## 2015 Open Season

Open Season is here, which means that this is your once-a-year opportunity to enroll in, cancel, or change your health, dental, and vision benefits, unless you experience a qualifying life event.

During Open Season, consider the changes you may need to make to your health insurance so that it better aligns with your current health care needs. This ensures that you have the coverage you need without paying for services you don't need. You may even end up saving money!

Everything you need to know about Open Season is available on the *LiteBlue* Open Season page at <https://liteblue.usps.gov/openseason7>, where you can access benefits information, videos, FAQs, and other helpful resources. From the Open Season page, you can also access OPM's Plan Comparison Tool to help you evaluate and compare your health plan options in order to choose the right plan for you.

Remember, finding the right plan will ensure that you have the right coverage. Be proactive and take action. Make a decision about your health benefits this Open Season.

### What's New This Year

- *Self Plus One*

A new Self Plus One enrollment type is available this Open Season, which covers you and one eligible dependent, whether a spouse or a child under age 26 (or a child age 26 or over who is incapable of self-support because of a mental or physical disability that existed before age 26). If you only have one other individual you wish to cover, Self Plus One is the option for you.

- *No Guide to Benefits*

The Postal Service™ will not publish a *Guide to Benefits* for Open Season this year. Instead, you can access other helpful resources that will provide you with all the information you need to get ready for Open Season on *LiteBlue*.

## Flexible Spending Accounts 2015 Open Season: November 9–December 14, 2015

The 2015 Flexible Spending Accounts (FSAs) Open Season is scheduled for November 9 through December 14, 2015, 11:59 P.M. ET. Eligible career employees who elect to participate in the FSA program must enroll via *PostalEASE* during this time. Enrollments made during this FSA Open Season are effective for the 2016 plan year — January 1 through December 31, 2016 — plus a grace period that extends until March 15, 2017, for all employees who are still participating as of December 31, 2016. FSA participation ends sooner for participants who separate or have extended leave without pay.

FSAs allow employees to set aside a portion of their pre-tax earnings for certain types of out-of-pocket health care and dependent care expenses. The money withheld for FSAs is not subject to income, Medicare, or Social Security taxes. United Healthcare administers the FSA program for the Postal Service™.

The booklet FSA BK1, *Flexible Spending Accounts* (November 2015), which is being made available on <https://liteblue.usps.gov/benefits>, provides an overview of FSAs. The book-let is not being mailed to employees this year.

### Grace Period Still in Effect

Employees with FSAs — for Health Care, Dependent Care, or both — are able to use any balance remaining in an FSA at the end of the plan year to cover expenses incurred during the 2-½ months following that plan year. For the 2015 plan year, the grace period extends until March 15, 2016. For the 2016 plan year, the grace period will extend until March 15, 2017. With the grace period, employees do not have to schedule services or procure items in an end-of-year rush to avoid losing money in the account. Of course, participants have to spend the previous year's balance by March 15 or forfeit the money under the use-it-or-lose-it rule.

The grace period is available only to FSA participants who are still enrolled on December 31 of the plan year. Most FSA participants remain enrolled through

December 31, but an employee who exceeds eight consecutive pay periods of leave without pay or separates from employment before that date (on December 30, for example) is not eligible for the grace period.

The deadline for filing claims has not changed — the FSA Customer Service Center must receive all claims by September 30 of the year after the plan year. For full details, refer to FSA BK1, *Flexible Spending Accounts* (November 2015).

### Using PostalEASE to Enroll

To enroll in FSA during open season, employees have four options:

1. Go to <https://liteblue.usps.gov/benefits> and click *PostalEASE*.
2. Use an employee self-service kiosk and click *PostalEASE*.
3. Go to <http://blue.usps.gov> and under “Essential Links,” click *PostalEASE*.
4. Call the Employee Service Line toll-free at 877-477-3273 and press 1 for *PostalEASE*.

### Publicity Poster

To publicize FSA Open Season, all offices must post the open season notice on bulletin boards through December 14, 2015. See page [6](#).

### Review of Basic FSA Provisions

#### *Eligibility to Participate*

Participation in the FSA program is limited to career employees. To enroll, a career employee must have completed at least 26 full pay periods of Postal Service career service during the current appointment by the end of Pay Period (PP) 27-2015 (December 25, 2015). A career employee who is in a leave without pay (LWOP) status that has lasted for eight consecutive full pay periods as of December 25, 2015, is not eligible to participate in the FSA

program, unless he or she is returning from uniformed military service.

#### *Election Opportunities — Health Care and Dependent Care FSAs*

Eligible career employees may elect to participate in one, or both, of two FSAs — the Health Care FSA and the Dependent Care FSA. Each FSA covers eligible expenses for services that are received during the employee's period of participation during the 2016 plan year (for most employees this will be January 1, 2016 through March 15, 2017). Annual contributions to the Health Care FSA are limited to \$2,550. Annual contributions to the Dependent Care FSA are limited to \$5,000 for a family and \$2,500 for a married employee filing a separate income tax return. FSA BK1, *Flexible Spending Accounts*, describes eligible and ineligible expenses and provides guidelines for estimating 2016 expenses.

**Reminder:** Reminder: Health care expenses for dependents must be included in the Health Care FSA contribution amount and not in the Dependent Care FSA.

#### **Withholding of FSA Contributions**

The maximum Health Care FSA contribution per pay period in 2016 is \$98.07. The maximum Dependent Care FSA contribution per pay period in 2016 is \$192.31. The minimum contribution for each FSA is \$5.00 per pay period, for a total of \$130.00 in 2016. Contributions for each FSA are withheld in equal amounts through payroll deductions covering 26 pay periods (PP 01-2016 through PP 26-2016).

#### **Qualifying Life Event Enrollment and Elections**

Participants may neither cancel enrollments nor change contribution levels during the plan year except following qualifying life events, as explained in FSA BK1, *Flexible Spending Accounts*. In those cases, HRSSC specialists determine a participant's eligibility to enroll or to change contribution levels during the plan year and respond to employee inquiries about that eligibility.

#### **Address and Fax Numbers for FSA Claims**

Participants should mail or fax Form FSA1, *Flexible Spending Account (FSA) Withdrawal Request*, directly to the FSA Customer Service Center as explained on Form FSA1, or may file claims online at [www.myuhc.com](http://www.myuhc.com).

#### **Use of 711 for Employees Who Are Deaf or Hard of Hearing**

Employees who are deaf or hard of hearing may call the FSA Customer Service Center number, 800-842-2026, via 711, the Telecommunications Relay Service (TRS).

#### **Open Season Materials**

The following items are posted on <https://lite-blue.usps.gov/benefits>; they are no longer mailed to employees:

- FSA BK1, *Flexible Spending Accounts* (November 2015), a booklet that explains plan policies and provisions in detail.
- The FSA *PostalEASE* worksheet.
- FSA1, *Flexible Spending Account (FSA) Withdrawal Request* (November 2015), a form used to request withdrawal of funds from an FSA for payment of eligible expenses for services received during the period of participation.

#### **Further Information**

##### *FSA Customer Service Center Toll-Free Hotline*

Employees with questions should call the FSA Customer Service Center's toll-free hotline at 800-842-2026. After enrolling, participants may use the hotline to do the following:

- Make account inquiries.
- Discuss eligible expenses for payment through the FSA program.
- Obtain other plan information.

Employees who are deaf or hard of hearing may call the FSA Customer Service Center number, 800-842-2026, via 711, the TRS.

#### **Tax Advice**

Participants with tax questions should contact their tax advisors or call the IRS toll-free information line at 800-TAX-1040 (800-829-1040).

2015 BENEFITS  
OPEN SEASON

NOVEMBER 9 - DECEMBER 14

# Annual Leave Exchange Option Poster

November 15, 2015, to December 15, 2015

The Annual Leave Exchange Program provides an option for eligible career employees to receive a lump sum payment in exchange for a portion of the annual leave that would otherwise be advanced at the beginning of the 2016 leave year. **Annual leave that has been earned and accumulated during the 2015 leave year, which ends January 8, 2016, cannot be exchanged for cash.** Exchanging next year's annual leave for cash is strictly a voluntary action. The exchange option is not intended to discourage an employee's use of annual leave. Any leave exchanged will not be available for use in leave year 2016.

