490 Recognition and Awards

* * * * *

491 Overview

* * * * *

491.12 Policy

[Revise the text of 491.12 to read as follows:]

The Recognition and Awards Program is intended to recognize employees who have achieved outstanding performance, have superior competence, or have performed some other significant accomplishment. The program is not intended to provide incentives to employees to meet predetermined goals. The program has been broadly designed to ensure that the recognition and award needs of all organizations and functional areas are met. The awards offered range from a letter of appreciation to \$12,500 in cash.

Recognition falls into seven broad categories:

- a. Certificate of Appreciation.
- b. Service Awards, for which noncash recognition items, such as Service Award Pins, Retirement Recognition, and Posthumous Service Certificates are awarded.
- c. Informal Awards, limited to noncash tangible items valued at less than \$75.
- d. Formal Awards, including cash, cash equivalents, gift certificates, and noncash tangible items.
- e. Special Awards, including but not limited to, the Vice President Award, the Postmaster General Award, and the Benjamin Franklin Award.
- f. Other Awards, including the Contest Award for officially sanctioned Postal Service contest winners, and the Safety Award.
- g. Inspection Service Awards, including cash and non-cash awards specially designed for employees of the U.S. Postal Inspection Service.

Exhibit 491.1 provides a summary of service recognition and incentive rewards.

491.3 Awards

491.32 Cash Equivalent Awards

[Revise the 3rd sentence of 491.32 to read as follows:]

All cash equivalent awards must be reported in eAwards under the award category appropriate for the type of employee and reason for the award.

491.33 Noncash Tangible Awards

491.331 Authorized

[Revise the text of 491.331 to read as follows:]

Noncash tangible awards authorized by the Postal Service are described below. See 491.332 for noncash tangible awards that are **prohibited**.

- a. *Informal Recognition*, such as pins, pen and pencil sets, coffee mugs, apparel, plaques, event tickets, etc., valued at less than \$75.

- (1) *Reporting*. Individual noncash tangible award items valued at less than \$75 are not normally

considered taxable income and are not reported in eAwards. However, management must track all noncash tangible items valued at less than \$75 received by an employee during the calendar year. If the aggregate total of all noncash tangible items valued at less than \$75 received by an employee in a calendar year meets or exceeds \$75, the total amount must be reported in eAwards under the appropriate noncash tangible award type for the employee category and reason for the award.

- (2) *Event tickets*. Tickets to a specific event, game, play, concert, movie, etc., for a definite time and place that cannot be exchanged for another event, time, or place, etc., and are valued at less than \$75 are informal awards and do not constitute reportable income. However, any of the preceding items valued at \$75 or more, or any certificate that can be exchanged or redeemed for a ticket or tickets to an event at the time and place of the recipient's choice, regardless of value, are

considered gift certificates and must be reported in eAwards under the appropriate noncash award type (see 491.34).

- b. *Formal Noncash Tangible Recognition*, such as clothing, event tickets, merchandise, electronics, and other personal property valued at \$75 or more (see 491.332). The market value of formal noncash tangible award items may range from \$75 up to \$3,000 depending on the reason for the award (Spot Award, Team Award, Contest Award, etc.). Individual noncash tangible items valued at \$75 or more are always considered taxable income, and should be reported in eAwards in the same pay period in which they are received under the appropriate noncash award type for the employee category and reason for the award. Reporting must take place in the same calendar year to avoid tax reporting discrepancies. Noncash tangible awards are automatically grossed up by eAwards so that the Postal Service assumes the tax liability for the recipient. The additional tax liability for grossed up awards is charged to the finance number indicated when reported in eAwards.

491.332 Prohibited

[Revise the text of 491.332 to read as follows:]

The purchase of any season or partial season sporting or entertainment ticket is prohibited. The purchase of any single event ticket (sporting events, movies, and concerts, etc.) that costs \$75 or more requires advance approval, in the form of an email or letter, from the Vice President, Controller.

491.34 Gift Certificates

[Revise the 1st sentence of 491.34 to read as follows:]

The value of gift certificate awards may range from \$1 to \$3,000 depending on the reason for the award (Spot Award, Contest Award, etc.) and employee category (career, noncareer).***

* * * * *

Note: To determine an individual's eligibility for the Service Award Pin, federal civilian and military service that is not creditable for retirement purposes must be added to service indicated by the retirement computation date.

