Cover Story

Drive Defensively — School is Back in Session

The month of August highlights the beginning of a new school year for children. During this time, children will be traveling to and from school. This means an increase in the number of pedestrians on the roads and sidewalks — which could mean a greater risk for accidents. It is imperative that drivers stay alert and drive defensively to keep our kids safe.

How can you prevent an accident from occurring?

- Slow down! Obey speed limits.
- Adjust your mirrors so that you can see around your vehicle.
- Avoid backing up your vehicle, whenever possible, while on your route.
- Never pass a school bus that is stopped. When stopping your vehicle, make sure that you stay at least 10

feet away. This will allow enough space for children to enter and exit the bus safely.

- Stay alert. Children are unpredictable. They are known to take risks, ignore hazards, and fail to look both ways when crossing the street while walking and biking to and from school.
- Never hand mail to children. A child may develop the habit of running to the mailbox and running in front of vehicles when he or she sees your vehicle. This behavior can cause the child to be hit if you cannot see them.

It only takes a second for an accident to occur. Be alert, always drive defensively, and keep our kids safe.

* * * * *

[Revise the title and text of 112 as follows:]

112 Scope

Career maintenance craft positions filled under the Maintenance Selection System covered by this handbook include:

Electronic Technician	PS-10
Electronic Technician	PS-11
Maintenance Mechanic, MPE	PS-9
Maintenance Mechanic	PS-6
Maintenance Mechanic	PS-7
Area Maintenance Specialist	PS-8
Area Maintenance Specialist	PS-9

Other career maintenance craft positions, sometimes referred to as “non-MSS” positions, are filled outside of the Maintenance Selection System. Vacant non-MSS duty assignments are filled internally on either a senior-qualified basis or a best-qualified basis (see Handbook EL-312, *Employment and Placement*, section 728), or externally as described in the collective bargaining agreement and Handbook EL-312, *Employment and Placement*, Chapter 4 and sections 232.52 and 233. Non-MSS positions include the following positions:

- Maintenance Support Clerk, PS-07.
- Group Leader, Custodial, PS-05.
- Laborer Custodial, PS-04.

[Revise the title and text of 113 as follows:]

113 Grievance and Complaint Settlements

Grievance and pre-arbitration settlements, the resolution of formal and informal EEO complaints, and similar actions involving the MSS must be coordinated with Postal Assessment Support (PAS) and/or Headquarters Labor Relations during the investigative phase. Such coordination will ensure that settlement implementations are in accordance with the provisions of the MSS.

* * * * *

115 MSS Processes

[Revise the text of 115 as follows:]

There are three different processes for filling career maintenance positions in the Postal Service: incraft, inservice, and entrance.

* * * * *

12 List of Terms

[Revise the text of 12 as follows:]

Abandon. Failure to attend a scheduled examination or employee asks not to be scheduled.

Banded Scores. Refer to Article 38 for banding information.

* * * * *

Entrance Examination Rating. The examination result received by entrance applicants who apply for a vacancy. An eligible rating only guarantees the entrance applicant further consideration if the score is reached competitively.

Note: An entrance examination score from Exam 955 is transferrable to either an incraft or an inservice application to satisfy the examination requirement. Scores from the old MSS process are not transferrable to an incraft or inservice application.

* * * * *

Incraft Preferred Assignment Register (PAR). A register in numerical order for maintenance employees, listing the specific duty assignments in their current occupational group and level that they prefer over the one they currently hold. The listing of employees is by occupational group and level, using the seniority under Article 38.2.G.

* * * * *

Inservice Register. A group of eligible career Postal Service employees who have applied as a result of an inservice announcement.

Note: An inservice examination score from Exam 955 may be applied to an incraft application.

* * * * *

Installation. A main Post Office, airport mail center or facility, terminal, bulk mail center (also known as a network distribution center), processing and distribution center or facility, Maintenance Support and Repair Facility, or any similar organizational unit under the direction of one postal official together with all stations, branches, and other subordinate units.

