### USPS Unveils the Next Stamp in the Music Icons Series: Jimi Hendrix

Recognizing the significance of American music in popular culture around the globe, the U.S. Postal Service® proudly launched the exciting *Music Icons* stamp series in 2013. The selected performers for the series, representing diverse eras and types of music, are featured on stamps with panes that feature the *Music Icons* logo so that each issue is branded like a record label release. Each pane resembles the sleeve of a 45 rpm single, with the sliver of a record seeming to peek out the top of one side, and a full color “cover” image on the other. Lydia Mendoza, one of the first and greatest stars of Tejano music, was the first artist to be honored with such a pane to inaugurate the series on May 15, 2013. The following month, Johnny Cash, the country music star known internationally as “the man in black,” was featured as the second installment of the series. The extraordinary composer, singer, and pianist, Ray Charles, became the third honoree on September 23, 2013. Continuing its recognition of musical innovation and diversity, the Postal Service™ proudly presents Jimi Hendrix as the fourth entry in the *Music Icons* series.

Widely recognized as one of the most creative and influential musicians of the 20<sup>th</sup> century, Jimi Hendrix inspired musical artists of his era with his innovative style that embraced the influences of rock, R&B, modern jazz, and blues. He laid the foundation for three new genres of music – heavy metal, jazz fusion, and funk, which left his indelible mark on pop music and popular culture in general. Hendrix

was inducted into the Rock and Roll Hall of Fame in 1992 and the U.K. Music Hall of Fame in 2005. *Rolling Stone* ranked him #1 on its list of the “100 Greatest Guitarists of All Time” and #6 on its list of “100 Greatest Artists of All Time.” In 1991, Hendrix received his own star on the Hollywood Walk of Fame, and two years later he was awarded a posthumous Grammy for lifetime achievement.

Issued on March 13, 2014, just before the Jimi Hendrix Celebration concert at the South by Southwest Outdoor Stage at Butler Park in Austin, TX, the new limited-edition *Jimi Hendrix Forever*® stamp features a vibrant design fashioned to evoke the movement and rhythm of the late singer and pay homage to the psychedelic rock era of the 1960s. The pane of 16 stamps features a painting of Hendrix’s face surrounded by colorful swirls and icons that reference song lyrics or aspects of the artist’s life. Visit Facebook at <http://facebook.com/USPSStamps>, [Twitter@USPSstamps](https://twitter.com/USPSstamps), or <http://usps.com/stamps> to view the stamp. The new *Jimi Hendrix* stamps may be purchased at local Post Offices, <http://usps.com/stamps>, <http://eBay.com/stamps>, or by calling 800-STAMP-24. ### DMM Revision: Delayed Implementation Date for New Standards for Parcels Containing Hazardous Materials

Effective April 7, 2014, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®) 601.10.0* to provide language that aligns with the Department of Transportation (DOT) delayed implementation date for package marking regulations applicable to hazardous materials in ground transportation. The Postal Service will also make corresponding revisions to Publication 52, *Hazardous, Restricted, and Perishable Mail*, as soon as possible thereafter. The Publication 52 revisions will be provided in a later edition of the *Postal Bulletin*.

With this revision, the Postal Service confirms its intent to eliminate the option for mailers to use the Other Regulated Material (ORM-D) marking on parcels intended for surface transportation. However, these new marking standards, for parcels intended for surface transportation, will be deferred (remain optional), until January 1, 2021. This deferment coincides with the DOT's delayed implementation date for the required use of the DOT square-on-point marking for packages transported by ground transportation.

On January 19, 2011, the DOT's Pipeline and Hazardous Materials Safety Administration (PHMSA) published *Federal Register* final rule HM-215K (76 FR 3308-3389), which synchronized the requirements of the U.S. Hazardous Materials Regulations (HMR) with international transport requirements. In its final rule, PHMSA signaled its intent to, among other items, eliminate the ORM-D classification for all forms of transportation. This change became effective on January 1, 2013, for shipments intended for air transportation. For shipments intended for surface transportation, the DOT subsequently announced a further delay in the marking requirements until January 1, 2021. In response to requests from the mailing industry, the Postal Service is delaying its implementation of the marking requirements for shipments intended for surface transportation to coincide with the date signaled by PHMSA.

### DMM Clarification: USPS Package Intercept Automated Retail Requests — Implementation

The Postal Service™ provided notice in *Postal Bulletin* issue 22381, January 23, 2014, that an additional phase of USPS Package Intercept® service to automate retail requests and related payments online was expected to be delayed until March 2014. This article announces that online retail Package Intercept service for retail and consumer requests will be available at <http://usps.com> as of April, 7, 2014. As a result, manual requests for the service are no longer necessary, and PS Form 1509, *Sender's*

*Request for USPS Package Intercept Service*, is also retired.

Additional information on the online USPS Package Intercept service can be found in the *Federal Register*, Docket No. 2013-27728, Volume 78, Number 224 (Wednesday, November 20, 2013) and in DMM 507.5.0.