## Eligible Employees

Employees eligible for the Annual Leave Exchange Program include the following:

- Career nonbargaining unit employees from rate schedule codes (RSCs) D (levels 1–8), E, F, S, U, V, W, and Z (levels 1–12) who have an annual leave balance of at least 160 hours at the end of the 2015 leave year.
- Career bargaining unit employees — full-time employees, part-time regular employees, and APWU-represented part-time flexible employees — from the following RSCs who have an annual leave balance of at least 440 hours at the end of the 2015 leave year and have used less than 75 hours of sick leave during the 2015 leave year:
  - American Postal Workers Union, AFL-CIO — Rate Schedule Code (RSC) P.
  - Operating Services Division, Headquarters and Facility Services Section, Merrifield VA/PWU — RSC K.
  - Mail Equipment Shops & Material Distribution Centers/APWU — RSC C.
  - The National Postal Mail Handlers Union — RSC M.
  - National Postal Professional Nurses/APWU — RSC G.
  - Information Technology/Accounting Service Centers/APWU — RSC N.
  - Postal Police Officers' Association — RSC Y.

## PostalEASE Elections

Employees who meet the eligibility criteria and want to exercise this option must use *PostalEASE* to make elections. For the election to be considered timely, employees must complete their entries in *PostalEASE* by 11:59 P.M. ET, December 15, 2015.

An employee may contact the Human Resources Shared Services Center (HRSSC) for assistance if any of the following conditions apply:

- The employee is deaf or hard of hearing.
- The employee cannot use the telephone, Internet, employee self-service kiosk, or intranet for a medical reason.
- The employee receives a message in *PostalEASE* directing him or her to contact the HRSSC when attempting to make an election.

To contact the HRSSC, do the following:

- Call the Employee Service line at 877-477-3273 (TTY 866-260-7505).
- When prompted, select 5 for the HRSSC.
- Select "Benefits" to speak with a representative who will assist you.

**Please post on all bulletin boards through December 15, 2015.**

# Federal Employees Health Benefits Open Season Poster

## November 9, 2015 to December 14, 2015

The Federal Employees Health Benefits (FEHB) Open Season will be held from November 9 to December 14, 2015, 11:59 P.M. ET. This is the annual benefits enrollment period, when you can enroll in or make changes to your medical, dental, or vision coverage. Employees are able to take another look at their current coverage to see if it aligns with their current needs, compare plans to other available options, and make any necessary changes.

## New This Year

This Open Season is the first opportunity to enroll in the Self Plus One option through the FEHB program. This enrollment type allows you to cover yourself and one eligible family member you designate to be covered. Your eligible family member can include:

- A spouse;
- A child under age 26; or
- A child age 26 or over who is incapable of self-support because of a mental or physical disability that existed before age 26.

If you only have one other individual you wish to cover, Self Plus One is likely the option for you! Don't pay for more coverage than you need.

**Note:** The Postal Service will not publish *Guides to Benefits* for Open Season this year. Instead, you can access other helpful resources that will provide you with all the information you need to get ready for Open Season on the *LiteBlue* Open Season page at <https://liteblue.usps.gov/openseason16>. Archived 2014 Guides are also available on the Open Season page.

## Choose the Right Plan for You

From the Open Season page, you can access OPM's Plan Comparison Tool to help you choose the right plan. Through this tool you can:

- Find health plans available in your Zip Code™;
- Choose plans to compare; and
- See a simple summary of benefits.

The Plan Comparison Tool allows employees to view a side-by-side comparison of up to four specific health plans, including rates, coverage details, customer survey feedback on quality, and more.

To make an FEHB enrollment change, go to *PostalEASE* from the *LiteBlue* Open Season page at <https://liteblue.usps.gov/open-season16>, an Employee Self-Service Kiosk (available at some facilities), Blue, or by calling the HR Shared Service Center (HRSSC) at 877-477-3273, option 1; (TTY 866-260-7507).

Remember, unless you have a Qualifying Life Event, this is the only time during the year that you can make changes to your health benefits enrollment. Be active and take action this Open Season.

**Please Post on All Bulletin Boards Through December 14, 2015**

**IMM Revision: Global Shipping Software (GSS) Update**

Effective November 12, 2015, the Postal Service™ is revising *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM®) sections 223.222 and 233.222 to reflect the availability of extra services to users of USPS®-produced Global Shipping Software (GSS).

Extra services such as insurance were previously not available to mailers who used GSS to manifest international mailings and electronically transmit customs declaration information. However, the software that mailers already have can support the addition of extra services as appropriate to the mail class selected.

Although these revisions will not be published in the IMM until January 17, 2016, mailers can start adding extra services immediately.

## IMM Revision: Individual Country Listing for Hong Kong

Effective November 12, 2015, the Postal Service™ is revising *Mailing Standards of the United States Postal Service, International Mail Manual (IMM®)* to reflect a change to the Individual Country Listing (ICL) for Hong Kong.

As a result of a formal request made through the Universal Postal Union (UPU) via International Bureau Circular (IBC) 173, dated October 12, 2015, Hong Kong is adding a prohibition regarding lithium cells and batteries. This prohibition applies to air and surface dispatches, including mail in transit, so mailers are asked not to send shipments that include lithium cells and batteries to or via Hong Kong.

Although this revision will not be published in the IMM until January 17, 2016, these standards are effective immediately.

## IMM Revision: International Reply Coupons

Effective November 12, 2015, the Postal Service™ is revising *Mailing Standards of the United States Postal Service, International Mail Manual (IMM®)* part 381 to update the authorized version of international reply coupons.

The article “International Reply Coupons” in *Postal Bulletin* 22274 (12-17-09, pages 48–49) announced new Item Number 330800, which bore the expiration date of December 31, 2013. The article “IMM Revision: Changes to Pricing and Mailing Standards for International Mailing Services” in *Postal Bulletin* 22352 (12-13-12, pages 52–84) announced that effective January 27, 2013, the Postal Service would no longer sell international reply coupons (IRCs), but would continue to redeem international reply coupons purchased in foreign countries and presented at U.S. Post Office™ facilities. According to the Universal Postal Union, a new IRC went on sale on July 1, 2013, and it will remain valid until December 31, 2017. Bearing the “Water of Life” design (water being poured over a cupped hand) and with an expiration date of December 31, 2017, it is the only authorized version of the IRC.

Consistent with the information in that article, we are revising IMM 381.3c to reflect the current IRC expiration date. We are also revising 381.1, 381.2, and 381.3 to clarify that international reply coupons previously sold by the U.S. Postal Service® may no longer be used or exchanged because their expiration date has passed.

of containing nonmailable matter, including narcotics, as proscribed in Publication 52, *Hazardous, Restricted, and Perishable Mail*, and provide the sender and addressee with a reasonable opportunity to claim the mailpiece or appeal the determination of nonmailability. If neither the sender nor the addressee claims or otherwise retrieves the mailpiece in a timely manner or appeals the determination of nonmailability, the mailpiece is deemed abandoned or unclaimed (i.e., “dead mail” under 691.1a). Dead mail under this section may be opened or examined to verify the nonmailability of the contents, in accordance with ASM 274.21f. Nonmailable contents will be handled and disposed of in accordance with Postal Inspection Service procedures. ## Handbook AS-353 Revision: Address Change, Mail Forwarding, and Related Services

Effective November 12, 2015, the Postal Service™ is revising Handbook AS-353, *Guide to Privacy, the Freedom of Information Act, and Records Management*, to include modifications which were published in the *Federal Register* on August 21, 2014 (79 FR 49543–49544).

The Postal Service operates an online tool that permits individuals and businesses to submit change-of-address requests quickly, easily, and securely. The Postal Service has become aware of a practice involving the submission of multiple, repetitive COA requests for a single address. This practice requires the Postal Service to take the time, and engage in the expense of reviewing, evaluating, and addressing the submission of those requests.

The System of Records 800.000 Address Change, Mail Forwarding, and Related Services is being modified to permit the Postal Service to use COA data to identify and address the practice of submitting multiple COA requests for a single address in a practical, cost-effective way, while preserving its ability to protect customer data and process legitimate requests promptly.

## Handbook EL-312 Revision: Recruitment

Effective November 12, 2015, the Postal Service™ is revising Handbook EL-312, *Employment and Placement*, sections 232-234.68 to update policy on sources of recruitment to ensure legal accuracy, incorporate reemployment rights under USERRA and FECA, and to update the table in Exhibit 233.32.

