Cover Story

Ray Charles Stamp

First Day of Issue: September 23, 2013 | Los Angeles, CA & Atlanta, GA

The U.S Postal Service[®] proudly honors inspiring musician Ray Charles with the *Ray Charles* Forever[®] stamp, the third issuance in the *Music Icons* series. This extraordinary composer, singer, and pianist, blind since the age of seven, went beyond category, blending blues, gospel, country, jazz, and soul music in a unique and highly influential pop music style. His many hits included "I've Got a Woman," "Georgia on My Mind," and "I Can't Stop Loving You."

Looking back over the course of his long career, there seemed little Charles couldn't do. His work spanned almost the entire breadth of American music and brought him 17 Grammy Awards, plus an award for lifetime achievement in 1987. His many other prizes include the National Medal of Arts (1993), the Polar Music Award (1989), and the Kennedy Center Honors in 1986. That same year, he was inducted into the Rock and Roll Hall of Fame.

The Ray Charles Forever stamp art features an image of Charles, taken later in his career, by Yves Carrère. The stamp sheet was designed to evoke the appearance of a vintage 45 rpm record sleeve. One side of the sheet includes the stamps and the image of a record appearing to peek out of the top of the sleeve. A larger version of Charles' photograph and the Music Icons series logo appear on the reverse side. Art director Ethel Kessler worked on the stamp sheet with designer Neal Ashby.

In celebration of the new *Ray Charles* Forever stamp, the U.S. Postal Service is releasing two new products (shown on the next page): the *Ray Charles* Forever CD (\$9.99, Item #842717), featuring his remastered classics and previously unreleased material, and the *Ray Charles Limited Edition Screen Print Poster*, a lively graphic print reminiscent of mid-century album covers that features Charles in his iconic sunglasses (\$14.95 — Item #579525). Both products will be available for purchase at http://www.usps.com/shop, 800-STAMP-24, and http://www.usps.com/shop, 800-STAMP-24, and http://www.eBay.com/stamps on September 23, 2013. The CD will also be available at select Post OfficeTM locations. See the 22370 issue of the *Postal Bulletin* (8-22-13) for more information regarding all the related *Ray Charles* Forever stamp products.

DMM Revision: Modification of Return Address Requirement for Periodicals Publications

Effective October 7, 2013, the Postal Service™ will revise *The Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) section 602.1.5.3 to modify the requirement for a return address on a Periodicals publication in any wrapper to apply to publications that are in an opaque wrapper. Publications that are polywrapped or in another clear wrapper will not be required to bear an external return address unless they have an endorsement requiring physical return of the publication. This revision brings that standard into alignment with the standard in DMM 707.3.2.3 for return addresses on Periodicals publications.

Postal Service employees at Post Offices™ and other delivery units are reminded not to perform any manual markups of undeliverable Periodicals publications, and that all undeliverable Periodicals publications must be sent to the designated Computerized Forwarding System (CFS) unit.

DMM Revision: Balloting Materials Postage

Effective October 7, 2013, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 703.8 to require that the balloting materials for all types of ballots, whether disseminated in hardcopy or electronically, must indicate in a prominent location the proper amount of First-Class Mail® postage that must be paid. This information must be included in the balloting materials (i.e., on the ballot, ballot instructions, mailing instructions, or the envelope) with the marking "First-Class Mail postage must be applied." Alternatively, the marking "Apply First-Class Mail postage here" could be printed in the upper right corner of the address side of the envelope used by the voter to return the ballot to election officials. The Postal Service will also accept approved variations of the above markings.

Additionally, balloting materials must indicate, in a prominent location, the specific amount of First-Class Mail postage required for the return of the ballot to election officials.

The marking requirements will not apply to balloting materials that meet one of the following exceptions:

- The balloting materials are qualified under the special exemption for military and overseas voting.
- The ballot is returned under Business Reply Mail[®] service.
- Return postage is guaranteed through a postage due account.
- Postage on the ballot is prepaid by stamps, meter, or Permit Reply Mail.

Observations

China:

Effective October 7, 2013, the Postal Service™ will revise *Mailing Standards of the United States Postal Service,* International Mail Manual (IMM®) to reflect changes in the Individual Country Listings (ICLs) for China, Kyrgyzstan, and Russia.