### DMM Correction: Premium Forwarding Service Commercial Replaced Priority Mail Reshipment

Effective April 7, 2014, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) section 505.3.7 to delete the former standards for Priority Mail Reshipment service using Merchandise Return Service (MRS) which was recently replaced by Premium Forwarding Service Commercial (PFS-Commercial™).

The Postal Service provided advance notice of changes to introduce Premium Forwarding Service Commercial in *Federal Register* Docket No. 2013-27728, Volume 78, Number 224 (Wednesday, November 20, 2013) and provided notice of implementation and the new standards in *Postal Bulletin* issue 22318, dated January 23, 2014. Since PFS-Commercial has replaced Priority Mail (PM) Reshipment service, the obsolete related standards in 505.3.7 are being removed. Although these revisions will not be published in the DMM until April 7, 2014, these standards are effective immediately.

### DMM Correction: Updated Internet Change of Address Credit Card Authentication Fee

Effective April 7, 2014, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 507.2.1.4 to replace the current monetary fee listed for Internet Change of Address (ICOA) and Telephone Change of Address (TCOA) Credit Card Authentication Fee with a reference to the Notice 123 — *Price List*.

Consistent with the Postal Regulatory Commission’s (PRC) Order No. 1926, issued on December 24, 2013, that approved the Postal Service’s Exigent Request, customers are advised that this fee was increased from \$1.00 to \$1.05 effective January 26, 2014, and was inadvertently not updated in DMM 507.2.1.4. Although this revision will not be published in the DMM until April 7, 2014, this price update became effective on January 26, 2014, and is accurately reflected in the Notice 123 — *Price List*.

### DMM Revision: Additional Changes to Periodicals Sacking Requirements

Effective March 20, 2014, the Postal Service™ is revising the *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 705.9.0, 705.10.0, and 707.22 to revise sacking standards for nonautomation Periodicals flats and merged Periodicals flats to require sack preparation when 72 copies are prepared for a presort level. Sacking when 24 flats (or irregular parcels) are prepared for a presort level will become optional.

This modification supplements a revision announced in the November 1, 2012, *Postal Bulletin* and implemented in the January, 2013, DMM that made similar changes in 707.23 and 707.25 for carrier route and automation Periodicals flats. These changes allow Periodicals mailers to continue to reduce the number of required sacks they prepare and will contribute to improved efficiencies for the Postal Service.

#### 584.32 Career Appointment to Nonbargaining Position

*[Revise the text of 584.32 to read as follows:]*

An applicant selected for career appointment to a nonbargaining position must serve a probationary period of 1 year of continuous service in the Postal Service, or 1 year of

combined service (federal and postal) without a break of a workday in positions in the same line of work.

An applicant hired as a Postal Inspector must serve a probationary period of 2 years.

**Exception:** The probationary period for a person with veterans' preference appointed as a Postal Inspector is 1 year.

\* \* \* \* \*

#### 584.61 Conducting the Initial Discussion

*[Revise the text of 584.61 to read as follows:]*

During an employee's first week at a work site, the immediate manager must have an initial discussion with the employee to clearly outline performance expectations for the probationary period. This discussion is documented on the appropriate form, as follows:

- Supervisory — PS Form 5956-SUP, *EAS Supervisory Employee Probationary Period Report*.
- Non-Supervisory — PS Form 5956-EAS, *EAS Non-Supervisory Employee Probationary Period Report*.
- Managerial — PS Form 5956-MGR, *EAS Managerial Employee Probationary Period Report*.
- Executive — PS Form 5956-EXE, *Executive Employee Probationary Period Report*.
- Postal Inspector — PS Form 5656-PI, *Postal Inspector Probationary Period Report*.

These forms are available online at <http://blue.usps.gov/formmgmt/forms.htm>.

#### 584.63 Performance Evaluation Intervals

*[Revise the text of 584.63 to read as follows:]*

The probationary period for most nonbargaining employees is 1 year and increases to 2 years for some Postal Inspectors (see 584.32). In addition to providing the ongoing feedback necessary for successful performance management, the manager must conduct formal discussions with the employee. After the initial meeting during the employee's first week at the work site, the manager will conduct and document interactive discussions at regular intervals as described on the appropriate probationary form (see 584.61). Both the employee and manager are required to initial the form to indicate completion of these discussions.

On the final evaluation, the manager must recommend definitively that the employee be either retained or separated. The employee and the manager both must sign the evaluation form. If the employee refuses to sign it, the man-

ager will indicate that the employee was offered the opportunity to sign, but declined to do so.

**7 Assignment, Reassignment, and Promotion**

\* \* \* \* \*

**74 Nonbargaining Positions**

\* \* \* \* \*

**741 Purpose of Subchapter 74**

*[Revise the text of 741 to read as follows:]*

These policies and procedures are to be used in filling headquarters, area, and field nonbargaining positions, including most supervisory, managerial, administrative, clerical, and Postmaster positions under the following pay systems: (a) EAS, (b) Management Pay Band, and (c) Technical Pay Band. Selections for Attorney Compensation System positions are not covered by Subchapter 74. Supervisor, Customer Services and Supervisor, Distribution Operations positions are filled using the policies and procedures contained in 75, Supervisor Selection Process.

