Regulations for Proper Flag Display

Regulations for the proper display of flags are in part 47 of the *Administrative Support Manual (ASM)*. We have reprinted these sections of the ASM so Postmasters can ensure that the American flag, the Postal Service™ flag, and the MIA-POW flag are properly displayed. To read all of the regulations concerning the display of flags at Postal Service facilities, click on blue.usps.gov/cpim/ftp/manuals/asm/asmtc.pdf.

Administrative Support Manual (ASM)

47 Flags

471 Flags at Postal Facilities

471.1 Which May Be Displayed

Except as governed by host facilities as noted in 472.21, the only flags to be displayed at postal facilities are the flag of the United States of America, the Postal Service flag, the POW-MIA flag, and, when authorized by the vice president of Corporate Relations, flags directly related to the programs, missions, and activities of the United States Postal Service. Flags of states, commonwealths, or local governments must not be displayed.

471.2 Relative Placement

471.21 When Displayed on Flagstaffs

Other flags are flown below the U.S. flag if displayed on the same flagstaff and at the same level or lower if displayed on a separate flagstaff. When the U.S. flag is flown at half-staff, all other flags are to be at half-staff.

471.22 When Displayed on Speaker's Platform

When the United States flag and the Postal Service flag are displayed on a speaker's platform in an auditorium, the United States flag must occupy the position of honor and be placed at the speaker's right as the speaker faces the audience, with the Postal Service flag at the speaker's left.

472 U.S. Flag Display

472.1 Regulations for Proper Display

472.11 Placement

If the flag of the United States is not flown from a vertical flagstaff, the following regulations apply:

- a. When the flag is displayed from a staff projecting horizontally or at an angle from the window sill, balcony, or front of a building, the union of the flag (blue field

and stars) must be placed at the peak of the staff unless the flag is at half-staff.

- b. When the flag is suspended over a sidewalk from a rope extending from a building to a pole at the edge of the sidewalk, the flag must be hoisted out, union first, from the building.
- c. When the flag is displayed otherwise than by being flown from a staff, it must be displayed flat, whether indoors or out, or so suspended that its folds fall as free as though the flag were staffed.

472.12 Respect

No disrespect may be shown to the flag of the United States of America. It must never:

- a. Be dipped to any person or thing.
- b. Be displayed with the union down save as a signal of dire distress.
- c. Be used as drapery of any sort whatsoever; never festooned, drawn back, nor up in folds, but always allowed to fall free.
- d. Touch anything beneath it, such as the ground, the floor, water, or merchandise.
- e. Be fastened, displayed, used, or stored in such a manner as will permit it to be easily torn, soiled, or damaged in any way.
- f. Be used as a covering for a ceiling.
- g. Have placed upon it, nor on any part of it, nor attached to it any mark, insignia, letter, word, figure, design, picture, or drawing of any nature.
- h. Be used as a receptacle for receiving, holding, carrying, or delivering anything.

472.13 Raising and Lowering

472.131 Full Staff

As soon after sunrise as practicable, the flag must be hoisted briskly to the peak of the staff. Care must be taken that it not touch the ground. The flag must always be displayed with the union (blue field) at the peak of the staff (unless the flag is at half-staff). No later than sunset, the flag must be lowered ceremoniously and not allowed to touch the ground. It must be folded or rolled carefully and stored where it will not be soiled or otherwise damaged. If the flag is wet when taken down, it must be carefully spread out and allowed to dry thoroughly before being stored.

472.132 Half-Staff

Displaying the flag at *half-staff* means lowering the flag to half the distance between the top and bottom of the staff. The flag must first be hoisted to the peak of the staff and then slowly lowered to half-staff. When the flag is lowered for the day, it must be raised again to the peak and then lowered slowly before being stored for the night. When the flag is displayed at half-staff during a period of mourning, it must be so displayed on all days included in such period.

472.14 Bad Weather

During severe weather when it is probable that the flag will be damaged, it should not be flown.

