Cover Story

Some Things Never Change

Although the cover art was created more than 40 years ago, it still conveys one strong message: Some Things Never Change. It speaks volumes even today! Our haircuts, our clothes, and some postal equipment may have changed, but as you can see from this Post Office Department poster, which was released in the late 1960s, lifting injuries were a hot topic — even back then!

Today, USPS® is still experiencing large numbers of lifting and handling injuries. These injuries are not new phenomena; they have been around since the beginning of time.

Did you know that 900,000 disabling back injuries occur each year in the United States? More than half of these injuries are in direct correlation with people trying to lift objects. According to the National Safety Council (NSC), lifting and carrying are “power jobs” and it is very easy for back damage to occur. Once it does, it can take a long time for the person to return to normal activities, including work.

In the Postal Service’s plants, there have been over 2,000 accidents year-to-date (FY10) related to handling and lifting. Historically, handling and lifting have been two of the leading causes of accidents in our mail processing facilities.

Most of us ignore our backs until they give us a painful reminder of our carelessness. People who take care of their backs are far less likely to run into problems.

Lifting large or heavy objects is not the only way you can injure your back. Many back injuries result from incorrect lifting of lighter objects. Unless you use safe techniques, picking up even a small article can cause a painful injury.

There are several things that can be done to prevent injuries from incorrect lifting, for example:

- Before you lift, you should size up the load, so you will know how much weight you are lifting before you attempt to lift it.
- If a load is too heavy for one person, a co-worker should be asked to assist. A helper who is around the same height will make the lift easier to do.
- When two or more people are involved in a lift, decide ahead of time who is the team leader. This person is responsible for giving commands such as “lift,” “move”, and “set down.” Coordination of movements will prevent sudden starts or stops and changes in weight distribution.
- Next, plan your route. Make sure you know where you are going with the object and check the route for obstacles. If you have to walk quite a distance with your load, pre-plan spots where you can easily stop for a short rest. But a better solution is to use a hand-truck or pallet mover for long distances, if you know how to properly operate one.

No one is immune to handling injuries!

Handling and Lifting Tips

Lift the Object Right

- Get close to the article and center your body over your feet.
- Bend your knees, and keep your spine straight.
- Grasp the package using your full palm, not just your fingers.
- Use your stronger leg muscles to push yourself upright.
- As you start the lift, raise your eyes and look straight ahead. This will keep your spine in correct alignment. Alternatively, as you start the lift, tuck in your chin so your neck and head are in a straight line with your back. That helps keep your spine straight and firm. It is not necessary, however, to force your chin against your chest.
- To pick up an awkward object, such as a sack, bend at the knees and grasp it at opposite corners. Gradually straighten your legs and push yourself up.
- Remember to hold the load close to your body and at about waist height, and do not twist. Twisting is one of the most common causes of back injury.

Carry the Object Right

- Keep the load close to your body to exert less force on your back.
- Make sure you can see clearly over the load. If your vision is blocked, you may trip and fall.
- Always move your feet rather than twisting your body to change directions.

Unload the Object Right

- Plan ahead for unloading. An ideal spot would be at waist height to prevent unnecessary bending.
- Take care to avoid crushing your hands when you release the weight.
- To unload, crouch down and use your thigh muscles to lower the object. Keep your back straight, and hold the article close to your body while unloading.

Handle Awkward Loads Right

- To retrieve an item from deep within a box or drawer, you can modify the basic lift procedure. Get as close as you can to the object, squat slightly, and place your bent knees against the box or drawer before you lift. A similar procedure is the safe way to lift heavy items from a car trunk.

Handle Small Loads Right

- For light, small objects in the bottom of a deep container, you can use the “golfer’s lift”. Swing one leg straight out behind you, flex the other knee, and use one hand to balance yourself on the edge of the container and the other hand to pick up the load.

Sudden lifting or releasing of loads can cause stress to the spine and back muscles. Always lift, move, and lower with smooth motions. Do not fight to recover a dropping object or lost load. Get out of its way and let it fall.

The NSC says power warm-ups — slow stretches before starting each shift — helps workers ease into their workday and avoid back strain. Exercises which stretch and warm up your legs and back will improve your strength and flexibility.

Overconfidence in one’s ability and lack of knowledge about lifting hazards are common causes of back injuries. It is easy to misjudge your strength and suffer a serious injury. Following the recommendations above will help reduce your risk of injury.