### Handbook EL-312, *Employment and Placement*

\* \* \* \* \*

#### 2 Recruitment

\* \* \* \* \*

#### 23 Sources of Recruitment

\* \* \* \* \*

### 232 Policy

#### 232.1 Nondiscrimination in Hiring

[Revise the text of 232.1 to read as follows:]

It is the policy of the Postal Service not to discriminate in personnel decisions on the basis of:

- a. Race, color, religion, sex, national origin, age, or disability as provided by law; or
- b. Other non-meritorious factors such as:
  - (1) Political affiliation,
  - (2) Marital status,
  - (3) Sexual orientation,
  - (4) Gender identity and gender stereotypes,
  - (5) Status as a parent,

- (6) Retaliation for engaging in an EEO-protected activity, or
- (7) Past, present, or future military service.

### 232.2 Management Responsibility for Filling Vacancies

[Revise the text of 232.2 to read as follows:]

Forecasting short- and long-term recruitment requirements is one of management's most important responsibilities. Within budgetary restrictions, managers must determine which vacancies are operationally essential. Managers must also allow adequate lead time for internal job postings and to recruit for external postings when internal sources do not identify a sufficient number of eligible, qualified applicants.

### 232.3 Definitions Applicable to Recruitment

[Revise the text of 232.3 to read as follows:]

The following definitions apply to the subject of recruitment:

- a. *Recruitment* — the process of attracting suitable applicants for employment consideration.
- b. *Selection* — the identification of those applicants who best meet the requirements of the position by reviewing their suitability and qualifications.
- c. *Qualification standards* — official statements of knowledge, skills, and abilities (KSAs). These standards establish the minimum requirements that all applicants for Postal Service positions must meet.
- d. *Hiring List* — a list of qualified applicants arranged in descending order for employment consideration, based on numerical scores determined by examination ratings, the evaluation of KSAs, or both, with veterans' preference points added to the scores of those who claim them. The scores of those veterans' preference applicants who receive compensation for service-connected disabilities of 10 percent or greater resulting from active military duty are considered ahead of those for all other eligibles.
- e. *Appointing official* — the Postmaster, Human Resources official, or other nonbargaining employee who is authorized to make appointments in the Postal Service.
- f. *Career appointment* — the selection for one of the career positions, including full-time, part-time regular, and part-time flexible positions — both FLSA-exempt and nonexempt. Such appointments are without time limitation. Career employees are eligible for annual and sick leave, health insurance, life insurance, and retirement benefits (see 233, Career Recruitment).
- g. *Noncareer appointment* — the selection for one of the noncareer positions, including, but not limited to, Ca-

sual, Rural Carrier Associate (RCA), Postmaster Relief (PMR), Postal Support Employee (PSE), City Carrier Assistant (CCA), and Mail Handler Assistant (MHA) positions. Noncareer employee appointments and reappointments are often subject to time limitations and restrictions defined in the appropriate collective bargaining agreements. Noncareer employees are not eligible for life insurance or retirement benefits; however, they are subject to the provisions of the *Federal Employees' Compensation Act* (FECA) (see 234, Noncareer Recruitment).

- h. *Honorable conditions discharge* — a discharge or release from active duty service in the Armed Forces where the character of service is *honorable*, *under honorable conditions*, or *general*. Though an *under honorable conditions* or *general* discharge is acceptable for veterans' preference or Veterans Recruitment Appointment, it indicates that there was a derogatory reason for the discharge that requires investigation during suitability screening (see 514.2). Discharges that are *other than honorable*, *undesirable*, *bad conduct*, and *dishonorable* do not meet the honorable conditions discharge requirement.

### 232.4 Internal Recruitment and Placement

#### 232.41 General Provisions

[Revise the text of 232.41 to read as follows:]

Most career vacancies within a Postal Service installation are filled internally by reassignment, promotion, or a change to lower level of qualified career employees who are designated the successful bidders or applicants. An employee in a permanent rehabilitation position has the same rights to pursue promotional and advancement opportunities as other employees. When positions cannot be filled by employees who are on the payroll of the installation with the vacancy, secondary consideration must be given to qualified career applicants from other installations within an expanded geographic area subject to appropriate collective bargaining agreement provisions.

#### 232.42 Bargaining Vacancies

[Revise the text of 232.42 to read as follows:]

The appropriate collective bargaining agreement governs the following:

- a. The internal placement sequence for bargaining vacancies.
- b. Conversions to career and reassignments from other installations.

After applying the provisions of the appropriate collective bargaining agreement, the remaining bargaining vacancies may be filled by one or more of the external methods described in 233.3, External Recruitment — Competitive and Noncompetitive.

[Revise the title and text of 232.43 to read as follows:]

**232.43 Supervisor and Other Nonbargaining Vacancies**

The Supervisor Selection Process is outlined in Part 75 and placement procedures for filling other nonbargaining vacancies are outlined in Chapter 7, Assignment, Reassignment, and Promotion.

**232.5 External Recruitment**

**232.51 Use of External Recruitment**

[Revise the text of 232.51 to read as follows:]

External recruitment is required when essential residual bargaining vacancies are anticipated. External recruitment is also used to fill certain nonbargaining positions when there is no adequate internal applicant pool. This applies particularly to nonbargaining positions that require specialty degrees such as engineering or medicine.

**232.52 Positions Restricted to Applicants Eligible for Veterans' Preference**

[Revise the text of 232.52 to read as follows:]

Certain positions, whether career or noncareer, are restricted to applicants eligible for veterans' preference under the *Veterans' Preference Act* of 1944. This rule applies only to appointments from external recruitment sources, whether competitive or noncompetitive. The following are restricted positions in the Postal Service:

- a. Building maintenance custodian.
- b. Custodian laborer.
- c. Custodian.
- d. Laborer custodial.

Appointing officials may consider applicants who are not entitled to veterans' preference *only* when preference eligibles are not available for appointment. Appointing officials must ensure that:

- a. There was an attempt to recruit preference eligibles.
- b. The list of preference eligible applicants for the vacancy was exhausted.

Districts have two options when recruiting externally to fill restricted positions:

Use this option...	if...
Restrict competition to preference eligibles only.	Past experience has shown that normal public notice will provide enough preference eligible candidates.
Accept applications from preference eligibles and nonpreference eligibles, but refer nonpreference eligibles for employment consideration <i>only</i> when there are no preference eligibles.	The supply of preference eligibles may be exhausted before all vacancies are filled.

**Note:** A public notice for a restricted position must have a statement explaining if applications will be accepted from nonpreference eligibles, and if so, that they will not be considered if preference eligibles are available.

**Exception:** The rule of restricting positions for applicants eligible for veterans' preference does:

- a. Not apply when restricted positions are filled through internal career placements such as promotion, reassignment, or change to lower level;
- b. Apply when such positions are filled through reinstatement and transfer from another agency.

**232.6 Reimbursement of Travel and Relocation Expenses**

[Revise the text of 232.6 to read as follows:]

If in the best interest of the Postal Service, employees and prospective employees may be authorized reimbursement for travel and relocation expenses, consistent with the provisions of Handbook F-15, *Travel and Relocation*.

**233 Career Recruitment**

**233.1 Internal Placement of Bargaining Employees**

[Delete the text of 233.1 and add new 233.11 to read as follows:]

**233.11 Internal Placement in General**

Fill bargaining vacancies within an installation by promotion, reassignment, change to lower level, or conversion to career of the successful bidder or applicant. You must consider the following policies:

- Observe the appropriate collective bargaining agreements when filling bargaining positions.
- See Chapter 7, Assignment, Reassignment, and Promotion, for more information.

[Renumber old 233.11 as 233.12 and revise text to read as follows:]

**233.12 Examination Requirements**

An employee bidding on or applying for a bargaining position must meet the current entrance examination requirements. The following substitution rules are in effect with regard to qualifying examinations:

- a. *Demonstrated work performance.* Career employees who hold or have held any position for a minimum period of 1 year for which Battery Examination 473 is the examination requirement are deemed as meeting the examination requirement when they apply for another Battery Examination 473 position. When reviewing the qualifications of an employee who requests a reassignment, change to a lower level, or promotion to a position for which Examination 473 is required, the employee's history is reviewed to determine if he or she has the requisite demonstrated work performance for the substitution. If the employee possesses the minimum period of 1 year of service in an Examination 473 position, then the employee meets the Examination 473 requirement and no further inquiry about the examination requirement should be made.