**742 Selection Principles**

*[Revise the text of 742(d) to read as follows:]*

- d. Ensure that:
  - (1) The system and process are fair and
  - (2) Selections are made from a group of candidates that is as inclusive and diverse as possible.

\* \* \* \* \*

**743.11 When to Consider Noncompetitive Applications**

*[Revise the text of 743.11 to read as follows:]*

Management may consider qualified employees eligible for a noncompetitive voluntary lateral reassignment or change to a lower level at any of the following times:

- a. When applications are received.
- b. Before the competitive announcement process begins.
- c. During the competitive announcement process.
- d. After the applications have been assessed.

Individuals with a saved grade are considered noncompetitively for positions up to the level of their former position.

Employees seeking noncompetitive placement into a position at the same or lower level may submit a written request to the selecting official for consideration, or, if an employee with a disability seeks reasonable accommodation by reassignment to a position at the same or lower level, the employee works with the appropriate reasonable accom-

modation committee at the district, area, or headquarters level.

**743.12 Competitive Selection**

*[Revise the text of 743.12 to read as follows:]*

If a position is not filled through noncompetitive procedures, then it is filled competitively through employee applications in response to a vacancy announcement.

**743.13 Defining the Area of Consideration**

*[Revise the text of 743.13 to read as follows:]*

Selecting officials are responsible for defining the area of consideration for nonbargaining vacancies (see 741) as outlined in the following sections.

*[Add the title and text of 743.131 to read as follows:]*

**743.131 Minimum Area of Consideration**

- a. The minimum area of consideration for Headquarters vacancies is career nonbargaining employees Service-wide.
- b. The minimum area of consideration for Area vacancies is career nonbargaining employees Area-wide.
- c. The minimum area of consideration for Field vacancies is career nonbargaining employees within the District. **Exception:** the minimum area of consideration for positions filled under the Supervisor Selection Process is all career employees (including bargaining employees) District-wide (see 75).

All eligible nonbargaining employees (including Area, Headquarters, and Headquarters field units) may apply if their current work location (where they physically report to work) is located within the geographic (service) area of the organizational unit in the job posting.

*[Add the title and text of 743.132 to read as follows:]*

**743.132 Extending the Area of Consideration**

After the assessment of potential applicants, the area of consideration may be expanded to include:

- a. Career bargaining employees,
- b. A larger geographic territory (i.e., Area-wide or Service-wide), or
- c. An external announcement.

**743.14 Determining Eligibility**

*[Revise the text of 743.14 to read as follows:]*

Career employees are eligible to apply for posted nonbargaining positions if they are within the area of consideration.

Other employees are eligible under the following circumstances:

- a. *Extended eligibility.* Eligibility is extended for certain Postmaster positions, as follows:

- (1) Postmaster. PMRs [This includes Postmaster relief/leave replacements (PMR/LRs) and Postmaster Reliefs (RMPO)] may apply and compete for internally-announced career 6-hour Postmaster vacancies posted within their district when the area of consideration has been expanded to career bargaining employees.
  - (2) The PMR applying for a posted Postmaster position at his or her employing Post Office, must be considered by the selecting official at that Post Office.
- b. *Special nomination for nonbargaining positions.* Vice presidents of Area Operations and the manager of Corporate Personnel Management may nominate employees from any location within the Postal Service for any vacancy advertised so that they may be considered in competition with applicants from within the area of consideration. This nomination process is to ensure expanded opportunities to resolve saved grade situations, hardship, and/or trailing spouse cases.

*[Revise the title and text of 743.15 to read as follows:]*

#### **743.15 120-Calendar-Day Time Limit on Higher-Level Temporary Assignments**

When a vacant authorized nonbargaining position is filled by a higher-level temporary assignment (detail) pending selection of a person for permanent placement, an employee may be assigned to the position for a total of not more than 120 calendar days. A vacant position is one where the previous employee has separated or has been placed in another job.

- a. If the employee on temporary assignment:
  - (1) Could become or is a potential candidate for the vacant position, then the higher-level assignment must be terminated before the 121st calendar day.
  - (2) Is not a candidate, then the next higher-level manager over the manager with the vacancy must verify the non-candidate status of the employee in order to approve an extension of the temporary assignment beyond 120 calendar days. (**Exception:** if the detail assignment was originally approved by a PCES Manager, additional approval for the extension is not necessary. See 716.144.)

The extension lasts until a selection is made and a new employee permanently assumes the position.

- b. An employee who has served in a vacant position for more than 120 calendar days is ineligible for placement in that position.

*[Revise the title and text of 743.16 to read as follows:]*

#### **743.16 Exceptions to the 120-Calendar-Day Limit**

- a. The 120-calendar-day time limit does not apply if the assignment is:
  - (1) To a position at the same or lower level.
  - (2) During the temporary absence of an employee.
  - (3) To an officer-in-charge assignment.
  - (4) To an initial level supervisor position.
  - (5) To a headquarters position.
- b. A trailing spouse is the spouse of a nonbargaining employee relocated for placement into a new position. The trailing spouse may be detailed for no more than 90 calendar days in the new location. The 90-day assignment may be extended for one additional 90-day period with the written approval of the:
  - (1) Manager, Human Resources (Area) — for field assignments; or
  - (2) Functional officer — for detail to a Headquarters position.

