The USPS.com Website Re-Launch: Delivering in New Ways

What’s new?

On July 25, 2011, the Postal Service will launch a new redesigned website to help customers find what they need quickly and easily and increase revenue.

What’s changing?

The new website will feature a fresher, more contemporary look and will incorporate user-friendly navigation making it easier for customers to complete their online transactions. Customer registration will be reduced to one page instead of three. Several applications have been enhanced, such as our Track & Confirm tool, which will provide customers the ability to input up to 10 tracking numbers at time. The redesign is composed of two sites: a transactional e-commerce site (USPS.com) and a corporate information site (about.USPS.com).

From the e-commerce site, customers will be able to access “Quick Tools” — our most frequently used functions (Track a Package, Look up a ZIP Code, Find USPS Locations, Calculate a Price) — from *any* page on the transactional site.

The corporate information site will contain information, reports, press releases, forms, and publications.

What does it mean to me?

Everything! The Postal Service will have a redesigned website that provides you and your customers quicker access to our many products and services.

That is good news for you and your customers!

What do I tell my customers?

Tell your customers that our new redesigned website is just weeks away!

The new site will be easier to use and will offer simpler ways to access the tools customers use most. More information is only a click away. More information about the new site will be coming soon to www.usps.com.

And there is *more* to come! Stay tuned for more website enhancements coming this Fall and into 2012.

Frequently Asked Questions

Q. What will I find on the new USPS.com?

A. Most importantly, you will find an e-commerce site that is designed to help customers do business with us more easily. This includes navigation that helps customers take action, whether they want to ship, send mail, manage their mail, or shop. “Quick Tools” links on every page will keep the most popular functions on USPS.com at customers’ fingertips. There’s also a more modern look and feel and streamlined account signup. You will also find a separate site, about.usps.com, designed to help customers find information about us.

Q. What will I find on about.usps.com?

A. You will find the corporate site, separate from USPS.com, that is designed to help customers find information about us more easily. It contains a vast array of information on USPS, such as press releases, annual reports, career information, and publications. It will be easily accessible from a banner on the USPS.com home page, via an “About USPS” link on the bottom of every page (similar to other websites), or by going directly to www.about.usps.com.

Q. Will the URL (web address) for USPS.com remain the same?

A. Yes, you can still access the USPS site by entering the following URL: www.usps.com.

Q. Why are we changing USPS.com?

A. We’ve redesigned USPS.com to improve the customer experience for households and small businesses (convenient, simple, consistent), to grow revenue (introduce new services to the web, and be the preferred option against competitors), and to reduce costs (migrate transactions to lower cost channels).

Q. What are “Quick Tools?”

A. “Quick Tools” are the most frequently used applications on USPS.com, which allow you to perform specific tasks such as Track & Confirm, Find a Post Office, Calculate a Price, and Look up a ZIP Code — without leaving the page you are currently viewing.

Q. Where can I find “Quick Tools?”

A. “Quick Tools” can be found on every new page on USPS.com in the upper left-hand corner.

Q. If I already have an account on USPS.com do I need to sign up again?

A. You will not need to set up a new account. All of your profile information will remain as you had originally entered it, including your login ID and password, and any data you have saved previously, such as stored

credit card and address book information. The only difference you will see is a newly designed log-in page.

Q. How is the process to sign up for new customers on USPS.com simpler?

A. Registration will now be done on 1 page versus the previous 3-page process.

Q. Is Track & Confirm redesigned?

A. Yes, the new Track & Confirm Quick Tool now allows you to enter up to 10 tracking numbers at one time. In addition, your tracking information will be presented in a format that is easier to read.

Q. Is free Package Pickup redesigned?

A. Yes, it has a more modern look and feel and streamlined process that mirrors the other new pages on USPS.com. As more applications are redesigned and added, they will also have the same look and feel, making it easier and quicker for customers to switch from application to application and complete their tasks.

Q. Can I still buy stamps and order free shipping supplies at USPS.com?

A. Yes, you will still be able to purchase stamps and order free shipping supplies through The Postal Store[®] now found under the “Shop” link in the top navigation. A new Postal Store is planned for release later this fall.