472.2 Postal Display**472.21 Where Displayed**

The flag of the United States must be displayed on stationary flagstaves at all Post Offices, branches, stations, terminals, garages, and postal facilities, including leased and rented premises. If the Post Office unit is located in a facility operated by the General Services Administration, that agency's regulations on the display of the flag govern. If the Post Office unit is located on a military reservation, the military regulations on the display of the flag on the reservation govern.

472.22 When Displayed

When employees are on duty in a postal facility, the flag must be displayed except in severe weather as noted in

472.14. It is raised as soon after sunrise as practicable and lowered at the time of closing or no later than sunset.

472.23 When Displayed Half-Staff**472.231 Specific Days**

When the flag is being displayed, it must be flown at half-staff (see 472.132) on the following dates:

May 15	Peace Officers Memorial Day (see note 1 below)
Last Monday in May	Memorial Day Observed (see note 2 below)
December 7	National Pearl Harbor Remembrance Day

Note 1: When May 15, which is the date for Peace Officers Memorial Day, falls on the third Saturday in May, which is the date for Armed Forces Day, the Postal Service follows the regulations in the United States Code (36 U.S.C. 175) and flies the U.S. flag in the full-staff position, *not* at half-staff.

Note 2: On the last Monday in May, when Memorial Day is observed, the flag must be flown at half-staff from sunrise, or the hour at which it is raised, until 12 noon, and then hoisted to the peak of the staff, where it must be flown until the time of closing or no later than sunset.

472.232 Deaths of Prominent Persons

When the flag is being displayed, it must be flown at half-staff on the death of any person as indicated in Exhibit 472.232.

Exhibit 472.232 Half-Staff Display on Death of a Prominent Person

- a. On days proclaimed by the president of the United States.
- b. The heads of government departments and agencies may direct that the flag be flown at half-staff on buildings, grounds, etc., under their jurisdiction on occasions other than those specified which they consider proper. The vice president of Corporate Relations notifies area, district, and plant managers by either broadcast fax or electronic mail of such an order. They, in turn, notify the heads of all postal facilities reporting to them.
- c. The flag may be displayed at half-staff on days when funerals of returned war dead are being held locally, when the flags on municipal, county, or state buildings and business establishments generally are being displayed in that manner.

Postmasters' Publicity Kit: Total Eclipse of the Sun Forever Stamp

Tens of millions of people in the United States hope to view this once-in-a-lifetime event — the August 21, 2017, total solar eclipse.

The approximately 70-mile-wide “path of totality” of the Moon’s shadow will cross portions of 14 states from Oregon to South Carolina (svs.gsfc.nasa.gov/4515). This is the first total solar eclipse to cross the entire country since 1918. The last eclipse seen on the U.S. mainland was in 1979.

To commemorate the event, the U.S. Postal Service® will release the *Total Eclipse of the Sun Forever*® stamps on June 20, 2017. This first-of-its-kind stamp (for the U.S.) transforms into an image of the Moon from the heat of a finger. For illustrative purposes, two stamp images are featured throughout this kit to show how the stamp image transforms. The Postal Service™ is offering this single design issuance in a pane of 16 stamps.

Retired NASA Astrophysicist Fred Espanak (mreclipse.com/MrEclipse.html) of Portal, AZ, photographed the eclipse and Moon images. The back of the stamp pane provides a map of the eclipse path and the times it will appear in some locations. For more details, visit NASA’s website at eclipse.gsfc.nasa.gov/SEgoogle/SEgoogle2001/SE2017Aug21Tgoogle.html. The public may share news on social media using the hashtag #EclipseStamps.

Postmasters may conduct special dedication ceremonies after June 20. Postmasters can maximize media attention by hosting their events on August 21, the day of the eclipse, to add that “local news angle” to a national story. **Note:** Special dedications **cannot** take place on the same day as a national first-day-of-issue stamp dedication.

First-of-its-Kind Stamp

The *Total Eclipse of the Sun Forever* stamp uses thermochromic ink to reveal a second image using the body heat of your thumb or fingers. Just rub the eclipse image with your fingers to see an underlying image of the Moon. The image reverts back to the eclipse once it cools.

