# Cover Story

## Honoring Heroes: Thelma Johnson, Customer Services Manager

Los Angeles Customer Services Manager Thelma Johnson was recently hailed as a hero for helping an injured customer.

Johnson was working in the Post Office™ when she noticed Clara Taylor was walking with a cane and struggling to carry her mail. While Johnson was retrieving a bag to hold the mail, Taylor, 92, fell, hit her head, and began bleeding.

Johnson administered first aid to the wound and talked with Taylor, who said she has no close relatives, friends, or neighbors.

Paramedics arrived and took Taylor to an emergency room, where she was treated. Johnson and Aasha Jones, her supervisor, visited Taylor in the hospital and took her home when she was released.

“Had it not been for the quick actions of Ms. Johnson, the customer would have lost a lot more blood,” said Customer Services Manager Arturo Santana. “She did all the right things by keeping the customer talking and keeping her from going into shock with the blood loss.”

Johnson is one of several thousand employees who have been recognized through the Postmaster General (PMG) Heroes’ Program.

The program, established in 2003, is based on a simple idea: Postal Service™ employees know their customers’

habits and are often the first to notify emergency personnel when they notice something wrong.

Employees must be nominated for the PMG Hero Award. Nominations are reviewed by Corporate Communications for accuracy and sent for approval to the Office of the Inspector General and the Inspection Service.

Following approval, nominees receive a “thank you” letter from Postmaster General Megan J. Brennan. Honorees also are featured in the Postal Service’s daily employee news site, *Link*. Additionally, these employees’ photos and a brief description of their heroic acts are displayed at USPS® headquarters in Washington, DC.

To nominate an employee, complete PS Form 400, *Corporate Communications PMG Hero Nomination*. To download or print the form, go to *Blue* and select “Essential Links,” then choose “Forms.” Email completed forms to [PMG\\_HeroNominations@usps.gov](mailto:PMG_HeroNominations@usps.gov).

To read more stories featuring heroic employees, go to <http://www.usps.link> and select the “Heroes’ corner” tab in the archives.

# Policies, Procedures, and Forms Updates

## Handbooks

### Handbook F-101 Revision: Seized Cash Deposits

Effective July 1, 2016, the Postal Service™ will revise Handbook F-101, *Field Accounting Procedures*, section 9-1.9, to reflect the new policy on USPS® seized cash. AIC 275, *Insp Ser-Holding Acct-Seizure and Forfeiture*, has been created to report seized cash. AIC 280, *Disbursement Sent to ASC*, will no longer be used.

The USPS has created a new form titled Seized Cash Deposit (SCD) that will replace PS Form 3533, *Application for Refund of Fees, Products, and Withdrawal of Customer Accounts*. The SCD form is owned by the Inspection Service and will be presented along with the cash for deposit. As per the original policy, it is still the responsibility of management to count, verify, and prepare the cash for deposit. The sales and services associate (SSA) is responsible for entering the deposit on PS Form 1412, *Daily Financial Report*, and verifying that the amount entered is correct per the steps outlined below. No additional verification is required by the SSA. The SCD, signed by management, serves as support for the deposit amount entered by the SSA. An example of the SCD form is provided at the end of this article (see page 6).

#### 9-1 Banking

\* \* \* \* \*

[Revise the title and text of 9-1.9 to read as follows:]

#### 9-1.9 Seized Cash Deposit by the U.S. Postal Inspection Service

Seized cash from an investigation by the U.S. Postal Inspection Service (USPIS) can be deposited at a point of sale (POS) or retail systems software (RSS) postal retail unit (PRU). A no-fee money order must not be issued for seized cash. On occasion, a postal inspector might request to purchase a money order for reasons other than seized cash. In such instances, the SSA should ask if the money order request is related to seized cash. If it is not, the SSA should process as a normal money order transaction. If it is related to seized cash, the SSA, management, and the postal inspector must follow the procedures outlined below.

The Postal Inspector does the following:

- a. Schedules an appointment with the Postmaster, manager, supervisor, or officer in charge (OIC) at the

designated POS/RSS PRU. **Note:** Management should ensure that the appointment is scheduled within a week of notification by the Postal Inspector. This is crucial since seized cash must be on deposit within 60 days of seizure.

- b. Counts and sorts the seized cash, with bills of the same denomination bundled together, before arriving at the designated PRU.
- c. Arrives at the PRU at the scheduled time.
- d. Submits to the Postmaster, manager, supervisor, or OIC a completed original and copy of the Seized Cash Deposit (SCD) form.

