Cover Story

A U.S. Passport is Your Key to International Travel

The Department of State's Passport Services Directorate issues U.S. passports to traveling Americans. Passports are a request to foreign governments to permit you to travel, and also allow you to re-enter the United States. They provide proof of U.S. citizenship at home and around the world.

What is a U.S. Passport Book and Passport Card?

A passport, book, or card, is proof of identity and U.S. citizenship. The passport book can be used for all international travel: air, land, or sea. The passport card can be used to enter the United States from Canada, Mexico, the Caribbean, and Bermuda, at land border crossings or sea ports-of-entry. It cannot be used for international air travel. The wallet-size passport card is convenient and less expensive than the passport book.

Whether you plan to apply for a passport book, passport card, or both, submitting your passport application is easy. The U.S. Postal Service® makes it convenient to apply for your passport. Visit <http://travel.state.gov> or contact the National Passport Information Center (NPIC) at 877-487-2778 or TDD/TTY 888-874-7793 for more information on how to apply for a passport. Visit <http://usps.com/passport> to locate a Post Office™ near you that offers passport services.

Passport and International Travel Tips:

- Apply as early as possible before a trip.

- Check the expiration date of your passport well in advance of your departure date. Some countries may not permit you to enter if your passport will expire in six months or less.
- U.S. passports are issued to adults for 10 years and children under the age of 16 for five years.
- Passport forms can be filled out online and printed from <http://travel.state.gov> or obtained at your local Passport Application Acceptance Facility.
- Before traveling abroad, copy the identification page in case your passport is lost or stolen. If your passport is lost or stolen abroad, report the loss immediately to local police authorities and the nearest U.S. embassy or consulate.
- Visit the Country Information pages on <http://travel.state.gov> to learn about the countries in which you are traveling.
- Register for the Smart Traveler Enrollment Program (STEP) at <http://step.state.gov>. When you sign up, you will automatically receive the most current information we compile about the country where you will be traveling or living. You will also receive updates, including Travel Warnings and Travel Alerts (where appropriate).

DMM Revision: Clarification of Scans as Evidence of Mailing and the Placement of Collect on Delivery (COD) Forms

Effective September 14, 2015, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) sections 503.1 and 609.3 to clarify that USPS® physical scans can be treated by the Postal Service as evidence of mailing when postage and extra service fees are paid online for purposes of indemnity claim review.

Additionally, we will revise DMM 503.9 to clarify electronic funds transfer (EFT) contact information for enrollment and the placement of privately printed forms for COD.

Although these revisions will not be published in the DMM until September 14, 2015, these standards are effective immediately.

503 Extra and Additional Services

1.10 Receipts

[Revise the text to read as follows:]

The mailer receives a USPS sales receipt and the postmarked (round-dated) extra service form for services purchased at retail channels. The mailer must provide a mailing receipt when submitting an insurance claim or filing an inquiry (also see 609.0). Except for Registered Mail and COD items (under item b), the USPS keeps no mailing records for pieces bearing extra services. The USPS provides receipts for online or firm mailers purchasing extra services under the following conditions:

- a. For three or more pieces with extra services presented for mailing at one time, the mailer may use PS Form 3877, *Firm Mailing Book for Accountable Mail*, or USPS-approved privately printed firm sheets in lieu of the receipt portion of the individual form. All entries made on firm sheets must be printed in ink or by ballpoint pen. Alterations must be initialed by the mailer and accepting employee. Obliterate all unused portions of the addressee column with a diagonal line. Privately printed or computer-generated firm

sheets that contain the same information as PS Form 3877 may be approved by the local Postmaster or manager, Business Mail Entry. The mailer may omit columns from privately printed PS Form 3877 that are not applicable to extra service requested. If the mailer wants the firm sheets receipted by the USPS (postmarked on each firm sheet), the mailer must present the books with the articles to be mailed at a Post Office. The sheets of the books become the mailer's receipts.