* * * * *

[Revise the title of 234.7 to read as follows:]

234.7 Postmaster Relief (Remotely Managed Post Office) or Postmaster Relief (Part Time Post Office)

[Delete 234.71 in its entirety. Renumber current 234.72 as new 234.71 and revise the text to read as follows:]

234.71 Postmaster Relief Staffing

A Postmaster Relief (Remotely Managed Post Office (RMPO)), hereinafter “PMR”, staffs RMPOs that have part-time retail hours of 2 hours per day. A Postmaster Relief (Part Time Post Office (PTPO)), hereinafter “PMR”, relieves a Part Time Postmaster in PTPOs that have part-time retail hours of 6 hours per day. More than one PMR can be assigned to a 2-hour RMPO or 6-hour PTPO, and PMRs are eligible for reassignment to other PMR positions. See 234.72 for special authority to hire annuitants for the position of PMR.

[Renumber current 234.73 as new 234.72 and revise the text to read as follows:]

234.72 Reemployment of Postal Service Annuitants as PMR

When normal internal and external recruitment efforts for PMR positions fail to attract qualified individuals, appointing officials may request authorization from the district Human Resources manager to recruit Postal Service retirees to serve in PMR positions. A retired Postal Service applicant can work in this position for a period limited to 180 days in a calendar year without an offset to his or her annuity under a dual compensation waiver granted by the Office of Personnel Management. *The waiver applies to this position only, and it may be used only when normal recruitment sources fail to identify qualified applicants. This authority does not allow an assignment to any career position or to any other temporary position.*

Key points of this recruitment alternative are:

- a. This hiring authority can be used only:
 - (1) With the approval of the district Human Resources manager; and
 - (2) When normal recruitment does not yield qualified applicants for a PMR position.
- b. Appointing officials must continue recruiting efforts for PMR positions occupied by annuitants with a dual compensation waiver.
- c. This authority limits employment to appointments of no more than 359 calendar days, and:
 - (1) Within this period, an annuitant may work no more than 180 days in a calendar year. Any days worked beyond 180 in a calendar year are subject to an offset of salary.
 - (2) Postmasters and annuitants must carefully monitor work schedules to ensure appointments are terminated at:
 - (a) The end of 180 days of actual work; or
 - (b) The end of 365 calendar days, whichever comes first.
 - (3) If it is necessary to employ the services of an annuitant for more than one 359-calendar-day appointment, then a 6-calendar-day break in service is required between appointments.

- d. Hiring officials must comply with special administrative and reporting requirements when employing annuitants to fill PMR positions (see Appendix D, Tracking Procedures and Sample Letters for Use With Dual Compensation Issues).
- e. When calculating the 180 days worked in a calendar year, calculate the number in actual days. Do not calculate the number of hours that would equal 180 days.
- f. Any amount of work on a given day qualifies as one day of work.

Pull-Out Information

Fraud

Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at <https://amps.mpsa.mil/jy2/frm.htm>.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

Note: Mail order catalogs are prohibited as SAM or PAL mail.

A. Securities, currency, or precious metals in their raw, unmanufactured state are prohibited. Official shipments are exempt from this restriction.

A1. Mail addressed to "Any Servicemember," or similar wording such as "Any Soldier," "Sailor," "Airman," or "Marine"; "Military Mail"; etc., is prohibited. Mail must be addressed to an individual or job title such as "Commander," "Commanding Officer," etc.

A2. APO/FPO/DPO addresses shall not include a city and/or country name.