Remember that safe lifting is just as important at home as at work, for both you and your family. Show your family members the safe way to lift, so that they can avoid injury from lifting or handling materials at home or at their workplaces.

DMM Revision: New Option for Obtaining Pickup on Demand Service

Effective October 4, 2010, the Postal Service™ revised *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®) 507.6* to provide a no-fee option for customers that meet minimum volume threshold requirements of seven pieces for reoccurring Pickup on Demand® service for Express Mail®, Priority Mail®, Global Express Guaranteed®, Express Mail International® and Priority Mail International® mail items.

No fee Pickup on Demand service is available to customers who have completed and signed the new PS Form 5543, *No Fee Pickup Service Agreement*, which will specify the estimated volumes, time of day, and scheduled days of the week for reoccurring package pickup. Postage must be applied to each package prior to a pickup and — beyond the seven package minimum — there is no limit to the number of packages that USPS® will collect with each scheduled pickup.

Regular Pickup on Demand service is still available for \$15.30 for customers that do not have a signed agreement with the Postal Service, or for customers with a signed agreement but are shipping less than the required seven eligible packages for a particular collection.

We also are adding the term Carrier Pickup™ service as the formal name of the Postal Service’s pickup service provided for no fee when the carrier picks up mail during the time of the regular mail delivery at the address where mail is being picked up.

eRetire — A New Employee Application on LiteBlue

eRetire is the new employee self-service application that allows employees to plan for and initiate retirement activities online via *LiteBlue* — www.liteblue.usps.gov. (See also poster on page [41](#).)

Who

The new self-service application is for two sets of eligible employees:

- Employees within 5 years of retirement eligibility.
- Employees who are currently eligible for retirement, and those within 180 days (6 months) of retirement eligibility.

Annuity estimates are only available through eRetire for full-time employees meeting the eligibility requirements noted above. Part-time employees and Postal Inspectors require a manual annuity estimate and must contact the HR Shared Services Center with a request for a manual estimate. A manual annuity estimate is mailed to the employee's address of record within 14 days.

What

For employees within 5 years of retirement:

- Full-time employees within 5 years of their retirement eligibility date will be able to immediately view online and print their annuity estimate(s) based on effective retirement dates of:
 - a. Employee's retirement eligibility date.
 - b. Employee's retirement eligibility date plus 6 months.
 - c. Employee's retirement eligibility date plus 1 year.

For employees who are currently eligible for retirement, or are within 180 days (6 months) of retirement eligibility:

- **Immediately view/print their annuity estimate** based on retirement effect dates of:
 - a. The beginning of the next month (or, from the employee's retirement eligibility date, if the employee is not yet eligible but is within 180 days (6 months) of retirement eligibility).
 - b. The beginning of the next month, plus 6 months.

c. The beginning of the next month, plus 1 year.

- **Enter a future effective date.** Employees must be within 180 days (6 months) of retirement eligibility and may enter a custom date, which cannot be more than 180 days (6 months) from the date the request is made in eRetire. An annuity estimate for the custom date indicated will be available to view/print within 24 hours of the request.
- **Download and print or order a Retirement Application Package.** Employees may print retirement application forms directly from *LiteBlue* through eRetire or order the retirement application package for receipt within 7–10 days of the initial request date.
- **Schedule a Retirement Counseling Session.** Employees can schedule a group retirement information-sharing session or individual session by selecting an appointment date range no sooner than 90 days (3 months) prior to their retirement eligibility date. The system displays available appointment dates and time slots for the individual to choose.

Be Ready for Election 2010

Leading up to the general election on November 2, 2010, Vote-by-Mail ballots and other mail prepared by election officials will be entering the mailstream. Concurrently, there will be political campaign mail promoting candidates, referendums, and issues. During this time, Postal Service™ employees should be watchful for this important time-sensitive mail and do their part to ensure each mailing receives the highest level of service.

This article contains important tips about Official Election Mail and Political Campaign Mail. Employees can also find additional details about their role in Election 2010 online at <http://blue.usps.gov/marketing/election.htm>. This site is the single source for information about the Postal Service's election-related responsibilities and what postal employees need to know about proper handling of both Official Election Mail and Political Campaign Mail.