- b. *Obsolete examinations.* Examinations 400, 440, 450, 710 (when it was given for Markup Clerk, Automated Only), 470 (Group 1), and 470 (Group 2) are obsolete. However, a career employee bidding on or applying for a bargaining position who qualified on an old examination is permanently qualified for the position(s) covered by that examination.
- c. *Clerk craft interlevel bidding.* See current Memorandum of Understanding in American Postal Workers Union National Agreement for bidding without regard to entrance examination of position being bid. Bidders or voluntary transferees must meet all other provisions of the relevant qualification standard.

*[Renumber old 233.12 as 233.13 to read as follows:]*

### **233.13 Senior Qualified and Best Qualified Position Requirements**

Senior qualified positions are those awarded to the senior qualified, eligible bidder. Best qualified positions are those awarded to the applicant whose total qualifications, rated against the job requirements, best meets the qualifications for the position as determined by management. Bargaining qualification standards are available on the Postal Service Intranet.

*[Renumber old 233.13 as 233.14 to read as follows:]*

### **233.14 Medical Qualifications**

A medical assessment for internal bidders and applicants is administered only when the physical requirements for the new position are more demanding than the physical requirements for the old position. However, no such assessment is required if an employee is being reassigned from another installation to the identical position in the new installation.

*[Renumber old 233.14 as 233.15 to read as follows:]*

### **233.15 Maintenance Selection System Requirements**

The Maintenance Selection System (MSS), which is described in Handbook EL-304, *Maintenance Selection System*, is designed to ensure the selection and promotion of maintenance personnel through a uniform application of position qualification requirements.

\* \* \* \* \*

*[Revise the title of 233.3 and delete the text in its entirety to read as follows:]*

### **233.3 External Recruitment — Competitive and Noncompetitive**

*[Add new 233.31 to read as follows:]*

#### **233.31 External Recruitment in General**

When the appointing official cannot fill a vacancy through the internal placement of employees, the appointing official

can post the vacancy externally on <http://about.usps.com/careers/welcome.htm> (see Chapter 4).

Applications are accepted and processed through the Postal Service's online application management system. In addition, appointing officials:

- May use additional recruitment activities to attract qualified applicants.
- May fill bargaining and nonbargaining vacancies using the noncompetitive sources listed in 233.33 through 233.39, as appropriate and in accordance with the applicable national agreement.

*[Renumber old 233.31 as 233.32 and revise the title and text to read as follows:]*

#### **233.32 Competitive Appointment**

A competitive appointment is when a selection is made from applicants who respond to an announcement posted on <http://about.usps.com/careers/welcome.htm>. Current career postal employees, regardless of position or location, are ineligible for selection for externally announced vacancies. Current noncareer employees are eligible to apply and compete for externally-announced vacancies.

*[Renumber old 233.32 as 233.33, delete the text in its entirety, and revise the title to read as follows:]*

#### **233.33 Reinstatement and Reemployment**

*[Add new 233.331 to read as follows:]*

##### **233.331 Reinstatement and Reemployment in General**

The Postal Service may fill a career position by reinstatement, which is the noncompetitive appointment of an individual with reinstatement eligibility. **Exception:** See 232.52, Positions Restricted to Applicants Eligible for Veterans' Preference.

- A career position can be filled by reinstatement under 233.331 through 233.334 without first posting an external vacancy announcement since this is a noncompetitive appointment.
- The applicable procedures in Management Instruction EL-500-2010-4, *Contracting With Individuals or Rehiring Into Career Nonbargaining Positions*, must be complied with in respect to reinstatement of an individual.
- A *displaced federal employee*, as defined by the Office of Personnel Management's regulations, has reinstatement eligibility if he or she meets the requirements of 233.332 through 233.334. However, a displaced federal employee does not have a right to priority selection to any career position in the Postal Service.
- An individual with reinstatement eligibility who is not reinstated to a career position under 233.331 through

233.334 may be appointed to that position on some other noncompetitive basis or on a competitive basis.

*[Add new 233.332 to read as follows:]*

### **233.332 Service Requirement for Reinstatement**

An individual has reinstatement eligibility if he or she meets one of the following two service requirements stated in items a. or b.; the requirements of 233.333; and any applicable requirements of 233.334:

- a. The individual previously served for any period of time in career appointment(s) in the Postal Service.
  - (1) An individual is ineligible for reinstatement if his or her previous service was only in noncareer appointment(s) in the Postal Service.
  - (2) Examples of current and past Postal Service non-career appointment types:
    - (a) Temporary employee;
    - (b) Transitional employee;
    - (c) Casual employee;
    - (d) Postal support employee;
    - (e) Temporary relief carrier;
    - (f) Rural carrier associate;
    - (g) Rural carrier relief;
    - (h) Substitute rural carrier;
    - (i) Auxiliary rural carrier;
    - (j) City carrier assistant;

  - (1) Individuals hired into a permanent position in other federal entities are hired under one of the following three types of appointments:
    - (a) Competitive service appointment.
      - i. Most individuals hired into the competitive service are appointed under a career-conditional appointment and converted to a career appointment after serving 3 years of substantially continuous, creditable service.
      - ii. In limited cases, individuals are hired into the competitive service directly under a career appointment rather than under a career-conditional appointment.
    - (b) Excepted service appointment.
    - (c) Senior Executive Service (SES) appointment.

2. An individual who previously served in only excepted service and/or SES appointment(s) in other federal entities is ineligible for reinstatement to a career position in the Postal Service.
3. Many non-postal federal entities have a combination of competitive service, excepted service, and/or SES appointments.
  - (a) Some non-postal federal entities have only excepted service appointments, while some have component(s) that have only excepted service appointments.
  - (b) Exhibit 233.34 contains a partial list of non-postal federal entities and components that have only excepted service appointments.
4. The type of appointment under which an individual served in another federal entity is often indicated on the records documenting the individual's appointment, e.g., the Standard Form 50, *Notification of Personnel Action*, used by many other federal entities.

### **233.333 Qualification Requirements for Reinstatement**

In order to have reinstatement eligibility for a particular career position, an individual must meet all of the qualification requirements for the position, including any examination(s).

*[Add new 233.334 to read as follows:]*

### **233.334 Time Limit for Reinstatement**

Even if an individual meets the requirements in 233.332 through 233.333, there may be a time limit on his or her reinstatement eligibility, depending on the following factors:

- a. Veterans' preference eligible: no time limit on reinstatement eligibility. There is no time limit on reinstatement eligibility of an individual who is veterans' preference eligible.

**Note:** For the purpose of reinstatement eligibility, an individual is considered to be veterans' preference eligible if he or she meets the statutory and regulatory requirements for veterans' preference eligibility status on or before the effective date of reinstatement. The individual need not have met those requirements on the effective date of his or her separation from the last career appointment in the Postal Service or last competitive service appointment in another federal entity upon which reinstatement eligibility is based.

- b. Non-veterans' preference eligible:
  - (1) With 3 or more years of substantially continuous creditable service: no time limit on reinstatement eligibility.

There is no time limit on reinstatement eligibility of an individual who is non-veterans' preference eligible but previously completed 3 or more years of substantially continuous (i.e., no break in service of more than 3 calendar days) creditable service in:

- (a) Postal Service career appointment(s);
  - (b) Competitive service appointment(s) in other federal entit(ies); or
  - (c) A combination of paragraphs (a) and (b).
- (2) Without 3 or more years of substantially continuous creditable service: 3-year time limit on reinstatement eligibility.

An individual who is non-veterans' preference eligible and who does not meet the 3 or more years of substantially continuous creditable service requirement stated in paragraph 233.324b.1 has reinstatement eligibility for only the 3 years following the date of his or her separation from the following:

- (a) The last career appointment in the Postal Service upon which reinstatement eligibility is based; or
- (b) The last competitive service appointment in another federal entity upon which reinstatement eligibility is based.

### **233.335 Reinstatement Following RIF-Related Separation**

In addition to reinstatement under 233.331 through 233.334, a former Postal Service career nonbargaining employee may be reinstated (i.e., noncompetitively appointed) to certain positions under certain conditions following a reduction in force (RIF)-related separation under the provisions set forth in *Employee and Labor Relations Manual (ELM)*, 354.27, Establishing a Reinstatement List.

