## USPS Keeps Mail Transport Equipment On the Move

USPS® has launched an online reporting system to help larger Post Offices® submit their Mail Transport Equipment (MTE) inventory reports. These offices are required to submit weekly MTE reports. The new system is part of a continuing effort by the Postal Service® to reduce the misuse of MTE, and redistribute MTE inventory so that tubs and pallets are sent where they are needed.

Postmasters must ensure that all MTE is used for the purpose for which it was designed. For example, flat tubs are custom made, automation-compatible containers for flat sorting equipment and must be returned for circulation within the network.

New tubs also have the MTE hotline number and email address on the equipment to report misuse. The change was made to encourage the return of flat tubs to Post

Offices and to advise customers that MTE is not available for private use.

Replacing missing or misused MTE hurts the Postal Service's bottom line. USPS will spend more than \$120 million this fiscal year to replace missing and damaged MTE.

USPS encourages employees to report MTE that's being misused, stored unnecessarily, or located outside the postal network. Send leads and tips to [HQMTE@usps.gov](mailto:HQMTE@usps.gov) or call the MTE hotline at 866-330-3404.

### DMM Revision: 5-Digit/Scheme and 3-Digit/Scheme Sortation

Effective April 1, 2013, the Postal Service™ is revising the *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 235 and 245 to clarify the preparation of 5-digit/scheme and 3-digit/scheme trays. Specifically, this revision clarifies that mailers of automation letters must make 5-digit/scheme or 3-digit/scheme trays before making any 5-digit or 3-digit trays, as currently provided in DMM 235.1.4 and 245.1.4. The same preparation sequence applies to 3-digit/scheme origin/entry trays.

This notice similarly revises DMM 345, 365, and 375 regarding 5-digit/scheme sacking of Standard Mail®, Bound Printed Matter, Media Mail®, and Library Mail flats, with DMM 345.1.4f, 365.1.5c, and 375.1.3b as the current references. Following these procedures allows more efficient processing of mail with fewer trays and fewer sacks.

**DMM Revision: New Price Eligibility for 5-Digit Containers Deposited at FSS Facilities**

Effective April 1, 2013, the Postal Service™ is revising *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 346.4.0, 366.5.0, and 707.29.0 to provide Destination Sectional Center Facility (DSCF) eligibility for 5-digit containers of bundles of

addressed machinable Periodicals, Standard Mail®, or Bound Printed Matter flats deposited at Flats Sequencing System (FSS) processing facilities.

On September 4, 2012, the Postal Service revised the DMM to provide DSCF eligibility for sacks or pallets,

labeled to a FSS sort plan, when deposited at a USPS® FSS processing facility. With this revision, the Postal Service further expands DSCF eligibility to 5-digit sacks and pallets that are deposited at a FSS processing facility, when the sack or pallet is labeled to a 5-digit ZIP Code™, and processed by that facility in accordance with labeling list L006. All flats containerized and entered under this option must include a full delivery address, an Intelligent Mail® barcode (IMb™), and meet the physical standards for FSS-machinability provided in DMM 705.14.

### DMM Revision: Clarification of Standards Relating to IMpb Use

Effective April 1, 2013, the Postal Service™ is revising *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 708.5.1.1 to clarify standards relating to the data requirements of the electronic file that mailers submit along with mailings bearing Intelligent Mail® package barcodes (IMpb). This revision clarifies that mailers may include either the ZIP + 4® routing information or destination address when submitting piece-level information to the USPS in their electronic files.

Although this change will not be reflected in the DMM until April 1st, mailers may begin preparing their mailings in accordance with these standards immediately.

Registration must be made separately for each promotion through the Business Customer Gateway.

#### **Summary of Promotional Programs**

The six promotional programs, in calendar order, are:

#### **Postage Payment for Mobile Coupon/Click-to-Call, Emerging Technologies, and Mobile Buy-It Now**

The following parameters apply to the Mobile Coupon/Click-to-Call, Emerging Technology, and Mobile Buy-It Now promotions.

Submit mailing documentation and postage statements electronically. Mailings entered by an entity other than the mail owner must identify the mail owner and mail preparer

in the by/for fields. Full-service mailings are limited to 9,999 pieces if submitted via Postal Wizard. If some pieces in a mailing are not claiming a promotion discount, use separate postage statements for pieces not claiming the discount as well as for pieces claiming the discount. Claim all discounts on the electronic postage statement at the time of mailing; there will not be any rebates at a later date.