* * * * *

Maintenance Examination. Examination 955 is used for maintenance jobs within the Maintenance Selection System.

* * * * *

Maintenance Position. A specific job in the maintenance craft.

Postal Assessment Support (PAS ADMIN). Postal Service organization that offers general examination guidance.

Postal Assessment Support (PAS MSS). Postal Service organization that offers maintenance selection system (MSS) guidance.

Register Date. A date specified by a particular application process, as follows:

- Entrance. The examination date.
- Inservice. The closing date of the announcement.
- Incraft — New to Craft. The date an employee entered the maintenance craft.
- Incraft — Newly Authorized Position. The closing date of the announcement.
- Incraft — Transfer to Another Facility. The date of an employee’s transfer.
- Incraft — Update. An employee’s original register date for the register he or she is updating.

Rebate. A request of verifying an applicant’s maintenance examination results.

2 Incraft Application Process

21 Overview

* * * * *

24 Step 4 — Incraft Examination Process

* * * * *

242 Conducting Examinations

[Revise the text of 242 as follows:]

Maintenance examinations are conducted in OASYS according to Headquarters’ rules and procedures for conducting examinations.

If an applicant has a Review Panel Evaluation on file from a maintenance selection system process used prior to 2009, notify the applicant that he or she will not be scheduled for an MSS Structured Interview. (See Exhibit A-5, Sample Letter — Applicant Not Entitled to New MSS Structured Interview).

243 Abandoned Examinations

[Revise the text of 243 as follows:]

If an applicant abandons the examination process (i.e., fails to attend a scheduled examination or asks not to be scheduled):

- a. Note the abandonment in the employee’s maintenance file. (Before entering the notation, verify that the circumstances justify this action.)
- b. Nevertheless, process abandonments in a timely manner because other applicants with the same or earlier register dates cannot receive results until all abandoned examinations have been entered in the records.
- c. Notify the applicant that he or she is no longer considered an applicant for the position (see Exhibit A-6, Sample Letter-Applicant).

A candidate attempting to test for an update will be allowed to reschedule 120 days after the original exam date.

* * * * *

* * * * *

262 Applicants’ Inquiries

* * * * *

262.3 Rerate Requests

[Revise the 2nd and 3rd sentences of 262.3 as follows:]

***When an applicant submits a signed request, the HR MSS Coordinator will review it for completeness and forward it under a cover letter to PAS ADMIN. PAS ADMIN will respond directly to the applicant with a copy to the requesting office.

* * * * *

3 Inservice Application Process

* * * * *

34 Step 3 – Inservice Record Review

[Revise the text of 34 as follows:]

Once the EMPS Sheets are submitted, the HR MSS Coordinator will compile a list of applicants that notes, for each applicant: examinations completed, and MSS Structured Interviews on file. This list will be made available to the Maintenance MSS Coordinators, who should process applicants on the list as follows:

- a. If an applicant does not have an examination on file, schedule an examination that will take place before the MSS Structured Interview and notify the applicant.
- b. If an applicant does not have a Review Panel Evaluation (MSS Structured Interview) on file, schedule a review panel and notify the applicant.

35 Step 4 – Inservice Examination Process

* * * * *

352 Conducting Examinations

Maintenance examinations are conducted in OASYS according to Headquarters’ rules and procedures for conducting examinations.

353 Abandoned Examinations

[Revise the text of 353 to add 353c as follows:]

- c. Notify the applicant that he or she is no longer considered an applicant for the position (see Exhibit A-6, Sample Letter-Applicant).

* * * * *

37 Step 6 – Inservice Results

371 Posting

[Revise the third sentence of the first paragraph to read as follows:]

373 Union Requests for Information

[Revise the text of 373b as follows:]

- b. If in doubt as to whether a disclosure which may or may not include personally identifiable information is obligatory or permissible, obtain the advice of the chief field counsel. (See Handbook AS-353, *Guide to Privacy, the Freedom of Information Act, and Records Management* at <http://about.usps.com/handbooks/as353.pdf>).

