fuel use by 4.5 percent while adding nearly one million delivery points to its network and continuing its record-setting delivery performance. Early 2010 indicators suggest we'll remain on that trend.

Concern for the environment didn't begin with Earth Day — it led to Earth Day. There were always Americans who cared enough about the earth to want to preserve it for future generations. Many of them were — and still are — USPS employees!