Postage payment methods will be restricted to permit imprint, metered postage, or precancelled stamps. Pieces with metered postage must bear an exact amount of postage as stipulated by the class and shape of mail. Affixed postage values for metered mailings, which result in additional postage due at the time of mailing, will be as follows:

## Description of Promotional Programs

### **Mobile Coupon/Click-to-Call**

This promotion provides an upfront two percent postage discount for presort and automation mailings of First-Class Mail letters, postcards, or flats and Standard Mail (including Nonprofit) letters and flats that integrate mail with mobile technology and promote the value of direct mail. There are two separate ways to participate within the one overall program: Mobile Coupon and Click-to-Call. Mailers may participate in one or both ways, but only one discount may apply per mailing. The Mobile Coupon option will encourage mailers to integrate hard-copy coupons in the mail with mobile platforms for redemption. The Click-to-Call option will drive consumer awareness and increase usage of mail with mobile barcodes that provide click-to-call functionality.

For the Mobile Coupon program, at least one of the following options should apply:

1. The mailpiece must be a coupon which entitles only the recipients to a discount on a product or service.

2. The mailpiece must contain either mobile-print technology (such as a 2D barcode or smart tag) that can be scanned by a mobile device linking to a mobile coupon or a short number used to initiate a text communication that then triggers a SMS/EMS or MMS message with a one-time coupon or code. Texts that allow an option for ongoing coupons via text are not eligible.

Coupon recipients must be able to present physical coupons or coupons stored on mobile devices at any of the mailer's retail locations that exist. For mailers who do not have retail locations, the following conditions apply:

1. The mailpiece must contain a code to receive a discount online or via a call center.
2. The coupon discount is offered only to mailpiece recipients and not to all customers.
3. The entire online shopping experience and path to purchase must be mobile-optimized.

For the Click-to-Call program, the mailpiece must contain mobile technology that can be scanned by a mobile device, and the scanned item (barcode, RFID chip, NFC Smart tag, etc.) must link directly to a mobile-optimized website with a "click to call" link or bring up a phone number on the user's phone. The mailpiece must contain text near the barcode or image that guides the consumer to scan the image or informs the consumer about the landing page.

Registration is January 1 – April 30, 2013. The program period is from March 1 – April 30, 2013.

### **Earned Value Reply Mail Promotion**

First-Class Mail Business Reply and Courtesy Reply mailers will receive a \$0.02 postage credit for each machinable Business Reply Mail<sup>®</sup> (BRM) or Courtesy Reply Mail<sup>™</sup> (CRM) card or letter bearing a qualifying Intelligent Mail<sup>®</sup> barcode (IMb<sup>™</sup>) that is scanned in the postal network. IMbs on reply pieces must be encoded with the correct Mailer ID, barcode ID, service type ID, and ZIP+4<sup>®</sup> routing code as assigned by the USPS. This promotion is designed to encourage mailers to promote First-Class Mail as a primary reply mechanism for their customers and keep the BRM/CRM envelopes in their outgoing mailpieces by providing a financial benefit when the BRM/CRM envelopes are used.

Registration is January 15 – March 31, 2013. Participants must register their Mailer IDs (MIDs) and permit account on the Incentive Programs Service area of the Business Customer Gateway. Participants must also agree to participate in a survey about the promotion. The program participation period is from April 1 – June 30, 2013. The reply piece is not required to be mailed out during the promotion period, but it must be returned in the mail during

that period. Rebate credit will not be earned for pieces scanned prior to April 1 or after June 30th. Rebate credits can be redeemed for postage for future mailings of First-Class Mail presort and automation letters, cards, or flats, or for Standard Mail letters or flats paid from the permit account to which the credit was applied. The USPS encourages participants to schedule their mailings in the appropriate time frame to maximize the number of reply pieces coming back during the promotion period.

