2015 Mailing Promotions: Great Mailing Opportunities

Since 2009, the mailing services team has offered mailing promotions with the general purpose of increasing the value of direct mail and enhancing the retention of First-Class Mail®. Building upon past successes, the U.S. Postal Service® introduces the 2015 Promotions Calendar. It is designed to encourage mailers to try new ways to integrate mail with digital as part of a multi-channel marketing mix.

The 2015 promotions strive to help marketers engage their customers by using dynamic color print, mobile technology and new innovations in traditional mail techniques. The promotions are designed to create excitement about mail by encouraging interesting techniques while building the bridge between physical mail and digital experiences. These tools can help increase customer engagement and response rates, which help drive the overall value of mail. The 2015 promotions provide mailers with multiple opportunities to participate in any of the four following promotions:

Earned Value Promotion

Mailers are familiar with this promotion which has been running for the past two years. Mailers who register their Mailer ID information and use eligible Intelligent Mail® barcodes (IMb) on their reply pieces will receive a postage credit for each Courtesy Reply Mail™ or Business Reply Mail® piece that is returned to the mailer during the promotion period. There is also an opportunity for past participants to earn an additional \$0.01 per mailpiece by meeting or exceeding their 2014 mail counts.

Registration Period: Registration is closed.

Promotion Period: May 1–July 31

Credit Release: Starting August 1, 2015

Credit Expiration Date: December 31, 2015

Credit Amount:

- \$0.02 cent per mailpiece.
- \$0.03 cent per mailpiece for participants who met or exceeded their 2014 mail counts.

Eligible Mail: Reply piece can be sent to recipients in any class/category of mail. Credits can only be applied to First-Class Mail presort and automation letters, cards and flats or Standard Mail® letters and flats (excludes all single piece First-Class Mail).

Emerging and Advanced Technology Promotion

The U.S. Postal Service continues to encourage mailers to integrate mail with mobile technology or new advances in print. Participating mailers can earn a 2% discount upfront through this promotion.

Eligible mailpieces can incorporate NFC technology, or “enhanced” augmented reality experiences, that allow the recipient to engage in an interactive experience. In addition, this promotion encourages mailpieces that leverage innovations in inks, papers, and interactive folds or mailpiece designs that the recipient can manipulate and engage. This promotion extends not only to Standard Mail but to First-Class Mail as well.

Registration Period: March 15–November 30

Promotion Period: June 1–November 30

Discount: 2 percent per eligible mailpiece.

Eligible Mail:

- First-Class Mail presort and automation letters, cards, and flats.
- Standard Mail letters and flats.
- Nonprofit Standard Mail letters and flats.

Color Transpromo Promotion

The Color Transpromo promotion returns in 2015. In 2014, the U.S. Postal Service introduced this promotion to encourage mailers of bills and statements to incorporate color messaging through a dynamically printed production process to create a greater connection to and response from consumers. This enabled mailers to enjoy the value-added benefit of additional marketing messaging to the recipients of transactional mailpieces. The Postal Service™ intends to continue this approach to grow the value of First-Class Mail and encourage mailers to invest in color print technology.

Registration Period: April 15–November 30

Promotion Period: June 1–November 30

Discount: 2 percent per eligible mailpiece.

Eligible Mail:

- First-Class Mail commercial letters that are part of an IMb Full-Service mailing.
- Mailpiece Content Restriction: Bills and statements only.

Mail Drives Mobile Engagement Promotion

This promotion builds on previous Postal Service mobile technology promotions and demonstrates how direct mail, combined with mobile technology, continues to be a convenient method for consumers to engage and interact with their printed mailpieces. This is an important strategy for merging the inherent value of the physical mailpiece with a digital experience.

Registration Period: May 15–December 31

Promotion Period: July 1–December 31

Discount: 2 percent per eligible mailpiece.

Eligible Mail:

- Standard Mail letters and flats.
- Nonprofit Standard Mail letters and flats.

Program requirements documents and additional information about all of the 2015 promotions can be found on RIBBS at <https://ribbs.usps.gov/index.cfm?page=mailing-promotions>.

