Field Information Kit: April 17, 2011, Domestic and International Mailing Services Price Changes

On January 13, 2011, the Postal Service™ announced new prices and product features for the following domestic and international Mailing Services:

- First-Class Mail®.
- First-Class Mail International®.
- Periodicals.
- Standard Mail®.
- Package Services.
 - Bound Printed Matter.
 - Library Mail/Media Mail.
 - Single-Piece Parcel Post.
- Extra Services and Fees.

The new prices take effect April 17, 2011, almost 2 years after the Postal Service last raised prices for Mailing Services products. According to the Postal Accountability and Enhancement Act of 2006, Mailing Services prices can increase no more than the rate of inflation as measured by the Consumer Price Index (CPI).

Mailing Services prices will increase by an average of 1.741 percent across each class of mail. Because the price cap applies to each class of mail, rather than to each product within a class, some products within a mail class have an increase that is higher or lower than 1.741 percent.

Highlights of Changes

Single-piece, 1-ounce First-Class Mail letters will remain \$0.44, with additional ounces increased to \$0.20. The price for mailing a First-Class Mail postcard will increase 1 cent to \$0.29. New price categories also will be added for First-Class Mail commercial parcels. Qualifying customers can receive commercial base and commercial plus pricing for First-Class Mail parcels.

New mailing standards consisting of classification changes to support the price changes also will be implemented. Prices for other mailing services will also change, with business mailers seeing price increases in a variety of categories.

Frequently Asked Questions

General

Q. When are Postal Service Mailing Services prices changing?

A. April 17, 2011. This includes new prices for First-Class Mail, Standard Mail, Periodicals, Package Services (Single-Piece Parcel Post®, Bound Printed Matter, and Media Mail/Library Mail), First-Class Mail International, and Special Services — a broad category including many products such as money orders and Return Receipt and services such as insurance and Collect on Delivery (COD).

Q. Are the First-Class Mail prices changing in April 2011?

A. Yes, but the single-piece, 1-ounce, First-Class Mail stamp will remain unchanged on April 17, 2011.

Q. What will be the new price for a First-Class Mail stamp for letters?

- A. At this time, the price of a single-piece, 1-ounce, First-Class Mail stamp remains \$0.44.
- Q. Will the Forever® stamp still be available?*
- A. Yes. Forever stamps don't have a denomination and are honored whenever they are used. The current price of the Forever stamp is \$0.44. Beginning with the issuance of the *Lunar New Year — Year of the Rabbit* stamp on January 22, 2011, all new First-Class Mail commemorative stamps will be Forever stamps.
- Q. Are Forever stamps available in coils?*
- A. Yes, Forever stamps coils were first issued on December 1, 2010.
- Q. Can Forever stamps be used for international mail?*
- A. Customers can use Forever stamps for international mail, but since all international prices are higher than domestic prices, customers will need to attach additional postage. The value of the Forever stamp is the domestic First-Class Mail 1-ounce letter price in effect on the day of use.
- Q. Where are the new Mailing Services prices listed?*
- A. The April 2011 new prices are available on Postal Explorer at <http://pe.usps.com>.
- Q. How much are Postal Service prices changing?*
- A. Postal Service Mailing Services prices will increase by 1.741 percent, on average, across each class of mail.
- Q. Didn't the Postal Service just raise prices in January?*
- A. The January 2011 price change was for Shipping Services — Express Mail®, Priority Mail®, Parcel Select®, Parcel Return Service, Global Express Guaranteed® (GXG®), Express Mail International® (EMI), and Priority Mail International® (PMI). The prices for Mailing Services have not changed since May 2009.
- Q. How did the Postal Service come up with 1.741 percent for the Mailing Services price change?*
- A. By law, Mailing Services prices can increase by no more than the rate of inflation as measured by the Consumer Price Index (CPI).
- Q. Are Shipping Services prices also changing in April?*
- A. No, the price change for Shipping Services was implemented on January 2, 2011.
- Q. Has the Postal Service considered cutting costs rather than raising prices?*
- A. The Postal Service is aggressive about cutting its costs responsibly. Like many other businesses, the Postal Service cannot fully make up for the increase in its expenses by cutting costs. Many costs are influenced by outside factors such as transportation

and economic conditions. However, for each of the past several years, the Postal Service has taken more than a billion dollars in costs out of the postal system.