- a. The applicable procedures set forth in Management Instruction EL-500-2010-4, *Contracting With Individuals or Rehiring Into Career Nonbargaining Positions*, also must be complied with in respect to this type of reinstatement.
- b. A former Postal Service career nonbargaining employee who is not reinstated under ELM 354.27 to a position following a RIF-related separation may be appointed to that position on some other noncompetitive basis or on a competitive basis.

### **233.336 Reinstatement and Other Reemployment of Annuitants**

An individual who separated from the Postal Service or another federal entity and is receiving an annuity under the

Civil Service Retirement System (CSRS) or Federal Employees' Retirement System (FERS) may be, as applicable:

- a. Reinstated to a career position under 233.321 through 233.324, except as limited therein;
- b. Reinstated to a position under 233.325, except as limited therein; or
- c. Otherwise reemployed by competitive appointment or noncompetitive appointment in any career position for which he or she meets all of the qualification requirements for the position, including any currently-required examination(s) (see also 233.38). **Exception:** See 232.52, Positions Restricted to Applicants Eligible for Veterans' Preference, for certain positions usually restricted to veterans' preference eligible applicants when filled from external recruitment sources.

**Exception:** Individuals who separated from the Postal Service or other federal entity and are receiving an annuity under the CSRS or FERS special provisions for law enforcement officers cannot after reaching the age of 60 be reinstated or otherwise reemployed in "primary" positions involving the actual performance of law enforcement duties. The applicable procedures set forth in the following policies also must be complied with in respect to reinstatement or other reemployment of a CSRS or FERS annuitant:

- a. 233.37, Reemployment of Annuitants; and
- b. Management Instruction EL-500-2010-4, *Contracting With Individuals or Rehiring Into Career Nonbargaining Positions*.

### **233.338 Reemployment Rights Under USERRA or FECA**

- a. USERRA

A current or former Postal Service employee may have reemployment rights to a career position under the *Uniformed Services Employment and Reemployment Rights Act* of 1994, as amended (USERRA), following completion of active duty in a uniformed service (see 77, Employment Restoration After Military Service).

- b. FECA

A current or former Postal Service employee may have reemployment rights to a career position under

the *Federal Employees' Compensation Act*, as amended (FECA), following recovery from a compensable on-duty injury (see *Employee and Labor Relations Manual*, 540, Injury Compensation Program, and Handbook EL-505, *Injury Compensation*).

[Add new 233.339 to read as follows:]

### **233.339 New or Completion of Probationary Period Upon Reinstatement or Other Reemployment**

The following policies govern whether an individual is required to serve a new probationary period or complete the remainder of his or her probationary period upon reinstatement or other reemployment to a career position:

- a. Reemployment under USERRA:
  - (1) 584, Employee Evaluation; and
  - (2) 77, Employment Restoration After Military Service.
- b. Reemployment under FECA:
  - (1) 584, Employee Evaluation;
  - (2) *Employee and Labor Relations Manual*, 540, Injury Compensation Program; and
  - (3) Handbook EL-505, *Injury Compensation*.
- c. Other reinstatement and reemployment under 233.331 through 233.336:
  - (1) 584, Employee Evaluation.

### **233.34 Transfer From Another Federal Entity**

[Add new 233.341 to read as follows:]

#### **233.341 Transfer In General**

The Postal Service may choose to fill a career position by *transfer*, which is the appointment on a noncompetitive basis of an individual:

- a. Without a break in service of a single workday, and
- b. With transfer eligibility.

**Exception:** See 232.52, Positions Restricted to Applicants Eligible for Veterans' Preference.

A career position can be filled by transfer without first posting a vacancy announcement externally since a transfer is a noncompetitive appointment.

**Note:** A *displaced federal employee*, as defined by the Office of Personnel Management's regulations, has transfer eligibility if he or she meets the requirements of 233.342 through 233.343. However, a displaced federal employee does not have a right to priority selection to any career position in the Postal Service.

[Add new 233.342 to read as follows:]

#### **233.342 Service Requirement**

An individual has transfer eligibility if he or she is currently serving for any period of time in another federal entity in a career-conditional or career appointment in the competitive service and meets the requirements of 233.343.

Individuals hired into a permanent position in other federal entities are hired under one of the following three types of appointments:

- a. Competitive service appointment.
  - (1) Most individuals hired into the competitive service are appointed under a career-conditional appointment and converted to a career appointment after serving 3 years of substantially continuous creditable service.
  - (2) In limited cases, individuals are hired into the competitive service directly under a career appointment rather than under a career-conditional appointment.
- b. Excepted service appointment.
- c. Senior Executive Service (SES) appointment.

An individual who is currently serving in an excepted service or SES appointment in another federal entity does not have transfer eligibility to a career position in the Postal Service, even if he or she previously served in a federal entity in a career-conditional or career appointment in the competitive service.

Many non-postal federal entities have a combination of competitive service, excepted service, and/or SES appointments.

- a. Some non-postal federal entities have only excepted service appointments, while some have component(s) that have only excepted service appointments.
- b. Exhibit 233.34 contains a partial list of non-postal federal entities and components that have only excepted service appointments.

The type of appointment under which an individual served in another federal entity is often indicated on the records documenting the individual's appointment, e.g., the Standard Form 50, *Notification of Personnel Action*, used by many other federal entities.

### Exhibit 233.34 Partial Listing of Non-Postal Federal Entities and Components That Have Only Excepted Service Appointments

An individual who previously served in only excepted service and/or Senior Executive Service (SES) appointment(s) in other federal entities is not eligible for reinstatement to a Postal Service career position (see 233.33). An individual who is currently serving in an excepted service or SES appointment in another federal entity is not eligible for transfer to a Postal Service career position, even if he or she previously served in a federal entity in a career-conditional or career appointment in the competitive service (see 233.34).

#### 233.352 Between the Postal Service and the Private Sector

An applicant working in the private sector may be dually employed as a career Postal Service employee, provided that the private sector job does not adversely impact postal operations or represent a conflict of interest. See ELM section 661.42, Conflicts of Interest — Employment.

### **233.353 Between the Postal Service and Other Federal Organizations**

A career civilian employee of another federal agency, except as provided below, may be employed as a career Postal Service employee, provided that the employee is available to work the hours of the postal position and meets one of the following conditions:

- a. Selected competitively for a career position from a Hiring List (see 233.31).
- b. Eligible for noncompetitive appointment (see 233.33, 233.34, 233.36, 233.37 or 233.39).

A civilian employee of another federal agency who is performing active military service at the time of consideration may be considered and selected, but not appointed to the Postal Service until the employee has been reemployed under the provisions of the Uniformed Services Employment and Reemployment Rights Act (USERRA) by the employee's federal agency. The selected applicant may be transferred to the Postal Service only after completing all administrative requirements associated with reemployment by the employee's agency, provided that the selected applicant meets suitability requirements at the time of appointment. If the selected applicant is not eligible for reemployment under USERRA, and is not reemployed by his or her agency following completion of military service, the selected applicant will be appointed in the Postal Service provided the applicant meets suitability requirements at the time of appointment.

A qualified applicant serving in the uniformed services, as defined in 38 U.S.C. § 4303(16), on active military duty, who is not a career civilian employee of another federal agency, may not be rejected for career employment wholly or in part because active duty prevents him or her from starting work on a particular date. The applicant may be selected for a career position and appointed following separation from active military service provided that the applicant meets suitability requirements at the time of appointment. Separation from active duty includes, for this purpose, the period when the applicant is on terminal or transitional leave and an *unofficial* or *uncertified* copy of DD Form 214, *Certificate of Release or Discharge from Active Duty*, has been provided and reviewed. All three military branches provide a separating service person with an *unofficial* or *uncertified* copy of the DD Form 214 or qualifying statement of service when they depart on terminal leave. This form reflects the character of service. After the separation date, the veteran receives the final certified copy of the DD Form 214.

### **233.36 Noncompetitive Appointment of Veterans With 30 Percent or More Disability**

*[Add new 233.361 to read as follows:]*

#### **233.361 General**

Veterans with 30 percent or more service-connected disability are a noncompetitive source of recruitment to fill career and noncareer entry-level positions. This authority must not be used to fill rural carrier associate or career rural carrier vacancies, career positions filled through the Maintenance Selection System, or any data conversion operator position in remote encoding centers. Use of this authority is discretionary; no one is entitled to a 30 percent or more disabled appointment.