### Emerging Technologies

By providing an upfront two percent postage discount, this promotion is designed to build on the successes of past mobile barcode promotions and promote awareness of how innovative technologies (such as Near-Field Communication, Augmented Reality, and Authentication) can be integrated with a direct mail strategy to enhance the value of direct mail. Registration is June 15 – September 30, 2013. The program participation period is from August 1 – September 30, 2013. Mailers and mail service providers must register on the Business Customer Gateway via the Incentive Programs Service and agree to the promotion terms at least two hours prior to the first qualifying mailing, including specifying the permits and CRIDs used in the promotion. Participants must also agree to complete a survey about their participation in the program.

Eligible mailpieces are First-Class Mail presort and automation cards, letters, or flats, and Standard Mail letters or flats. All pieces must meet at least one of the following requirements:

1. Near-Field Communication (NFC) component: The mailpiece must contain a NFC smart tag or RFID chip that allows information to be transmitted to a mobile device.
2. Augmented Reality component: The mailpiece must contain print that allows the recipient to engage in an augmented reality experience facilitated by a mobile device or computer. The experience must combine real and virtual components, and be interactive in real time, registered in 2-D or 3-D, and relevant to the contents of the mailpiece.
3. Authentication component: The mailpiece must integrate delivery of the physical mailpiece with mobile technology, which allows the user to complete authentication processes for customers and mail recipients. Mailers must obtain prior approval for their proposed authentication uses from the USPS program office.

The two percent discount for eligible pieces is applied at the time of mailing. If multiple emerging technologies are used on the same mailpiece, the discount is only applied once.

### Picture Permit

The Picture Permit promotion is designed to further promote the use of Picture Permit Imprint Indicia, which can improve a mailpiece's visibility and impact as a marketing tool. The Picture Permit fee of 1-cent per mailpiece for First-Class Mail automation letters and cards and the current 2-cent fee for Standard Mail automation letters will be waived for pre-approved mailers. Full-service Intelligent Mail barcodes are required on each piece. It is recommended that prospective participants allow four months before the first mailing date to complete the Picture Permit Imprint Indicia approval process and have proposed designs approved by the USPS Picture Permit program office. Registration for the Picture Permit promotion is allowed from June 1 – September 30, 2013. The promotion participation period is from August 1 – September 30, 2013. Mailers and mail service providers must first complete the initial program registration for Picture Permit at the website: [www.usps.com/picturepermit](http://www.usps.com/picturepermit). After completion of the 4-step authorization process, preapproved participants will be invited to register for the promotion. Approved mailers must agree to participate in a survey about the promotion.

Postage must be paid by permit imprint, with documentation and postage statements submitted electronically. Participants must claim the waiver of fees on the electronic postage statement at the time of submission. All mailpieces in a mailing must be eligible for the promotion. Qualified plant-verified drop shipment (PVDS) mailings that are verified and paid for by September 30, 2013 may be entered at destination entry facilities through October 15, 2013. Send questions by email to: [picturepermit@usps.com](mailto:picturepermit@usps.com).

### Product Samples

Designed to reinvigorate product sampling via the mail, the Product Samples promotion provides mailers with a five percent upfront postage discount on qualifying mail that contains product samples. The promotion will increase awareness of the new "Simple Samples" pricing in Standard Mail, which began January 27, 2013. Mailers and mail service providers must register from May 1 – September 30, 2013 on the Incentive Programs Service area of the Business Customer Gateway. Mailers must agree to participate in a survey about the promotion. The program participation period is from August 1 – September 30, 2013. Qualified PVDS mailings that are verified and paid for by September 30, 2013, may be entered at destination entry facilities through October 15, 2013.

All qualifying parcels must contain a product sample, defined as a physical product whose purpose is to encourage recipients to purchase a product or service, form a belief or opinion, or take an action. Postage must be paid by permit imprint, meter, or precancelled stamps; postage

statements and documentation must be submitted electronically. Participants must claim the discount on the electronic postage statement at the time of submission. Send questions by email to: [mobilebarcode@usps.gov](mailto:mobilebarcode@usps.gov).

### Mobile Buy-It-Now

This promotion provides mailers (of presort and automation First-Class Mail cards, letters, and flats and Standard Mail letters and flats) with an upfront two percent postage discount to encourage them to demonstrate how direct mail combined with mobile technology can be a convenient method for consumers to do their holiday shopping. To participate, mailers and mail service providers must register on the Incentive Programs Service area of the Business Customer Gateway and agree to promotion terms from September 15 – December 31, 2013, at least two hours before presenting the first qualifying mailing. The program participation period is from November 1 – December 31, 2013. Participants must agree to complete a survey about their participation in the promotion.