First-Class Mail

- Q. Will there be an increase to the price for additional ounces?*
- A. Yes, the additional ounce price for single-piece First Class Mail letters increases by 3 cents to \$0.20.
- Q. Is the nonmachinable surcharge increasing?*
- A. No, the nonmachinable surcharge (typically paid by customers who mail square or rigid letter-size pieces) has not changed; it remains \$0.20.
- Q. Will the price for postcards increase?*
- A. Yes, the price for mailing a single piece First-Class Mail postcard is going up 1 cent, to \$0.29. Stamped postcards will increase to \$0.32.
- Q. How are prices changing for First-Class Mail presort letters?*
- A. For First-Class Mail presort letters and cards, most prices increase on average between \$0.005 and \$0.008. There is no change to the additional ounce price, which remains at \$0.125.
- Q. How are the prices changing on lightweight single-piece First-Class Mail parcels?*
- A. All lightweight single-piece First-Class Mail parcels weighing up to 3 ounces will have the same price; for example, the retail price is \$1.71.
- Q. Are there any changes to First-Class Mail classifications?*
- A. Yes, price categories for First-Class Mail parcels have been renamed retail and commercial. This distinction aligns those parcels with the type of mailers and payment methods used, a distinction already in place for other package products such as Priority Mail items.
- Q. Are there any innovations for mailers of First-Class Mail presort parcels?*
- A. Yes, mailers can qualify for commercial base prices and they can also qualify for commercial plus prices when they agree to a volume commitment with the Postal Service. Furthermore, for commercial plus First-Class Mail parcels, we are raising the weight limit from 13 ounces to just below 16 ounces.
- Q. Who qualifies for commercial base prices?*
- A. Commercial base prices, which are lower than retail prices, are available for mailers who pay postage by permit imprint, information-based indicia (IBI) postage meter, or PC Postage®. Single-piece parcels that

are the residual portion of a presorted parcel mailing may also qualify for commercial base prices.

Q. Who qualifies for commercial plus prices?

A. Commercial plus prices are available to new and existing First-Class Mail customers who establish a customer commitment agreement with the Postal Service, pay postage by using a permit imprint, meet specific mailing requirements, and exceed a minimum volume threshold.

Q. Are there any terminology changes for Standard Mail prices?

A. There are just two minor changes — referring to prices for Standard Mail nonmachinable letters over 3.3 ounces as nonmachinable letter prices rather than nonautomation flats prices and referring to high density and saturation prices for nonautomation letters as nonautomation high density and nonautomation saturation letter prices.

DMM Revision: Carrier Release Endorsements

Effective April 17, 2011, the Postal Service™ will revise the *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 102.4.3, 202.4, 302.4.3, 402.3.3 and 508.1.2 to clarify that uninsured parcels and parcels not requiring a signature may bear the endorsement “CARRIER — LEAVE IF NO RESPONSE.”

In addition to the clarification, the Postal Service provides an alternate placement option that requires the endorsement to only be placed directly below the return address. The new placement location option allows the “CARRIER — LEAVE IF NO RESPONSE” endorsement to also be placed to the left of the postage area.

The carrier release endorsement program is applicable when used with parcels and is, therefore, only incorporated into the parcel section of the DMM.

DMM Revision: New Mailing Standards for Domestic Mailing Services

Effective April 17, 2011, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) to update pricing and eligibility standards for commercial First-Class Mail® items; to eliminate the sale of Standard Mail® stamped envelopes; and to extend changes to weight computations for Package Services flats to mirror changes made previously for Package Services parcels. We also make a minor change to clarify new terminology regarding Standard Mail nonmachinable letters.

On February 16, 2011, the Postal Regulatory Commission (PRC) determined that the Postal Services' request for Mailing Services price change complied with statutory requirements. The request included changes to prices and mailing standards outlined here.

First-Class Mail Parcels

The Postal Service establishes a separate commercial base price category for single-piece First-Class Mail parcels, and new commercial plus prices designed for First-Class Mail parcels over 13 ounces up to less than 16 ounces in weight.

Commercial Base

Mailers will be able to pay commercial base single-piece First-Class Mail prices for their parcels when they pay postage by any of the following three methods: permit imprint, information-based indicia (IBI) meters, or PC Postage®. Parcels with IBI-metered postage or PC Postage, claiming a presorted price or the new commercial single-piece parcel price, must be marked "CommercialBasePrice" in addition to the First-Class Mail marking. Presorted parcels also must be marked "Presorted." The "CommercialBasePrice" marking may be either within or directly below the indicia area. Except for parcels entered at the new commercial plus prices, First-Class Mail items cannot exceed 13 ounces.

Commercial Plus

The Postal Service also introduces a new commercial plus price category designed for First-Class Mail parcels over 13 ounces but less than 16 ounces. The commercial plus pricing option will be for First-Class Mail customers who pay postage with permit imprint, meet specific mailing requirements, and whose account volume exceeds a minimum threshold. All First-Class Mail parcels mailed at commercial plus prices must be marked "CommercialPlusPrice."