Official Election Mail

Official Election Mail is any mailpiece created by an authorized election official that is mailed to or from a citizen of the United States for the purpose of participating in the voting process including:

- Vote-by-Mail ballots.
- Sample ballot materials.
- Voter registration cards.
- Absentee applications.
- Polling place notifications.

Working With Election Officials

Tag 191

Postmasters and station managers should expect to be contacted by election officials asking for help with their mailings. Your guidance will ensure ballots and other mail this election season are processed in the most efficient and timely manner. Here are a few things you should know:

- For information on preparing and sending election mail, election officials can visit www.usps.com/electionmail. This online resource is available to help plan and design Official Election Mail and provides links to:
 1. Mailpiece design analysts who can provide guidance on designing outbound and return envelopes that meet postal standards and help construct mailing plans.
 2. Publication 632, *State and Local Election Mail – User’s Guide*, designed to help election officials make decisions about mailpiece design, address-list cleansing, classes of mail, options for reply mail, and obtaining postage discounts.
 3. Publication 631, *Official Election Mail – Graphic Guidelines and Logos*, provides detailed information on the print and color specifications for using the Official Election Mail logo. This logo can only be used by election officials.

- Tag 191 should be used to identify trays and sacks containing domestic and international ballots. Each Post Office™ facility should maintain a sufficient supply of Tag 191 for local election officials. The tag may be ordered from the Material Distribution Center (MDC) using the touch-tone order entry (TTOE) system: Call 800-273-1509.

Note: You must be registered to use TTOE. To register, call 800-332-0317, option 1, extension 2925, and follow the prompts to leave a message. (Wait 48 hours after registering before placing your first order.)

Use the following information to order Tag 191:

PSIN:	TAG191
PSN:	7690-10-000-0667
Unit of Measure:	EA
Minimum Order Quantity:	250
Bulk Pack Quantity:	2000
Quick Pick Number:	N/A
Price:	\$0.0808
Edition Date:	07/07

- Postmasters and station managers should meet with election officials in their area to discuss requirements for ballots returned from voters, and procedures for Election Day.

Free Absentee Ballots

Free absentee ballots are balloting materials, consisting of postcard applications, ballots, voting instructions, and envelopes, that may be sent through the mail without prepayment of postage. The provisions for mailing without postage can be found in *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®) 703.8*. Free absentee balloting materials may only be sent to and from persons in the following categories:

- Members of the Armed Forces in active service, and their spouses and dependents.
- Members of the U.S. Merchant Marine, and their spouses and dependents.
- U.S. citizens residing outside the territorial limits of the United States and the District of Columbia, and their spouses and dependents residing with or accompanying them.

Free absentee ballots must bear the indicia “US Postage Paid 39 USC 3406.” Mail bearing these indicia does not require postage, and is not shortpaid. Absentee ballots prepared in compliance with DMM 703.8 “must not be detained or held for postage payment” (*Postal Operations Manual (POM) 171.3*).

The only other election materials that may be mailed without postage are identified in DMM 703.5, Free Matter for the Blind and Other Physically Handicapped Persons. All other mail sent by an election official requires postage prior to mailing.

Political Campaign Mail

Political Campaign Mail is any piece mailed for political campaign purposes by a registered political candidate, a campaign committee, or a committee of a political party to promote political candidates, referendums, or political campaigns. This mail may qualify for Nonprofit Standard Mail prices (DMM 703).

- Mail meeting this definition is considered Political Campaign Mail regardless of whether the election is partisan or nonpartisan.
- A brochure promoting the candidacy of one or more registered candidates for elected offices on the local, state, or federal levels is a common example of a political campaign mailpiece.
- Political campaign mailpieces may bear an endorsement required by federal or state law that is similar to: “Paid for by the committee to elect John Smith and authorized by John Smith.”
- Mail from organizations, such as labor unions, religious groups, retiree organizations, and others that endorse specific candidates or political issues is not Political Campaign Mail.

- Specific responsibilities for handling political campaign mailings are detailed in POM 492.

Tag 57, Political Campaign Mailing

PS Tag 57, *Political Campaign Mailing*, may be used to identify trays and sacks that contain Political Campaign Mail. Although use of the tag is optional, when used, it provides containers of Political Campaign Mail greater visibility as they move through Postal Service processing and distribution operations.

Tag 57 is only intended for use on containers (trays and sacks) of First-Class Mail and Standard Mail items entered by a registered political candidate, campaign committee, or committee of a political party and in connection with a partisan or nonpartisan election. The tag may not be used to identify mailings made by other types of organizations, even if promoting or endorsing political candidates, referendums, and other political activities.