Qualifying mailpieces must include a two-dimensional barcode or print/mobile technology that can be read or scanned by a mobile device, and directly lead the recipient to a mobile-optimized web page that allows the purchase of an advertised product through a financial transaction on the mobile device. The mailpiece must also contain text near the barcode or image that guides the consumer to scan the image or informs the consumer about the landing page. These additional requirements apply:

1. The destination web page must contain information relevant to the content of the mailpiece, and some of the products advertised must be available for purchase on a mobile device.
2. The purchase must be completed through the mobile device via an electronic payment method, such as a credit card, debit card, or via PayPal; or by placing an order on the mobile device through the internet which leads to a subsequent invoice.
3. A product, for purposes of this promotion, is defined as a tangible and physical item that can be shipped via a mailing or shipping product offered by the USPS (although delivery by the USPS is not required). The sale of a service without a tangible product does not qualify.
4. Products must be offered for fulfillment via home delivery; products offered as shipments for in-store pickup only will not qualify.

### General Discount Information

Commingled, co-mailed, and combined mailings are allowed, but a separate postage statement is required for those mailpieces eligible to participate in the applicable promotion.

Each price reduction will be taken off the eligible postage amount due at the time of mailing. Promotion discounts do not apply to single-piece First-Class mailpieces including residual single-piece First-Class mailpieces claimed on a postage statement for Presorted and automation mailings. Price reductions also do not apply to any Standard Mail residual pieces paying single-piece First-Class Mail prices.

Eligible mailings must be accompanied by electronic documentation, submitted via mail.dat, mail.xml, or Postal Wizard. The electronic documentation must identify the mail owner and mail preparer in the “by/for” fields for all mailings, either by the Customer Registration ID (CRID) or Mailer ID (MID) assigned by USPS. As a general reminder, mailings of automation flats or automation cards and letters, including Standard Mail letters (other than those with simplified addresses) claiming a carrier route automation letter price, must have Intelligent Mail barcodes. Full-service use of IMBs is required for some promotions as specified.

### Registration Before Participation and More General Information

To participate in any of the promotional programs, customers must be registered on the Incentive Programs Service area of the Business Customer Gateway at <https://gateway.usps.com/bcg/login.htm>. Customers must specify which permits and CRIDs will participate in which promotion(s). Registration opens, as specified, for each program above. ### 3.2 Registration and General Conditions for Documentation

Customers must register for each promotion on the Incentive Programs Service through the Business Customer Gateway at <https://gateway.usps.com/bcg/login.htm>, and specify which permits and CRIDs will participate in the promotion. Mailpieces must be mailed under the following conditions:

- a. Except for the Earned Value Reply Mail and Picture Permit promotions, postage must be paid by permit imprint or by affixing metered postage or a precanceled stamp to each piece of mail. Pieces with metered postage must bear an exact amount of postage as stipulated by the class and shape of mail, and according to the table published in the *Federal Register* notice under “postage payment methods.” Provisions for additional postage are in 234.2.2a and 334.2.2a for First-Class mailpieces over one ounce, and in 244.2.2 and 344.2.2 for Standard Mail pieces over 3.3 ounces.

- b. The postage statement and mailing documentation must be submitted electronically. The mail owner’s identity must be indicated in the electronic documentation, which must identify the mail owner and mail preparer in the by/for fields, either by Customer Registration ID (CRID) or Mailer ID (MID) assigned by the USPS. All Presorted and automation pieces declared on a postage statement must qualify for the discount.
- c. The electronic equivalent of the mailer’s signature on the postage statement certifies that each mailpiece claimed on the postage statement qualifies for the applicable promotion.

### 3.3 Program Descriptions

Each of the six promotions is briefly described below. More detailed information, including updated FAQs, is available on the RIBBS website at <https://ribbs.usps.gov/index.cfm?page=mobilebarcode>.