Promotion Materials

The Postmasters' Publicity Kit at blue.usps.gov/corp-comm/national-events/postmaster-kits/pm-promotion-kits.htm includes all of the elements you need to conduct a successful special stamp dedication ceremony

Note: The term "second day ceremony" is no longer used as it incorrectly implies that local Post Office™ events may only occur on the day following the first-day-of-issue. Special dedication ceremonies may occur any time after the first-day-of-issue date, but not on the same date as another stamp first-day-of-issue.

The kit contains:

- Stamp enlargement information;
- Information on sharing your event date;
- A sample Media Advisory;
- A sample News Release;
- A sample Speech;
- A list of eclipse-related organizations such as planetariums, science centers, NASA, and astronomy organizations that can provide public speakers or a venue to conduct your event;
- Government Relations contacts (if you have a need to contact elected officials); and
- Corporate Communications Field Manager contacts for support while promoting your event through the media.

Obtaining Stamp Enlargements

It is recommended that Postmasters order one blow-up containing the overlapped eclipse and Moon image as shown here.

If Postmasters also wish to display the map depicted on the back of the stamp pane, they must order the map as a separate blow-up for easier viewing during the event. The normal size for blow-ups used for unveilings is 48" by 48".

Share Your Event Date

At least 15 days before your event, please submit special dedication event location and date information by visiting *Blue* at usponlinesolutions.wufoo.com/forms/district-stamp-ceremonies/.

Manuals

DMM Revision: Parcel Select Lightweight Dimensional Criteria

Effective July 10, 2017, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, subsections 201.7.6 and 201.8.5.3, to clarify the dimensional criteria of Parcel Select Lightweight® (PSLW) parcels.

The DMM states that PSLW prices are only available for eligible machinable, machinable lightweight, or irregular parcels. The DMM further states that a parcel exceeding the maximum dimensional criteria for a machinable parcel is considered a nonmachinable parcel and, therefore, is not eligible for PSLW prices. The Postal Service will revise subsection 201.7.6, Irregular Parcel, to note that a parcel exceeding the maximum machinable parcel dimensional criteria is a nonmachinable parcel. The Postal Service will also revise subsection 201.8.5.3, Parcel Select Lightweight, to state that a parcel exceeding the maximum dimensional criteria for a machinable parcel is not eligible for PSLW prices. This revision clarifies that a parcel exceeding the maximum machinable parcel dimensional criteria is a nonmachinable parcel, and that a PSLW parcel cannot exceed the maximum machinable parcel dimensional criteria.

Although we will not publish these revisions in the DMM until August 7, 2017, the standards are effective immediately.

Invalid USPS Corporate Account Numbers

Please provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices, which must be recycled.

Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS®” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at usps.com/shop/money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service® Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the RSS terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Send inquiries to the Military Postal Service Agency at amps.usps.gov/jy2/frm.htm.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

B. Regardless of mail class, a customs declaration (PS Form 2976, PS Form 2976-A, or PS Form 2976-B) is required for all items weighing 16 ounces or more or any item (regardless of weight) containing potentially dutiable mail contents (e.g., merchandise or goods) addressed to or from this ZIP Code. Displaying the U.S. Flag and the POW-MIA Flag

U.S. Flag at Half-Staff

How to Display

Displaying the U.S. flag at *half-staff* means lowering the flag to half the distance between the top and bottom of the staff.

Specific Dates

Display the U.S. flag at half-staff on the following days each year:

- May 15: Peace Officers Memorial Day (see note 1 below).
- Last Monday in May: Memorial Day Observed (see note 2 below).
- December 7: National Pearl Harbor Remembrance Day.

Note 1: When May 15, which is the date for Peace Officers Memorial Day, falls on the third Saturday in May, which is the date for Armed Forces Day, display the U.S. flag in the full-staff position, *not* at half-staff.

Note 2: On the last Monday in May, when Memorial Day is observed, display the flag at half-staff from sunrise, or the hour at which you raise it, until noon, and then hoist it to the peak of the staff, until the time of closing or no later than sunset.