- b. For Registered Mail and COD, the mailer submits the PS Form 3877 (under item a) in duplicate and receives one copy as a mailing receipt after the entries are verified by the Postal Service employee accepting the mailing.
- c. For articles mailed via PC Postage or other online services (see 604.4.0), the mailer may access a computer printout online that identifies the applicable extra service number, total postage paid, insurance fee amount, declared value, declared mailing date, origin ZIP Code, and delivery ZIP Code. Additionally, either a postmarked (round-dated) original mailing receipt (PS Form 3877 firm sheet, under item a), or an electronic shipment acceptance scan (generated from PS Form 5630, *Shipment Confirmation Acceptance Notice*) followed by a valid acceptance scan event or a physical scan event must also be available as evidence of mailing, in addition to the online record.

9.1 Basic Standards

9.1.1 Description

[Revise the sixth sentence to read as follows:]

If payment is made by cash, a money order fee is included in the amount collected from the recipient (unless the mailer is authorized to participate in electronic funds transfer (EFT) for the remittance (contact the National Customer Support Center (NCSC) (See 608.8) for EFT enrollment information), in addition to the COD amount.

* * * * *

9.2 Forms

9.2.1 Form 3816

[Revise the second sentence to read as follows:]

The form must be attached (or enclosed in an accessible clear envelope or pouch) either above the delivery address and to the right of the return address, or to the left of the delivery address on parcels.

[Revise item d. to read as follows:]

- d. For insurance or COD, purchased online, a printed electronic online label record or a computer printout

from the application used to print the label and purchase the insurance. The printout must identify the USPS Tracking number of the insured parcel, total postage paid, insurance fee paid, declared value, mailing date, origin ZIP Code, and delivery ZIP Code. Additionally, either a postmarked (round-dated) original mailing receipt (PS Form 3877 firm sheet), or an electronic shipment acceptance scan (generated from PS Form 5630) followed by a valid acceptance scan event or a physical scan event must also be available as evidence of mailing, in addition to the online record.

IMM Revision: Priority Mail International Insurance to Bahamas

Effective August 6, 2015, the Postal Service™ is revising *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) to reflect current information for Priority Mail International® insurance to Bahamas, noting that the insurance limit for parcels addressed to Nassau or Freeport is \$1,458, but that the limit for parcels addressed to locations other than Nassau or Freeport is \$560.

This revision is not a change to the insurance service but merely a clarification. In the article titled “IMM Revision: Changes to Pricing and Mailing Standards for International Shipping Services” in *Postal Bulletin 22408* (2-5-15, pages 7–12), we revised the Individual Country Listings (ICLs) by replacing the individual insurance fee tables for Priority Mail International service with a generic table directing readers to Exhibit 322.2 for individual country merchandise insurance limits. Although the previous Priority Mail International insurance fee table in the ICL for Bahamas included a Note indicating that the insurance limit for parcels to locations other than Nassau or Freeport is \$560, we neglected to include that information in the new Exhibit 322.2.

Consequently, we are revising Exhibit 322.2 to clearly indicate this information.

Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at <https://amps.usps.gov/ijy2/frm.htm>.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

Temporary Suspension of Mail Service to Yemen

Effective August 1, 2015, the Postal Service™ temporarily suspended mail service to Yemen. Until further notice, all Post Offices™ and other acceptance locations must *not* accept any mail destined to the country of Yemen. The temporary suspension affects Global Express Guaranteed®, Priority Mail Express International®, Priority Mail International®, First-Class Mail International®, First-Class Package International Service®, International Priority Airmail™ (IPA®), International Surface Air Lift® (ISAL®), and M-Bag® items.

For already deposited items addressed to Yemen, Postal Service employees must endorse them “Mail Service Temporarily Suspended – Return to Sender” and then place them in the mail stream for return.

For any returned item bearing a customs declaration form, as well as for any item shipped with Global Express

Guaranteed or Priority Mail Express International service, the Postal Service will, upon request, refund postage and fees on mail returned due to the suspension of service.

For any other returned item not bearing a customs declaration form, the Postal Service will, upon request, refund postage and fees on mail returned due to the suspension of service, or the sender may remail the item with the existing postage once the Postal Service restores service to Yemen. When remailing under this option, the customer must cross out the marking “Mail Service Temporarily Suspended – Return to Sender.”

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at www.usps.com/shop.

Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.