Please note the following ICL changes, resulting from notices forwarded by the Universal Postal Union (UPU) via International Bureau Circulars (IBCs), or from formal requests made by the destination country:

- China: As indicated in UPU IBC 128, dated July 15, 2013, and IBC 134, dated July 22, 2013, China updated its policy regarding customs and additionally advised that items containing powders, liquids, and lithium batteries that are transported via air into China will be forwarded to the final destination via ground transportation, which could result in delay.
- Kyrgyzstan: As indicated in UPU IBC 145, dated August 5, 2013, Kyrgyzstan has modified its list of restrictions by prohibiting postage stamps when sent by Registered Mail™ service.
- Russia: Russian Post has updated its listings of prohibited and restricted items on its website at http://www.russianpost.ru/rp/servise/en/home/postuslug/internationalmail/goodslist_import.

Handbook AS-353 Revision: Guide to Privacy and the Freedom of Information Act

Effective September 5, 2013, the Postal Service™ is revising Handbook AS-353, *Guide to Privacy and the Freedom of Information Act,* to include the following modifications, which were published in the *Federal Register* on July 18, 2013 (78 FR 43247 – 43249).

The U.S. Postal Service® is amending systems of records (SOR) 100.000, General Personnel Records, and 100.100, Recruiting, Examining, and Placement Records, to account for the current practice of collecting the personal email addresses of applicants and potential applicants for Postal Service employment. Additionally, SOR 100.300, Employee Development and Training Records, is being updated to facilitate the assessment services of contractors as part of its continued effort to develop and hire talent into leadership positions. Employee assessments will now be included among the record categories for that system. Lastly, the Postal Service is amending SOR 100.600, Personnel Research Records, to enable Human Resources to contact former employees via their personal email addresses for the purpose of obtaining feedback so that the Postal Service may continuously improve its processes. Additionally, the category of "veterans status" is being added to the existing categories of personnel research information. A minor change is also being made to clarify that Employee Identification Numbers, which are used to identify Postal Service employees in other records systems, will be a category of records in this system.

Handbook F-1 Revision: Increasing Capital Threshold

Effective October 1, 2013, the Postal Service™ will revise Handbook F-1, Accounting and Reporting Policy, to reflect an increase in the capital threshold amount for property and equipment.

Handbook F-1, Accounting and Reporting Policy

3 **Assets**

3-6 **Property and Equipment**

[Revise the text to read as follows:]

Property and equipment must be safeguarded against theft, loss, and misuse. The Postal Service must conduct physical inventories of capital property and equipment items on a recurring basis.

Equipment items which have a service life of more than one year and with an acquisition cost of \$10,000 or over and leasehold improvements of \$10,000 or over are deemed to be "capital" items and must be recorded as an asset on the general ledger and subject to annual inventory procedures.

All building and land additions, equal to or greater than \$10,000, are capitalized and recorded as assets on the general ledger.

The Postal Service expenses equipment purchased for purposes of research and development at the time of acquisition.

Capital property and equipment authorization authority is specified in Handbook F-66, General Investment Policies and Procedures.

Facilities Service Offices (FSOs) are responsible for notifying Finance on a timely basis for the acquisition and disposal of buildings, land, and leasehold improvements.

Equipment items with an acquisition cost of under \$10,000 and leasehold improvements under \$10,000 are deemed to be "non-capital" items and are expensed when acquired. Non-capital items must be safeguarded but are not subject to annual inventory procedures.

We will incorporate these revisions into the next online

edition of Handbook F-1, Accounting and Reporting Policy, on the Postal Service PolicyNet website:

- Go to http://blue.usps.gov.

Same-Sex Marriages and Federal Ethics Rules

Following last June's Supreme Court decision on the Defense of Marriage Act, the federal ethics rules will now apply to employees in same-sex marriages in the same way that they apply to all married employees.

The ethics rules affect married employees in a number of ways. Every employee required to file a public or confidential financial disclosure report must include the spouse's finances on the next report. In addition, a spouse's financial interests are treated as if they were the employee's under the conflict of interest laws. For example, an employee may not work on any assignments that will affect the spouse's financial interests.