POW-MIA Flag

How to Display

In relation to the U.S. flag, display the POW-MIA flag (and any other flag) as follows:

- If displayed on the same flagstaff, place it below the U.S. flag.
- If displayed on a separate flagstaff, place it at the same level or lower. If displayed at the same level, place it on the U.S. flag's left.

When flying the U.S. flag at half-staff, fly the POW-MIA flag (and any other flags) at half-staff also.

Specific Dates

Display the POW-MIA flag on the following days each year:

- Armed Forces Day: Third Saturday in May.
- Memorial Day: Last Monday in May.
- Flag Day: June 14.
- Independence Day: July 4.
- National POW-MIA Recognition Day: Third Friday in September.

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

Freely Associated States Restrictions

Effective March 19, 2015, we will list the mailing restrictions for Freely Associated States (FAS) in the Pull-Out section of the *Postal Bulletin*. All FAS Restrictions will be updated periodically.

Freely Associated States

Mail addressed to freely associated states is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The following FAS Restrictions table outlines these conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) following the table). For additional information on available extra services for FAS destinations, see *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, part 503.

Acceptance clerks must use the table with the POS ONE terminal to determine which FAS ZIP Codes are active and which conditions of mailing apply. Send inquiries to Randall Sobol at randall.f.sobol@usps.gov.

Reminder: Fiscal Year 2017 Bank Secrecy Act/Anti-Money Laundering Training

The Fiscal Year (FY) 2017 Bank Secrecy Act/Anti-Money Laundering (BSA/AML) mandatory training course is available online through the Learning Management System (LMS). All Postal Service™ employees who sell U.S. Postal Service® financial instruments (postal money orders, Sure Money®, and gift cards) and supervisors must complete 2017 Bank Secrecy Act: The Perfect Form (course number 10025922).

Note: This course is one of the FY 2017 *mandatory* strategic training initiatives. Employees must complete the mandatory BSA training by June 30, 2017.

Background

To combat money laundering in the United States, Congress enacted a series of laws collectively known as the Bank Secrecy Act. The Act specifically names the Postal Service as a seller of money orders, and we must comply with all of the legal requirements. One of the requirements under the Act is to report suspicious transactions involving Postal Service financial instruments.

Training focuses on the latest information regarding anti-money laundering policies, procedures, and suspicious activity trends, and highlights upcoming changes to PS Form 8105-A, *Funds Transaction Report*.

Training Methods

The preferred method for taking the course is online through LMS. Employees who work at offices with a slow Internet connection may take the course via a DVD. If you are unable to complete the web-based version of the course through LMS because of a low bandwidth connection, you can order a training DVD directly through the Topeka Material Distribution Center using PSN # 6910180002065 or through eBuy2 using PSIN # 10025922. Document completion of training via the DVD in the After-The-Fact (ATF) Training Entry Portal. Do not book the web-based course if you are using the DVD.

Technical Support Scams: A Brief History

Technical support scams have become increasingly popular. Such scams often involve tricking victims into thinking their device is infected, which enables hackers to steal information by persuading individuals to take certain actions to “fix” the problem. On average, such scams cost victims nearly \$300 to solve a problem that never existed in the first place.¹

Just last year, the Federal Trade Commission (FTC) shut down a fraudulent tech support call center in Florida. In this scheme, hackers caused fake security pop-ups to appear on users’ devices, which warned of potential malware. The hackers then offered to help by fraudulently claiming to be representatives of major technology companies.²

Similarly, in 2015, the FTC closed a tech support scam in Pennsylvania and Connecticut. Collectively, hackers stole over \$17 million from victims. Again, hackers posed as representatives from major technology companies and convinced victims that their devices required tech support services.³

In both cases, hackers targeted victims who were afraid to damage their device or lose important files. If you fall victim to a tech support scam, take the following actions:

- **Notify the impersonated company.** Let the company know that scammers are taking advantage of their brand. Before reaching out, make sure you have the correct contact information. Look it up yourself; don’t use the information provided to you.⁴

- **Contact your bank.** You may need to request a freeze on your account if you provided sensitive information, such as your credit card number. Alert your bank or credit card company to protect yourself from further damage.
- **Change your passwords.** Any websites that require you to log in with a username and password may be compromised. Reset passwords for such accounts, especially those containing sensitive information.⁵
- **Contact the FTC.** The FTC provides help to scam victims. If you’ve become a victim of fraudulent tech support, call the FTC at 877-FTC-HELP.