The Postmaster, manager, supervisor, or OIC does the following:

- a. Recounts the money.
- b. Prepares and dispatches a bank deposit following the procedures in section 9-1.2.
- c. Signs the original and copy of the SCD form.
- d. Submits the SCD form(s) to an SSA.

The SSA does the following:

- a. Enters and verifies the account number from the SCD form.
- b. Enters the full amount in AIC 275, *Insp Ser-Holding Acct-Seizure and Forfeiture*, and offsets the dollar amount to AIC 751, *Cash Remitted Advance*, and the coin amount to AIC 753, *Cash Retained Today*, on PS Form 1412, *Daily Financial Report*.
- c. Attaches the system-generated Post Office receipt to the SCD form.
- d. Keeps the original SCD form with the Post Office receipt attached.
- e. Returns the copy of the SCD form with the Post Office receipt attached to the Postmaster, manager, supervisor, or OIC who in turn provides a copy of both to the Postal Inspector.
- f. At the close of business, the SSA submits the original SCD form with the Post Office receipt attached to the closeout employee.
- g. The closeout employee files the SCD form as supporting documentation for the unit's PS Form 1412.

The USPIS does the following:

- a. The Postal Inspector ensures the Post Office receipt reflects "Insp Ser-Holding Acct."

- b. The Postal Inspector provides the General Analyst (GA) a copy of the SCD form and Post Office receipt within 24 hours.
- c. The Postal Inspector enters a final disposition of transfer to forfeiture specialist in the Property Evidence Acquisition Program (PEAP).
- d. The GA emails a completed SCD form, listing, and Post Office receipt to the Headquarters (HQ) Asset Forfeiture Unit (AFU) within 24 hours.
- e. HQ AFU emails the SCD form, listing, and Post Office receipt to the San Mateo Accounting Service Center distribution list.

The AdjustPay system enables authorization of basic payroll adjustments online. Basic hour adjustments for the most recent 27 pay periods can be authorized online via AdjustPay.

Non-bargaining employees who have supervisory/managerial authority must complete training and request access to AdjustPay to submit basic payroll adjustments. This includes any employee detailed into a non-bargaining supervisory/managerial position and non-bargaining delegates of PCES. To request access to AdjustPay, go to the eAccess website (<https://eaccess>). Requests for access should only be approved after completion of the applicable AdjustPay training course.

Training is provided by the local TACS Coordinator, other locally designated trainer, or through the Learning Manage-

ment System (LMS). A user’s guide can be found online at: [https://adjustpay.usps.gov/PamsAPWeb/resources/file/TACS\\_AdjustPay\\_Training\\_Guide.pdf](https://adjustpay.usps.gov/PamsAPWeb/resources/file/TACS_AdjustPay_Training_Guide.pdf).

Payroll adjustments using AdjustPay can be authorized within the following requirements:

- a. Employees noted above who completed the training and obtained access can process payroll adjustments.
- b. Retain approved PS Form 2240s on file locally for those adjustments entered into the AdjustPay application.

Prior to receiving AdjustPay access and on an interim basis, submit adjustments on PS Form 2240 according to the local District process.

Rural employee adjustments must be submitted using PS Form 2240-R or PS Form 2240-RA for processing. They cannot be processed in AdjustPay.

### Correction: L006 Labeling List

In *Postal Bulletin* 22443 (6-9-16, pages 41–48), twenty-seven new FSS zones were inadvertently added to the L006 Labeling List (effective July 1, 2016) in the Labeling List Changes article.

To remedy this situation, the newly added zones will be removed from the L006 Labeling List effective August 1, 2016. In addition, mailers may take advantage of the 30-day grace period and opt to continue to use the June 2016 L006 list. Alternatively, if software providers and mail ser-

vice providers have already implemented the July list, they may remove the 27 zones from the list where applicable.

The 27 zones to be removed are as follows: 02360, 02738–39, 02769–70, 02878, 02921, 07021, 07027, 07054, 07059, 07069, 07076, 07410, 07435, 07438, 07460, 07480, 23120, 23691, 64050–54, 64056, and 64058.

### Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

**Note:** The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

## Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

## Other Information

### Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at <https://amps.usps.gov/ijy2/frm.htm>.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

### Freely Associated States

Mail addressed to freely associated states is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The FAS table below outlines these conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) following the table). For additional information on available extra services for FAS destinations, see *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, part 503.

Acceptance clerks should use the table with the POS ONE terminal to determine which FAS ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to Randall Sobol at [randall.f.sobol@usps.gov](mailto:randall.f.sobol@usps.gov).

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

## Information Security

### Beware of Ransomware

Cybercriminals are turning to a new form of malware in large numbers. Ransomware, like the name suggests, is a new form of “cyber extortion” wherein the data on an infected computer or network is encrypted and inaccessible to the user unless a ransom is paid to the hacker. Any and all data, files, folders, or systems that the user might depend on remain in the computer or device, but are completely unusable.