#### 3.3.1 Direct Mail Mobile Coupon and Click-to-Call

This promotion provides an upfront two percent postage discount for presort and automation mailings of First-Class Mail letters, postcards, or flats and Standard Mail (including Nonprofit) letters and flats that integrate mail with mobile technology. There are two separate ways to participate within the one overall program; mailers may participate in one or both, but only one discount applies per mailing. The Mobile Coupon option integrates hard-copy coupons in the mail with mobile platforms for redemption. Participation in the Click-to-Call option increases use of mail with mobile barcodes that provide click-to-call functionality. Conditions are as follows:

- a. For the Mobile Coupon program, the coupon is offered only to mailpiece recipients, the entire path to purchase must be mobile-optimized, and at least one of the following two options apply:
  1. The mailpiece must be a coupon which entitles only the recipients to a discount on a product or service.
  2. The mailpiece must contain either mobile-print technology that can be scanned by a mobile device linking to a mobile coupon or a short number used to initiate a text communication that triggers a text message with a one-time coupon or code.
- b. For both options in 3.3.1a, coupon recipients must be able to present physical coupons or coupons stored on mobile devices at retail locations or the mailpiece must contain a code to receive a discount online or via a call center.
- c. For the Click-to-Call program, the mailpiece must contain mobile technology that can be scanned by a mobile device; the scanned item must link directly to

a mobile-optimized website with a “click-to-call” link or a phone number on the user’s phone. The mailpiece must contain text near the image to guide the consumer to scan the image.

### 3.3.2 Earned Value Reply Mail

First-Class Mail Business Reply Mail (BRM) and Courtesy Reply Mail (CRM) mailers will receive a \$0.02 postage credit for each machinable BRM or CRM card or letter bearing a qualifying Intelligent Mail barcode (IMb) that is scanned in the postal network during the program period. IMbs on reply pieces must be encoded with the correct Mailer ID, barcode ID, service type ID, and correct ZIP+4 routing code as assigned by the USPS. Rebate credits can be redeemed for postage for future mailings of First-Class Mail presort and automation letters, cards, or flats, or for Standard Mail letters or flats paid from the permit account where the credit was applied.

### 3.3.3 Emerging Technologies

If multiple emerging technologies are used on the same mailpiece, the 2% upfront discount is only applied once. To be eligible for the discount, all First-Class Mail presort and automation cards, letters, or flats, and Standard Mail letters or flats must meet at least one of the following requirements:

- a. The mailpiece must contain a Near-Field Communication (NFC) smart tag or RFID chip that allows information to be transmitted to a mobile device.
- b. The mailpiece must contain print that allows the recipient to engage in an augmented reality experience, relevant to the contents of the mailpiece, facilitated by a mobile device or computer.
- c. The mailpiece must integrate delivery of the physical mailpiece with mobile technology, allowing the user to complete authentication processes for customers and mail recipients. Mailers must obtain prior approval from the USPS program office for each proposed process.

### 3.3.4 Picture Permit Imprint

The Picture Permit fee for First-Class Mail automation letters and cards and the fee for Standard Mail automation letters will be waived for pre-approved mailers. Full-service Intelligent Mail barcodes are required on each piece. Mailers and mail service providers must complete registration for Picture Permit at the website: [www.usps.com/picturepermit](http://www.usps.com/picturepermit). After completion of the authorization process, pre-approved participants will be invited to register for the promotion. Postage must be paid by permit imprint; participants must claim the waiver of fees on the electronic postage statement at the time of submission. All mailpieces in a mailing must be eligible for the promotion. Qualified PVDS mailings that are veri-

fied and paid for by September 30, 2013 may be entered at destination entry facilities through October 15, 2013.

### 3.3.5 Product Samples

The Product Samples promotion will provide mailers with a five percent upfront postage discount on qualifying mail that contains product samples. All qualifying parcels must contain a product sample. Qualified PVDS mailings that are verified and paid for by September 30, 2013 may be entered at destination entry facilities through October 15, 2013.