*[Renumber old 233.351 as 233.362 and revise the text to read as follows:]*

#### **233.362 Use of 30 Percent or More Disabled Veterans to Fill Career Positions**

A veteran who is 30 percent or more disabled and is currently working as a casual or temporary employee may be considered for noncompetitive conversion to a career vacancy. This authority must not be used to fill career rural carrier vacancies, career positions filled through the Maintenance Selection System, or career data conversion operator positions in remote encoding centers. The veteran with 30 percent or more disabled status must have worked in the temporary appointment for at least 60 days and must meet the qualification requirements of the position, including any examination. Appointing officials may, but are not obligated to, administer examinations noncompetitively, if it is determined that applicants are otherwise suitable candidates. An eligible entrance or noncompetitive rating for the appropriate examination is acceptable.

When a current casual or temporary employee who is 30 percent or more disabled is not available, a former casual or temporary employee or other person who is 30 percent or more disabled may be given a direct career appointment.

*[Renumber old 233.352 as 233.363 to read as follows:]*

#### **233.363 Eligibility for 30 Percent or More Disabled Appointment**

The 30 percent authority applies to veterans who either:

- a. Retired from active military service with a disability rating of 30 percent or more, or
- b. Were rated by the Department of Veterans Affairs (VA) as having a compensable service-connected disability of 30 percent or more.

Eligibility for 30 percent or more disability must be determined by verifying the disability percentage and entitlement to veterans' preference prior to giving a job offer.

### **233.37 Noncompetitive Appointment of Veterans' Recruitment Appointment Eligibles**

*[Add new 233.371 to read as follows:]*

#### **233.371 General**

A Veterans' Recruitment Appointment (VRA) is a noncompetitive source of recruitment to fill career and noncareer entry-level positions. This authority must not be used to fill rural carrier associate or career rural carrier vacancies, career positions filled through the Maintenance Selection System, or any data conversion operator position in remote encoding centers. Use of the VRA authority is discretionary; no one is entitled to a VRA appointment.

*[Renumber old 233.361 as 233.372 and revise the text to read as follows:]*

#### **233.372 Use of VRA Authority to Fill Career Positions**

A VRA eligible who is currently working as a casual or temporary employee may be considered for noncompetitive conversion to a career vacancy. The authority may not be used to fill career rural carrier vacancies, positions filled through the Maintenance Selection System, or career data conversion operator positions in remote encoding centers. The VRA eligible must have worked in the temporary appointment for at least 60 days and must meet the qualification requirements of the position, including any examination. Appointing officials may, but are not obligated to, administer examinations noncompetitively, if it is determined that applicants are otherwise suitable candidates. An eligible entrance or noncompetitive rating for the appropriate examination is acceptable.

When a current casual or temporary employee who is a VRA eligible is not available, a former casual or temporary employee or other person who is VRA eligible may be given a direct career appointment. When filling positions restricted to applicants entitled to veterans' preference, VRA eligibles must also meet the requirements for veterans' preference.

*[Renumber old 233.362 as 233.373 to read as follows:]*

#### **233.373 Considering VRA Applicants with Veterans' Preference**

VRA eligibles do not necessarily meet the eligibility requirements for veterans' preference. When there is more than one VRA candidate, applicants eligible for VRA with veterans' preference must be considered in group order, as follows:

- a. *Group 1.* Veterans eligible for 10-point preference who have a compensable service-connected disability of 10 percent or more.
- b. *Group 2.* All other veterans eligible for 10-point preference.
- c. *Group 3.* Veterans eligible for 5-point preference.
- d. *Group 4.* Veterans not eligible for veterans' preference.

*[Renumber old 233.363 as 233.374 to read as follows:]*

#### **233.374 Eligibility for a Veterans' Recruitment Appointment**

VRA authority applies to veterans who were discharged or released from active duty service in the Armed Forces. To be eligible under this authority, an applicant must be one of the following:

- a. A disabled veteran.
- b. A veteran who served on active duty in the Armed Forces during a war, or in a campaign or expedition for which a campaign badge has been authorized.
- c. A veteran who, while serving on active duty in the Armed Forces, participated in a United States military operation for which an Armed Forces Service Medal was awarded. (The Armed Forces Service Medal was established effective June 1, 1992 under Executive Order 12985 on January 11, 1996.)
- d. A recently separated veteran (eligible only during the 3-year period that began on the veteran's date of discharge or release from active duty).

Eligibility for VRA must be verified prior to giving a job offer.

**Note:** Not all 5-point preference eligible veterans are eligible for a VRA appointment. For example:

- a. A veteran served during the Vietnam era (for more than 180 consecutive days after January 31, 1955, and before October 15, 1976) but did not (1) receive a service-connected disability, (2) an Armed Forces Service medal, or (3) a campaign or expeditionary medal. This veteran is entitled to a 5-point veterans' preference, but is not eligible for a VRA appointment.
- b. A veteran served during the Gulf War from August 2, 1990, through January 2, 1992. This veteran is eligible for veterans' preference solely on the basis of that service. However, the veteran's service during that time period, in and of itself, does not confer VRA eligibility. In addition, the veteran must meet one of the four VRA eligibility criteria listed above.

*[Renumber old 233.37 as 233.38 and revise the text to read as follows:]*

#### **233.38 Reemployment of Annuitants**

Before a retired postal or other federal agency employee receiving an annuity from the Office of Personnel Manage-

ment (OPM) under the Civil Service Retirement System or Federal Employees' Retirement System may be reemployed, approval must be obtained from the district Human Resources manager for a district position, the area Human Resources manager for an area office position, or the vice president of Employee Resource Management for headquarters and headquarters-related units.

When an annuitant is reemployed, if the annuity continues, the amount applicable to the period of reemployment is offset, or reduced, from the reemployed annuitant's salary. This offset is required by 5 U.S.C. 8344 and 8468; the Postal Service has no discretion to apply the offset or not. If an annuitant is reemployed, OPM must be notified of the reemployment and determines the effect of reemployment on the employee's annuity and/or the employee's salary. The annuitant may not be appointed until he or she has provided the annuity amount received from OPM, so the correct offset can be applied and appropriate coding can be included on personnel actions to identify the employee as a reemployed annuitant. The only exception is described in Management Instruction EL-500-2010-4, *Contracting with Individuals or Rehiring into Career Nonbargaining Positions*.

The full implications of this mandatory offset should be discussed in detail with the applicant before effecting reemployment. Annuitants may be referred to these materials for additional information:

Applicants for temporary appointment to skilled positions may be hired from hiring lists organized in examination score order where veterans' preference is applied (see 234.4, Skilled and Technical Positions). When no examination ranking is used for selection, all external applicants for noncareer employment must be considered in priority group order, as described in 444.

#### **234.23 Dual Employment**

*[Add a new 234.231 to read as follows:]*

##### **234.231 General**

Under certain circumstances, an employee may be appointed to more than one noncareer position in the Postal Service. This is known as a dual appointment.

- a. The primary purpose of dual appointments is to improve the opportunity of employees who provide relief or leave replacement service. For example, to gain further employment and to minimize unemployment compensation expense:
  - (1) A Rural Carrier Associate could hold a dual appointment as a casual Mail Handler, and
  - (2) A Postmaster relief (PMR) may hold a dual appointment in more than one 2-hour Remotely Managed Post Office or 6-hour Part Time Post Office.
- b. Dual appointments also enable the Postal Service to utilize available experienced employees instead of new hires.

In addition, the types of dual employment in 234.232 through 234.233 are valid or invalid in the Postal Service as indicated.

### **234.232 Between the Postal Service and Other Federal Agencies**

An applicant who works for another federal agency and is under either the Civil Service Retirement System (CSRS) or Federal Employees' Retirement System (FERS) may not be hired by the Postal Service for a temporary or noncareer position unless the applicant is willing to relinquish the other agency position and have at least a 4-calendar-day break in service before appointment to the postal position. Applicants who participate in CSRS or FERS who are unwilling to relinquish the position that entitles them to participate in one of these retirement systems are ineligible for noncareer postal employment. This ineligibility includes federal employees under CSRS or FERS on leave without pay or in a furlough status. An applicant who works for another federal agency and who is not under CSRS or FERS may be considered for a temporary or noncareer position, provided that the applicant is available to work the hours required by the Postal Service.