Q. Will I still be able to print a shipping label?

A. Yes, Click-N-Ship[®] service will still be available to create, manage, and print shipping labels, and will be found under the “Ship a Package” link in the top navigation. A completely redesigned Click-N-Ship application is planned to be released early 2012.

Q. Will I be able to manage my mail? (e.g., Hold Mail, Forward Mail, Change Address, and Schedule a Redelivery)

A. Yes, these and other services and more will be available and will be found under the “Manage Your Mail” link in the top navigation.

Q. Are there other enhancements to USPS.com planned for this fall?

A. Yes, this is just the beginning! In addition to a redesigned shopping experience on USPS.com this fall, there will be new/redesigned applications for Hold Mail, Redelivery, Personalized Stamp Envelopes, and Premium Forwarding Service[®]. In addition, the account history for all of these applications will be accessible from one USPS.com Account History, where customers can see all of their transactions in one convenient place. Also, multilingual pages will be

added to the site for the first time. All new pages on USPS.com will provide the ability for customers to select Spanish or Chinese as an alternative to English. (Applications that have not yet been redesigned, such as Click-N-Ship, will not yet be translated.)

Q. Did RIBBS® migrate to USPS.com?

A. The RIBBS application can still be found at <https://ribbs.usps.gov>.

Q. Where is customer service help?

A. A link to customer service can be found at the upper left-hand corner of every page on USPS.com or by entering the following URL: www.usps.com/customerservice. Live chat can also be found on the site during sign-up and check-out.

More information regarding the new site will be coming soon to www.usps.com.

Manuals

DMM Revision: Use of Precanceled Stamps — Clarification

Effective August 1, 2011, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)* 234.0, 244.0, 334.0, 344.0, 434.0, 444.0, and 604.3.0 to clarify standards for use of precanceled stamps and the use of mailer's precancel postmarks.

This revision clarifies that mailers may place more than a single denominated stamp on each mailpiece when those stamps are precanceled by an authorized mailer's precancel postmark, provided that the total of the postage on the mailpiece equals the exact monetary value of the USPS® precanceled stamp appropriate to the price category of the mailpiece (i.e. \$0.05, \$0.10, \$0.15, and \$0.25).

The Postal Service further clarifies that, unless permitted by other standards or Business Mailer Support authorization, when using USPS precanceled stamps, mailers must affix only a single USPS precanceled stamp to each mailpiece, and that each mailpiece prepared as part of the same mailing must bear the same amount of affixed postage.

USPS precanceled stamps, or denominated stamps precanceled by a mailer's precancel postmark, are optional postage payment method(s) for mailers who choose these methods in lieu of a permit imprint or postage meter imprint when presenting commercial mailings at presorted or automation First-Class Mail® or all Standard Mail® prices.

Throughout this revision, the Postal Service clarifies the standards for postage payment using precanceled stamps and eliminates redundant and obsolete language.

Mailers may begin preparing their mailings in accordance with these new standards immediately.

Handbook PO-101 Revision: Discontinuance Procedures

Effective July 14, 2011, Handbook PO-101, *Postal Service–Operated Retail Facilities Discontinuance Guide*, is revised to incorporate changes to discontinuance procedures for Postal Service–operated retail units. Except as indicated here, any previous applicable directive that is in conflict with this handbook is rescinded, and the previous issue of Handbook PO-101 is obsolete.

Mover's Guide Information

- Offices will receive copies of *Mover's Guide* in one or two shipments. The first shipments should have arrived at the end of June. The second shipments will arrive 3 to 5 weeks later. Shipments are sent in quantities of 25, 100, and 300.
- Your facility may receive copies of *Mover's Guide* addressed to other offices. If so, break down each pallet in accordance with the posted plaque, check the labels, and forward the guides as appropriate.

