USPS Offers Holiday Greeting Cards in 2,000 Offices and Holiday Gift Cards in 5,000 Offices

“One Stop Shopping” convenience: Customers can do all of their holiday shopping in one location, just by purchasing greeting cards, gift cards, and stamps and then mailing them while at the Post Office™. Holiday cards are available for purchase in the 2,000 offices that also carry all-occasion greeting cards such as birthday and get-well cards. Holiday cards are available in a selection of styles and sentiments to meet customer sending needs, and range in price from \$2.50 to \$3.75. The assortment of holiday cards includes general holiday wishes, humor, close relationship, and love.

In addition, cards for sending holiday gifts are available in Post Offices for the first time. The holiday gift card holders look just like holiday cards, but have the added benefit of containing slots to hold a gift card. This allows customers to both send their holiday wishes and a gift in one convenient card.

Holiday stationery is a new product for this holiday season. Stationery can be used for personal letters to include in cards, or even for letters to Santa.

and there are no monthly fees. This year’s holiday theme, “Sending Warmest Wishes”, will include American Express blue and silver holiday cards and two unique designs featuring the Postal Service’s *Holiday Baubles* stamp art.

During the holiday season, there is a dramatic increase in the sale of gift cards industrywide. It is imperative to maintain the excellent customer service the Postal Service provides to customers every day by successfully activating a gift card. For this reason, during the sale of a gift card, the card must never be handed to the customer until the card is successfully activated.

For each gift card transaction, retail associates must carefully read the messages displayed on the POS ONE terminal. The messages will clearly state whether or not the card was successfully activated. A blue confirmation message will be displayed on the terminal for each successfully activated gift card, and a gift card “gift” receipt (an extra receipt) will print. A red error message will be displayed for the cards that failed to activate, and the gift card “gift” receipt will not print.

At the end of the visit, the regular customer visit receipt will always print listing all items included in the transaction. On this receipt, the word “Activated” will only appear under the serial numbers of activated gift cards. If an activation error occurs after the visit ends, the retail associate must proceed to clerk services to void the gift card via the <Void Gift Card> workflow and return the money to the customer.

Surveys show that most consumers plan to send or receive at least one gift card during the holiday season. This is a great opportunity to generate new revenue and enhance the customer experience by offering our customers a convenient way to purchase and mail gift cards — all at their local Post Office.

Gift cards take the guesswork out of gift giving. American Express gift cards are now available for purchase at almost 5,000 select Post Offices for \$25, \$50, or any even dollar amount between \$25 and \$100. The price of a gift card includes the face value of the card plus a one-time standard industry purchase charge. Funds do not expire

## DMM Revision: Eligibility for Destination Entry Prices per NDC and ASF Labeling Lists

Effective January 22, 2012, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) to delete destination network distribution center (DNDC) eligibility in Exhibits 246.3.1, 346.3.1, 366.4.1, 446.3.1, 453.3.1.3, and 466.4.1. Additionally, the preambles to labeling lists L601 and L602 are updated to state the use of the labeling lists when determining eligibility for DNDC prices.

This change enables a more efficient determination of DNDC entry eligibility and eliminates the occasional time-lag to synchronize the eligibility exhibits and information in the labeling lists. It also ensures that changes in the assignment of ZIP Code™ ranges in the two labeling lists will coincide directly with information regarding the correct ZIP Code ranges eligible for DNDC entry.

### DMM Revision: Copalletized, Combined, or Mixed-Price Level Palletized Mailings Correction

Effective January 22, 2012, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 705.8.7.4 to clarify that the presort level of Standard Mail® letter-size pieces that are part of a copalletized or combined mailing must accurately reflect the postage and entry discount paid at the origin site.

This revision will align DMM standards with those published in the final rule *Federal Register* notice dated September 7, 2010 (75 FR 54287–54290).

[Revise the first sentence of 8.7.4 and add a new third sentence as follows:]

To copalletize different Standard Mail flat-size mailings, the mailer must consolidate on pallets all independently sorted trays or bundles from each mailing to achieve the finest presort level for the mailing, except that a flat-size copalletized mailing prepared under 8.11 or 8.14 using the bundle reallocation option may not always result in all bundles being placed on the finest pallet level possible. \*\*\*For Standard Mail letter-size pieces, the presort level of the mailpieces in the copalletized mailing must accurately reflect the postage and entry discount paid at the origin site, and will not always result in the finest pallet presort level possible.\*\*\*

## IMM Revision: Priority Mail International Flat Rate Envelopes and Small Flat Rate Priced Boxes Sent to Cuba

Effective January 22, 2012, the Postal Service™ is revising *Mailing Standards of the United States Postal Service, International Mail Manual* (IMM®) to reflect current standards for mailers who send authorized dutiable items to Cuba.