### 3.3.6 Mobile Buy-It Now

The Mobile Buy-It-Now promotion provides mailers (of presort and automation First-Class Mail cards, letters, and flats and Standard Mail letters and flats) with an upfront two percent postage discount. Qualifying mailpieces must include a two-dimensional barcode or print/mobile technology that can be read or scanned by a mobile device, and directly lead the recipient to a mobile-optimized web page that allows the purchase of an advertised product through a financial transaction on the mobile device. The mailpiece must also contain text near the image that guides the consumer to scan the image. These additional requirements apply:

- a. The destination web page must contain information relevant to the content of the mailpiece and some of the products advertised must be available for purchase on a mobile device.
- b. The purchase must be completed through the mobile device via an electronic payment method, or by allowing an order placed on the mobile device through the internet that leads to a subsequent invoice.
- c. A product, for purposes of this promotion, is defined as a tangible and physical item that can be shipped via a mailing or shipping product offered by the USPS (although delivery by the USPS is not required).
- d. Products must be offered for fulfillment via home delivery; products offered as shipments for in-store pickup only will not qualify.

## 3.4 Discounts

For all promotions providing an upfront postage discount, mailers must claim the postage discount on the postage statement at the time the statement is electronically submitted. Mailings with postage affixed will deduct the discount amount from the additional postage due, except that mail service providers authorized to submit Value Added Refund (“VAR”) mailings may include the discount in the amount to be refunded. See also 3.2.

## 3.5 Mobile Barcode or Image Placement

For promotions that include printing of a mobile barcode or other scannable printed image, the image cannot be

placed on a detached address label (DAL or DML) or card that is not attached to the mailpiece. The image cannot be placed in the (postage) indicia zone or the (Intelligent Mail) barcode clear zone on the outside of the mailpiece. For letters, the barcode clear zone is defined in 202.5.1. For flats, the barcode clear zone for this purpose is the barcode itself and an area that extends an additional 1/8 inch from any part of the barcode. The indicia zone is defined as follows:

- a. The postage “indicia zone” is two inches from the top edge by four inches from the right edge of the mailpiece;

- b. When the postage indicium is not in the area described in 3.4a, the mobile barcode or image must not be placed within two inches of the actual postage indicium.

## Invalid Express Mail Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate an Express Mail Corporate Account (EMCA) number online. For all other locations, online EMCA validation is preferred. The online validation process is outlined in the EMCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Express Mail® shipments bearing an invalid EMCA number in the “Payment by Account” or “Agreement Number” section of the Express Mail label or form.

**Note:** The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

## Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/accepting-money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and

which conditions of mailing apply. **Acceptance clerks may contact the Military Postal Service Agency with any questions regarding APO/FPO/DPO ZIP Codes, toll free, at 800-810-6098, Monday–Friday, 0730–1600 ET.**

For Express Mail Military Service (EMMS) availability, all acceptance clerks must refer to the local hardcopy EMMS directory.

FPO	= Fleet Post Office
MOM	= Military Ordinary Mail

Note: Mail order catalogs are prohibited as SAM or PAL mail.

**A.** Securities, currency, or precious metals in their raw, unmanufactured state are prohibited. Official shipments are exempt from this restriction.

**A1.** Mail addressed to "Any Servicemember," or similar wording such as "Any Soldier," "Sailor," "Airman," or "Marine"; "Military Mail"; etc., is prohibited. Mail must be addressed to an individual or job title such as "Commander," "Commanding Officer," etc.

**A2.** APO/FPO/DPO addresses shall not include a city and/or country name.

**B.** Regardless of mail class, a customs declaration form is required for all items weighing 16 ounces or more, or any item (regardless of weight) containing potentially dutiable mail contents (e.g., merchandise) addressed to an APO, FPO, or DPO ZIP Code. PS Form 2976 is required for items weighing less than 16 ounces, and PS Form 2976-A is required for items weighing 16 ounces or more. No customs form is required for items weighing less than 16 ounces when the contents are not potentially dutiable (e.g., documents). When the surface area of the address side of the mailpiece is not large enough to contain a PS Form 2976-A, the smaller PS Form 2976 may be substituted (e.g., the Priority Mail Small Flat Rate Box). The following exceptions apply:

- Known mailers are exempt from providing customs documentation on non-dutiable letters or printed matter. (A known mailer is a business mailer who enters volume mailings through a business mail entry unit (BMEU) or other bulk mail acceptance location, pays postage through an advance deposit account, uses a permit imprint for postage payment, and submits a completed postage statement at the time of entry that certifies that the mailpieces contain no dangerous materials that are prohibited by postal regulations.)
- All federal, state, and local government agencies whose mailings are regarded as "Official Mail" are exempt from providing customs documentation on any item addressed to an APO, FPO, or DPO except for those APOs/FPOs/DPOs to which restriction "B2" applies.
- Prepaid mail from military contractors is exempt, providing the mailpiece is endorsed "Contents for Official Use — Exempt from Customs Requirements."

### Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

## WH-1420 Poster, Employee Rights and Responsibilities Under the Family and Medical Leave Act

### EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

#### Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- for incapacity due to pregnancy, prenatal medical care or child birth;
- to care for the employee's child after birth, or placement for adoption or foster care;
- to care for the employee's spouse, son, daughter or parent, who has a serious health condition; or
- for a serious health condition that makes the employee unable to perform the employee's job.

#### Military Family Leave Entitlements

Eligible employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is: (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness\*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.\*

**\*The FMLA definitions of "serious injury or illness" for current servicemembers and veterans are distinct from the FMLA definition of "serious health condition".**

#### Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

#### Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least 12 months, have 1,250 hours of service in the previous 12 months\*, and if at least 50 employees are employed by the employer within 75 miles.

**\*Special hours of service eligibility requirements apply to airline flight crew employees.**

#### Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and

a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

#### Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

#### Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

#### Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

#### Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

#### Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- interfere with, restrain, or deny the exercise of any right provided under FMLA; and
- discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

#### Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

**FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulation 29 C.F.R. § 825.300(a) may require additional disclosures.**

## Stamp Announcement 13-18: La Florida Stamp

© 2013 USPS

On April 3, 2013, in St. Augustine, Florida, the Postal Service™ will issue the *La Florida* First-Class Mail® commemorative stamp (Forever® priced at 46 cents) in four designs in a pressure-sensitive adhesive (PSA) pane of 16 stamps (Item 470600).

The stamp will go on sale nationwide April 3, 2013.

The U.S. Postal Service® commemorates the 500th anniversary of the naming of Florida with four new stamps that celebrate the beauty of the state's floral abundance. Spanish explorers named the land "La Florida" for Pascua Florida ("Feast of Flowers"), Spain's Easter celebration, and for the verdant display of vegetation that they could see from their ship. The four stamps contain a cascade of blossoms that evoke the feeling of a tropical garden. Each stamp shows a particular variety of flower: red and pink hibiscus; yellow cannas; morning glories in white, red, and shades of purple; and white and purple passionflowers. The selvage features an imagined scene of explorers traveling in a small boat along a river or channel surrounded by tropical foliage. Art director Ethel Kessler designed the *La Florida* stamp issuance, with floral art by Steve Buchanan.

## Stamp Announcement 13-20: Yes, I Do Stamp

© 2012 USPS

On April 11, 2013, in New York, New York, at the American Stamp Dealers Association Spring Postage Stamp Show held at the New Yorker Hotel, the Postal Service™ will issue a 66-cent *Yes, I Do* definitive stamp, in one design, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 579800).

The stamp will go on sale nationwide April 11, 2013.

The U.S. Postal Service® continues its celebration of weddings with a new addition to its popular *Weddings* series — the *Yes, I Do* issuance. Sold at the two-ounce stamp rate, *Yes, I Do* accommodates the heavier weight of an invitation as well as other mailings such as oversized cards or small gifts that require extra postage. The stamp highlights the words “Yes, I Do” nestled in a bouquet of flowers in the shape of a heart. A new, similarly designed companion stamp, *Where Dreams Blossom* — a Forever® stamp sold at the one-ounce rate — is available for response cards, save-the-date notices, thank-you notes, and other correspondence. These stamps were designed by Michael Osborne with Ethel Kessler as the art director.

To learn more about the stories behind the stamps, visit [www.beyondtheperf.com](http://www.beyondtheperf.com).

### Distribution: Item 579800, 66-cent Yes, I Do Definitive PSA Pane of 20 Stamps

Stamp distribution offices (SDOs) and stamp distribution centers (SDCs) will receive their normal automatic distribution quantity of *Yes, I Do* stamps. Distributions are rounded up to the nearest master carton size of 40,000 stamps.

### Initial Supply to Post Offices

SDOs/SDCs will not make any automatic distribution to Post Offices™. Post Offices requiring these items must requisition them from their designated SDO/SDC using PS Form 17, *Stamp Requisition/Stamp Return*.