Ransomware is often delivered to users through phishing attempts as fraudulent emails. But ransomware can come from other sources as well, such as pop-up ads and other online advertisements. As with other cybersecurity threats, users should:

- Be cautious when you receive communications claiming to be from “trusted entities.”
- Never respond to any spam-type emails.
- Never send your personal information via email — legitimate businesses will not ask users to send their sensitive personal information through email.
- Never input your information in a pop-up internet browser window.
- Never click on hyperlinks from unknown or untrusted sources.
- Never install software or purported updates from unknown sites.
- Regularly run antivirus and antimalware software to detect ransomware payloads.
- Back up data regularly and often so that multiple “restore points” are available if the worst were to happen.

### Recognize the Signs of Ransomware Infection

Ransoms and other malware infections can cause widespread damage to USPS® information resources. By

looking for these symptoms, you can help limit the damage done by a possible infection:

- Files or data are suddenly unavailable.
- Files have been edited when no changes should have occurred.
- Files appear, disappear, or change in size.
- Systems display strange messages, contain new content, or are reorganized.
- Systems become slow, unstable, or inaccessible.
- Unexpected processes, such as email transmissions or programs running on their own.

### Respond to Ransomware

Don't wait to report a ransomware infection! If you believe your computer or device has been infected by ransomware, promptly take the following steps to respond:

- Stop work on the affected computer or device as soon as you notice a sign of infection.
- Do not communicate with any unknown individuals requesting information about the availability of data on your computer or device.
- Notify the CyberSecurity Operations Center (CSOC) by emailing [CyberSafe@usps.gov](mailto:CyberSafe@usps.gov) or calling 866-877-7247 to report the incident.
- Alert your manager or supervisor about the incident.

Online security is a priority for USPS employees, customers, and suppliers. When you take simple steps to protect yourself online, you create a safer Internet for your family and coworkers.

## Mailing and Shipping Services

### First-Class Mail Letter Trays

It has come to the Postal Service's attention that some mailers may not be preparing their First-Class Mail® (FCM) letter trays as efficiently as possible. The guidelines are outlined in DMM 203.4.3 and the following applies:

1. Mailers must use as few trays as possible;
2. Each tray must be filled to capacity before filling the next tray; and
3. This means trays must be filled to the maximum extent possible.

In addition, the Postal Service™ periodically receives inquiries regarding the definition of First-Class Mail “full-trays” for letters. DMM 235.1.4 specifically states that “full” is between 85% and 100% of the letter tray capacity. The Postal Service requests that each tray be filled to capacity throughout the mail preparation cycle so that handling and operational efficiencies may be optimized. This will reduce the number of trays per mailing which means fewer tray handlings.

On July 31, 2016, in Dulles, VA, the U.S. Postal Service® will issue the *Henry James* three ounce rate mail use stamp (Non-denominated priced at 89 cents) in one design, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 119400).

The stamp will go on sale nationwide July 31, 2016.

The 31st stamp in the *Literary Arts* series honors Henry James (1843–1916), a towering figure in American literature. In novels and stories that often explored the complex interplay between Americans and Europeans, James sought to portray the intricacies of society and the inner lives of his characters with exquisite realism, an intellectual and artistic achievement that earned him a reputation as one of the greatest writers America has ever produced. The stamp features an original painting. On the left is a portrait of Henry James based on a 1906 photograph by Alvin Langdon Coburn; on the right side, behind James, is a vignette showing a man and a woman in a small boat, an artistic interpretation of the climactic scene from James's 1903 novel, *The Ambassadors*. The words "THREE OUNCE" on this stamp indicate its usage value. Like a Forever® stamp, this stamp will always be valid for the price printed on it. The artist for this stamp was Kate Sammons; the art director was Antonio Alcalá.

### Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. ## How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. They may purchase new stamps at their local Post Office™, by telephone at 800-STAMP-24, or at The Postal Store® website at [www.usps.com/shop](http://www.usps.com/shop).

### Traditional Postmarks

Customers should affix the stamps to envelopes of their choice, address them to themselves or others, or provide a self-addressed return envelope with sufficient postage large enough to accommodate the canceled item. Mail the request to the corresponding city of issuance. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers should submit a check, money order, or credit card for payment. After applying the first-day-of-issue postmark, the Postal Service™ will return the envelopes to the customer by U.S. Mail.

All postmark requests should go to the first-day-of-issue city. The first-day-of-issue city Post Office will then forward in bulk all postmark requests to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992 by respective Post Offices.

### Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.