Handbook PO-603 Revision: Delivery Point Sequencing (DPS) Flats

Effective July 9, 2015, the Postal Service™ is revising section 541.4 of Handbook PO-603, *Rural Carrier Duties and Responsibilities*, to include additional compensation for DPS flats and a formal process for conducting quality reviews.

* * * * *

Handbook PO-603, *Rural Carrier Duties and Responsibilities*

* * * * *

5 Inspection, Count, and Adjustment of Rural Routes

* * * * *

54 Compensation Adjustments

541 Requirements

* * * * *

541.4 Automation Processed Mail

541.41 Additional Compensation

[Revise the text of 541.41 to read as follows:]

a. If a carrier assigned a left-hand drive (LHD) employer-provided vehicle or required to use his/her privately-owned vehicle, is being compensated under DPS letter standards, and required to case all or a significant portion (125 pieces or more) of his/her DPS letter mail due to machine failure or other problems, additional compensation will be provided in accordance with the following formula:

- The average daily DPS letter volume from the latest mail count (when all DPS mail is received in a raw, unprocessed state or all DPS mail is improperly processed requiring casing), or
- The actual piece count (when 125 or more pieces require casing) multiplied by (x) 0.0365 minutes per piece equals (=) additional minutes payment.

b. If a carrier assigned a right-hand drive (RHD) employer-provided vehicle is being compensated under DPS letter standards, and is required to case all or a significant portion (125 pieces or more) of his/her DPS letter mail due to machine failure or other problems, additional compensation will be provided in accordance with the following formula:

- The average daily DPS letter volume from the latest mail count (when all DPS mail is received in a raw, unprocessed state or all DPS mail is improperly processed requiring casing), or
- The actual piece count (when 125 or more pieces require casing) multiplied by (x) 0.0465 minutes per piece equals (=) additional minutes payment.

Additional payment procedures will be the same as outlined in Article 9.2.N of the National Agreement between the USPS-NRLCA.

c. If a carrier on a route being compensated under the DPS flats standard is required to case all or a significant portion (55 or more pieces) of its DPS flats, due to circumstances that have left all or some portion of the DPS flats in an out of sequence condition, additional compensation will be provided in accordance with the following formula:

- The number of DPS flats received as indicated on the end-of-run (EOR) report (when all DPS flats are received in an out of sequence condition), or
- The actual piece count (when 55 or more flats require casing) multiplied (x) by 0.091 minutes per piece for those routes evaluated using the DPS flats standard or 0.0412 minutes per piece for those routes evaluated using the special DPS casing standard, equals (=) additional minutes paid.

Additional payment procedures will be the same as outlined in Article 9.2.N of the National Agreement between the USPS-NRLCA.

Note: Carriers should notify their manager immediately when they receive DPS letter or flat mail requiring casing. If a manager is not readily accessible, the carrier should note the number of DPS mailpieces they are required to case and report it to his or her manager at the first opportunity.

* * * * *

[Add new items 541.44 and 541.45 to read as follows:]

541.44 Formal Review of DPS Flats Processing

If a route receiving DPS flats experiences a decrease in the quality of the DPS mail or there is a reduction of the DPS flats volume in relationship to the total flats volume of the route as compared to the latest mail count, the assigned carrier may make a written request for formal review of the DPS flats processing for the route.

If a DPS flats quantity review indicates a route is experiencing a decrease in the quantity of DPS flats volume in relationship to the total flat volume of the route, management will take corrective action to ensure that processing is returned to levels equivalent to those experienced during the previous mail count.

If corrective action has not resolved the problem within 30 calendar days of the carrier's written request for a quantity review, or if the route fails to meet the 98% quality threshold for three (3) consecutive days within 30 calendar days of the carrier's written request for a quality review, management will prepare Form 4003, *Official Rural Route Description*, affecting the appropriate base hour change. The Form 4003 will be processed to be effective on the first day of the pay period in which the DPS Flats Formal Review Request was received.

