Cover Story

Go Green — It's Easier Than You Think

Going green is as easy as turning off lights you aren't using, adjusting the thermostat, using public transportation, and buying local produce.

Those are some of the easy actions highlighted on *Go Green* Forever commemorative stamps, the Postal Service's™ featured social awareness stamp for 2011.

Many of the messages on the stamps — such as “use efficient light bulbs” or “ride a bike” — are things you may be doing already. Others, like composting, require a bit more commitment. But no matter what you choose to do, it's amazing how taking a few small steps can add up to big savings in energy, resources, and costs.

Pre-order sales for *Go Green* stamps are under way now at www.usps.com. The pane of 16 stamps goes on sale April 14, a week before Earth Day is celebrated on April 22.

This year's Earth Day theme encourages simple individual acts as well as large organizational and governmental efforts in support of sustainability. The *Go Green* stamps reinforce the Postal Service's long-time leadership in green awareness and innovation.

In addition to encouraging people to take the everyday eco-smart steps depicted on the stamps, our organization is leading by example.

Promoting these low-cost or no-cost actions brings the Postal Service closer to meeting its 2015 goals of reducing:

- Facility energy use 30 percent.
- Water use 10 percent.
- Petroleum fuel use 20 percent.
- Landfill waste 50 percent.

And by 2020, the Postal Service plans to reduce consumables spending by 30 percent.

With Lean Green Teams already reducing energy, water, solid waste to landfills, and petroleum fuel use at many of our facilities, Postal Service is saving millions of dollars as well as generating millions in revenue through recycling.

“Being green is good for the environment,” says Emil Dzuray, acting Chief Sustainability Officer, “and it's good for the budget, whether you're an organization as large as the Postal Service or a household trying to cut utility bills.”

See the March 24, 2011, issue of the *Postal Bulletin* for a publicity kit and more information about *Go Green* stamps.

DMM Revision: Domestic Shipping Services Product Launch of Parcel Select Regional Ground and Shipping Services Clarifications

Effective April 17, 2011, the Postal Service™ is revising *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 401.1, 401.2, 402.2, 453.1, 453.3, 454.1, 455.7, 456.1, 456.2, 503.4, 503.9, 503.10, 508.7, 602.1, 602.3, 705.2, 705.6, 705.7, 705.8, 705.16, 705.21, 708.6, and labeling list L601 to introduce a new competitive shipping option, Parcel Select Regional Ground™ service, and clarify mailing standards from the January 2011 Shipping Services price change.

On March 16, 2011, the Postal Regulatory Commission (PRC) approved the Postal Services' request for a new competitive shipping option. Parcel Select Regional Ground is a new commercial plus shipping option for mailers who ship lightweight parcels primarily destined for Postal Service zones local, 1, 2, and 3. This competitive, nonpresort product is a category of Parcel Select and is available for mailers who enter barcoded, machinable parcels weighing 5 pounds or less, pay postage with permit imprint, and enter mailpieces at origin Sectional Center Facility (OSCF) and origin Network Distribution Center (ONDC) locations authorized to accept Parcel Select Regional Ground mailings. When either the Intelligent Mail® package barcode or a Confirmation Services barcode is used, Parcel Select Regional Ground service includes optional electronic Delivery Confirmation™ service at no additional charge, which allows mailers to confirm delivery of their packages. Merchandise Return Service cannot be used for items returned at Parcel Select Regional Ground prices.

This domestic product will be available to the 48 states of the continental United States, excluding Hawaii, Alaska, territories and possessions, and freely associated states.

Price Application

Parcel Select Regional Ground prices are based on the weight increment and the zone to which the piece is addressed. The minimum price per piece is the 1-pound price. Mailpieces that do not meet the eligibility requirements will be charged the Parcel Select barcoded, nonpresort price.

Authorization

To qualify for Parcel Select Regional Ground prices, mailers must have a customer commitment agreement with the Postal Service; customers may contact their account manager or the manager, Solutions Development by e-mailing commercialpricing@usps.gov.

Markings and Mail Preparation

The basic required marking "Parcel Select — Regional Ground" must be printed on each piece claimed at this price. The basic required marking must be placed in the postage area (printed or produced as part of, or directly below or to the left of, the permit imprint indicia). Optionally, the basic required marking may be printed on the shipping address label as service indicators composed of a service icon and service banner.

Each piece in a Parcel Select Regional Ground mailing also must bear an additional price marking. Markings must

appear in either the postage area or in the address area on the line directly above or two lines above the address if the marking appears alone. One of the following additional price markings are required:

- Origin SCF Entry — “OSCF”.
- Origin NDC Entry — “ONDC”.