B. Regardless of mail class, a customs declaration (PS Form 2976 or, if the customer prefers, PS Form 2976-A) is required for all items weighing 16 ounces or more or any item (regardless of weight) containing potentially dutiable mail contents (e.g., merchandise or goods) addressed to or from an APO, FPO, or DPO ZIP Code. No customs form is required for items weighing less than 16 ounces when the contents are not potentially dutiable (e.g., documents). The surface area of the address side of the mailpiece must be large enough to contain the applicable customs declaration. The following exceptions apply:

- Known mailers are exempt from providing customs documentation on non-dutiable letters or printed matter. (A known mailer is a business mailer who enters volume mailings through a business mail entry unit (BMEU) or other bulk mail acceptance location, pays postage through an advance deposit account, uses a permit imprint for postage payment, and submits a completed postage statement at the time of entry that certifies that the mailpieces contain no dangerous materials that are prohibited by postal regulations.)
- All federal, state, and local government agencies whose mailings are regarded as "Official Mail" are exempt from providing customs documentation on any item addressed to an APO, FPO, or DPO except for those APOs/FPOs/DPOs to which restriction "B2" applies.
- Prepaid mail from military contractors is exempt, providing the mailpiece is endorsed "Contents for Official Use — Exempt from Customs Requirements."

B2. All federal, state, and local government agencies must complete customs documentation when sending potentially dutiable mail addressed to or from this APO, FPO, or DPO.

C. Cigarettes and other tobacco products are prohibited.

C1. Obscene articles, prints, paintings, cards, films, videotapes, etc., and horror comics and matrices are prohibited.

D. Coffee is prohibited.

E. Medicines (prescription, over-the-counter, vitamins, and supplements) are prohibited when mailed to individuals for human or animal use. This prohibition does not apply when medicines are sent as official mail only between specifically designated agencies such as pharmaceutical distributors, hospitals, clinics, and pharmacies.

E1. Medicines or vaccines not conforming to French laws are prohibited.

E2. Any matter depicting nude or seminude persons, pornographic or sexual items, or nonauthorized political materials is prohibited. Although religious materials contrary to the Islamic faith are prohibited in bulk quantities, items for the personal use of the addressee are permissible.

E3. Radio transceivers, cordless telephones, global positioning systems, scanners, base stations, and handheld transmitters are prohibited.

F. Firearms of any type are prohibited in all classes of mail. See definitions of firearms in DMM 601.12.1.1. THE CIVIL WAR
1864
A Nation Touched with Fire

...it was a sight that is seldom seen to gaze upon the dead bodies of the enemy and to hear the cries for assistance and water... it was enough to break the heart of the most hardened....

Jeremiah Tate, 5th Alabama

...the *Tecumseh* reeled a little to starboard, her bow settled beneath the surface...her stern lifted high in the air...and the ship pitched out of sight like an arrow twanged from the bow.

Harrie Webster, USS Manhattan

You cannot make soldiers of slaves, nor slaves of soldiers.... The day you make soldiers of them is the beginning of the end of the revolution.

Howell Cobb, 16th Georgia

Some of these mornings bright and fair
Take my wings and cleave the air
Pharaoh's army got drowned
O Mary, don't you weep

Negro Spiritual

I have given the subject of arming the negro my hearty support...by arming the negro we have added a powerful ally. They will make good soldiers.

Ulysses S. Grant

2015 Social Security and Medicare Tax Withholding Rates and Limits

For 2015, the maximum limit on earnings for withholding of Social Security (Old-Age, Survivors, and Disability Insurance) Tax is \$118,500.00. The maximum limit is changed from last year. The Social Security Tax Rate remains at 6.2 percent. The resulting maximum Social Security Tax for 2015 is \$7,347.00.

There is no limit on the amount of earnings subject to Medicare (Hospital Insurance) Tax. The Medicare Tax Rate applies to all taxable wages and remains at 1.45 percent with the exception of an “additional Medicare Tax” assessed against all taxable wages paid in excess of the applicable threshold (see Note). The FICA Tax Rate, which is the combined Social Security rate of 6.2 percent and the Medicare rate of 1.45 percent, remains 7.65 percent for 2015 (or 8.55 percent for taxable wages paid in excess of the applicable threshold).

The information in the following table shows the changes in Social Security and Medicare withholding limits from 2014 to 2015. The new limits are effective January 1, 2015.