Each Post Office and mail acceptance unit should maintain a sufficient supply of Tag 57 for their local political campaign mailers.

Use of Lobbies and Postal Property

From now until the November election, postmasters and station managers can expect to receive inquiries concerning the use of Postal Service lobbies and grounds for election-related activities. It is critical that all employees communicate the same message to prevent any negative impact on the Postal Service.

Do NOT allow the following items to be placed or collected in a Post Office lobby:

- Ballot boxes/receptacles.
- Applications for absentee ballots (Vote by Mail).
- Partisan materials. The depositing, posting, or display of any materials that could be considered part of a political campaign, including any materials featuring photographs of elected officials or party symbols, is prohibited. This restriction also applies to the community bulletin board. (See Retail Standardization guidelines currently in effect at <http://blue.usps.gov/retail/standardization.htm>.)

- Freestanding signs or other structures. Except as part of postal activities, no tables, chairs, freestanding signs, posters, structures, or furniture of any kind may be placed on postal property. Refer any questions about this prohibition to the Law Department Field Office in your area.

Do NOT allow the following activities to take place in a Post Office lobby, on postal sidewalks, or other exterior postal property:

- Campaigning for election to public office. Any activity conducted in support of a campaign for election of an individual to any public office is prohibited on Postal Service property.
- This prohibition includes depositing, posting, displaying, or distributing campaign literature; asking for or collecting signatures to put a candidate on an election ballot; or asking for or collecting contributions for a partisan organization or cause.
- Refer any questions about these prohibited activities to the Law Department Field Office in your area.

These items or activities may be allowed in a Post Office lobby with the following limitations:

- Voter registration materials. The display of these materials is optional and may take place only in the PO Box Lobby Zone (Zone 6). (Refer to the Retail Standardization guidelines currently in effect. Information is posted online at <http://blue.usps.gov/retail/standardization.htm>.)
- Voter registration activities. Refer requests by any organization to conduct voter registration activities on Postal Service property to the Law Department Field Office in your area.
- Photography/Filming. Any kind of audio or visual recording conducted for news, advertising, or commercial purposes requires prior permission from the Postal Service. (For more information, e-mail permissions@usps.gov or visit www.usps.com/rightsandpermissions.)

The Hatch Act — Permitted and Prohibited Political Activities of Employees

The Hatch Act is a federal law that restricts the political activity of federal and Postal Service employees while on duty, on government property, wearing an official uniform, or using a government vehicle. It also prohibits candidates campaigning for election to public office on leased or owned postal property.

Under the Hatch Act, Postal Service employees may:

- Be candidates for public office in nonpartisan elections.
- Register and vote as they choose.
- Assist in voter registration drives.
- Express opinions about candidates and issues.
- Contribute money to political organizations.
- Attend political fundraising functions.
- Attend and be active at political rallies and meetings.

- Join and be an active member of a political party or club.
- Sign nominating petitions.
- Campaign for or against referendum questions, constitutional amendments, and municipal ordinances.
- Campaign for or against candidates in partisan elections.
- Make speeches for candidates in partisan elections.
- Distribute campaign literature in partisan elections.
- Hold office in political clubs or parties.

Postal Service employees may not:

- Use official authority or influence to interfere with an election.
- Solicit, receive, or collect political contributions unless both individuals are members of the same federal labor organization or employee organization, and the one solicited is not a subordinate employee.
- Knowingly solicit or discourage the political activity of any person who has business before the agency.
- Engage in political activity while on duty, wearing an official uniform, using a government vehicle, or in any government office.
- Solicit political contributions from the general public.
- Solicit or receive political contributions.
- Be candidates for public office in partisan elections.
- Wear political buttons on duty.

Ignorance of the law is not an excuse. More information on the Hatch Act can be obtained at www.osc.gov/hatchact.htm.

The Anti-Lobbying Act Lobbying Restrictions for Employees

The Anti-Lobbying Act is a federal law that prohibits Postal Service officers and employees acting in their official capacity from engaging in grassroots lobbying campaigns that directly or indirectly encourage the public to contact government officials in support of, or in opposition to, proposed or pending legislation.

A Postal Service employee may not participate in a press conference organized by a nongovernmental advocacy group called to criticize a legislative proposal, nor may an employee ghostwrite statements for a grassroots lobbying campaign.