*[Revise the title and text of 743.17 to read as follows:]*

#### **743.17 Posting a Nonbargaining Vacancy Announcement**

Announcements are posted for a minimum of 15 calendar days. **Note:** Exceptions may apply during periods of organizational change.

The following must be included in the vacancy announcement:

- a. Duty station
- b. Work assignment
- c. Nonscheduled days
- d. Work hours.

If any of these elements require frequent change in order to meet operational requirements, the announcement must state this.

Section 763.22, Local Options for Typing and Driving Requirements, describes the circumstances in which typing and driving can be added.

#### **743.18 Conditions for Not Announcing**

*[Revise the text of 743.18 to read as follows:]*

A vacancy does not have to be announced again if: (a) an identical vacancy was announced previously; and (b) fewer than 120 calendar days have elapsed since the identical announcement's closing date.

The two vacancies must have the same:

- a. Position title;
- b. Occupation code;

- c. Grade;
- d. Location;
- e. Tour (where applicable); and
- f. Position requirements.

\* \* \* \* \*

### 743.21 Recruiting for Additional Applicants

*[Revise the text of 743.21 to read as follows:]*

Generally, nonbargaining positions are filled from within the Postal Service. Management is not required, however, to select postal applicants over significantly better qualified external applicants. Every effort must be made to select the individual who best meets the requirements of the position. The following procedures apply:

- a. The selecting official initiates recruitment from an external source to fill a vacancy only after exhausting the internal selection process (with or without expanded area of consideration per 743.13).
- b. The selecting official may choose either a noncompetitive or a competitive recruitment source. For example, the official may:
  1. Reinstate a qualified former nonbargaining postal employee separated due to a reduction-in-force who has been placed on a Reinstatement List under the conditions described in *Employee and Labor Relations Manual* Section 354.27.
  2. Use one of the external recruitment sources described in 233.
  3. Initiate a competitive process by having the vacancy posted on [www.usps.com](http://www.usps.com).
- c. If an external posting attracts qualified applicants but does not result in a job offer being extended, the vacancy may be reposted internally (or filled noncompetitively with an internal employee) no sooner than 180 days from the closing date of the last external posting.
- d. External applicants must complete PS Form 2591, *Application for Employment*.

**Note:** Current Postal Service career employees are not eligible to apply for external job postings.

*[Revise the title and text of 743.22 to read as follows:]*

### 743.22 Competitive Recruitment Source

When a nonbargaining vacancy is to be filled externally and a noncompetitive recruitment source is not used, the vacancy is posted on [www.usps.com](http://www.usps.com) for a minimum of 5 business days to ensure adequate public notice (see 42). Additional recruitment activities may be employed to

attract a diverse mix of qualified applicants for the vacancy's speciality.

\* \* \* \* \*

*[Delete Exhibit 743.22 in its entirety.]*

\* \* \* \* \*

*[Add the title and text of 743.23 and 743.24 to read as follows:]*

### 743.23 Positions With a Test Requirement

If the nonbargaining position has an examination requirement, all external applicants who apply by the closing date must have an equal opportunity to complete the testing process if not currently qualified.

### 743.24 Evaluating External Applicants

Evaluate external applicants, including those who qualify on testing requirements, by using the methods described in 743.4 and the Nonbargaining Selection Methods training, unless otherwise stated.

### 743.3 Internal Applications

*[Revise the text of 743.3 to read as follows:]*

Internal applicants for all posted nonbargaining positions must submit applications by the closing date of the announcement using the online application system, eCareer. **Exception:** Under USERRA, applications from employees who are on active duty with the uniformed services are accepted at any time for subsequent consideration when a vacancy is announced (see 772.1b). Applicants for promotion who (a) are not otherwise eligible on an examination requirement, (b) do not achieve a passing score on a required examination, or (c) fail to complete the examination process are ineligible for further consideration for the vacancy (see 422 and 433).

The selecting official may verify any information provided on the application with appropriate individuals.

### 743.4 Assessing Applications

*[Revise the text of 743.4 to read as follows:]*

The following sections discuss two components used in assessing applications for both internal and external applicant pools:

- a. The use of guidelines by personnel involved in the process; and
- b. Process and documentation requirements.

### 743.41 Using Guidelines

*[Revise the text of 743.41 to read as follows:]*

Selections are to be made in line with the philosophy and methods described in Nonbargaining Selection Methods training, available on the Learning Management System (LMS). This course, and Essentials of Interviewing and Hir-

ing: Behavioral Interview Techniques, course 3623586, are required training for selecting officials and review committee members.

\* \* \* \* \*

[Add the title and text of 743.421, 743.422, and 743.423 to read as follows:]

#### **743.421 KSA Requirements**

Applicants are evaluated based on their demonstration of the knowledge, skills, and abilities (KSAs) relevant to the position's requirements. The KSAs to be considered are specified on the vacancy posting. Applicants are not required to address each KSA individually in a narrative description. Demonstration of the requirements may appear under education, work experience, the summary of accomplishments, and attachments (e.g., resumes, writing samples).