Behind the Counter Program

Below are a few points about program compliance:

- Copies of *Mover's Guide* must be kept behind the counter. No copies of *Mover's Guide* should be placed in the inner or outer lobby or on the clerk counters. Postal carriers are encouraged to distribute Internet change-of-address (ICOA) Message Cards in lieu of copies of *Mover's Guide* on postal routes.
- Retail associates should *encourage* their customers requesting change-of-address information to go online at www.usps.com. ICOA transactions provide customers with the most convenient, safe, and secure way to change their address. Furthermore, ICOA transactions reduce processing time, improve address accuracy, and generate significant revenue for the Postal Service™.
- Advise customers to take an ICOA Message Card to reinforce an online change-of-address message.
- Customers unwilling or unable to submit their change of address at www.usps.com should be given a complete, unopened copy of *Mover's Guide*.

Note: The Mover's Guide Behind the Counter Program is part of the ad-hoc section of the 2010 Retail Customer Experience Program, so it is critical that your Post Office be compliant with the program throughout the year by keeping copies of *Mover's Guide* out of Post Office lobbies.

ICOA Message Card Information

- If your Post Office has an ICOA Message Card display, *do not throw it away*. The display is *required* to be in the lobby and expected to have the ICOA Message Cards in it at all times. Replenishment cards and updated banners are mailed with your *Mover's Guide* shipments.
- If your Post Office does *not* have an ICOA Message Card display, you must call the replenishment phone number below for ICOA Message Card replenishment.
- If any Post Office runs out of ICOA Message Cards between shipments, call Imagitas at 800-816-6837 for replenishment.
- *All* Post Offices must have ICOA Message Cards in their lobbies for customer reference.

Stamp Announcement 11-35: Flags of Our Nation: Set 5

© 2010 USPS

On August 11, 2011, in Columbus, Ohio, at the American Philatelic Society Stamp Show, the Postal Service™ will issue the *Flags of Our Nation: Set 5* (Forever® priced at 44 cents) in 10 designs in a pressure-sensitive adhesive (PSA) coil of 50 stamps (Item 788300).

With these 10 new designs, the U.S. Postal Service® continues its *Flags of Our Nation* series with stamps that feature the flags of eight states — Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, and Tennessee — as well as those of the Commonwealth of the Northern Mariana Islands and the Commonwealth of Puerto Rico. In addition to the official flag, each stamp design includes artwork that provides a “snapshot view” — such as an everyday scene or activity, rare wildlife, perhaps, or a stunning vista — of the state or other area represented by the pictured flag. Art director Howard E. Paine collaborated with artist Tom Engeman on the 50 stamps in this series.

The stamp will go on sale nationwide August 11, 2011.

Distribution: Item 788300, Flags of Our Nation: Set 5 (Forever priced at 44 cents), PSA Coil of 50 Stamps

Stamp distribution offices (SDOs) and stamp distribution centers (SDCs) will receive an automatic distribution quantity of this PSA coil stamp. Distributions are rounded up to the nearest master carton size of 800 coils.

Initial Supply to Post Offices

SDOs/SDCs will *not* make an automatic distribution to Post Offices for this stamp issue. Post Offices must requisition them from their designated SDO/SDC using PS Form 17, *Stamp Requisition/Stamp Return*. Post Offices may preorder this item 30 days before the August 11 first day

issue date to ensure their office has quantity available. SDOs/SDCs must not distribute this commemorative stamp to Post Offices before July 29, 2011.

Sales Policy

All Post Offices must acquire and maintain a supply of each new commemorative stamp for a minimum of 90 days from the first day of issue, and beyond that as long as customer demand exists, until inventory is depleted, or until the stamp is officially withdrawn from sale. If supplies run low, Post Offices must reorder additional quantities using their normal ordering procedures.

How to Order the First Day of Issue Postmark

Customers have 60 days to obtain the first day of issue postmark by mail. They may purchase new stamps at their local Post Office™ facility, at The Postal Store® website at www.usps.com/shop, or by calling 800-STAMP-24. They should affix the stamps to envelopes of their choice, address the envelopes (to themselves or others), and place them in a larger envelope addressed to:

Flags of Our Nation: Set 5 Stamps
Postmaster
850 Twin Rivers Drive
Columbus, OH 43216-9998

After applying the first day of issue postmark, the Postal Service will return the envelopes through the mail. There is no charge for the postmark. All orders must be postmarked by October 11, 2011.