The Anti-Lobbying Act also prohibits the direct or indirect use of Postal Service funds to pay for material intended to influence a member of Congress, a jurisdiction, or an official of any government to support or oppose any legislation, law ratification, policy, or appropriation.

A series of letters on official stationery sent to mass mailers urging them to write to their elected representative to support specific legislation would constitute a prohibited direct expenditure under the Anti-Lobbying Act.

The provision of facilities, equipment, telephones, etc., to a private lobbying group for a grassroots lobbying campaign

supporting specific legislation would constitute a prohibited indirect expenditure under the Anti-Lobbying Act.

Advice concerning the Anti-Lobbying Act is available to Postal Service employees by calling the Ethics Help Line at 202-268-6346, or by sending an e-mail inquiry to ethics.help@usps.gov.

A. No. The use of Tag 191 is strongly recommended for ballots, but is not required.

Q. Is Tag 191 reusable?

A. No, Tag 57 is only to be used to identify trays and sacks of Political Campaign Mail pertaining to a partisan or nonpartisan election that is sent by a registered political candidate, a campaign committee, or a committee of a political party to promote political candidates, referendums, or political campaigns.

Q. Why was the Official Election Mail logo created?

A. The logo was created by the Postal Service in cooperation with the Joint Election Official Liaison Committee to help federal, state, and local election officials carry out their responsibilities under the National Voter Registration Act of 1993.

Use of the logo must comply with the design specifications in Publication 631.

Q. Are election officials required to use the Official Election Mail logo?

A. No, use of the logo is not required, but the Postal Service does encourage election officials to use the logo on their Official Election Mail materials. Election Mail to Postal Service workers and distinguish it from the thousands of other mailpieces that are processed daily.

Q. Does use of the Official Election Mail logo provide upgraded service for Official Election Mail during Postal Service processing?

A. No, use of the logo is not intended to upgrade the level of service paid for or substitute for required postage.

Q. Are there any Postal Service publications that are designed to help election officials with preparing their mail?

A. Yes, Publication 632, *State and Local Election Mail – User’s Guide*, is designed to help election officials make decisions involving the design of their mailpiece, address list cleansing, class of mail, options for reply mail, and postage. Publication 632 recommends that election officials consult with the local mailpiece design analyst (MDA) before mailing and also includes a checklist that election officials can follow to help them achieve a successful mailing.

Q. Can all absentee balloting materials be mailed free of postage?

A. No, only absentee balloting materials consisting of postcard applications, ballots, voting instructions, and envelopes may be sent through the mail without prepayment of postage only when sent to or by certain individuals. The privilege was established by statute and enables specified persons to apply for registration and vote by absentee ballot (in federal elections only) when absent from the place of voting residence and otherwise eligible to vote as an absentee. Only the following persons are eligible to mail without prepayment of postage:

- a. Members of the Armed Forces in active service, and their spouses and dependents.
- b. Members of the U.S. Merchant Marine, and their spouses and dependents.
- c. U.S. citizens residing outside the territorial limits of the United States and the District of Columbia, and their spouses and dependents residing with or accompanying them.

All other types of ballots and balloting materials must bear postage using a permit imprint, postage meter, adhesive stamp, or other acceptable method of postage payment prior to mailing.

Q. Are there mailpiece design requirements for free absentee ballots?

A. Yes, qualifying mailpieces must be formatted to meet the design requirements in DMM 703.8.2.

Q. Why is FIM C used on free absentee ballots? Isn’t that for business reply mail (BRM)?

A. Free absentee ballots are neither BRM nor permit reply mail (PRM), but a unique type of reply mail, and use FIM C paired with a delivery point barcode. See DMM 708.9.2.

Q. Are there requirements for the deposit of mailpieces prepared as free absentee ballots?

A. Yes, to be mailable without prepayment of postage under DMM 703.8.0, absentee balloting materials must be deposited at a U.S. Post Office, an overseas U.S. Military Post Office, or an American Embassy or American Consulate.

Q. Can absentee balloting materials solely for state or local elections be mailed free?

A. No. The provisions in DMM 703.8.0 for mailing free absentee balloting materials only apply to ballot materials for federal elections.

Q. For absentee balloting material with no or insufficient postage, should the normal procedures for shortpaid mail be followed?

