Voice of the Employee — Your Opinion Matters

The Voice of the Employee (VOE) survey is a mechanism to measure employee engagement. Why measure employee engagement? Because engaged employees feel valued by the organization, have a sense of ownership, understand how they contribute to the organization's success, and share in improving the work environment.

Analyses of VOE survey data conducted over the past year have consistently shown significant relationships between employee engagement and the performance of the Postal Service™. Districts with higher VOE index scores tend to have better performance on several National Performance Assessment (NPA) indicators including Express Mail®, First-Class™ Overnight, First-Class 2-day, and First-Class 3–5 day service. More engaged districts also have lower rates of motor vehicle accidents, injuries, and illnesses.

The Fiscal Year 2011, Quarter 2 results for the VOE survey have been compiled. More than 79,000 employees — 56 percent of those surveyed — responded. Of those who responded to the survey, 65 percent replied favorably. The majority of our employees understand the Postal Service's strategic direction and how their work affects the organization's success. Seventy-five percent of employees say they are proud to work for the Postal Service. Seventy-nine percent believe that they have been properly trained to do their job, and 78 percent feel personally responsible for helping the Postal Service succeed.

Ensure that you and your employees' opinions are heard. Make sure all employees are given the opportunity to confidentially complete our employee engagement survey.

DMM Revision: New Customs Declarations Label Requirements

Effective June 6, 2011, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 608.2.4 to require mailpieces containing goods that enter the Customs Territory of the United States (CTUS), from outside the CTUS, to bear a customs declaration label. In addition, this standard would apply to items weighing 16 ounces or more when sent to, from, between, and, in some circumstances, within certain U.S. territories, possessions, and Freely Associated States.

On February 17, 2011, the Postal Service published a final rule *Federal Register* article (76 FR 9231–9233) to implement the specific requirements consistent with the *Code of Federal Regulations*, Title 19, Part 145 — U.S. Customs and Border Protection, Department of Homeland

Security, which requires that all mailpieces containing goods that enter the CTUS, from outside the CTUS, to bear a customs declaration label.

In addition, to ensure compliance with safety and security requirements of the United States Postal Inspection Service® and other federal agencies, we are updating our standards for items weighing 16 ounces or more (regardless of contents) when sent to, from, between, and, in some circumstances, within American Samoa, Guam, Palau, the Federated States of Micronesia, the Commonwealth of the Northern Mariana Islands, the Marshall Islands, and the U.S. Virgin Islands.

The final rule may be read in its entirety at <http://www.gpo.gov/fdsys/pkg/FR-2011-02-17/html/2011-3446.htm>.

DMM Revision: Revised MLOCR Automation Price Marking Codes

Effective June 6, 2011, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM)®* 705.5.3.2a and 2b to provide an updated listing of multiline optical character reader (MLOCR) automation price marking codes. When price and postage markings are applied by an MLOCR, these 2-digit codes must be incorporated into the markings applied to each piece in a mailing in accordance with DMM 705.5.3.2.

The Postal Service is updating this list to provide new codes to differentiate between mailpieces entered at automation prices using a POSTNET™ barcode or the basic Intelligent Mail® barcode option (IMb™) from those entered under the full-service IMb automation option. The Postal Service is also eliminating other codes that are unnecessary under the current pricing structure.

These new changes will be reflected in the July 5, 2011, online DMM update, but mailers may begin preparing their mailings in accordance with these new standards immediately.

Handbooks

Handbook F-101 Revision: Automated Postal Center

Effective April 7, 2011, with the release of R28 on Automated Postal Center® (APC®) systems, a system-generated PS Form 3293, *APC Credit Examination*, along with system-generated count sheets have replaced the requirement to use a manual hard copy PS Form 3294-APC Draft and PS Form 3294, *Cash and Stamp Stock Count and Summary*, to perform and document the APC credit examination. The system will automatically print PS Form 3293 with the electronic signatures of the supervisor and the servicing employee after both have accepted the results of the count.