First-Class Mail commercial plus parcels must be machinable parcels that weigh more than 13 ounces but less than 16 ounces. Qualifying mailers also will have the option to pay commercial plus parcel prices for machinable parcels weighing less than 13 ounces (with a minimum weight of 3.5 ounces, the minimum for machinable par-

cels). A flat commercial plus price is charged at a single-piece price and each of the following presorted price levels: 5-digit, 3-digit, and ADC. Commercial plus parcels may be commingled with other First-Class Mail parcels, subject to adequate documentation. First-Class Mail commercial plus parcel prices will be available for customers who:

- Establish a customer commitment agreement with the Postal Service to mail more than 5,000 First-Class Mail machinable parcels at commercial plus prices in a calendar year.
- Pay for postage using a permit imprint.
- Enter a minimum of 500 pieces of mail for each presorted mailing or a minimum of 200 pieces or 50 pounds of mail for each single-piece mailing.
- Use the Electronic Verification System (eVS®) or submit an electronic postage statement with a computerized manifest.

Additionally, permit holders using Merchandise Return Service (MRS) for First-Class Mail machinable parcels will be eligible for commercial plus parcel prices if the total of their First-Class Mail MRS and outgoing volume meet the minimum volume commitment.

Discontinuation of Standard Mail Stamped Envelopes

Standard Mail (including nonprofit) stamped envelopes will no longer be available for purchase. The Postal Service has determined that sales of Standard Mail envelopes have been declining over the past 10 years and that these items be discontinued because alternatives are readily available.

More and more Standard Mail customers have opted to affix precanceled stamps or use permit imprints on commercially available envelopes. Since these alternatives are readily available, the Postal Service eliminates Standard Mail stamped envelopes from our schedules and inventory lists. The eliminated product numbers are: 215100, 215200, 262700, 262800, and 216400.

Determining Single-Piece Weights for Package Services Flats

The Postal Service revises the standards for determining single-piece weights for flats mailed at Bound Printed Matter, Media Mail, and Library Mail prices to match the change in January 2011 for Package Services parcels. All single-piece weights for these types of flats will be expressed in pounds calculated to two decimal places instead of the current four decimal places.

Standard Mail Nonmachinable Letters

We also make slight revisions to DMM 201 to coordinate changes implemented in January to refer to prices for Stan-

Standard Mail nonmachinable letters over 3.3 ounces as nonmachinable letter prices rather than nonautomation flats prices.

 2. Print a “Single-Piece” or “SNGLP” correction marking preceded by two asterisks on a line directly above or two lines above the address in a mailer keyline or a manifest keyline.
- b. Other Markings. In addition to the basic marking in 2.4.1a, First-Class Mail parcels claiming commercial parcel prices must be marked as follows in a prominent location on the address side of the parcel:
 1. Except for parcels paid for by permit imprint postage, parcels claiming commercial base prices must be marked “CommercialBasePrice” or “ComBasePrice.”
 2. All parcels claiming presorted commercial plus prices must be marked “CommercialPlusPrice” or “ComPlsPrice.”

POM Revision: Establishment of City Delivery Service

Effective March 10, 2011, the Postal Service™ will revise the *Postal Operations Manual* (POM) Part 641, *Establishment of City Delivery Service*, to reduce the percentage of building lots improved with houses or places of business necessary to establish city delivery.

POM section 641.2b currently requires at least 50 percent of the building lots to be improved, which has led to occasional delays in the timeliness of establishing delivery when considering the entirety of a development. Commonly referred to as the “50 percent rule”, this revision adjusts the percentage from the current level of 50 percent down to 10 percent.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <http://www.usps.com/missingmoneyorders/security.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and

which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO/DPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

Temporary Suspension of Mail Service to Libya

Effective March 1, 2011, the Postal Service™ suspended mail service to Libya. Until further notice, all Post Office™ and other acceptance locations must *not* accept any mail destined to the country of Libya. The temporary suspension affects Global Express Guaranteed® (GXG®), Express Mail International®, Priority Mail International®, First-Class Mail International®, International Priority Air-mail™ (IPA®), International Surface Air Lift® (ISAL®), and M-Bag items.

For already deposited items addressed to Libya (but not including items already at an International Service Center), Postal Service employees must endorse them “Mail Service Temporarily Suspended — Return to Sender” and then place them in the mailstream for return. Items already at an International Service Center may be returned or held for dispatch once service is restored in accordance with USPS® policy.

For all returned GXG items, Express Mail International items, or any other item bearing a customs declaration form, upon request, the Postal Service will refund postage and fees on mail returned due to the suspension of service.