A. No, absentee balloting materials with insufficient or missing postage are never to be detained or treated as unpaid mail, as directed by POM section 171.3. Shortpaid and unpaid absentee balloting materials must never be returned to the voter for additional postage. The materials must be delivered to election officials, and postage due must be requested. Employees with questions about possible abuse or impropriety should contact their supervisor.

Q. The local election office asked our Post Office if it could place one of its ballot collection receptacles in our lobby. The ballots dropped into the receptacle would not have postage affixed and would not enter the mailstream. The election official would retrieve the receptacle on Election Day. May we allow the election office to place its ballot collection receptacle in our lobby as a convenience to voters?

A. No, Postal Service policy on the appearance of retail lobbies does not permit placement of an election office ballot collection receptacle in a Post Office lobby.

Q. Is there a website where election officials can get information on mailing?

A. Yes, direct election officials to the Election Officials’ Mailing Resources site on USPS.com® at www.usps.com/electionmail.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <http://www.usps.com/missingmoneyorders/security.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Note: Mail order catalogs are prohibited as SAM or PAL mail.

A. Securities, currency, or precious metals in their raw, unmanufactured state are prohibited. Official shipments are exempt from this restriction.

A1. Mail addressed to "Any Servicemember," or similar wording such as "Any Soldier," "Sailor," "Airman," or "Marine"; "Military Mail"; etc., is prohibited. Mail must be addressed to an individual or job title such as "Commander," "Commanding Officer," etc.

B. Regardless of mail class, a customs declaration form is required for all items weighing 16 ounces or more, or any item (regardless of weight) containing potentially dutiable mail contents (e.g., merchandise) addressed to an APO, FPO, or DPO ZIP Code. PS Form 2976 is required for items weighing less than 16 ounces, and PS Form 2976-A is required for items weighing 16 ounces or more. No customs form is required for items weighing less than 16 ounces when the contents are not potentially dutiable (e.g., documents). When the surface area of the address side of the mailpiece is not large enough to contain a PS Form 2976-A, the smaller PS Form 2976 may be substituted (e.g., the Priority Mail Small Flat Rate Box). The following exceptions apply:

- Known mailers are exempt from providing customs documentation on non-dutiable letters or printed matter. Business Connect Quarterly Contest — Quarter 1, Fiscal Year 2011

The Business Connect™ Quarterly Contest for Quarter 1, Fiscal Year (FY) 2011, runs from October 1, 2010, to December 31, 2010, and is focused on Priority Mail® Flat Rate Envelopes and Boxes. The objective is to conduct a minimum of five Business Connect activities — all of which must focus on Priority Mail service.

Competition Rules

Qualified participants include postmasters, station managers, managers of customer service, branch managers, and supervisors. Sales team members and customer relations coordinators are not eligible to enter, but they will be critical in the support and success of the participants.

Activities throughout the competition will automatically count towards monthly program targets, but to qualify for the contest, activities listed as requirements for that quarter must be completed and documented in the Business Connect Data Center at <http://blue.usps.gov/marketing/businessconnect/welcome.htm>; in the right side box, click *Go to Business Connect Data Center/Reports*. (An activity can be an individual meeting, group presentation, or lobby event.)

After the quarter (i.e., after December 31, 2010), the names of all qualified participants (i.e., those who have met the minimum activity requirements) will be entered into a random prize drawing for one Grand Prize winner and 50 runner-up winners.

Bonus Points: For every sale for at least \$5,000 in estimated annualized revenue, the qualified participant will have his/her name entered an additional time into the drawing. For example, a qualified participant who doesn't make a sale for \$5,000 will have his/her name entered once in the drawing (for having completed the requirements); a qualified participant who makes one sale for \$5,000 will have

his/her name entered twice (once for having completed the requirements, and once for the \$5,000 sale); and a qualified participant who makes one sale for \$5,000 and one sale for \$10,000 will have his/her name entered three times (once for having completed the requirements, once for the \$5,000 sale, and once for the \$10,000 sale).

Additional Rules

Participants must complete five Business Connect activities promoting Priority Mail Flat Rate Envelopes and Boxes. To receive credit, participants must document their activities in the Business Connect Data Center by 11:59 P.M. CT on December 31, 2010. Select "Priority Mail (BC Contest)" as your activity.