The upgrade also includes the following changes to the credit examination process:

- The frequency for APC counts has been changed from once every 3 months to once a postal quarter (PQ). (PQ1: October 1 to December 31; PQ2: January 1 to March 31; PQ3: April 1 to June 30; PQ4: July 1 to September 30)
- Servicing employees must enter their login ID and password to start the credit exam and re-enter their password to accept the final results of the exam.
- A new reminder screen has been added to ensure that the semi-annual examination of PS Form 3977, *Duplicate Key, Combination, and Password Envelope*, and the annual examination of keys and locks are performed as required. APC units must continue to maintain the hard copy PS Form 3902, *Form 3977 Log and Lock Examination*, to document the key and lock examination.

Subchapters 5-5 and 13-1 of Handbook F-101 are updated to reflect the changes to the APC system. Additionally, subchapter 21-5 of Handbook F-101 is revised to clarify the process for APC exchanges and refunds. An exchange of stamps does not require PS Form 3533; the exchange must be entered into the POS system, which will record both the stamp item that was returned and the

equivalent item(s) that were provided to the customer. A refund should only be allowed for APC postage labels that were purchased for Express Mail® service and validated as service failure.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at www.usps.com/missingmoneyorders/security.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and

which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO/DPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

Displaying the U.S. Flag and the POW-MIA Flag

U.S. Flag at Half-Staff

How to Display

Displaying the U.S. flag at *half-staff* means lowering the flag to half the distance between the top and bottom of the staff.

Specific Dates

Display the U.S. flag at half-staff on the following days each year:

- May 15: Peace Officers Memorial Day (see note 1 below).
- Last Monday in May: Memorial Day Observed (see note 2 below).
- December 7: National Pearl Harbor Remembrance Day.

Note 1: When May 15, which is the date for Peace Officers Memorial Day, falls on the third Saturday in May, which is the date for Armed Forces Day, display the U.S. flag in the full-staff position, *not* at half-staff.

Note 2: On the last Monday in May, when Memorial Day is observed, display the flag at half-staff from sunrise, or the hour at which you raise it, until noon, and then hoist it to the peak of the staff, until the time of closing or no later than sunset.

POW-MIA Flag

How to Display

In relation to the U.S. flag, display the POW-MIA flag (and any other flag) as follows:

- If displayed on the same flagstaff, place it below the U.S. flag.
- If displayed on a separate flagstaff, place it at the same level or lower. If displayed at the same level, place it on the U.S. flag's left.

When flying the U.S. flag at half-staff, fly the POW-MIA flag (and any other flags) at half-staff also.

Specific Dates

Display the POW-MIA flag on the following days each year:

- Armed Forces Day: Third Saturday in May.
- Memorial Day: Last Monday in May.
- Flag Day: June 14.
- Independence Day: July 4.
- National POW-MIA Recognition Day: Third Friday in September.
- Veterans Day: November 11.

If any of these days fall on a nonbusiness day, display the POW-MIA flag on the last business day before the designated day.

For more detailed information about flying the U.S. flag and the POW-MIA flag, see the following parts in the *Administrative Support Manual (ASM)*:

- ASM 472, U.S. Flag Display.
- ASM 476, POW-MIA Flag Display.

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

Publication 75, Mover's Guide, News

Effective April 1, 2011, the cover of the Publication 75, *Mover's Guide*, envelope now includes color-coded up/down arrows along with the in-market dates to convey its effective quarter.

The corresponding color codes of the up/down arrows are as follows:

1. December (for January–March use): Black
2. March (for April–June use): Green
3. June (for July–September use): Purple
4. September (for October–December use): Orange

The April 2011 issue of *Mover's Guide*, has been shipped to all Post Office™ facilities. As of April 1, 2011, recycle all expired versions.

Mover's Guide Information

- Offices will receive copies of *Mover's Guide* in one or two shipments. The first shipments arrived in mid-March. The second shipments will arrive 3 to 5 weeks later. Shipments are sent in quantities of 25, 100, and 300.
- Your facility may receive copies of *Mover's Guide* addressed to other offices. Check the labels and forward the guides as necessary. Remember to scan delivery confirmations affixed to each box.