Special Dedication Postmarks

Only the following pictorial postmark is permitted for the *Flags of Our Nation: Set 5* stamp. The word “Station” or the abbreviation “STA” is required somewhere in the design, because it will be a temporary station.

Guidelines for Finalizing Flags of Our Nation: Set 5 Stamp Pictorial Postmark Art

To finalize the *Flags of Our Nation: Set 5* stamp pictorial postmark art, insert the date, city, state and ZIP Code™ of the physical location of your event adjacent to the stamp image. Overall dimensions of the pictorial postmark must not exceed 4 inches horizontally by 2 inches vertically. Collectors prefer the dimensions 3 1/2 inches by 1.

The Postal Service must make all special postmarks known to collectors through advance publicity in the *Postal Bulletin*. Therefore, all special dedication cancellations must be reported to Stamp Services 4 weeks before the events using PS Form 413, *Pictorial Postmark Announcement/Report*. To get a copy of the form, go to <http://blue.usps.gov/formmgmt/forms/ps413.pdf>.

Invalid Express Mail Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate an Express Mail Corporate Account (EMCA) number online. For all other locations, online EMCA validation is preferred. The online validation process is outlined in the EMCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Express Mail® shipments bearing an invalid EMCA number in the "Payment by Account" or "Agreement Number" section of the Express Mail label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at www.usps.com/missingmoneyorders/security.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and

which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO/DPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

Stamp Announcement 11-36: Eid

© 2010 USPS

On August 12, 2011, in Columbus, Ohio, at the American Philatelic Stamp Show, the Postal Service™ will issue an *Eid* definitive stamp (Forever® priced at 44 cents) in one design in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 576700).

The U.S. Postal Service® commemorates the two most important festivals — or eids — in the Islamic calendar: Eid al-Fitr and Eid al-Adha. On these days, Muslims wish each other *Eid Mubarak*, the phrase shown in calligraphy on the stamp. *Eid Mubarak* translates literally as “blessed festival” and can be paraphrased “May your religious holiday be blessed.” This *Eid* stamp features gold calligraphy against a reddish background. Artist and calligrapher Mohamed Zakariya worked closely with art director Phil Jordan to create this new design.

The stamp will go on sale nationwide August 12, 2011.

Distribution: Item 576700, First-Class Mail®, Non-denominated Eid (Forever priced at 44 cents), PSA Pane of 20 Stamps

Stamp distribution offices (SDOs) and stamp distribution centers (SDCs) will receive approximately 25 percent of their standard automatic distribution quantity for a PSA sheet stamp. Distributions are rounded up to the nearest master carton size of 40,000 stamps.

Initial Supply to Post Offices

SDOs/SDCs will make subsequent automatic distribution to Post Offices of a quantity to cover approximately 45 days of sales. Distribution quantities for the automatic distribution will be posted, by finance number and unit ID, on the Asset Management SDC webpage at http://blue.usps.gov/purchase/assetmgnt/am_sdchome.htm. SDOs/SDCs must not distribute this commemorative sheet to Post Offices before July 29, 2011.

Additional Supply

Post Offices requiring additional quantities of Item 576700 must requisition them from their designated SDO/SDC after the first day of issue using PS Form 17, *Stamp Requisition/Stamp Return*. SDOs requiring additional commemorative sheets must order them from the appropriate SDC using PS Form 17.

Sales Policy

All Post Offices must acquire and maintain a supply of each new commemorative stamp for a minimum of 90 days from the first day of issue, and beyond that as long as customer demand exists, until inventory is depleted, or until the stamp is officially withdrawn from sale. If supplies run low, Post Offices must reorder additional quantities using their normal ordering procedures.

To finalize the *Send a Hello* stamp pictorial postmark art, insert the date, city, state and ZIP Code™ of the physical location of your event adjacent to the stamp image. Overall dimensions of the pictorial postmark must not exceed 4 inches horizontally by 2 inches vertically. Collectors prefer the dimensions 3 1/2 inches by 1.