Prizes

A random drawing will be conducted after each quarter to award the Grand Prize and the 50 runner-up prizes. After Quarter 1, a qualified participant will have his/her name entered into a drawing for the Grand Prize — a 3-day/2-night trip for two to the National Postal Forum in San Diego, California, as a special guest of the USPS® trade show team in May. Also, 50 runner-up winners will be selected to receive a gift certificate for a prize selection of their choice (\$50 value). To qualify, a winner must be a career employee of the U.S. Postal Service® through May 20, 2011, to accept the Grand Prize.

Additional Information

If you have questions about The Business Connect Quarterly Contest, e-mail Businessconnect@usps.gov. In the subject line, include the word "Contest" and your district name (for example: "Contest — Houston District").

Business Connect® First Quarter Contest

Just like a Flat Rate Box. Only flatter.

Key message for this quarter: Priority Mail® Flat Rate Envelopes ship to any state for just \$4.90.

There's a simpler way to ship documents. That's the big news to bring to your business customers this fall. There's no confusing surcharges and no complicated zone-based pricing.

What's more, our envelope combines with our four boxes to give your business customers a simpler way to ship a wide range of items. Remember these benefits of our Flat Rate portfolio when meeting with customers:

Presentation tips and materials.

Use the Flat Rate Envelope "hanger."

We have enclosed five (5) envelope "hangers" to assist you with your efforts. Prior to a customer meeting, insert the short flap of the hanger into a Flat Rate Envelope so that the promotional copy hangs outside. Leave the envelope and hanger with the customer at the conclusion of your meeting. This gives the customer details on how to order Flat Rate Envelopes and provides a product sample to try.

How to identify businesses for your meetings.

Seek out document shippers for your meetings. While nearly every business ships documents, the "FIRE" industries (financial, insurance, and real estate) are a smart place to focus because of their need to ship contracts and forms. Law offices are also good prospects.

Take advantage of the Opportunity Tool Kit. You can also use the Opportunity Tool Kit to find prospects. Access it through the Business Connect Resource Center from the Blue Page: <http://blue.usps.gov/marketing/businessconnect/welcome.htm>

Under "Packages," type in your ZIP™ Code to find contact information for local companies.

Contact the companies. Let them know that you'd like to stop by with a Flat Rate Envelope to show them how it can simplify their document shipping. Be sure to mention that the envelope ships anywhere in the country for a Flat Rate of just \$4.90. After each meeting, remember to make a follow-up call within a few days to ask if the customer has any questions and would like any additional help.

Don't forget about materials in inventory.

You can also order materials from inventory to enhance your selling efforts. Many of the items from past Business Connect initiatives remain available.

Finally, be sure to involve carriers.

Letter and Rural Carriers are a great support system for leads. You'll find Flat Rate Envelope tear pads enclosed. Distribute sheets from these pads to your carriers. The compact design makes it easy for carriers to keep on person and share with interested customers.

NOTE: You can order additional leave-behinds from the BCDC order site while supplies last.

Philately

Quarter 1 Philatelic Products for Sale in Retail

In mid-October, participating Post Office™ locations will receive a shipment of new philatelic products to display and sell during Quarter 1, Fiscal Year (FY) 11. Upon receipt, offices must assign these products as part of their Retail Floor Stock in POS ONE in order to enable the Inventory Replenishment System (IRS) that monitors and replenishes products as they are sold. Failure to do so will result in unwanted product replenishment and unit accountability inflation. Standard operating procedures (SOPs) for philatelic product acceptance are posted on the Retail website on Blue at http://blue.usps.gov/retail/L2ProdServ_RetailProducts.htm. To access the SOPs, click *Receiving Philatelic Product* on the right side of the page under “Standard Operating Procedures.”

The following philatelic products should be displayed on the Featured Items section of slatwall in participating postal lobbies during Quarter 1, FY 11:

Item Number	Philatelic Products for Display in Retail in Quarter 1	Price
465599	Sunday Funnies Cancellation Keepsake (new)	\$16.95
679799	Holiday Evergreen Cancellation Keepsake (new)	\$10.95
886600	Holiday Evergreen Notecard Set (new)	\$11.95
576094	Adopt a Shelter Pet Notecards (remains on display)	\$12.95
576077	Adopt a Shelter Pet Dog Diary (remains on display)	\$14.95
576078	Adopt a Shelter Pet Cat Diary (remains on display)	\$14.95
991000	2010 Stamp Yearbook (new, shipped separately in October for display throughout the year)	\$59.95
891000	The Postal Service Guide to U.S. Stamps, 37th Edition (new, shipped separately with yearbook in early October for display throughout the year)	\$19.95