Behind the Counter Program

Below are a few points about program compliance:

- Copies of *Mover's Guide* must be kept behind the counter. No copies of *Mover's Guide* should be placed in the inner or outer lobby or on the clerk counters. Postal carriers are encouraged to distribute Internet change-of-address (ICOA) Message Cards in lieu of copies of *Mover's Guide* on postal routes.
- Retail associates should *encourage* their customers requesting change-of-address information to go online at www.usps.com. ICOA transactions provide customers with the most convenient, safe, and secure way to change their address. Furthermore, ICOA transactions reduce processing time, improve address accuracy, and generate significant revenue for the Postal Service.
- Advise customers to take an ICOA Message Card to reinforce an online change-of-address message.

- Customers unwilling or unable to submit their change of address at www.usps.com should be given a complete, unopened copy of *Mover's Guide*.

Note: The Mover's Guide Behind the Counter Program is part of the ad-hoc section of the 2010 Retail Customer Experience Program, so it is critical that your Post Office be compliant with the program throughout the year by keeping copies of *Mover's Guide* out of Post Office lobbies.

ICOA Message Card Information

- If your Post Office has an ICOA Message Card display, *do not throw it away*. Expect to receive Message Card replenishment boxes labeled with red text with your shipments of *Mover's Guide*. Inside you will find more ICOA Message Cards and an updated banner for your display.
- If your Post Office does *not* have an ICOA Message Card display, you must call the replenishment phone number below for ICOA Message Card replenishment.
- If any Post Office runs out of ICOA Message Cards between shipments, call Imagitas at 800-816-6837 for replenishment.
- All Post Offices must have ICOA Message Cards in their lobbies for customer reference.

Stop Sending Copies of PS Form 8176, Premium Forwarding Service Application, to Headquarters

Offices are no longer required to send a copy of PS Form 8176, *Premium Forwarding Service*® (PFS®) *Application*, to Headquarters (HQ). This requirement ended in 2007 when the application was revised and page 4 (HQ copy) was removed. In 2005, the PFS program office at HQ required a copy of page 4 when PFS was an experiment.

However, the experiment ended in 2007 when PFS became an official product offering. Offices that still send copies to HQ are wasting workhours and money — especially some offices that send them by Express Mail®, Registered Mail®, and Priority Mail® service.

Guidelines for Finalizing Indianapolis 500 Stamp Pictorial Postmark Art

Finished Artwork

Unfinished Artwork

To finalize the *Indianapolis 500* stamp pictorial postmark art, insert the date, city, state, and ZIP Code™ of the physical location of your event adjacent to the stamp image. Overall dimensions of the pictorial postmark must not exceed 4 inches horizontally by 2 inches vertically. Collectors prefer the dimensions 3 1/2 inches by 1.

The Postal Service must make all special postmarks known to collectors through advance publicity in the *Postal Bulletin*. Therefore, all special dedication cancellations must be reported to Stamp Services 2 weeks before the events using PS Form 413, *Pictorial Postmark Announcement/Report*. To get a copy of the form, go to <http://blue.usps.gov/formmgmt/pt.htm>.

Important Facts to Know for Selling the Kits

- All PhotoStamp kits include a coupon for twenty PhotoStamps in the current 1-ounce letter rate postage *regardless* of the postage amount pictured on the package.
- This new price is very competitive with online pricing for twenty 1-ounce letter PhotoStamp postage stamps.
- There is no such thing as an old kit, only the picture on the cover is different. Sell all the kits that you have in inventory.
- Customers will need a computer and digital image and Internet access to redeem the PhotoStamp coupon, which is in each of the cartons.

Sign Package Contents

- PhotoStamp New Price Dangler — This dangler is to be hung over the PhotoStamp kits hanging on the slatwall. For offices without slatwall, use the cardboard display holding the product and place on the writing table.
- To install on slatwall: Remove the tape and place the dangler so that the signage dangles over the kits.
- To install on cardboard display: Using your own tape — attach the “T” to the back of display — and allow the signage to dangle over the kits.

- PhotoStamp New Price Counter Sign — This sign is designed to be put on a writing table.*
- PhotoStamp Slatwall Price Sign — put in your existing slatwall acrylic price sign holder.
- PhotoStamp New Price Packing Notice.

***Note:** Display of this PhotoStamp New Price Counter Sign may be in addition to but not in place of existing authorized signage.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.