* * * * *

4 Entrance Application Process

* * * * *

45 Step 4 – Entrance Examination

* * * * *

452 Conducting Examinations

[Revise the text of 452 as follows:]

Maintenance examinations must be conducted according to the general rules and procedures disseminated by PAS ADMIN for conducting examinations. Applicants must complete Exam 955 within 14 days.

453 Eligibility Notification

[Revise the first sentence of 453 as follows:]

OASYS will provide eligibility notifications to the applicants.***

46 Step 5 – Entrance Review Panel Evaluation

* * * * *

462 Conducting the Entrance Review Panel

462.1 Eligibility

[Revise the text of 462.1 as follows:]

Entrance applicants who have passed the examination are eligible for a Review Panel Evaluation that uses the MSS Structured Interview procedures.

* * * * *

* * * * *

474 Additional Test Opportunities

[Revise the second sentence of 474 as follows:]

***Applicants who reapply for a job family for which they have already taken the test may retake the test or use the test score they already have, if they apply 120 days or more after taking the test.

* * * * *

6 Transfers and Position Changes

61 Qualifying for a Transfer

[Revise the text of 61 as follows:]

An incraft employee may be afforded a special opportunity to qualify for transfer to a different installation in a position covered by the MSS. The transfer position may be either a promotion or change to a lower level. The employee must meet the following criteria.

- a. The employee has a letter from the office to which he or she has requested a transfer confirming his or her selection for the position pending a qualifying rating on the appropriate examination.

- b. The employee has never completed the MSS process for the job family containing the position in question.

Once the criteria are met, the employee must complete an EMPS Sheet. The HR MSS Coordinator will then:

- a. Tentatively schedule the examination and review panel.
- b. Review the applicant’s record to verify that the examination and MSS Structured Interview are needed.
- c. Cancel the examination and/or MSS Structured Interview, if one is already on file.
- d. Notify the supervisor of the need to provide an evaluation if the record review shows one is needed.
- e. Submit the components as they are completed.

If an applicant receives ratings for a job family as a result of this process and does not transfer to a new office, the ratings may be used (a) for transfer to a different office, (b) to place the applicant on registers or ineligible applicant lists only during the next MSS Open Season, or (c) if a new position is authorized in the office.

Note: Employees with a prior rating of ineligible for the position in question are not permitted this special opportunity.

54 Preemployment Interview

[Delete the text from 54 in its entirety.]

[Revise the title and text of 541 to read as follows:]

541 General

The one-on-one interview provides an opportunity to resolve any questions regarding eligibility and suitability and to gauge the degree of compatibility between the applicant and the job. To determine compatibility, weigh factors such as:

- a. Work setting and job content; and
- b. Performance dimensions, such as:
 - (1) Communications skills;
 - (2) Cooperation;
 - (3) Adaptability; and
 - (4) Dependability.

The interviewer recommends or does not recommend the applicant for employment to the selecting official.

[Revise the title and text of 542 to read as follows:]

542 Selection, Training, and Preparation of Interviewers

Interviewers are nonbargaining employees nominated by management to conduct interviews with external applicants for bargaining vacancies. Interviewers are trained and certified as described below. It is recommended that

certified interviewers are continuously used so they can improve their skills.

Interviewers must have successfully completed the Interviewer Training course 21585-00 within the 12-month period before conducting interviews. New interviewers must be certified by:

- a. Observing an interview conducted by a certified interviewer; and
- b. Being observed conducting an interview by a certified interviewer.

Interviewers must be familiar with the interview process and general interviewing techniques, strategies, and applicable regulatory issues. Interviewers must prepare for each interview by:

- a. Familiarizing themselves with information about the position and the information that is known about the applicant;
- b. Thoroughly reviewing the application for employment; and
- c. Determining what questions to ask the applicant or what information to seek to determine the applicant's eligibility and suitability.