Note: The *Adopt a Shelter Pet* notecards and diaries from Quarters 3 and 4 (FY 10) will remain on display in Quarter 1

(FY 11) (along with the new products provided in the October shipment) and should be featured as the “Consumer Products of the Month” for October. This means that employees who conduct retail transactions should make customers aware of these products and their features to maximize opportunities to generate revenue. In keeping with the Retail Customer Experience Program (Question 12), do not substitute one of the “Consumer Products of the Month” for any of the required additional products (stamps, mailing/shipping supplies, PO Box rentals, and money orders) that *must* be offered.

To view a copy of the Quarter 1 planogram showing the proper placement of these philatelic products on the Featured Items slatwall, refer to the Retail website on Blue at the URL above, and under “Planograms,” click *Quarter 1 Featured Product*.

The following products should be removed from display in Quarter 1:

Item Number	Philatelic Products to be Removed From Display in Quarter 1
465274	Negro Leagues Baseball Folio
575299	Pansies in a Basket Cancellation Keepsake
465099	Katharine Hepburn Cancellation Keepsake
465366	Cowboys of the Silver Screen Post Cards (new)
990900	2009 Stamp Yearbook

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station

established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date*.

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserviced.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks,

followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The following pictorial postmark has been extended for 30 days:

How to Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city. The first day of issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

Stamps by Mail — Brochure Ordering Information

This article publishes the Stamps by Mail® (SBM) print run cutoff schedule for fiscal year (FY) 11. Each date has a designation whether it is for the year-round (YR) brochure or the holiday (HOL) brochure. The remaining FY 11 print cycle cut-off date is as follows:

- November 5, 2010 (Price Change).
- January 14, 2011 (YR).
- April 8, 2011 (YR).
- May 20, 2011 (YR).
- June 24, 2011 (YR).
- August 19, 2011 (HOL).

Starting with the June 25, 2010, print cycle, the English-only brochures have been replaced with bilingual (English and Spanish) brochures. All orders received from SBM sites by June 25 and thereafter will be provided bilingual brochures. There is no change in the price.

To order brochures, submit PS Form 3227-O, *Stamps by Mail Brochure Order Form* (January 2009), to Cyril-Scott Company:

Cyril Scott Company
PO Box 627
Lancaster, OH 43130-0627
Telephone: 800-466-0455
Fax: 740-689-0210

You can find this form at <http://blue.usps.gov>; click *Forms*, and then select the form by number. A copy of this form appears on page 63 in this *Postal Bulletin*.

The cost per unit of 500 is \$12.51. This cost includes overprinting the address of the fulfillment office placing the order. You may pay for orders (under \$10,000) with local IMPAC credit cards, checks, or money orders. However,

Cyril-Scott Company cannot process the order until it receives payment. Local eBuy procedures may also apply (refer to local procurement procedures). Cyril-Scott Company must receive orders placed by mail by close of business the day of the print run cut-off date listed here. Orders received after the cut-off date will be processed the next print run date.

All local Post Offices™ and centralized sites should follow the ordering instructions contained within this article and utilize local funds.

For Orders Exceeding \$10,000

Use eBuy to process both centralized and decentralized brochure orders that exceed \$10,000.00. In the Purchasing Method field, select "Route Req to Supply Mgmt," then in the After Approval Route field, select "Eastern Services CMC (Memphis, TN)." Include completed PS Form 3227-O with imprint information with the eBuy order.

Note: These approved eBuy orders must be received by Supply Management at least 10 days prior to a published run cut-off date to be included in that run.

Cyril-Scott Company will deliver orders within 35 calendar days after printing. Printing begins 1 week after the deadline date, and actual receipt of the order will depend on the ultimate destination and the corresponding delivery service standard. You should save copies of all orders placed at your local Post Office until the order has been received. Ensure procedures are in effect locally for proper verification of receipt.

A close-up photograph showing a hand holding a blue handheld scanner. The scanner is positioned over a USPS shipping label. The label has a barcode and some text, including "BROOKLYN", "112 TUE", and "5390a". The scanner's screen shows a small image of the label being scanned. The background is slightly blurred, showing a red surface, possibly a mailbox or a sorting bin.