The criminal conflict-of-interest statutes and the financial disclosure reporting requirements do not apply in the same manner to employees in domestic partnerships or civil unions. However, employees in these kinds of relationships still might be disqualified from working on assignments affecting their partners or members of their households.

Anyone with questions about the ethics rules that apply to married employees should contact the Ethics Office at 202-268-6346 or send an email to ethics.help@usps.gov.

Stamp Announcement 13-40: Stamp Collecting: Inverted Jenny Stamp

On September 22, 2013, in Washington, DC, at the National Postal Museum, the Postal Service™ will issue a \$2.00 Stamp Collecting: Inverted Jenny, commemorative stamp in one design in a pressure-sensitive adhesive (PSA) souvenir sheet of six stamps (Item 580000). The \$12.00 Stamp Collecting: Inverted Jenny souvenir sheet may not be split, and the stamps may not be sold individually and should be tracked in AIC 092 as a philatelic product.

The stamp will go on sale nationwide September 22, 2013.

This souvenir sheet features a new version of perhaps the most famous error in the history of U.S. stamps: the *Inverted Jenny*, a 1918 misprint that mistakenly showed a biplane flying wrong side up. Reprinted with a \$2.00 denomination to make them easily distinguishable from the 24-cent originals, the six *Inverted Jennys* on this sheet commemorate the many ways a single stamp can turn a moment in history upside down. Working with art director Antonio Alcalá, Steven Noble created selvage artwork that depicts the National Postal Museum, aviation pioneer Reuben H. Fleet, and a map of the first regular airmail service route.

Post Offices will NOT be able to preorder these stamps prior to first-day-of-issue, and they will not be able to order additional stamps through the Stamp Distribution Centers (SDCs) and Stamp Distribution Offices (SDOs) once they have sold their automatic distribution quantities.

Stamp Announcement 13-41: Poinsettia Stamp

On October 10, 2013, in New York, New York, at the American Stamp Dealers Association stamp show, the Postal Service™ will issue a *Poinsettia* (Forever® priced at 46 cents) First-Class mail® stamp in one design in a pressure-sensitive adhesive (PSA) booklet of 20 stamps (Item 688600) and a PSA automated teller machine (ATM) booklet of 18 stamps (Item 586000).

The stamp will go on sale nationwide October 10, 2013.

The U.S. Postal Service[®] continues its tradition of issuing beautiful and classic holiday stamps with *Poinsettia*, a bright, cheerful rendering of America's favorite holiday flower. The stamp art depicts the rich red and vibrant green leaves surrounding the flower — the cluster of small, rather modest cup-shaped structures in the center. The red "petals" that we think of as the flower are actually modified leaves called bracts. The art reference for this stamp was a potted poinsettia. Designed by art director Ethel Kessler, *Poinsettia* features the work of William Low.

To learn more about the stories behind the stamps, visit http://www.beyondtheperf.com.

Distribution: Item 688600, \$9.20 Poinsettia (Forever priced at 46 cents) First-Class Mail PSA Booklet of 20 Stamps

Stamp distribution offices (SDOs) and stamp distribution centers (SDCs) will receive their standard automatic distribution quantity for a PSA booklet of 20 stamps. Distributions are rounded up to the nearest master carton size of 4,000 booklets. The stamps will be shipped and sold as a booklet of 20 (\$9.20).

Initial Supply to Post Offices

SDOs/SDCs will make a subsequent automatic distribution to all Post Offices™ of a quantity to cover approximately 45 days of sales. Post Offices may preorder these stamps 30 days prior to first-day-of-sale through the eBuy2 SEAM Catalog. However, offices should first check the website to determine the amount they will receive on their automatic push prior to placing a preorder: http://topkkssgsht/sites/SDCReports/Lists/StampAutomatics/default.aspx. Post Offices should not sell the stamp prior to first-day-of-issue.

Sales Policy

All Post Offices should maintain a sufficient inventory level of this item until the stamp is officially withdrawn from sale. If supplies run low, Post Offices must reorder additional quantities using their normal ordering procedures.

