### DMM Revision: Additional Consolidation of ZIP Code Accuracy Standards for Periodicals

Effective September 3, 2013, the Postal Service™ will revise the *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 602 and 707 to consolidate ZIP Code™ accuracy standards for non-bar-coded, presorted Periodicals pieces into existing DMM 602.6.0, which details the ZIP Code accuracy standards for other classes of mail. The standards and methods to incorporate ZIP Code accuracy for mailpieces is the same for all classes of mail; a previous consolidation neglected to include Periodicals.

### DMM Revision: New Label 139 for Cremated Remains

Effective September 3, 2013, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 601.12.9.3 to include language describing a new label for use in marking shipments containing cremated remains.

The Postal Service has developed a new label for customer and sales and service associate (SSA) use to enhance visibility for these types of sensitive shipments. Label 139, *Cremated Remains*, applied to mailpieces containing cremated remains, is intended to be placed on the address side of the mailpiece. Additionally, the Postal Ser-

vice will also redefine its definition of cremated remains to include both human and animal (pet) ashes, when mailed domestically.

Although these revisions will not be published in the DMM until September 3, 2013, these new labels may be used immediately.

**IMM Correction: Items Improperly Deposited Bearing a Retail Customs Form**

The article titled “IMM Revision: Items Improperly Deposited Bearing a Retail Customs Form” in *Postal Bulletin* 22365 (12-13-12, pages 13–14) incorporated updated mailing standards for improperly deposited items bearing a retail customs form.

In that article, the *existing* Note that appeared after item “h” in section 123.722 was to be *revised*; however, upon publication into *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®), the Note was inadvertently *added* as an additional Note. We will correct this by removing the second Note that currently appears after IMM 123.722h in the September 3, 2013 edition.

2. The employee’s **SSN** was replaced with the **EIN**.
3. Within the Supervisor’s block, **Processing Date** and **PSDS Tech Initials** were changed to **Date Entered** and **Entered By (initials)**.

The revised version of PS Form 3189 (June 2013) is shown on page [8](#).

## Organization Information

### Ethics Office

#### Did You Know?

All Postal Service™ employees are required to comply with the Standards of Ethical Conduct for Employees of the Executive Branch (“the Standards”). One of the provisions in the Standards puts an obligation on each of us to protect and conserve all of the Postal Service’s property and interests and to guard against any misuse of government property, resources, funds, assets, official time, etc. A misuse violation of the Standards occurs whenever something that rightfully belongs to the Postal Service is used for a non-postal purpose. To remind employees of this obligation, please display the poster on page [35](#) on your employee’s bulletin board.

— Chief Ethics Officer,  
Office of the Postmaster General, 8-22-13

### Information Security

#### Phone Scam Warning

A USPS® employee recently received a call from an individual claiming to represent Citibank. The employee

was asked to log in to a “Citicards” website to check his account. The employee was also asked to call a toll-free number that connects to an automated response requesting that callers enter their credit card or Social Security numbers.

The Computer Incident Response Team (CIRT) recommends employees never respond to any communications asking for such information. Credit card companies like Citibank already have this information on file and do not need to confirm it with customers.

Employees who receive such a message should make a note of the information provided to them in the event they need it for a future investigation.

Chief Information Officer, 8-22-13

### Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

**Note:** The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

### Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/accepting-money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

## Other Information

### Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at <https://amps.mpsa.mil/jy2/frm.htm>.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

### Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

**that the ethics laws do not allow postal employees to use their position, postal property, time, or resources for any purpose other than postal business.**

Here are some examples of how an employee could run afoul of the ethics laws:

- by using a postal vehicle to run a personal errand,
- by using a government gas or travel credit card for personal use,
- by borrowing money from a postal cash drawer,

## Stamp Announcement 13-39: Ray Charles Stamp

© 2013 USPS

On September 23, 2013, in Los Angeles, California and Atlanta, Georgia, the Postal Service™ will issue a *Ray Charles* (Forever® priced at 46 cents) First-Class mail® commemorative stamp in one design in a pressure-sensitive adhesive (PSA) pane of 16 stamps (Item 579500). **The \$7.36 *Ray Charles* pane of 16 stamps may not be split, and the stamps may not be sold individually.**

The stamp will go on sale nationwide September 23, 2013.