A qualified applicant for a noncareer position who is on active military duty in the Uniformed Services, as defined in 38 U.S.C. § 4303(16), may not be rejected for employment wholly or in part because active duty prevents him or her from starting work on a particular date. The applicant may be selected for the noncareer position and appointed following separation from active military service provided that the applicant meets suitability requirements at the time of appointment and the applicant would still be employed had he or she been appointed at the time of initial selection. Separation from active duty includes, for this purpose, the period when the applicant is on terminal or transitional leave and an *unofficial or uncertified* copy of the DD Form 214 or qualifying statement of service has been provided and reviewed. All three military branches provide a separating service person with an unofficial or uncertified copy of the DD Form 214 when he or she departs on terminal leave. This form reflects the character of service. After the separation date, the veteran receives the final certified copy of the DD Form 214.

*[Revise the text of 234.24 to read as follows:]*

Disabled veterans who are 30 percent or more disabled (see 233.36) and VRA eligibles (see 233.37) may be recruited to fill temporary or noncareer positions, except

positions that specifically require that selections be made competitively (e.g., Postal Support Employee, City Carrier Assistant, Mail Handler Assistant, and Rural Carrier Associate). ### **234.4 Skilled and Technical Positions**

*[Revise the text of 234.4 to read as follows:]*

When offices are recruiting noncareer employees for skilled and technical positions, applicants must meet the appropriate qualifications and screening requirements associated with the skills needed. The following are examples of skilled and technical noncareer positions:

- PSE Automotive Mechanic.
- PSE Automotive Technician.
- PSE Tractor-Trailer Operator.
- PSE Motor Vehicle Operator.

### **234.5 Rural Carrier Associate**

*[Revise the text of 234.5 to read as follows:]*

A rural carrier associate (RCA) may be reassigned to another installation. A RCA, who has completed the probationary period and then submits a written request for reassignment, may be reassigned to RCA vacancies at other offices. A regular rural carrier who wants to relocate because of a spouse's relocation or because of personal hardship may be reassigned as a rural carrier associate, provided there is a leave replacement vacancy in the office where the regular carrier seeks relocation. The regular carrier must resign the career position and take at least a 6-calendar-day break in service before appointment as RCA (see Memorandum of Understanding 10, *Appointment of Regular Carrier to RCA Upon Relocation*, National USPS-NRLCA Agreement). Otherwise, RCAs must be hired from a competitive hiring list.

### **234.6 Casual Positions**

*[Add a new 234.61 to read as follows:]*

#### **234.61 General**

Both competitive and noncompetitive recruitment sources may be needed to produce a highly qualified, diverse applicant pool from which to fill casual vacancies.

*[Add new 234.62 to read as follows:]*

### **234.62 Competitive Recruitment Sources for Casual Vacancies**

Vacancies for casual positions may be posted externally on <http://about.usps.com/careers/welcome.htm> (see 421).

*[Renumber old 234.61 as 234.631 and revise the text to read as follows:]*

#### **234.631 Former Postal or Federal Employees With Reinstatement Eligibility**

Under this authority, applicants eligible for career reinstatement can also be considered for casual positions. For rules, see 233.33, Reinstatement and Reemployment.

*[Renumber old 234.62 as 234.632 and revise the text to read as follows:]*

#### **234.632 Former Casual Special Recruitment Authority**

For this recruitment authority, a former casual is one who at the time of application had a casual appointment within the current calendar year or either of the two preceding calendar years, had a satisfactory work performance during the last period of casual employment, and was initially appointed as the result of a competitive recruitment effort. For example, applications solicited from the general public or an approved noncompetitive recruitment referral such as Student Program or State Employment Service that recognized veterans' preference requirements are competitive efforts. Applicants who meet this definition may be considered for casual vacancies ahead of applicants in the general application file. Former casuals who do not meet these requirements must be considered along with other general application file applicants. Veterans' preference groupings must be observed (see 234.21).

#### **234.633 Student Program**

*[Delete old 234.63 and 234.64 in their entirety.]*

*[Renumber old 234.65 as 234.633 and revise the text to read as follows:]*

Students who are enrolled or accepted for enrollment on a full-time basis during the regular school year in an accredited institution of higher learning — including universities, colleges, vocational schools, and technical schools — can be considered for appointment as casual and temporary employees. Student applicants must meet the following eligibility requirements:

- a. Applicants must be at least 18 years of age.
- b. Applicants must provide documentation certifying enrollment, or acceptance for enrollment, in an insti-

tution of higher learning on a full-time basis during the regular school year.

Students employed under this authority are terminated if they drop out of school for any reason, or if they are unable to furnish satisfactory evidence of enrollment for the next scheduled term. Veterans' preference groupings must be observed (see 444).

*[Renumber 234.66 as 234.634 to read as follows:]*

#### **234.634 State Employment Service**

Persons currently unemployed and listed on the rolls of the state unemployment compensation office as actively seeking employment may be considered for employment in casual and temporary positions when referred to the Postal Service by the state. Persons referred under this authority must meet the following eligibility requirements:

- a. Applicants must be at least 18 years of age, or they must be high school graduates who are no less than 16 years of age.
- b. Applicants must be appropriately referred by the state unemployment compensation office.

Prior approval to use this hiring authority must be obtained from the district Human Resources manager. When approval is obtained, a postal representative should file a written notice of intent to use this authority with the state unemployment office, using Sample Letter C-1, Appendix C. Certification letters (see Sample Letter C-2, Appendix C) must be filed on the right side of the official personnel folder of each individual hired under this authority. When selections are made under this authority, veterans' preference groupings must be observed (see 234.21).

### Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

**Note:** The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

## Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

## Other Information

### Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at <https://amps.usps.gov/ijy2/frm.htm>.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

**A1.** Mail addressed to "Any Servicemember," or similar wording such as "Any Soldier," "Sailor," "Airman," or "Marine"; "Military Mail"; etc., is prohibited. Mail must be addressed to an individual or job title such as "Commander," "Commanding Officer," etc.

**A2.** APO/FPO/DPO addresses shall not include a city and/or country name.

**B.** Regardless of mail class, a customs declaration (i.e., PS Form 2976, PS Form 2976-A, or PS Form 2976-B) is required for all items weighing 16 ounces or more, or any item (regardless of weight) containing potentially dutiable mail contents (e.g., merchandise or goods) addressed to or from an APO, FPO, or DPO ZIP Code. If mailed using Priority Mail Express service, mailpieces requiring a customs form that are addressed to or from an APO, FPO, or DPO location must bear a properly completed PS Form 2976-B. No customs form is required for items weighing less than 16 ounces when the contents are not potentially dutiable (e.g., documents). The surface area of the address side of the mailpiece must be large enough to contain the applicable customs declaration. The following exceptions apply:

- Known mailers are exempt from providing customs documentation on non-dutiable letters or printed matter. (A known mailer is a business mailer who enters volume mailings through a business mail entry unit (BMEU) or other bulk mail acceptance location, pays postage through an advance deposit account, uses a permit imprint for postage payment, and submits a completed postage statement at the time of entry that certifies that the mailpieces contain no dangerous materials that are prohibited by postal regulations.)
- All federal, state, and local government agencies whose mailings are regarded as "Official Mail" are exempt from providing customs documentation on any item addressed to an APO, FPO, or DPO except for those APOs/FPOs/DPOs to which restriction "B2" applies.
- Prepaid mail from military contractors is exempt, providing the mailpiece is endorsed "Contents for Official Use — Exempt from Customs Requirements."

## Freely Associated States (FAS) Restrictions

Effective March 19, 2015, the mailing restrictions for Freely Associated States will be listed in the Pull-Out section of the *Postal Bulletin* and updated periodically.

### Freely Associated States

Mail addressed to freely associated states is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The FAS table below outlines these conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) following the table). For additional information on available extra services for FAS destinations, see *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, part 503.

Acceptance clerks should use the table with the POS ONE terminal to determine which FAS ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to Randall Sobol at [randall.f.sobol@usps.gov](mailto:randall.f.sobol@usps.gov).

## Thanksgiving Day Message From the Postmaster General

MEGAN J. BRENNAN  
POSTMASTER GENERAL, CEO

**THANKSGIVING DAY MESSAGE FROM THE POSTMASTER GENERAL**

As we prepare to celebrate Thanksgiving Day, I would like to express my gratitude to you for all you do each day on behalf of the Postal Service.