Tax	2014 Limit	2015 Limit
Social Security Gross	\$117,000.00	\$118,500.00
Social Security Liability	\$7,254.00	\$7,347.00
Medicare Gross	No Limit	No Limit
Medicare Liability	No Limit	No Limit

Note: The Patient Protection and Affordable Care Act signed into law March 23, 2010, created the “additional Medicare Tax” that changes Medicare withholding computations effective January 1, 2013. All wages, self-employment income, and other compensation that are subject to regular Medicare Tax and are paid in excess of the applicable threshold are subject to the additional Medicare Tax. Employers are required to withhold the additional Medicare Tax at a 0.9 percent rate on wages and other compensation it pays to an employee in excess of \$200,000 in a calendar year. There is no employer match for the additional Medicare Tax.

Stamp Announcement 15-01: The War of 1812: Battle of New Orleans Stamp

© 2014 USPS

On January 8, 2015, in Chalmette, Louisiana, the U.S. Postal Service® will issue *The War of 1812: Battle of New Orleans* (Forever® First-Class Mail® stamp priced at 49-cents), in one design, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 589100). ***The War of 1812: Battle of New Orleans* \$9.80 pane of 20 stamps may not be split, and the stamps may not be sold individually.**

The stamp will go on sale nationwide January 8, 2015.

In 2015, the Postal Service™ concludes its commemoration of the War of 1812, a conflict with Great Britain that many Americans viewed as the nation's "Second War of Independence." The subject of this final stamp is Andrew Jackson's triumphant victory over the British on January 8, 1815, at the Battle of New Orleans. Illustrated with mixed media by noted historical painter Greg Harlin, the stamp art depicts American troops and artillery repelling British forces from behind a mile-long defensive earthwork known as Jackson's line. A portrait of Andrew Jackson in his military uniform, by artist John Vanderlyn (1775–1852), appears on the reverse of the stamp pane. A nineteenth century depiction of the battle by Oliver Pelton appears on the front of the pane above the selvaige text. The stamp pane also includes verso text. Art director Greg Breeding designed the stamp and pane.

To learn more about the stories behind the stamps, visit <http://uspsstamps.com>.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

Standard Operating Procedure (SOP): Disposal of Medical Sharps and “Soft” Medical Waste

Purpose: This SOP is intended to establish processes for proper handling and disposal of medical sharps using a prepaid mail container (“Mailback”), in accordance with Postal Service™ policies. Federal environmental agencies suggest the proper disposal of all sharps by using a mail-back approach. This SOP establishes methods for using the USPS® mailback approach for medical sharps at all Postal Service operations and requires all employees to follow approved disposal procedures.

Applicability: The U.S. Environmental Protection Agency estimates that more than 3 billion needles and other sharps are used in homes in the United States each year. Examples of sharps are needles, lancets, and syringes. Improper disposal of sharps can create a hazard to our employees, especially maintenance personnel. Many USPS facilities generate small amounts of medical sharps and this SOP will aid in proper handling of the waste. Sharps are not to be thrown into the trash, flushed down the toilet, or placed in recycling containers. The State of California has banned sharps disposal in household trash with Florida, Michigan, Mississippi, New Jersey, and New York having established community drop-off programs at hospitals and other healthcare facilities.

“Soft waste” is described by the Occupational Safety Health Act (OSHA) as items contaminated with caked or dried blood, semi-liquid, blood-contaminated items that would release blood, or other potentially infectious material. These types of “soft medical waste” must be placed in a container that includes the biohazard symbol, be fluorescent orange, orange-red, or predominantly so, with lettering and symbols in contrasting color; and affixed to the container by adhesive to prevent loss or removal.

Currently the USPS has contracted with Stericycle (Contract 2ASAES-14-B-0006) under the USPS eBuy2 system to provide several containers for medical sharps and soft waste with a prepaid shipping container. The following procedures must be followed for additional charges to not be incurred.

I. Procedures:

1. Using the eBuy2 system the facility may purchase:

a. Sharps: Needles, lancets, or syringes.

i. 1.4 Quart

ii. 1 Gallon

iii. 2 Gallon

- b. **Soft Medical Waste:** Blood soaked bandages or trauma scene debris.

i. **1 Gallon**

ii. **5 Gallon**

2. Upon receipt of the white mailback box from Stericycle, remove the sharps or soft medical waste container. **Note:** Retain the White Mailing Box for Return Shipping!
3. Sharp containers come with a mountable bracket. Mount the bracket in a medical area, ladies, or men's room. The bracket is only needed once. USPS recommends placing the installation date on the container.
4. USPS recommends mailing the containers back annually, even if they are not full. When mailing the container, complete the four page manifest that came with the original mailing. If the original paperwork cannot be located, one can be obtained at the following website www.mystercycle.com or by calling Paris White at 866-563-7962.