Applicants' qualifications are assessed as described in 743.43, Assessing Nonbargaining Applicants.

#### **743.422 Requirement-by-Applicant Matrix**

Assessments must be recorded on PS Form 5957, *Requirement-by-Applicant Matrix*. Each vacancy package must have one completed, dated, and signed matrix that lists each applicant's ratings. When using a review committee, the chairperson is responsible for completing a matrix that documents the committee's consensus ratings. If a review committee is not used, the selecting official must complete the matrix. See 743.442 for retention requirements.

#### **743.423 Use of Notes**

If the committee chairperson makes any notes in the consensus discussion, or the selecting official makes any notes regarding any of the applicants, while reviewing applications or conducting interviews, these notes are considered official documentation of the assessment process. Such notes must be preserved in their original state regardless of the format and medium used for recording. The note-taker must date and sign all notes taken. See 743.442 for retention requirements.

[Revise the title of 743.43 to read as follows:]

#### **743.43 Assessing Nonbargaining Applicants**

##### **743.431 Rating Applicant's KSAs**

[Revise the text of 743.431 to read as follows:]

Rate the applicant's demonstration of KSAs for each requirement on the vacancy posting, and record the ratings on the PS Form 5957, *Requirement-by-Applicant Matrix*. Use the following scale:

- a. 0 points — Not demonstrated at minimum level.
- b. 1 point — Minimally acceptable.

c. 2 points — Strong.

d. 3 points — Excellent.

[Revise the title and text of 743.432 to read as follows:]

##### **743.432 Completing the Requirement-by-Applicant Matrix**

Instructions for completing the matrix:

- a. *Entering names and KSA requirements.* Spaces for entering specific requirements for the position are across the top of the matrix. Spaces for applicants' names are on the left. All applicants must be listed on the matrix. If a review committee is used, the chairperson is responsible for recording the consensus ratings. If a review committee is not used, the selecting official records his or her ratings on the matrix.
- b. *Evaluating requirements other than KSAs.* Most Postal Service jobs only have KSA requirements. However, if a job does have requirements other than KSAs (e.g., education or test):
  1. Determine if the applicant meets the requirements.
  2. In the appropriate space on the matrix, record YES if the applicant meets the requirements, or NO if the applicant does not meet them.
  3. This is the only rating for such requirements. Do not assign points to them.
  4. Exercise caution when reviewing education or test requirements, taking care not to disqualify an applicant if the posting indicates that the requirement can be met at a later date.
- c. *Evaluating KSAs.* Indicate the applicant's demonstration of the KSAs on the matrix. For an applicant who:
  1. Is clearly deficient in demonstrating one or more KSAs, record a zero (0) on the Requirement-by-Applicant Matrix for the requirements that the applicant failed to demonstrate.
  2. Does not demonstrate any KSA at the minimum level, or who fails to meet a mandatory education requirement, no further consideration or rating is required. Record a zero (0) as the total KSA point score on the matrix.
  3. Meets a KSA, enter the number of points earned (1, 2, or 3) in the appropriate space.
- d. *Compiling scores for applicants who meet all requirements.* Total the number of points achieved for the KSA requirements and enter the total KSA point score on the matrix.

- e. *Using conversion tables for external applicants only.* See Appendix F, Conversion Tables for Nonbargaining Positions, and follow these instructions:
1. Refer to the conversion table for a job with the same number of KSAs as the vacancy.

2. Locate the applicant's Raw Score (total KSA points) and read across the chart to the converted score. This is the Basic Score.
3. The evaluator (review committee or selecting official) completing the matrix enters the Basic Scores into eCareer.

Exhibit 743.432 shows a sample completed matrix for an externally-announced vacancy.

**743.44 Documentation Retention**

*[Add the title and text of 743.441 and 743.442 to read as follows:]*

**743.441 Responsibilities**

The chairperson of the review committee and the selecting official are responsible for forwarding the documentation cited in 743.422 and 743.423 to local services for retention in eCareer as part of the vacancy package.

The selecting official is responsible for creating a vacancy file for vacancies filled outside eCareer, and retaining them for five years (see 743.442). The vacancy files include records that make it possible to demonstrate how established selection procedures have been followed.

**743.442 Retention Period**

Vacancy files are retained for five years.

\* \* \* \* \*

**743.5 Roles of the Selecting Official and Review Committee**

**743.51 Selecting Official**

*[Revise the text of 743.51 to read as follows:]*

The selecting official is the manager or supervisor with the vacancy. The selecting official:

- a. Assesses the potential applicant pool;

- b. Defines an area of consideration;
- c. Selects candidates for designated vacancies; and
- d. Ensures that selections are made in keeping with all applicable selection principles, including equal employment opportunity laws and the Affirmative Employment Program of the Postal Service.

**743.52 Review Committee**

*[Revise the text of 743.52 to read as follows:]*

When 11 or more applications are received, a review committee of at least 3 members must assess eligible applicants (see 743.522 and 743.523 for review committee membership and restrictions). If there are fewer than 11 applications, the selecting official may designate a review committee to assess eligible applicants.