When using the Electronic Verification System (eVS), the marking “eVS” (or the alternative “e-VS” or “E-VS”) must appear directly below the permit number.

Deposit and Entry

Parcel Select Regional Ground mailings must be entered according to the one of the following levels:

OSCF Entry

- Mailings that are entered at the OSCF must include only mailpieces destined for zones local, 1, 2, and 3, but pieces may be destined for addresses outside that OSCF service area.
- No other mailings may be combined on the same postage statement or commingled in the same container with OSCF Parcel Select Regional Ground mailpieces.

ONDC Entry

- Mailings that are entered at the ONDC for zones local-8 are required to have the mailpieces within the ONDC service area segregated from the pieces outside the ONDC service area according to L601.
- No other mailings may be combined on the same postage statement or commingled in the same container with ONDC Parcel Select Regional Ground mailpieces.

Mailings may not be dropped in collection boxes, picked up by carriers, or entered at retail Post Office™ locations. All mailings must be presented for verification and acceptance where the permit is held, at locations and times specified by the postmaster or designee at the approved offices (co-located at OSCF and ONDC locations) that will verify and accept the mailing.

A completed and signed PS Form 3605-R, *Postage Statement — Package Services*, must accompany all mailings, unless eVS is used.

IMM Revision: Mail Preparation to Canada for International Priority Airmail Service

Effective June 6, 2011, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) section 292.47 to indicate that mailers must write “Canada” on the front side rather than on the reverse of PS Tag 115, *International Priority Airmail*. This revision (which will assist Postal Service personnel during

the verification process) is applicable only for International Priority Airmail™ (IPA®) letter-size and flat-size mailpieces that are prepared in trays and destined to Canada.

This revision supersedes the information published in the article “IMM Revision: Mail Preparation to Canada for International Priority Airmail and International Surface Air

Lift Mail Services” in *Postal Bulletin* 22305 (2-24-11, pages 5–6). In a revision to 292.47a, that article stipulated that mailers, when completing PS Tag 115, must write “Canada” on the *reverse* of the tag before taping the tag to the tray sleeve for IPA mailings. However, we are updating this standard to stipulate that mailers must write “Canada” on the *front* side of the tag.

Although the effective date of this requirement is June 6, 2011, this revised text will appear in the IMM that will be released on April 17, 2011, and mailers are encouraged to make this change as soon as possible.

In the revision text published in this article, we have used bold to indicate the revised information, but the text will not be in bold in the published IMM.

- a. ***In addition, the mailer must complete PS Tag 115, *International Priority Airmail*, write “Canada” on the **front side of the tag**, and tape the tag to the tray sleeve.

We will incorporate this revision into the next printed version of the IMM and the online IMM, which is available via Postal Explorer® at <http://pe.usps.com>.

Publication 75, Mover's Guide, News

Effective April 1, 2011, the cover of the Publication 75, *Mover's Guide*, envelope now includes color-coded up/down arrows along with the in-market dates to convey its effective quarter.

The corresponding color codes of the up/down arrows are as follows:

1. December (for January–March use): Black
2. March (for April–June use): Green
3. June (for July–September use): Purple
4. September (for October–December use): Orange

The April 2011 issue of *Mover's Guide*, has been shipped to all Post Office™ facilities. As of April 1, 2011, recycle all expired versions.

Mover's Guide Information

- Offices will receive copies of *Mover's Guide* in one or two shipments. The first shipments arrived in mid-March. The second shipments will arrive 3 to 5 weeks later. Shipments are sent in quantities of 25, 100, and 300.
- Your facility may receive copies of *Mover's Guide* addressed to other offices. Check the labels and forward the guides as necessary. Remember to scan delivery confirmations affixed to each box.

Behind the Counter Program

Below are a few points about program compliance:

- Copies of *Mover's Guide* must be kept behind the counter. No copies of *Mover's Guide* should be placed in the inner or outer lobby or on the clerk counters. Postal carriers are encouraged to distribute Internet change-of-address (ICOA) Message Cards in lieu of copies of *Mover's Guide* on postal routes.
- Retail associates should *encourage* their customers requesting change-of-address information to go online at www.usps.com. ICOA transactions provide customers with the most convenient, safe, and secure way to change their address. Furthermore, ICOA transactions reduce processing time, improve address accuracy, and generate significant revenue for the Postal Service.
- Advise customers to take an ICOA Message Card to reinforce an online change-of-address message.