5. **Fill out the Waste Tracking document:** section one requires the Facility Name (USPS — ABC Post Office) and address; section 2 requires the Postmaster name (or designee), signature, telephone number and date. Upon completion of the manifest, retain the bottom (blue) Generator copy for the facility environmental files.

Standard Operating Procedure (SOP): Recycling Fluorescent Lamps by Mail

Purpose: This SOP is intended for Post Office™ facilities that accumulate less than 100 lamps in a year to effectively recycle their lamps using a shipping strategy available through a USPS-approved recycling contractor. United States Environmental Protection Agency (EPA) universal waste regulations require that used fluorescent lamps are not accumulated for more than one year. This means you must recycle your used fluorescent lamps within one year of start of accumulation. ‘Start of Accumulation’ means the date when the first lamp is put into the lamp recycling box. This SOP was created to assist Post Offices with this environmental requirement. The following instructions must be followed to ensure safe package, storage, and shipment of the container.

Note: An additional fee may be charged if the purchased lamp recycling package exceeds the stated capacity, or has non-approved contents, or the wrong items are shipped, or if packaging other than the contracted box is used.

Applicability: This program is designed for Post Offices located in the 48 contiguous states, Alaska, Hawaii, and Puerto Rico. By using the eBuy2 system, you can purchase a box to recycle your fluorescent lamps using a mailback service. The price includes everything that you will need including the box, shipping, environmental records, and recycling of the lamps. Choose a box that meets your facility needs.

Package Ordering Procedures: To start the process of recycling lamps, you should start by ordering the recycling boxes for proper storage of used fluorescent bulbs waiting for recycling. The following three boxes are available from USPS-approved vendors and can be found on the eBuy2 home page listed in the USPS-preferred products box as Fluorescent/Used Bulb Mailback Boxes. Note that when you purchase a box, you are *pre-paying* the recycling fee and the USPS® mailing fee. **USPS is the only mailing option for this contract.** An eight foot box will be added at a later date.

Note: These specific procedures are those of the Recycler. In order not to accrue additional costs, please follow the Recycler's specific instructions.

1. Place the provided pre-printed label from Stericycle on the box.

- a. For Maine facilities: waste lamps are to be shipped under a hazardous waste manifest as a Universal Waste. Please call the North Coast Services, LLC customer service number, 603-610-7901, to arrange for pickup.
- b. Ensure the lamps are placed inside the poly lined cardboard sleeve.

2. Prepare the package:
 - a. Shape the box, locate the end marked bottom and close flaps in order. Tape all edges and corners with 2" tape. Open the package and ensure that all corners, edges, flaps, and seams are properly sealed with 3" minimum clear package tape.

- b. The poly bag lines the cardboard sleeve insert with overlap at the top.
 - c. Place the sleeve with the liner into the box.
3. Fill the box with used fluorescent lamps.
 - a. Carefully fill the box with the appropriate lamps, which are dependent on the box model purchased. Only intact lamps may be recycled using this container. A broken lamp is classified as a hazardous waste and must be disposed of accordingly.
 - b. High Intensity Discharge Lamps (HIDs) must be placed in the original manufacturer box or wrapped in newspaper prior to placing them in the box.
 - c. **Do not exceed capacity.** An additional fee will apply and lamps may crowd and break, causing a hazardous waste stream.
 - d. When not in use, keep the box closed and place in universal waste storage area. Ensure the ACCUMULATION START DATE has been written on the box. The accumulation start date is defined as the date when the first item was placed in the box.
 4. Shipping the box.
 - a. When the box is full and lamps are packed according to the instructions, seal the poly liner

with packaging tape 3" minimum width. Ensure the sealed liner is completely inside the box.

- b. Close the flaps and tape all corners, edges, and seams with 3" packaging tape.