For all other returned items not bearing a customs declarations form, upon request, the Postal Service will refund postage and fees on mail returned due to the suspension of service, or the sender may remail them with the existing postage once service to Libya has been restored. When remailing under this option, customers must cross out the marking “Mail Service Temporarily Suspended — Return to Sender”.

Stamp Announcement 11-19: The Civil War: 1861

© 2010 USPS

On April 12, 2011, in Charleston, South Carolina, the Postal Service™ will issue *The Civil War: 1861* (Forever® priced at 44 cents) commemorative se-tenant pair (two designs) in a pressure-sensitive adhesive (PSA) souvenir sheet of 12 stamps (Item 576300). The stamps, designed by Phil Jordan, Falls Church, Virginia, will go on sale nationwide April 12, 2011. **The \$5.28 *The Civil War: 1861* souvenir sheet may not be split, and the stamps may not be sold individually.**

With this issuance, the U.S. Postal Service® begins a series commemorating the 150th anniversary of the Civil War, joining others across the country in paying tribute to the American experience during the tumultuous years from 1861 to 1865. A souvenir sheet of two stamps will be issued each year through 2015. For 2011, one stamp depicts the beginning of the war in April 1861 at Fort Sumter, South Carolina, while the other depicts the first major battle of the war 3 months later at Bull Run, near Manassas, Virginia.

Art Director Phil Jordan created the stamps using images of Civil War battles. The Fort Sumter stamp is a reproduction of a Currier & Ives lithograph, circa 1861, titled "Bombardment of Fort Sumter, Charleston Harbor." The Bull Run stamp is a reproduction of a 1964 painting by Sidney E. King titled "The Capture of Rickett's Battery." The painting depicts fierce fighting on Henry Hill over an important Union battery during the Battle of First Bull Run. For the stamp pane's background image, Jordan used a photograph dated circa 1861 of a Union regiment assembled near Falls Church, Virginia.

Stamp distribution offices (SDOs) and stamp distribution centers (SDCs) will receive approximately 25 percent of their standard automatic distribution quantity for a PSA

sheet stamp. Distributions are rounded up to the nearest master carton size of 1,400 panes (16,800 stamps).

SDOs/SDCs will make a subsequent automatic distribution to Post Offices of approximately 25 percent of their standard automatic distribution quantity using PS Form 17, *Stamp Requisition/Stamp Return*. SDOs/SDCs must not distribute this commemorative sheet to Post Offices before March 29, 2011.

The \$5.28 *The Civil War: 1861* commemorative sheet may not be split and the stamps may not be sold individually.

Additional Supply

All Post Offices must acquire and maintain a supply of each new commemorative stamp as long as customer demand exists, until inventory is depleted, or until the stamp is officially withdrawn from sale. If supplies run low, Post Offices must reorder additional quantities using their normal ordering procedures.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in *italics* under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The following pictorial postmark has been extended for 60 days:

How to Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city. The first day of issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of issue digital color postmark to the corresponding city of

issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

What's New in eBuy2? A Greener Choice ... Excess Items Catalog

The Excess Items Catalog (EIC) in eBuy2 is a one-stop shop for obtaining and posting excess equipment and supplies. Not only is the EIC a priority source for satisfying day-to-day operational needs, but using the EIC is a greener choice because it promotes reuse, reduces waste, and saves the Postal Service™ money.

The EIC is also a terrific way to get supplies or equipment at little or no cost. There are only two situations where costs will be associated with items obtained from the EIC:

1. When capital equipment is transferred to another facility, a completed PS Form 7340, *Property Transfer Request*, must be submitted to the supporting Asset Accountability Service Center (AASC) (see link under "Helpful Links") for processing. If the capital equipment has an undepreciated balance, the remaining depreciation is assumed by the gaining activity.
2. If equipment cannot be shipped using postal transportation, the site requesting activity should contact the site shipping activity or the AASC to coordinate the shipment method and approve the payment of transportation services, if required.

Posting excess items to the EIC is easy:

- Log into eBuy2.
- Select the *Excess Items* tab at the top.
- From the left menu, click *Submit New Item*.
- Complete the *Submit Excess Item Listing* form.
- Click *Submit Item*.

Obtaining items from the EIC is just as simple:

- Log into eBuy2.
- Select the *My ProcureIT* tab at the top.
- Click *Search*.
- Select *Browse Supplier*.
- Click *Excess Items* from the supplier listing, and all EIC items will appear. From here you can refine your search to specific items or just page through. Procuring an excess item through EIC is as simple as ordering any other on-catalog item in eBuy2.

So, next time you need to make a purchase, make the EIC your first stop. And if you have excess equipment or supplies that are taking up space on your dock, in your office, or on the workroom floor, make a greener choice by adding them to the EIC!