- Customers unwilling or unable to submit their change of address at www.usps.com should be given a complete, unopened copy of *Mover's Guide*.

Note: The Mover's Guide Behind the Counter Program is part of the ad-hoc section of the 2010 Retail Customer Experience Program, so it is critical that your Post Office be compliant with the program throughout the year by keeping copies of *Mover's Guide* out of Post Office lobbies.

ICOA Message Card Information

- If your Post Office has an ICOA Message Card display, *do not throw it away*. Expect to receive Message Card replenishment boxes labeled with red text with your shipments of *Mover's Guide*. Inside you will find more ICOA Message Cards and an updated banner for your display.
- If your Post Office does *not* have an ICOA Message Card display, you must call the replenishment phone number below for ICOA Message Card replenishment.
- If any Post Office runs out of ICOA Message Cards between shipments, call Imagitas at 800-816-6837 for replenishment.
- All Post Offices must have ICOA Message Cards in their lobbies for customer reference.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at www.usps.com/missingmoneyorders/security.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and

which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO/DPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

Notice for Postal Employees Under Age 26 Who Have a Postal or Federal Parent

Affordable Care Act (ACA) and the Federal Employees Health Benefits (FEHB) Program

Attention Postal Service Employees Under Age 26:

Do you have a parent who is a Postal Service™ or federal employee or retiree?

Is your parent enrolled in the Federal Employees Health Benefits (FEHB) Program with a Self and Family enrollment?

If so, please read the information below carefully and take any necessary action.

- **Children under age 26, even if married**, who are also Postal Service or federal employees are covered under their parent's FEHB Self and Family enrollment **unless** they fall under one of the exceptions below:
 1. The child under age 26 has his/her own family (spouse and/or children) whom he/she chooses to cover under his/her own FEHB Self and Family enrollment; or
 2. The child lives outside the coverage area of his/her parent's health maintenance organization (HMO).
- **If one of the above exceptions applies to you** and you choose to keep your own FEHB enrollment, you and your parent must each notify your respective insurance carriers of the names of the eligible family members to be covered under each enrollment. No one may file claims or receive benefits under both enrollments.
- **If you do not meet one of the exceptions above** and your parent is a Postal Service or federal employee or retiree with an FEHB Self and Family enrollment, you must **contact the Human Resources Shared Service Center (HRSSC)** to cancel your own FEHB enrollment. When you reach age 26 your coverage under your parent's FEHB enrollment will terminate. You will need to contact the HRSSC to notify them of this Qualifying Life Event within 60 days of your 26th birthday and you will then be allowed to re-enroll in the FEHB Program.

For more information, please contact HRSSC at 877-477-3273, option 5; TTY 866-260-7507.

All Post Offices must acquire and maintain a supply of each new commemorative stamp for a minimum of 90 days from the first day of issue and beyond that as long as customer demand exists, until inventory is depleted, or until the stamp is officially withdrawn from sale. If supplies run low, Post Offices must reorder additional quantities using their normal ordering procedures. Post Offices located in communities or areas with high interest in our space program (NASA facilities, military installations, etc.) should ensure they keep supplies of this stamp on hand.

Stamp Announcement 11-26: Purple Heart with Ribbon

© 2010 USPS

On May 5, 2011, in San Diego, California, the Postal Service™ will issue a *Purple Heart with Ribbon* definitive stamp (Forever® priced at 44 cents), in one design in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 114900). With the issuance of the *Purple Heart with Ribbon* stamp, the U.S. Postal Service® again honors the sacrifices of the men and women who serve in the U.S. military. The Purple Heart is awarded in the name of the president of the United States to members of the U.S. military who have been wounded or killed in action.

The new stamp, designed by Jennifer Arnold, Washington, DC, features a photograph taken by Ira Wexler, Braddock Heights, Maryland, of the Purple Heart medal awarded during World War II to 1st Lieutenant Arthur J. Rubin (1917–1978). In 2003, the Postal Service issued its first Purple Heart stamp. It featured a photograph, also taken by Wexler, of a Purple Heart awarded to Lt. Colonel James Loftus Fowler (USMC) in 1968 following an action on the border between North and South Vietnam.

The stamp, art directed by William Gicker, Washington, DC, will go on sale nationwide May 5, 2011.

How to Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city. The first day of issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their can-

celed items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation

Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

Stamp Availability is Critical to Customer Satisfaction

As core, even critical, products of the U.S. Postal Service®, stamps are one of the main reasons customers visit our Post Offices, call our 800 number, or access USPS.com®. Through its stamp program, the Postal Service™ provides a unique opportunity to honor and understand the best aspects of our nation, including accomplished citizens, turning points in history, and stunning natural wonders. Postmasters should ensure that customers are able to select the specific product that they came to the Post Office™ to purchase. Making stamps readily available and promoting their use for mailing and collecting are very profitable activities for the Postal Service.