If you suspect your USPS® device has been compromised, report it immediately to the CyberSecurity Operations Center (CSOC) at cybersafe@usps.gov.

Find additional information on cybersecurity best practices at CyberSafe at USPS® on *Blue* (blue.usps.gov/cyber) or *LiteBlue* (liteblue.usps.gov/cyber/), or the public-facing website at uspscybersafe.com.

Stamp Announcement 17-30: Sharks Stamps

© 2016 USPS

On July 26, 2017, in Newport, KY, the U.S. Postal Service® will issue the *Sharks* stamps (Forever® priced at 49 cents), in five designs, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 474500). **The *Sharks* \$9.80 pane of 20 stamps may not be split, and the stamps may not be sold individually.** The stamps will go on sale nationwide July 26, 2017.

This issuance celebrates the wonder of sharks with a pane of 20 stamps featuring realistic images of five species that inhabit American waters:

- The mako shark, represented here by a shortfin mako (*Isurus oxyrinchus*);
- The whale shark (*Rhincodon typus*);
- The thresher shark, here a pelagic thresher (*Alopias pelagicus*);
- The hammerhead shark, this one a scalloped hammerhead (*Sphyrna lewini*); and
- The great white shark (*Carcharodon carcharias*).

On the selvage, the stamp image of the great white shark is repeated at the top of the pane. The background blue color deepens in shade as one looks down the pane, evoking inky ocean waters barely penetrated by sunlight. Art director Derry Noyes designed the stamp pane with original artwork by Sam Weber.

Stamp Announcement 17-31: Protect Pollinators Stamps

© 2016

On August 3, 2017, in Richmond, VA, the U.S. Postal Service® will issue the *Protect Pollinators* stamps (Forever® priced at 49 cents), in five designs, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 475200). **The *Protect Pollinators* \$9.80 pane of 20 stamps may not be split, and the stamps may not be sold individually.** The stamps will go on sale nationwide August 3, 2017.

The U.S. Postal Service pays tribute to the beauty and importance of pollinators with stamps depicting two of our continent’s most iconic: the monarch butterfly (*Danaus plexippus*) and the western honeybee (*Apis mellifera*), each shown industriously pollinating a variety of plants native to North America.

The stamps feature:

- A monarch and a coneflower (photo by Karen Mayford);
- A western honeybee and a golden ragwort (photo by George D. Lepp);
- A monarch and a zinnia (photo by Bonnie Sue Rauch);
- A western honeybee and a New England aster (photo by Michael Durham); and
- A monarch and goldenrod (photo by Justin Fowler).

The remainder of the stamps in this pane recur in a scattered arrangement reminiscent of a field of wildflowers. The selva photograph features a monarch and a goldenrod – a different view of the same two species depicted on one of the stamps (photo by Justin Fowler). These particular species exemplify the ecological service provided by all pollinators, which include other insects, birds, and bats. Trending declines in their populations alert us that pollinators now need mindful human intervention in order to thrive. Individuals can help butterflies, bees, and other pollinators by planting pollinator gardens that include native flowers or heirloom varieties of fruits and vegetables. Art director Derry Noyes designed this stamp pane with existing photographs.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail[®] requirements. Customers may purchase new stamps at their local Post Office[™], by telephone at 800-782-6724, or at The Postal Store[®] website at usps.com/shop.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service[™] recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16 inches side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches high by 4 inches long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through

the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail[™].

Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers must submit a check, money order, or credit card for payment.
