Cover Story

Beat the Heat, Stay Cool

In May, the Postal Service™ will deploy a *Safety Depends on Me* campaign titled “Beat the Heat, Stay Cool” to provide information to carriers delivering mail in hot weather.

As temperatures begin to rise, the potential for heat-related illnesses increases. Therefore, it’s important to remember the keys to staying cool and safe this summer season.

Here are some quick tips for battling the heat:

1. Hydrate before, during, and after work. Prevention is important, so make sure to drink at least eight 8-ounce glasses of water per day.
2. Dress appropriately for the weather. On warm days, make sure to wear light colored, loose-fitting, breathable clothing to keep body temperatures down.
3. Use shade to stay cool. When possible, use shaded areas to stay out of direct sunlight.
4. Know the signs of heat stress. You should understand what heat stress is, and how it can affect your health and safety. Here are some things to look out for:
 - Hot, dry skin or profuse sweating.
 - Headache.
 - Confusion or dizziness.
 - Nausea.
 - Muscle cramps.
 - Weakness or fatigue.
 - Rash.

Finally, it’s important to notify your supervisor or call 911 if you’re experiencing signs of heat-related illnesses. This will not only ensure your safety, but can also save your life.

DMM Revision: Domestic Mail Manual Streamlining

Effective June 2, 2014, we will introduce a streamlined version of *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®).

One of the primary goals of the Postal Service™ is to make it easier to conduct business. Streamlining the DMM is one way to accomplish this goal. As a result, the Postal Service has taken the first step in an initiative to reduce the size of the DMM without changes to content to make using it quicker, easier, and more convenient.

Chapters 200, 300, and 400 have been consolidated to create a revised Chapter 200, “Commercial Letters, Flats, and Parcels.” We have eliminated redundant language and reorganized the remaining language for consistency and to improve flow and ease of use.

Chapter 100, “Retail Letters, Flats, and Parcels,” has also been streamlined. We have consolidated information,

eliminated redundant language, and reorganized the remaining language for consistency and to improve flow and ease of use.

Additionally, the applicable Quick Service Guides (QSGs) have been renumbered to align with new Chapter 200 and updated with new DMM reference information. Applicable Customer Support Rulings have also been updated with new DMM reference information.

To assist in this transition, the Postal Service is posting a spreadsheet that will contain a crosswalk for each section of the DMM and renumbering of the QSGs.

DMM Clarification: Commercial Prices for Ground Return Service

Effective June 2, 2014, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 505.4 to update the prices charged for commercial Ground Return Service. Ground Return Service, a sub-category of USPS® Return Services, is a commercial USPS Returns® product that uses scan based payment.

Prior to the classification changes that designated Standard Post™ as a retail-only product and implemented certain content restrictions for Zones 1–4, Ground Return Service was subject to Standard Post prices. The Postal Service changed its pricing models to link Parcel Select Nonpresort commercial prices to Ground Return Service concurrent with these classification changes. This revision changes DMM 505.4 to align with the pricing that is now applied to Ground Return Service mailpieces.

Although this update will not be in the DMM until June 2, 2014, these standards are effective immediately.

IMM Revision: Indemnity Claim Form

The article titled “IMM Revision: Changes to the International Inquiry Center and the Indemnity Claim Form” in *Postal Bulletin* 22386 (4-3-14, pages 14-16) replaced references of PS Form 1000, *Domestic Claim* (formerly titled *Domestic or International Claim*), with references to PS Form 2855, *International Claim for Indemnity*. (PS Form 2855 reflects the separation of processes for filing indemnity and insurance claims for domestic and international services.)

However, in that article and in the edition of *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) that was published on May 5, 2014, and in the edition that will be published on June 2, 2014, we neglected to note and revise two other references to the claim form in Exhibit 922.2. We are including that revised text in this article.

IMM Revision: Packaging and Shipping International Cremated Remains

Effective July 7, 2014, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) part 139 to indicate that cremated remains shipped internationally must be contained within a sealed funeral urn that also meets the requirements concerning sift-proof containers. The urn is then required to be cushioned and placed inside a sturdy, sift-proof outer container.

The revision to require an urn is based on a regulation adopted by the Universal Postal Union (UPU) in Berne, Switzerland, in November 2013, which reflects the decisions of the UPU Postal Security Group and the Postal Operations Council.

Also effective July 7, 2014, the Postal Service will permit mailers to ship cremated remains internationally only by

Priority Mail Express International™ service. The Postal Service will no longer authorize mailers to ship cremated remains using First-Class Package International Service® with Registered Mail™ service.

Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Do Not Cash — Upon Receipt, Notify Local Postal Inspectors

This listing will be provided to all Postal Service™ employees responsible for accepting and cashing postal money orders. Destroy all interim notices when the numbers listed appear in the *Postal Bulletin*. The new money

order serial numbers consist of the first 9 digits. The 10th digit is a check digit only.