Verifying U.S. Postal Service Money Orders

Pull-Out Information

Follow these steps to cash a Postal Service $^{\text{TM}}$ money order:

- Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
- 2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word "USPS" repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at https://www.usps.com/shop/accepting-money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the <u>Restrictions</u> page following the table).

Acceptance clerks should use the table with the integrated retail terminal (IRT) or POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at https://amps.mpsa.mil/jy2/frm.htm.

The entries under "Changes" appear in bold in the APO/FPO/DPO table starting below.

Stamp Announcement 13-43: Holy Family Stamp

© 2013 USPS

On October 11, 2013, in New York, New York, at the American Stamp Dealers Association stamp show, the Postal Service[™] will issue a *Holy Family* (Forever[®] First-Class Mail priced at 46 cents) stamp in one design in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 582000).

The stamp will go on sale nationwide October 11, 2013.

The *Holy Family* stamp, first issued in 2012, celebrates Christmas with a scene from the Nativity story that reminds us of the joys of the season: family, togetherness, and the birth of Jesus. The stamp art depicts Joseph leading a donkey that carries Mary and the baby Jesus, guided by a star shining in the twilight of a desert sky. Art director William Gicker, designer Greg Breeding, and illustrator Nancy Stahl created this evocative image of the Holy Family.

Stamp Announcement 13-44: Snowflakes Stamp

© 2013 USPS

On October 1, 2013, in Weston, Missouri, the Postal Service[™] will issue the *Snowflakes* presorted standard non-denominated stamp (priced @ 10 cents) in five designs in a pressure-sensitive adhesive (PSA) coil of 10,000 stamps (Item 789800).

The stamp will go on sale nationwide October 1, 2013.

This holiday season, the U.S. Postal Service[®] will issue five festive snowflake stamps in the Presorted Standard price (10 cents) for bulk mail users. Each stamp features a photograph of a different snowflake, set against a background of colors that fade from white at the bottom to icy blues and purples at the top. To photograph these snowflakes, fallen snowflakes were rapidly transferred from a cardboard collecting surface to a glass slide and inserted into a high-resolution microscope. Photographs were made with a digital camera attached to the microscope. William J. Gicker was the art director for the stamp issue. Jennifer Arnold designed the stamps using existing photographs by Kenneth Libbrecht, a professor at the California Institute of Technology.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office $^{\text{TM}}$, by telephone at 800-STAMP-24, or at The Postal Store $^{\text{®}}$ website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-ofissue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Use Slim Jims - Secured Lobby Recycling Containers

To demonstrate the USPS[®] Green commitment, Post Offices™ are encouraged to participate in the Post Office Box Lobby Recycling Program. Your PO Box™ customers can recycle their mail in specially designed secured recycling containers that the Postal Service™ has deployed to more than 12,000 Post Offices with PO Box lobbies nationwide. These secure containers carry the message, "Read, Respond, and Recycle Your Mail."

The Postal Service can make significant reductions in its solid waste disposal costs if customers recycle their mail after they have finished with it. By offering customers the opportunity to recycle their mail right in the lobby, the USPS can also play an important role in meeting customers' environmental expectations. Now is a very good time to renew our customer's participation in USPS recycling and sustainability programs. Containers are offered on a first come, first served basis, while supplies last.

Affected Postmasters should use the eBuy on-catalog requisition system to order the "Slim Jim" secure recycling containers from the Topeka, Kansas Material Distribution Center. Search for items using the PSN number listed below (without the dashes). If your office does not have access to eBuy, order using touch-tone order entry (TTOE): Call 800-273-1509.

Note: You must be registered to use TTOE. To register, call 800-332-0317, option 1, extension 2925, and follow the prompts to leave a message. Please wait 48 hours after registration before placing your first order. For complete TTOE ordering instructions, visit the Materials Customer Service website at http://blue.usps.gov/purchase/_doc/ops_ttoeins.doc or call 800-332-0317, option 4, option 4.

Use the following information to order Slim Jims. Order containers based on the rule of thumb that one container serves up to 500 active PO boxes. If two containers are needed (i.e. Slim Jim Double), order PSN 4250-15-000-0664. If three containers are needed (i.e., Slim Jim Double and Slim Jim Single), order the single and double container. Maximum order is limited to three containers.