541.45 Adjustments

If, for any reason, management removes a route from the DPS flats sort scheme and the route will no longer receive DPS flats, Form 4003, *Official Rural Route Description*, will

be prepared to appropriately adjust time allowances and processed to be effective on the first day of the pay period in which the automated processing is discontinued.

* * * * *

We will incorporate these revisions into the next online update of Handbook PO-603, *Rural Carrier Duties and Responsibilities*, which is available on the Postal Service PolicyNet website:

Publications

Publication 75, Mover's Guide, News

As of July 1, 2015, recycle any old copies of Publication 75, *Mover's Guide*. All Post Offices™ should have received the new July–September 2015 issue of Publication 75 by June 30, 2015. Similar to last quarter's shipment, the total quantity of *Mover's Guide* copies sent to your facility may have been reduced. In an effort to reduce waste and account for more customers submitting change-of-address orders online, fewer *Mover's Guide* copies are needed. There are several things you can do to conserve as well:

- Make sure customers are aware that <http://www.usps.com> is the most convenient, safe, and secure way for customers to submit a change-of-address order.
- Encourage carriers to take ICOA message cards on their routes instead of *Mover's Guide* copies.

Important Reminders and Alerts

Alert: The Postal Service™ offers the *Mover's Guide* as a service to our customers to assist them with forwarding mail to new addresses. Remember, provide only one *Mover's Guide* per mover unless the visitor asks for more. In that event, provide no more than three. The Postal Service has determined that this number is sufficient for customers who use the *Mover's Guide* to submit a Change of Address Order relating to a move.

Reminders:

- Copies of *Mover's Guide* must be kept behind the counter ONLY, not in inner or outer lobbies or on clerk counters.
- Customers unwilling or unable to submit their change of address at www.usps.com should be given a complete, unopened copy of *Mover's Guide*.
- Limit of one *Mover's Guide* per customer. Upon request, up to three can be provided..
- *Mover's Guide* is printed and distributed four times a year.

Shipment Information and Inventory Management

Offices will continue to receive copies of *Mover's Guide* in one or two shipments. The first shipments should have arrived by the end of June. The second shipments will arrive 3 to 5 weeks later.

- Boxes with BLUE stickers are the first shipment for this print run.
- Boxes with ORANGE stickers are the second and final shipment for this print run.

To track your office's shipment information, go to http://blue.usps.gov/purchase/operations/ops_downloads.htm and click *Mover's Guide* (Pub 75) Distribution for July–September 2015. Use the Ctrl + F Function, while the "Fedstrip" Column is highlighted, to search for your office. To request a shipment quantity change, call Imagitas at 800-816-6837.

ICOA Message Card Information

If your Post Office has an ICOA message card display, replenishment cards and updated banners will be mailed with your *Mover's Guide* shipments. DO NOT THROW AWAY THE DISPLAY OR ICOA MESSAGE CARDS. THEY DO NOT EXPIRE. The display is REQUIRED to be in the lobby and it must have the ICOA message cards in it at all times.

If any Post Office runs out of ICOA Message cards between shipments, use the website at <http://imagitas.com/postal-order-form.html> or call 800-816-6837 for replenishment.

Equipment Maintenance Allowance Schedule for Rural Routes

Rural Carriers

In accordance with the provisions of Article 9, Section 2.J.3 of the *Rural Carrier National Agreement*, effective July 11, 2015 (pay period 16-15), the equipment maintenance allowance (EMA) will increase to 69.0 cents per mile. The EMA is 69.0 cents per mile, or a minimum of \$27.60 per day, whichever is greater.

Auxiliary Rural Carriers, Rural Carrier Reliefs, Rural Carrier Associates, Rural Carrier Part-Time Flexibles, and Auxiliary Assistance

Employees providing auxiliary assistance or serving auxiliary routes under provisions of Article 9, Section 2.J.5,

receive an EMA of 69.0 cents per mile or \$7.50 per hour, whichever is greater. This EMA should not exceed the amount provided in the special equipment maintenance allowance for the route stops and miles.

EMA Rate Schedule

The EMA rate schedule on pages [34](#) and [35](#) supersedes all previously published EMA schedules for employees receiving EMA.