### Sales Policy

All Post Offices should maintain a sufficient inventory level of this item until the stamp is officially withdrawn from sale. If supplies run low, Post Offices must reorder additional quantities using their normal ordering procedures. Other wedding and love stamps available through your SDC include *Wedding Roses* (46-cent Forever), *Wedding Cake* (66-cent), *Love Ribbons* (46-cent Forever), *Sealed with Love* (46-cent Forever), and *Celebrate* (46-cent Forever).

## Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

## How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at [www.usps.com/shop](http://www.usps.com/shop).

### Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

### Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

## Sustainability

### Tips for Recycling and Waste Reduction

Being leaner, greener, and smarter is as simple as watching your waste. First of all, don't create waste if you can avoid it. Don't buy disposable items and only buy what you need, then use it up completely. If you can't eliminate it, ask yourself, "Can I reuse it, repurpose it, or refurbish it with a few repairs?" or "Can I donate it or give it to someone else?" If you've exhausted all possibilities and can't

reduce or reuse it, recycle it. With each new opportunity, you help the Postal Service® reduce waste.

A lot of what you throw away each day has real value, which translates into real dollars. The value may be obvious for some items you no longer want, like an old car, appliance, or sofa, but what about the day-to-day items you no longer need, like newspapers, magazines, batteries, or

beverage containers? To a recycling company, these items are a valuable commodity that can be turned back into useful products. Waste reduction and recycling is easy, makes good sense, and helps you save money.

### Did You Know?

- The Postal Service recycles more than 250,000 tons of wastepaper, cardboard, cans, plastics, and other materials annually.
- In FY 2012, USPS® generated nearly \$24 million in recycling revenue and \$25 million in landfill cost avoidance.
- In FY 2012, over 15,000 tons of mail transport equipment (MTE) that could not be repaired or reused was recycled.
- The Postal Service adopted the USEPA Federal Green Challenge: to recycle 50% of all solid waste by the year 2015.

### What Does This Mean to the Postal Service?

Waste disposal is expensive. The USPS spent \$49 million on solid waste disposal costs in FY 2012. Recycling can divert virtually 95% of all waste from landfills. Recyclers are willing to pay for our discarded mixed paper, cardboard, plastics, metals, and other materials. Recycling makes good business sense, keeps the environment clean, and ultimately saves money. When the Postal Service recycles, everyone wins.

### What You Can Do:

Waste reduction and recycling starts with each of us. As a team, we can make a difference. What are some of the things you can do at your Facility?

**Start a Green Team.** USPS Lean Green Teams are doing a lot to reduce waste, save money, and increase revenue through recycling. To get started, speak to your Facility Manager.

**Take the “Zero Waste” Challenge.** Zero waste means eliminating virtually all solid wastes. For practical purposes, this is achieved by reaching a 95% recycling rate. Since paper, plastic, cardboard, and metals are all 100% recyclable and represent 95% of the USPS waste stream, zero waste is achievable. Become a Zero Waste Site and demonstrate your commitment to maximizing recycling and minimizing waste. You’ll increase recycling revenues, reduce waste disposal costs, and reduce pollution.

**Get going!** Assess the waste created at your facility. Look for opportunities to reduce waste before it is generated, and recycle more of what is left. Play your part and get involved.

### What Should Employees Know?

- **Think Zero Waste.** Start by recycling at least 50% of our solid waste. Once that goal is achieved, a 95%

recycling rate can be achieved by recycling all paper, plastic, cardboard, and metals. It’s not impossible. There are Post Offices® that have already achieved this goal!

- **Communicate to Others What We Recycle.** New employees may not be familiar with the materials we recycle – whether it is mixed paper, cardboard, plastic, and metal. Also, make sure they know where recyclables are collected.
- **Label Recycling Containers.** Simply apply a self-adhesive label to the container on at least two sides.
- **Recycle Everything.** Before you throw anything away, ask your supervisor if there is a recycling program for that material. If not, consider starting a recycling program.
- **Your Efforts Count.** If each Postal Service employee recycled all of his or her waste daily, we could reduce solid waste by more than a quarter million tons a year. Your efforts count, whether you’re at work or at home.
- **Get Involved.** Learn more about how to recycle and save energy by joining a postal “Green Team.” Ask your manager about starting a Lean Green Team at your facility.