The article “IMM Revision: Updated Standards for Mailing Items to Cuba” in *Postal Bulletin 22268* (9-24-09, pages 14–19) announced new standards for items mailed to Cuba. Consequently, certain dutiable items that were previously nonmailable to Cuba became mailable, and the following sentence that appears in the Priority Mail

International® section of the Individual Country Listing for Cuba should have been deleted: “May not contain dutiable items.”

We will delete this sentence in the next monthly update of the online IMM, which is available via Postal Explorer® at <http://pe.usps.com>.

**139.116 Authorized Mailability Decisions**

[Revise text of 139.116 as follows:]

Postmasters or other designated personnel under a postmaster’s supervision may decide whether articles and substances other than written, printed, or graphic matter are nonmailable and must, where appropriate, refuse to accept for mailing such matter determined to be nonmailable. Where necessary, the Pricing & Classification Service Center (PCSC) should be consulted in determining mailability. If the mailer wants to review the initial decision, the postmaster or designated subordinate personnel must, with the mailer’s consent, refer a sample and send a complete statement of the facts to the PCSC manager. After the manager’s decision is made, further appeal may be made by the mailer under 39 CFR 953, Rules of Practice in Proceedings Relative to Mailability. Postmasters and designated subordinate personnel are authorized to take any steps reasonable and necessary to protect Postal Service employees and equipment from the effects of potentially dangerous, injurious materials or substances found in the mail (see ASM 223.4).

### Invalid Express Mail Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate an Express Mail Corporate Account (EMCA) number online. For all other locations, online EMCA validation is preferred. The online validation process is outlined in the EMCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Express Mail® shipments bearing an invalid EMCA number in the “Payment by Account” or “Agreement Number” section of the Express Mail label or form.

**Note:** The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

## Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at [www.usps.com/missingmoneyorders/security.htm](http://www.usps.com/missingmoneyorders/security.htm).

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and

which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO/DPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

### Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

### Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

### Handbook PO-101 Revision: Management of Post Offices by Postmasters; Definition of Consolidation

Effective December 1, 2011, Handbook PO-101, *Postal Service-Operated Retail Facilities Discontinuance Guide*, is revised to clarify that a postmaster may be responsible for the management of more than one facility, and that the postmaster may assign duties to subordinate personnel, including when the postmaster is not physically present. This revision of Handbook PO-101 also defines “consolidation,” for purposes of the handbook, as the conversion of a Postal Service–operated retail facility into a contractor–operated retail facility; the conversion of one Postal Service–operated retail facility type to another will no longer constitute a “consolidation” for Handbook PO-101 purposes. Corresponding changes are made to other parts of Handbook PO-101 that deal with consolidations. These revisions correspond to changes to 39 CFR Part 241. For further information, see “Post Office Organization and Administration: Establishment, Classification, and Discontinuance” in *Federal Register* vol. 76, pages 66184–66187.

The conversion of a Post Office into, or the replacement of a Post Office with, a classified station or classified branch is not a discontinuance action subject to this handbook. A change in the staffing of a Post Office such that it is staffed only part-time by a postmaster, or not staffed at all by a postmaster but instead by another type of USPS employee, is not a discontinuance action subject to this section. Discontinuance actions pending as of December 1, 2011, that pertain to the conversion of a Post Office to another type of USPS–operated facility are no longer subject to this handbook.

*[Revise the introductory paragraph of 623 as follows:]*

Classified stations, classified branches, and non-personnel units are Postal Service–operated subordinate units located within main Post Offices’ service areas to provide one or more services at sites convenient to customers. The staffing of a Post Office with a postmaster on a part-time basis or in concert with another type of personnel does not affect that facility’s status as a Post Office. The definitions of classified stations, classified branches, and non-personnel units are as follows:

\* \* \* \* \*

\*\*\*Coordinators generally define a merge in one of two ways:

- b. Two or more towns (each with one or more Post Offices) combined by building or leasing a replacement facility (centrally located between the existing Post Offices) that serves as the Post Office for all the service areas involved.