The Postal Service must make all special postmarks known to collectors through advance publicity in the *Postal Bulletin*. Stamp Announcement 11-38: Edward Hopper

© 2008 USPS

On August 24, 2011, in Provincetown, Massachusetts, the Postal Service™ will issue an *Edward Hopper* commemorative stamp (Forever® priced at 44 cents) in one design in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 467600).

With the issuance, the U.S. Postal Service® showcases Edward Hopper's beautiful, sunlit painting *The Long Leg*. The work's title refers to sailing; a leg is one part of an alternating, zigzagging series of short and long tacks. *The Long Leg*, painted in oil on canvas around 1930, depicts a boat sailing against the wind near Provincetown, Massachusetts. The work is in the collection of the Huntington Library, Art Collections, and Botanical Gardens, in San Marino, California. The painting has been cropped for use in the stamp art designed by art director Derry Noyes.

The stamp will go on sale nationwide August 24, 2011.

Distribution: Item 467600, First-Class Mail® Edward Hopper (Forever priced at 44 cents), PSA Pane of 20 Stamps

Stamp distribution offices (SDOs) and stamp distribution centers (SDCs) will receive approximately 50 percent of their standard automatic distribution quantity for a PSA sheet stamp. Distributions are rounded up to the nearest master carton size of 40,000 stamps.

Initial Supply to Post Offices

SDOs/SDCs will make subsequent automatic distribution to Post Offices of a quantity to cover approximately 45 days of sales. Distribution quantities for the automatic distribution will be posted, by finance number and unit ID, on the Asset Management SDC webpage at http://blue.usps.gov/purchase/assetmgnt/am_sdchome.htm. SDOs/SDCs must not distribute this commemorative sheet to Post Offices before August 12, 2011.

Additional Supply

Post Offices requiring additional quantities of Item 467600 must requisition them from their designated SDO/SDC after the first day of issue using PS Form 17, *Stamp Requisition/Stamp Return*. SDOs requiring additional commemorative sheets must order them from the appropriate SDC using PS Form 17. For fulfilling supplemental orders from Post Offices, all SDOs and SDCs will receive additional commemorative sheets.

Sales Policy

All Post Offices must acquire and maintain a supply of each new commemorative stamp for a minimum of 90 days from the first day of issue, and beyond that as long as customer demand exists, until inventory is depleted, or until the stamp is officially withdrawn from sale. If supplies run low, Post Offices must reorder additional quantities using their normal ordering procedures.

How to Order the First Day of Issue Postmark

Customers have 60 days to obtain the first day of issue postmark by mail. They may purchase new stamps at their local Post Office™ facility, at The Postal Store® website at www.usps.com/shop, or by calling 800-STAMP-24. They should affix the stamps to envelopes of their choice, address the envelopes (to themselves or others), and place them in a larger envelope addressed to:

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city. The first day of issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

Supply Management

Interest Rate on Contract Claims

The Postal Service™ periodically publishes in the *Postal Bulletin* the interest rate payable on a claim decided in a supplier's favor, under the Contract Disputes Act of 1978. This rate also applies for late payments to suppliers under the Prompt Payment Act, as amended.

The interest rate effective for the 6-month period of July to December 2011 is 2-1/2 percent.

USPS Headquarters Managers and Field Installation Heads: August 2011 Semi-Annual Capital Property Review

The next Semi-Annual Capital Property Review is scheduled to begin on August 1, 2011; the completion deadline is August 15, 2011. The list of items to be verified by the selected finance numbers will be sent out by e-mail from "Materials, Customer Service - Topeka, KS" the week of August 1, 2011.

The Semi-Annual Capital Property Reviews are a Sarbanes-Oxley (SOX) requirement. A list of finance numbers that receive a Semi-Annual Capital Property Certification Report but do not submit the report on time will be provided to senior management.

As needed, the Asset Accountability Service Centers (AASCs) will be contacting Headquarters, area, district, and/or local management to verify the points of contact for the upcoming August 2011 Semi-Annual Capital Property Review. The AASCs will provide instructions and guidelines on how the Semi-Annual Capital Property Reviews are to be conducted by the field and Headquarters groups. Handbook AS-701, *Material Management*, is under revision; instructions and guidelines provided by the AASCs will supersede Handbook AS-701 where there are conflicts.