Human Resources

Phased Retirement

The Office of Personnel Management (OPM) issued its final rule for Phased Retirement on August 8, 2014.

The final rule states that agency implementation of this program is not mandatory; rather, implementation is discretionary for each agency. Agencies choosing to implement the program decide whether phased retirement will be available to all, some, or none of their employees.

The Postal Service™ has examined this program closely and has determined that it will not implement the program at this time.

USPS Package Intercept Scores Touchdown with Customers

USPS Package Intercept® now allows both individual and commercial customers the option to redirect shipments that haven't been released for delivery or delivered.

Send something by mistake or to the wrong person, no problem — the USPS Package Intercept FORCE Team is here to save the day. The team, made up of all USPS® employees, enables customers to “intercept” and redirect a domestic mailpiece to a Post Office™ location as a Hold For Pickup, mailed to a different domestic address, or returned to the sender.

USPS Package Intercept is currently available for packages, letters, and flats with a USPS Tracking or Extra Service barcode and all mail classes except Standard Mail® or Periodicals.

Package Intercept is so easy to use and convenient — only a few simple clicks for the customer to register and create an account on www.usps.com. Customers just need to verify first that the USPS Tracking or Extra Service barcode is eligible for Package Intercept, and then submit the Package Intercept request at <https://retail-pi.usps.com/retailpi/actions/index.action> under the Track & Manage tab. For commercial users, they can set up an account through the Business Customer Gateway at <https://gateway.usps.com/eAdmin/view/signin> and use the Shipping Services menu to request this service.

Once a request is submitted and if the package is successfully intercepted, the customer will then be notified and charged the \$12.15 Package Intercept fee plus applicable postage.

Based on instructions from the customer, the mailpiece may be re-labeled and placed back into the postal processing and delivery network. Mail crisis averted and problem solved, thanks to your USPS Package Intercept FORCE Team for a job well done.

See more details on this value-added service that is available to customers by watching the new USPS Package Intercept at <http://blue.usps.gov/corpcomm/uspstv/training/>. Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at <https://amps.mpsa.mil/jy2/frm.htm>.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

This stamp honors the United States Coast Guard for its role in protecting the security of the nation and advancing its vital maritime interests. In an oil painting on masonite, renowned aviation artist William S. Phillips depicts two icons of the Coast Guard: the cutter *Eagle*, a three-masted sailing ship known as “America’s Tall Ship,” and an MH-65 Dolphin helicopter, the standard rescue aircraft of the Coast Guard. Art director Phil Jordan designed the stamp.

Stamp Announcement 15-33: Elvis Presley Stamp

© 2015 USPS

On August 12, 2015, at Graceland in Memphis, TN, the U.S. Postal Service® will issue the *Elvis Presley* (Forever® priced at 49 cents) commemorative First-Class Mail® stamp in one design, in a pressure-sensitive adhesive (PSA) pane of 16 stamps (Item #589000). **The \$7.84 *Elvis Presley* pane of 16 stamps may not be split, and the stamps may not be sold individually.**

The stamp will go on sale nationwide August 12, 2015.

This issuance honors Elvis Presley (1935–1977), the singer, guitarist, musician, and actor who became one of the first true stars of rock and roll. The stamp, part of the *Music Icons* series, features a 1955 black-and-white photograph of Presley taken by William Speer. Presley's signature, in gold ink, is featured along the right side of the stamp. A small gold crown, between the words "Forever" and "USA" is a nod to Presley's nickname, "The King of Rock and Roll™." The stamp pane resembles the appearance of a vintage 45 rpm record sleeve. One side of the pane includes the stamps and the image of a sliver of a record seeming to peek out of the top of the sleeve with a list of Presley's number one hit songs bordering the block of stamps. The reverse side includes an image of Presley shot by photographer Alfred Wertheimer and the logo for the *Music Icons* series. Antonio Alcalá served as the art director and designed the stamp pane with Leslie Badani.

A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum size of all digital color postmarks is 2" high x 4" long. Allow

sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.