\* \* \* \* \*

**64 ZIP Code Elimination**

\* \* \* \* \*

**642 Discontinuance**

**642.1 Community Place Name**

*[Revise 642.1 as follows:]*

In a discontinuance, it is customary to retain the community place name and ZIP Code of the discontinued facility. If it is deemed necessary to eliminate the ZIP Code of the facility proposed for discontinuance, the district manager must submit a request and justification to the vice president, Area Operations, for approval.

\* \* \* \* \*

**642.3 Conversion or Consolidation**

*[Revise 642.3 as follows:]*

When a Postal Service–operated retail facility is consolidated by conversion into a contractor-operated retail facility, the ZIP Code remains the same as that for the discontinued facility. The vice president, Area Operations, must approve ZIP Code elimination for contractor-operated retail facilities. The replacement contractor-operated retail facility can be given the same name of the facility that is replaced, if appropriate in light of the nature of the contract and level of service provided.

\* \* \* \* \*

**643 Consolidation**

**643.1 Community Place Name and ZIP Code**

*[Revise 643.1 as follows:]*

When a contractor-operated retail facility is established in lieu of a Postal Service–operated retail facility, it is customary to retain the ZIP Code of the discontinued retail facility. Changes in ZIP Codes require the approval of the vice president, Area Operations. The replacement contractor-operated retail facility can be given the same name of the facility that is replaced, if appropriate in light of the nature of the contract and level of service provided.

**643.2 Customer Notification**

*[Revise 643.2 as follows:]*

The first notice to customers that consideration is being given to consolidating a Postal Service–operated retail facility and establishing a contractor-operated retail facility,

### Stamps by Mail — Brochure Ordering Information

This article publishes the Stamps by Mail® (SBM) print run cutoff schedule for fiscal year (FY) 12. Each date has a designation whether it is for the year-round (YR) brochure or the holiday (HOL) brochure. The FY 12 print cycle cut-off dates are as follows:

- January 13, 2012 (YR).
- April 6, 2012 (YR).
- May 18, 2012 (YR).
- June 29, 2012 (YR).
- August 24, 2012 (HOL).

Starting with the June 25, 2010, print cycle, the English-only brochures have been replaced with bilingual (English and Spanish) brochures. All orders received from SBM

sites by June 25 and thereafter will be provided bilingual brochures. There is no change in the price.

To order brochures, submit PS Form 3227-O, *Stamps by Mail Brochure Order Form* (April 2011), to Cyril-Scott Company:

Cyril Scott Company  
 PO Box 627  
 Lancaster, OH 43130-0627  
 Telephone: 800-466-0455  
 Fax: 740-689-0210

You can find this form at <http://blue.usps.gov>; click *Forms*, and then select the form by number. A copy of this form appears on page 38 in this *Postal Bulletin*.

The cost per unit of 500 is \$12.00. This cost includes overprinting the address of the fulfillment office placing the

order. You may pay for orders (under \$10,000) with local IMPAC credit cards, checks, or money orders. However, Cyril-Scott Company cannot process the order until it receives payment. Local eBuy procedures may also apply (refer to local procurement procedures). Cyril-Scott Company must receive orders placed by mail by close of business the day of the print run cut-off date listed here. Orders received after the cut-off date will be processed the next print run date.

All local Post Offices™ and centralized sites should follow the ordering instructions contained within this article and utilize local funds.

### For Orders Exceeding \$10,000

Use eBuy to process both centralized and decentralized brochure orders that exceed \$10,000.00. In the Purchasing Method field, select "Route Req to Supply Mgmt," then in the After Approval Route field, select "Eastern Services

CMC (Memphis, TN)." Include completed PS Form 3227-O with imprint information with the eBuy order.

**Note:** These approved eBuy orders must be received by Supply Management at least 10 days prior to a published run cut-off date to be included in that run.

Cyril-Scott Company will deliver orders within 35 calendar days after printing. Printing begins 1 week after the deadline date, and actual receipt of the order will depend on the ultimate destination and the corresponding delivery service standard. You should save copies of all orders placed at your local Post Office until the order has been received. Ensure procedures are in effect locally for proper verification of receipt.

### Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

## How to Order the First Day of Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first day of issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at [www.usps.com/shop](http://www.usps.com/shop).

### Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first day of issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first day of issue city. The first day of issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

### Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first day of issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first day of issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.