The U.S. Postal Service® honors Ray Charles, the extraordinary composer, singer, and pianist, who mixed blues, gospel, country, jazz, and soul music in a unique and highly influential pop music style. The stamp, part of the new *Music Icons* series, features a photograph of Charles from later in his career. The stamp pane evokes the appearance of a vintage 45 rpm record sleeve. One side of the pane includes the stamps and the image of a sliver of a record seeming to peek out the top of the sleeve. The reverse side includes a larger version of the photograph featured on the stamp art and the logo for the *Music Icons* series. Art director Ethel Kessler worked on the stamp pane with designer Neal Ashby.

To learn more about the stories behind the stamps, visit [www.beyondtheperf.com](http://www.beyondtheperf.com).

**Distribution: Item 579500, \$7.36 *Ray Charles* (Forever priced at 46 cents) Commemorative PSA Pane of 16 Stamps**

Stamp distribution offices (SDOs) and stamp distribution centers (SDCs) will receive their standard automatic distribution quantity for a PSA pane of 16 stamps. Distributions are rounded up to the nearest master carton size of

2,000 panes (32,000 stamps). The stamps will be shipped and sold as a pane of 16 (\$7.36).

### Initial Supply to Post Offices

SDOs/SDCs will make a subsequent automatic distribution to all Post Offices™ of a quantity to cover approximately 45 days of sales. Post Offices may preorder these stamps 30 days prior to first-day-of-issue through the eBuy2 SEAM Catalog. However, offices should first check the website to determine the amount they will receive on their automatic push prior to placing a preorder at: <http://topkssgshst/sites/SDCReports/Lists/StampAutomatics/default.aspx>.

Post Offices participating in the SEAM Stamp Auto Replenishment Pilot (Seattle, Portland, Alaska, and Salt Lake City districts) will receive their automatic push distribution and will be automatically replenished after that based on sales. If pilot sites need additional stock to meet unexpected demand, they must first check the website at: <http://topkssgshst.usps.gov/sites/SDCReports/Web/default.htm> to see if a SEAM replenishment order has already been placed before placing an expedited order in eBuy2. Post Offices should not sell the stamp prior to first-day-of-issue.

### Sales Policy

All Post Offices should maintain a sufficient inventory level of this item until the stamp is officially withdrawn from sale. If supplies run low, Post Offices must reorder additional quantities using their normal ordering procedures.

### How to Order the First-Day-of-Issue-Postmark

Customers have 60 days to obtain the first-day-of-issue postmark by mail. They may purchase new stamps at their local Post Office, at The Postal Store® website at [www.usps.com/shop](http://www.usps.com/shop), or by calling 800-STAMP-24. They should affix the stamps to envelopes of their choice, address the envelopes (to themselves or others), and place them in a larger envelope addressed to:

Ray Charles Stamp (Los Angeles)  
(Address Unavailable)

Ray Charles Stamp (Atlanta)  
(Address Unavailable)

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes through the mail. There is no charge for the postmark up to a quantity of 50. For more than 50, customers have to pay five cents each. All orders must be postmarked by November 23, 2013.

### Special Dedication Postmarks

Only the following pictorial postmark is permitted for the *Ray Charles* stamp. The word “Station” or the abbreviation “STA” is required somewhere in the design, because it will be a temporary station.

## Guidelines for Finalizing Ray Charles Stamp Pictorial Postmark Art

To finalize *Ray Charles* stamp pictorial postmark art, insert the date, city, state, and ZIP™ Code of the physical location of your event adjacent to the stamp image. Overall dimensions of the pictorial postmark must not exceed 4 inches horizontally by 2 inches vertically. Collectors prefer the dimensions 3 1/2 inches by 1.

The Postal Service must make all special postmarks known to collectors through advance publicity in the *Postal Bulletin*. Therefore, all special dedication cancellations must be reported to Stamp Services four weeks before the events using PS Form 413, *Pictorial Postmark Announcement/Report*. To get a copy of the form, go to <http://blue.usps.gov/formmgmt/forms/ps413.pdf>.

## How to Order First-Day Covers

The Postal Service also offers first-day covers for new stamp issues and Postal Service stationery items post-marked with the official first-day-of-issue cancellation. Each item has an individual catalog number and is offered in the quarterly USA Philatelic catalog, online at [usps.com/shop](http://usps.com/shop) or by calling 800-782-6724. Customers may request a free catalog by calling 800-782-6724 or writing to:

## Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

The following pictorial postmarks have been extended for 30 days:

## How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at [www.usps.com/shop](http://www.usps.com/shop).

### Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

### Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.