[Revise the title and text of 543 to read as follows:]

543 Conducting the Interview

The interview provides an opportunity to confirm or verify information provided on the employment application and other forms. Document interviews with external applicants for bargaining vacancies on the Interview Sheet and Checklist (see Exhibit 545). The interviewer must complete and sign the Interview Sheet and Checklist and return it to Human Resources after the interview.

[Revise the title and text of 544 to read as follows:]

544 Assessing English Competence

Postal Service employees routinely receive and must respond to inquiries from supervisors and customers. Employees must therefore have a basic competence in understanding and communicating in English. An applicant's competence in understanding and communicating in English is assessed during the interview.

[Revise the title and text of 545 to read as follows:]

545 Selection and Extension of Job Offer

The interviewer's recommendations are considered by the selecting official in making selections for bargaining vacancies (see 626, Selection Decision). If the candidate is selected, a conditional offer of employment is extended to the applicant following completion of further screening to determine eligibility and suitability for employment (see

Employee and Labor Relations Manual, 346, Offer of Employment). The conditional offer includes the:

- a. Position title;
- b. Level;
- c. Salary;
- d. Location of employment;
- e. Nature and duration of employment; and
- f. Any required conditions the appointee must fulfill before and immediately after entrance on duty, including the following:
 - (1) Determination of medical suitability for the position as determined by a pre-employment medical assessment;
 - (2) Qualification on a drug test as required by the Department of Transportation for applicants offered positions requiring a Commercial Driver's License;
 - (3) Satisfactory completion of a probationary period, if applicable;
 - (4) Providing acceptable evidence of meeting citizenship requirements (see 513.5);
 - (5) Providing required documents and fingerprints for a security investigation or security clearance; and
 - (6) Satisfactory completion of the required security investigation or security clearance, as required by the position offered (see *Administrative Support Manual*, section 272).

Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/accepting-money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at <https://amps.mpsa.mil/jy2/frm.htm>.

We have eliminated “Not Active” entries from the table below to save space and paper.

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

Information Security

Matter of Fax

With so much attention on Internet and email security, it's easy to forget other forms of communication have vulnerabilities too.

The transmission report that's automatically generated by a fax machine after a document has been sent could unintentionally allow others to see a sender's information, according to the Postal Service™ Corporate Information Security Office (CISO).

The report indicates whether a fax was successfully transmitted. If the sender doesn't add a cover sheet, the report often automatically includes the first page of the outgoing document. Documents that contain sensitive postal

or personal information — such as Social Security numbers and financial statements — could be read by anyone if the transmission report isn't collected by the sender.

As a precaution, CISO recommends taking the extra step of always including a cover sheet before faxing sensitive postal or personal documents.

Tip of the Day

Computer misuse. All employees, contractors and business partners on the Postal Service computer network must report any type of computer abuse — including theft, loss of data, computer security-related incidents, repetitive chain emails, Point of Service (POS) issues, phishing, and social media scams — to the Computer Incident Response Team (CIRT). Call 866-877-7247 or email uspscirt@usps.gov or Abuse@usps.gov.

Office of Inspector General

The Office of Inspector General Creates New Fraud Awareness Poster

Have you seen the new Poster 204, *OIG Fraud Awareness* (shown on page [30](#))? The new poster encourages employees to help the Office of Inspector General (OIG) — “Don’t Just Sit There... If you suspect wrongdoing... REPORT IT.” As part of its new look, the poster features a Quick Response Code (QR Code). This code provides another way for employees to report misconduct to the hotline. Anyone with a QR Code application on their smartphone can scan the code and be connected directly to the hotline.

New posters were distributed to all postal facilities and should be prominently displayed on workroom floor and employee bulletin boards. The OIG hotline provides a vital communications link between the OIG and U.S. Postal Service® stakeholders to receive complaints from employees, customers, and the general public. In fiscal year 2013, the hotline received more than 103,000 contacts.

You can order Poster 204, *OIG Fraud Awareness*, from the Topeka Material Distribution Center (MDC) using touch tone order entry (TTOE): Call 800-273-1509. You may also order this item via eBuy2. There is no charge for Poster 204.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.