*[Revise the title and text of 743.521, 743.522, 743.523, 743.524, and 743.525 to read as follows:]*

**743.521 Function**

The major functions of the review committee are to:

- a. Assist the selecting official in assessing the applicants; and
- b. Recommend candidates who best meet the qualifications of the vacant position.

**743.522 Management Level of Members**

Review committee members must be nonbargaining employees at a level equal to or higher than that of the

vacant position. For review committee membership, level is defined as an employee's permanent (or saved) grade, not a part-time or temporary level resulting from a temporary assignment (detail) or ad hoc assignment.

#### 743.523 Restrictions on Membership

Restrictions on setting up a review committee include the following:

- a. Neither the supervisor of the position to be filled nor any manager exercising authority over the supervisor, up to and including the selecting official, may serve on the review committee or participate in its deliberations.
- b. Exceptions to review committee membership may be approved only by the area vice president. The reasons for making the exception must be fully documented and placed in the vacancy file.
- c. Review committee members are prohibited from participating in the consideration or recommendation of a relative (as defined in Chapter 5). Each member is responsible for notifying the committee chairperson of the relationship. A member with such a relationship must be excused and replaced immediately.
- d. Each member must be certified on Nonbargaining Selection Methods training, course 10022345, and Essentials of Interviewing and Hiring: Behavioral Interview Techniques, course 3623586 (see 743.41).

#### 743.524 Duties

The duties of the review committee include:

- a. Considering each application submitted. Each committee member must independently determine if each applicant has demonstrated each requirement.
- b. Conducting interviews by telephone or in person, as needed. Review committee interviews are not mandatory.
- c. Optionally requiring applicants to submit written samples of their past work that demonstrate their abilities to perform requirements directly related to the vacant position. **Note:** The committee is prohibited from requiring applicants to: (1) take a written test; (2) write a paper on a specified topic; (3) analyze and solve in writing a prescribed managerial or technical problem; or (4) undergo any other kind of written examination.
- d. Recording consensus ratings for each eligible applicant on one PS Form 5957, *Requirement-by-Applicant Matrix*. The chairperson is responsible for ensuring that PS Form 5957 and related notes are included in the vacancy file (see 743.443).
- e. Recommending the applicants who best meet the requirements of the position to the selecting official.

Three to 5 candidates are generally recommended for one vacancy; 1 additional candidate is recommended for each additional vacancy to be filled from the posting.

#### 743.525 Procedures

- a. The selecting official designates the review committee and ensures that each committee member has taken the required training (see 743.523d) or will take the required training before evaluating applicants. The selecting official and the review committee may discuss how filling the vacant position will support business objectives.
- b. Delays in completing selection activity should be avoided. Generally, the review committee should complete its activities within 7 days and the selecting official should within 5 days.

#### 743.53 Selection of Applicants

*[Revise the text of 743.53 to read as follows:]*

The selecting official, with or without the assistance of a review committee, identifies the applicant whose KSAs best meet the requirements of the position and who has a high probability of successful performance in the position. Documentation responsibilities are described in 743.42.

- a. If a review committee was used, and the committee:
  1. Did not interview the recommended applicants, the selecting official must personally interview each of them before making a selection decision.
  2. Did interview the recommended applicants, the selecting official may:
    - (a) Interview them again before making a selection; or
    - (b) Select a candidate based on the recommendations made by the review committee without conducting additional interviews. For externally-posted vacancies, the selecting official must use the Rule of Three when making selections (see 624).
- b. If a review committee was not used, the responsibilities of the selecting official depend on whether the vacancy is being filled internally or externally, as follows:
  1. Internal:
    - (a) Review the applications.
    - (b) Determine which applicants meet the minimum requirements, documenting ratings on PS Form 5957.
    - (c) Interview all minimally qualified applicants before making a selection.

## 2. External:

- (a) Review the applications.
- (b) Do one of the following:
  - i. Document ratings on PS Form 5957 based on the paper review, create Hiring List to determine applicant rank order, interview and make a selection using the Rule of Three (see 624); or
  - ii. Interview all applicants, document ratings on PS Form 5957, create Hiring List to determine rank order, and make a selection using the Rule of Three (see 624).

*[Add the title and text of 743.6 to read as follows:]*

**743.6 Selection Approval**

All selections (competitive or noncompetitive; internal or external) are subject to next higher-level review and approval. The required higher-level review and approval must be accomplished before the personnel action is effected or the selection announced.

**Exception:** Clerical positions (e.g., Administrative Assistant) reporting directly to a PCES manager do not require higher-level approval.

**744 Implementing the Selection****744.1 Effective Dates**

*[Revise the text of 744.1 to read as follows:]*

The gaining and losing organizations must coordinate effective dates to ensure appropriate coverage.

**744.2 Transition**

*[Revise the text of 744.2 to read as follows:]*

Whenever possible, the gaining manager and the successful applicant should meet to share expectations and concerns and to assist with an effective transition to the new

position. The selecting official should introduce newly hired employees to the workforce whenever practical and manage the probation period as described in 584.