During this season of thanks, we each should take a moment to reflect upon the many things in our lives for which we are grateful—our families, our friends, our coworkers, our health, our jobs, and the many liberties that are unique to our lives here in the United States. Far too often, we get carried away with day-to-day activities and forget to stop and appreciate all that we enjoy and how fortunate we are.

I am, once again, inspired by your collective efforts on behalf of the Postal Service, and I would especially like to commend you for your dedication to our customers. Each day, you keep the mail moving—prescriptions, birthday cards, bill payments, and packages. In fact, due to your efforts, we expect another banner holiday mailing season, as our customers turn to us to deliver their holiday cards, letters, and packages. As we have seen in the past, when people, like you, come together for a single purpose, it is energizing and exhilarating. And it can achieve remarkable results.

Thank you for everything you do to make this such a great organization of people who pull together in the face of challenges, support our customers in countless ways, and demonstrate the concepts of "thanks" and "giving" in communities throughout the nation. You should be proud.

I appreciate your dedication and hard work, and I wish you a very happy and healthy Thanksgiving Day!

A handwritten signature in blue ink that reads "Megan J. Brennan".

**Finance****IRS Reporting Requirements of Attorney Fees, Back Pay, or Wages**

The purpose of this notice is to ensure that employees are aware of the Internal Revenue Service (IRS) income reporting requirements when attorney fees are awarded.

In 2005, the IRS issued regulations that changed the manner in which attorney fee awards are to be treated for tax reporting purposes, based upon the Supreme Court's decision in *Commissioner v. Banks*, 125 S. Ct. 826 (2005). Previously, when payment of attorney fees was made directly to the attorney, the payment to the attorney was only reported on the attorney's Form 1099-MISC, *Miscellaneous Income*. In *Commissioner v. Banks*, the Supreme Court held that when a litigant's recovery constitutes income, the litigant's income includes the portion of the recovery paid to the attorney as a contingent fee. Thus, pursuant to Internal Revenue Code (IRC) Section 6041(a) and 6045(f), these fees cannot be excluded from the plaintiff's gross income for tax reporting purposes.

Following are a number of different situations requiring variations in the reporting requirements:

- *Attorney Fees Paid Directly to an Attorney* — These fees will be reported in Box 3 (Other Income) on the employee's Form 1099-MISC. These fees will also be reported on the attorney's Form 1099-MISC.
- *Settlement (no back pay or wages) is Paid Directly to Employee and Attorney Fees are Identified* — The entire amount of the settlement (including attorney fees) will be reported in Box 3 (Other Income) on the employee's Form 1099-MISC. The employee's attorney will not be issued a Form 1099-MISC.
- *Settlement (back pay or wages) is Paid Directly to Employee and Attorney Fees are Identified* — The back pay or wages portion of the settlement is subject to income and FICA tax withholdings. The back pay or wages portion will be reported on the employee's Form W-2. The identified attorney fees will be reported in Box 3 (Other Income) on the employee's Form 1099-MISC. The employee's attorney will not be issued a Form 1099-MISC.
- *Settlement (back pay or wages) is Paid Directly to Employee and Attorney Fees are not Identified* — The entire amount of the settlement (including attorney

fees) is subject to income and FICA tax withholdings. The entire amount will be reported on the employee's Form W-2. The employee's attorney will not be issued a Form 1099-MISC.

- *Settlement Check (no back pay or wages) is Issued Jointly to Employee and Attorney* — The entire amount of the settlement will be reported in Box 3 (Other Income) on the employee's Form 1099-MISC and will also be reported on the attorney's Form 1099-MISC.
- *Settlement Check (back pay or wages) is Issued Jointly to Employee and Attorney* — The entire amount of the settlement (including attorney fees) is subject to income and FICA tax withholdings. The entire amount will be reported on the employee's Form W-2. The net amount of the settlement (the actual amount of the settlement check) will be reported on the attorney's Form 1099-MISC.
- *Settlement Check (back pay or wages) is Split between Employee and Attorney* — The entire amount of the settlement (including attorney fees) is subject to income and FICA tax withholdings. The settlement check is issued to the employee, but prior to disbursement the check is pulled and the net of the settlement (the actual amount of the check) is split between the employee and his or her attorney. The entire amount of the settlement will be reported on the employee's Form W-2. The actual amount of the check paid to the attorney will be reported on the attorney's Form 1099-MISC.

## Local Tax Code Information

The Postal Service™ collects appropriate federal, state, and, in some cases, local taxes directly from the pay of its employees who are subject to these deductions. Based on agreements between individual local taxing authorities and the United States Treasury Department, the Postal Service collects a number of city and/or county income taxes, occupational taxes, mental health taxes, residence taxes, local service taxes and, in some locations, more than one of these taxes.

The local taxes listed below are the taxes for which there are agreements between the taxing authorities and the United States Treasury Department. Some of these taxes are automatically deducted from the salaries of Postal Service employees who work within the geographic boundaries of the specific taxing authorities. However, most of these taxes are not automatic deductions. If you are subject to any of these local taxes, you must be proactive and complete and submit a PS Form 4, *Employee's City or County Withholding Certificate*, to the HR Shared Service Center (HRSSC). As a Postal Service employee, you are personally responsible for ensuring correct local taxes are deducted from your pay. Should you have any questions regarding your tax liability/responsibility, contact your local taxing authority.

In addition to the taxes listed below, there are other local taxes for which there are no agreements between the individual local taxing authorities and the United States Treasury Department. Employees must make their own payments to these taxing authorities. The Postal Service will not collect local taxes for a taxing entity that has not established an agreement with the Treasury Department.

All Postal Service employees are reminded that they are bound by the materials contained within the Code of Ethics, Principles of Ethical Conduct for Government Officers and Employees. This includes Principle 12, which states: "An employee shall satisfy in good faith their obligations as citizens, including all just financial obligations, especially those — such as federal, state, and local taxes — that are imposed by law."

If you live or work in a locality that is subject to one or more of the taxes listed below and the correct deduction(s) is not being withheld from your pay, you should immediately complete a PS Form 4, *Employee's City or County Withholding Certificate*. After completing this form, forward it to the following address:

HR Shared Service Center (HRSSC)  
PO Box 970400  
Greensboro, NC 27497-0400

Direct all questions concerning these local taxes to the HRSSC:

## Wage Overpayment Indebtedness – Tax Treatment

When a Postal Service™ employee is overpaid, the Postal Service establishes an account receivable for the overpayment and initiates the collection of the debt from the employee through the process described in either ELM 450, Collection of Postal Debts from Non-bargaining Unit Employees, or ELM 460, Collection of Postal Debts from Bargaining Unit Employees.

If the overpayment occurred in a prior year, the Postal Service bills the employee for the gross amount of the overpayment. The gross amount includes the net amount of the check/direct deposit plus all payroll-related taxes withheld and other miscellaneous deductions/allotments. The wages paid in error in the prior year remain W-2 reportable and taxable to the employee for that year. This is because the employee received and had use of those funds during that year. If repayment is made within three years of the issuance of the W-2 that includes the overpayment, the employee may be entitled to a refund of Social Security (if applicable) and Medicare taxes from the Postal Service. The employee is not entitled to file an amended return (Form 1040X) to recover the income tax paid on these wages. Instead, the employee is entitled to a deduction (or credit in some case) for the repaid wages on his or her

income tax return for the year of repayment (IRS Publication 15). Employees are encouraged to seek the services of a qualified tax preparer if they have questions.

If the overpayment occurred in the current year, the Postal Service *initially* bills the employee for *only* the net value of the overpayment; thus, federal, state, local, and FICA/Medicare taxes are not part of the bill. However, if an employee has not fully repaid the overpayment by the end of the tax year (December 31, 2015), the Postal Service must report the unreturned value of the overpayment as taxable income on the employee’s Form W-2. Additionally, the employee and employer must now pay appropriate federal, state, local, and FICA/Medicare taxes on the remaining value of the unpaid debt. The Postal Service establishes a second account receivable at the close of the tax year for the value of the taxes the employee owes related to the unpaid debt. The debt collection processes in ELM 450 and ELM 460 are used to collect the additional debt.

### Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

## How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at [www.usps.com/shop](http://www.usps.com/shop).

### Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no

charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

**Digital Color Postmarks**

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute tradi-

tional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.