Analysis of recent Customer Experience Measurement (CEM) data indicates that availability of stamps is critical. When stamps that interest customers are not in stock at the Post Offices they visit most, customer satisfaction plummets. In fact, failure to meet customers' stamp needs can cause the overall Post Office satisfaction rating to drop by as many as 50 percentage points.

To ensure that customers can purchase most commemorative/collectible stamps on their first day of issue, Post Offices receive automatic distributions. Stamps/Philately articles published in the *Postal Bulletin* announce whether an automatic stamp distribution will be sent, as well as the approximate distribution percentage (standard, half, quarter, etc.). Postmasters can and should pre-order additional stamps to meet the needs of their community and to keep their CEM ratings strong. It's vital to make every customer experience a positive one.

Postmasters should order stamps through their Stamp Distribution Office/Stamp Distribution Center (SDO/SDC) at least 30 days prior to the first day of issue. As policy, all Post Offices must acquire and maintain a supply of each new commemorative stamp for a minimum of 90 days from the first day of issue date and beyond in accordance with customer demand until inventory is depleted or the stamp is officially withdrawn from sale.

Important Postal Voyager Fleet Card Updates

Ongoing Sarbanes-Oxley Act (SOX) remediation teams are still discovering that vehicle offices are not correctly completing required reconciliation activities. Specifically, teams continue to find that managers are certifying reconciliations without proper receipts and that managers are not investigating potential duplicate, incorrect, or fraudulent transactions.

Therefore, the following changes will be implemented effective April 4, 2011.

1. To limit the Postal Service's™ liability from these reconciliation gaps:
 - a. The number of transactions permitted for an individual card will be limited to three transactions daily, with a daily transaction limit of \$300.00. A monthly transaction limit per individual vehicle card will be limited to \$1,000.00.
 - b. The number of transactions permitted for a single PIN will be limited to three transactions daily with a daily transaction limit of \$300.00. A monthly transaction limit per PIN will be limited to \$1,000.00.
 - c. Minor vehicle repairs charged to an individual vehicle are included in the above limits. Repairs over \$300.00 will require the use of the office's "Z" card. Transaction limits and PIN transactions associated with the use of an office's "Z" card will be set by the servicing vehicle maintenance facility (VMF) manager based on operational requirements.

The site's servicing VMF manager will still retain the capability of changing the limits for a particular card or PIN.
2. Voyager has started procedures to print postal vehicle numbers on receipts obtained from fuel purchases using the Voyager Postal Fleet Card. Starting in April, this will be accomplished via a rolling implementation as new cards are issued to each postal area during the remainder of fiscal year 2011. All cards are expected to be converted by December 2011. Until this is effective in your area, continue to annotate vehicle numbers on all of your receipts.
3. The eFleet Card System (Fuel Asset Management System (FAMS)-eFleet) allows postmasters and local site managers to accomplish the required monitoring and transaction validation. This system also high-

lights potentially questionable transactions as exceptions and allows reconcilers to add comments systematically to individual transactions. Effective April 4, 2011, comments documenting examination results in FAMS for all high risk (red colored) transactions are mandatory in each appropriate transaction's comment box.

4. Comments documenting examination results in FAMS for all high risk (red colored) transactions are mandatory in each appropriate transaction's comment box.
5. SOX reconciliation failures result from key controls not being followed. Please ensure that reconcilers are not only reviewing the invoice report in FAMS, but are also ensuring they have receipts for all transactions and are attaching the receipts to the invoice report. Additionally, receipts should be reviewed to ensure that no unauthorized items are purchased.
6. All PINs must have a postal employee's name and must have a finance number associated with them otherwise they will be cancelled. Those with no name or a name or no finance number associated with a PIN will be deleted.

Training on current procedures for all reconcilers is available at <http://blue.usps.gov/purchase/voyager/overview.shtml>.

eFleet webinars are currently being planned to clarify these changes, and the schedule and recordings of the sessions will be available/posted on the Voyager Postal Fleet Card webpage at <http://blue.usps.gov/purchase/voyager/index.shtml> when they are completed.

Additionally, training is being replatformed into the Learning Management System (LMS), and after that occurs, all current users of eFleet must retake the training. We expect the training to be replatformed into the LMS in May and we will be advising via *Postal Bulletin* articles when the training is available in the LMS.