**744.3 Postmaster Installation**

*[Revise the text of 744.3 to read as follows:]*

The manager of Post Office Operations is responsible for coordinating postmaster installation ceremonies and determining the approach most appropriate for the office and the community based on the overall business value. Activities may include scheduled group meetings with community members, open houses, product presentations, and receptions [see *Administrative Support Manual (ASM)* 333.5, Open Houses, Tours, and Postmaster Installations].

*[Add the title and text of 744.4 to read as follows:]*

**744.4 Security Clearance**

When a security clearance is required for a nonbargaining position, the manager of the vacancy is responsible for initiating the process for the selected individual (see ASM 272, Personnel Security Clearances).

### Publication 75, Mover's Guide, News

As of April 1, 2014, recycle any old copies of Publication 75, *Mover's Guide*. All Post Offices™ should receive the new April–June 2014 issue of Publication 75 by March 31, 2014. Similar to last quarter's shipment, the total quantity of *Mover's Guide* copies sent to your facility may have been reduced. In an effort to reduce waste and account for more customers submitting change-of-address orders online, fewer *Mover's Guide* copies are needed. There are several things you can do to conserve as well:

- Make sure customers are aware that USPS.com® is the most convenient, safe, and secure way for customers to submit a change-of-address order.
- Encourage carriers to take ICOA message cards on their routes instead of *Mover's Guide* copies.
- Give *Mover's Guide* copies out to *moving* customers only.

### Important Reminders

- Copies of *Mover's Guide* must be kept behind the counter *ONLY*, not in inner or outer lobbies or on clerk counters.
- Customers unwilling or unable to submit their change of address at [www.usps.com](http://www.usps.com) should be given a complete, unopened copy of *Mover's Guide*.
- Provide no more than three copies of *Mover's Guide* to each customer.
- *Mover's Guide* is printed and distributed four times a year.

### Shipment Information and Inventory Management

Offices will continue to receive copies of *Mover's Guide* in one or two shipments. The first shipments should arrive by the end of March. The second shipments will arrive 3 to 5 weeks later.

- Boxes with GREEN stickers are the first shipment for this print run.
- Boxes with PINK stickers are the second and final shipment for this print run.

To track your office's shipment information, go to [http://blue.usps.gov/purchase/operations/ops\\_downloads.htm](http://blue.usps.gov/purchase/operations/ops_downloads.htm) and click Mover's Guide (Pub75) Distribution for April–June 2014. Use the Ctrl + F Function while the "Fedstrip" Column is highlighted to search for your office. To request a shipment quantity change, call Imagitas at 800-816-6837.

### ICOA Message Card Information

If your Post Office™ has an ICOA message card display, replenishment cards and updated banners will be mailed with your *Mover's Guide* shipments. **DO NOT THROW AWAY THE DISPLAY OR ICOA MESSAGE CARDS. THEY DO NOT EXPIRE.** The display is **REQUIRED** to be in the lobby and it must have the ICOA message cards in it at all times.

If any Post Office runs out of ICOA Message cards between shipments, use the website at <http://imagitas.com/contact/postal-request-form/> or call 800-816-6837 for replenishment.

## Notices

### Notice: IMpb for Registered Mail and Certified Mail Transition Period

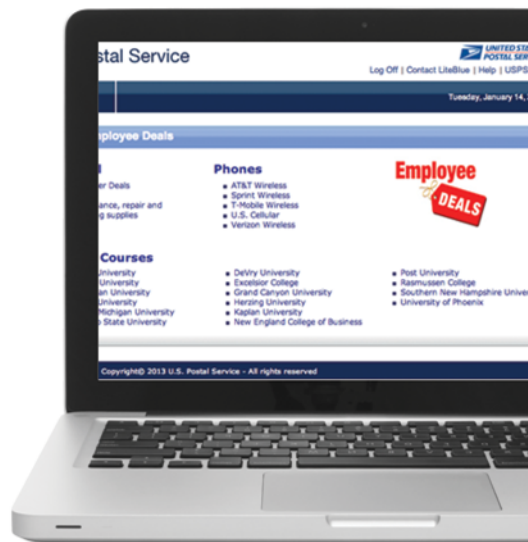

As a reminder, the Postal Service™ announced in the *Federal Register notice* final rule, titled *New Standards to Enhance Package Visibility* (78CFR, 76548-76560) dated December 18, 2013, a transitional period for mailers to comply with Intelligent Mail package barcodes (IMpb) requirements for certain extra services. Certified Mail and Registered Mail are not required to be in full IMpb compliance until January 25, 2015. This transitional period will provide additional time for mailers to prepare their systems, change label and envelope stock, and deplete their inven-

tories of preprinted forms. Customers using Registered Mail and Certified Mail without an IMpb are not subject to the IMpb non-compliant fee assessed when applicable to the class of mail for which the extra service is being purchased.

### Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

**Note:** The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

## Missing, Lost, or Stolen Canadian Money Order Forms

### Do Not Cash — Upon Receipt, Notify Local Postal Inspectors

This listing will be provided to all Postal Service™ employees responsible for accepting and cashing postal money orders. Destroy all interim notices when the numbers listed appear in the *Postal Bulletin*. The new money

order serial numbers consist of the first 9 digits. The 10th digit is a check digit only.