Do not cash outdated money orders **104 151 601 to 692 600 000**. Advise holders to send invalid money orders to: Canada Post Corporation, Ottawa, Canada K1A 0B1. Check for altered dollar amounts by holding money orders to the light.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.

- There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/accepting-money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at <https://amps.mpsa.mil/jy2/frm.htm>.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district "Missing Children" coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

Human Resources

New Employee Password Replaces 4-digit USPS PIN for Online HR Access

Effective April 28, 2014, employees must use new, more secure passwords to access the USPS® *LiteBlue* website and online Human Resources (HR) self-service applications including *PostalEASE*, *eReassign*, *eIDEAS*, and *eOPF*.

A letter with a temporary password and instructions on how to create new passwords was mailed to each employee at their address of record. Any employees who did not receive this letter can go to <http://ssp.usps.gov> and click on “Forgot Password,” then follow the prompts to create a new password. Employees who provide an email address will receive a verification link — you must click on

the verification link within 72 hours to complete setup of your new password.

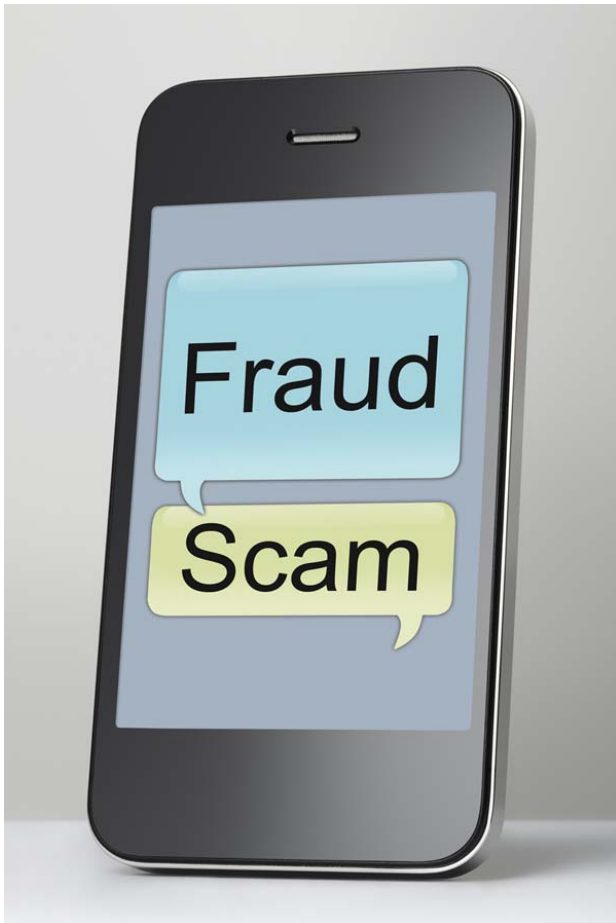

Employees conducting telephone self-service transactions will continue using their current 4-digit USPS Personal Identification Numbers (PINs) and Employee Identification Numbers (EINs).

If you have questions or need assistance, contact the HR Shared Service Center at 877-477-3273, option 5.

Dial ‘F’ for Fraud — ‘One-ring’ Telephone Scams can Result in Big Phone Charges

The USPS® Computer Incident Response Team (CIRT) is warning employees of a scam involving “one-ring” telephone calls.

Here’s how the scam works — the victim receives a telephone call that rings only once or the caller hangs up just as the victim answers the phone. Believing it might be important, the victim returns the call.

The victim then is connected to a “premium adult service” or “chat line” and typically is charged a one-time fee of \$19.95, according to the Better Business Bureau. In some instances, victims are charged hefty per-minute rates as long as they stay on the line.

Many of the calls appear to originate from area codes 809 (Dominican Republic), 876 (Jamaica), 284 (British Virgin Islands) or 473 (Grenada). But according to the Better Business Bureau, it’s possible the calls are originating elsewhere and scammers are “spoofing” the phone numbers to cover their tracks.

CIRT advises employees to avoid returning phone calls from unfamiliar numbers and especially from suspicious area codes. When in doubt, employees should be sure a phone number is legitimate before responding.

CIRT reports the “one-ring” scam has been around in various forms for many years. However, given current media coverage, the scam might inspire copycats. If in doubt, call 866-877-7247 or email uspscirt@usps.gov.

Optional eInduction Marking on Intelligent Mail Container Placard

Effective May 29, 2014, the Postal Service™, in collaboration with the mailing industry, has designed an optional eInduction marking to be used on Intelligent Mail container placards for containers flagged for eInduction processing. The eInduction program allows the acceptance of business mail at drop shipment facilities without the need to provide a PS Form 8125 or PS Form 8017. The new optional marking will allow mailers to identify eInduction pallets, which facilitates the acceptance process and allows better communication between mailers regarding containers flagged for eInduction.

The picture below shows a container placard with the optional eInduction marking:

Note: The eInduction marking on the container placard is for informational purposes only and should not be used to determine container acceptance.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and requests must be postmarked no later than 30 days following the requested pictorial postmark date.

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request

to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Ser-

vices, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The

Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.