Do not cash outdated money orders **104 151 601 to 692 600 000**. Advise holders to send invalid money orders to: Canada Post Corporation, Ottawa, Canada K1A 0B1. Check for altered dollar amounts by holding money orders to the light.

## Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/accepting-money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

## Other Information

### Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at <https://amps.mpsa.mil/jy2/frm.htm>.

We have eliminated “Not Active” entries from the table below to save space and paper.

### Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

\* Implemented May 2001.

## Equal Employment Opportunity Policy Statement Poster

PATRICK R. DONAHOE  
POSTMASTER GENERAL, CEO

March 20, 2014

### Equal Employment Opportunity Policy Statement

The United States Postal Service® reaffirms its long-standing commitment to equality of opportunity in every aspect of employment. Equal employment opportunity (EEO) is not only a legal requirement under our nation's laws, but also a business imperative. EEO is a critical component of the Postal Service's efforts to recruit, develop, and retain the most qualified, diverse workforce to support our organization's strategic mission of delivering to every household in America.

It is the policy of the Postal Service® that all employees and applicants for employment be afforded equal opportunities in employment without regard to race, color, sex (including gender identity and gender stereotypes), national origin, religion, and disability. As part of its program of equal employment opportunity, the Postal Service® prohibits discrimination or harassment based on any of these categories. In addition, it is also the policy of the Postal Service® to prohibit discrimination or harassment based on age, genetic information, sexual orientation, marital status, status as a parent and past, present, or future military service. All employees must refrain from practicing or tolerating discrimination or harassment.

Employees found to have taken actions that violate this policy and our country's EEO laws may be subject to corrective action up to and including removal from the Postal Service®.

All of us, executives, managers, supervisors, and employees, share in the responsibility for successfully incorporating the Postal Service's policy on equal employment opportunity in every aspect of our duties and complying with this country's EEO laws.

### New Password System to be Rolled Out — Password Will Replace Employee PIN Online

Effective April 28, 2014, Postal Service™ employees will be required to use a new, more secure password to access USPS® self-service web applications such as *PostalEASE*, *eCareer*, *ePayroll*, and *eOPF*. A new Self-Service Profile (SSP) application will be launched in which employees will create and manage their self-service password, email address, security challenge questions, and 4-digit Personal Identification Number (PIN) for telephone transactions. A poster is included on page [44](#).

"The change to a self-service password is necessary to protect and secure employee information," said Corporate Information Security Officer Chuck McGann. "Moving to a strong password increases the level of security to protect your information. As always, employees should review their accounts often to verify any changes and change their passwords if they have any concerns about security."

Once the employee has set up his or her SSP Profile in the SSP application, the employee self-service web applications will be accessible in several ways:

- Through the Internet at <http://www.lightblue.usps.gov> from your home computer.
- Through the Intranet (from the Blue page) via the Human Resources website.
- Through an Employee Self-Service kiosk (available at some facilities).

**Note:** Employees will continue to be able to use their current USPS **EIN and PIN** to conduct self-service telephone transactions (Job Bidding, leave requests, *PostalEASE*, etc.) via the Interactive Voice Response (IVR) system:

- Job Bidding phone number: 800-222-2415, with TDD access available at 800-265-7208.
- Employee Service phone number: 877-477-3273, Option 1.

### USPS to Enable Cancellation of All Mail Processed on Advanced Facer Canceller Systems

Effective March 20, 2014, the Postal Service™ will apply a cancellation mark to all pieces processed on the Advanced Facer Canceller System 200 (AFCS 200) and the legacy AFCS-Optical Character Reader (AFCS-OCR). Previously, pieces bearing a stamp or meter received a cancellation. All other pieces (those bearing Information Based Indicia (IBI), FIM C, FIM D, no indicia, etc.) were not cancelled, and no postmark indicating date of cancellation was applied. In response to mailers’ requests, the Postal Service will enable an Alternative Cancellation Mark on all mail processed on the AFCS 200 that is not otherwise cancelled. For the AFCS-OCR, the Postal Service will now cancel all mail using the traditional cancellation mark. The result is that all mail processed on the AFCS 200 and AFCS-OCR will now receive a legible date of mailing for a variety of uses, including identifying the date of absentee ballot mailing and tax filing submissions.

For mail processed on the AFCS 200, mail bearing stamps or meters will continue to be cancelled as they are today. All other mail will receive the Alternative Cancellation Mark, which will consist of left justified text designating the receipt facility and date in a dimensional space of 23

mm high by 44 mm wide. The text will begin printing 116 mm from the right edge of the mailpiece. Because the legacy AFCS-OCR does not have the ability to apply the Alternative Cancellation Mark, all mail will be cancelled using the traditional cancellation.

Mailers may continue to print in the Alternative Cancellation area (as shown) but may choose to avoid potential overprinting of text/images by limiting the contents within the mark area.

## How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at [www.usps.com/shop](http://www.usps.com/shop).

### Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

### Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.
