665.26 Intoxicating Beverages

[Revise the text of 665.26 to read as follows:]

Except as provided below, employees must not drink beer, wine, or other intoxicating beverages while on duty; begin work or return to duty intoxicated; or drink intoxicating beverages in a public place while in uniform. Employees found to be violating this policy may be subject to disciplinary action.

A non-bargaining employee may consume beer or wine at an Officer Approved Event. “Officer Approved Event” means: (a) a meeting of Postal Service employees convened by management, such as a working meal, an employee recognition event, or an employee appreciation event; or (b) an event whose primary purpose is to interact with external individuals or entities, such as an industry conference, a sales meeting, or a supplier meeting; that in all cases is either attended by an Officer of the Postal

Service who personally decides that the consumption of beer and wine by employees is appropriate, or with respect to which an Officer of the Postal Service has granted specific, written, and advance approval for the consumption of beer and wine by employees.

A non-bargaining employee may consume beer, wine, or other intoxicating beverages at a Postmaster General Approved Event. “Postmaster General Approved Event” means any Postal Service-related event with respect to which the Postmaster General personally approves the consumption of beer, wine, or other intoxicating beverages.

No employee may become intoxicated while at an Officer Approved Event or a Postmaster General Approved Event. Except in connection with an Officer Approved Event or a Postmaster General Approved Event occurring at a Postal Service facility or premises, no employee shall have or bring any container of beer or wine into any Postal Service facility or premises, whether the container has been opened or not. Intoxicating beverages other than beer and wine may never be brought into any Postal Service facility or premises under any circumstances.

Information Security

Avoid the Computer Crash

The workday is coming to a close — you check your email before heading home and are greeted by a blue, unresponsive screen. The culprit: malware.

Malware is a growing tactic used by hackers to inflict harm or make a quick buck. To put this in perspective, damage costs associated with ransomware, a type of malware, are predicted to reach over \$5 billion in 2017, compared to \$325 million in 2015.¹

Malware operates covertly to avoid detection, but there are warning signs that indicate a potential threat to your device:

- Files or data are suddenly unavailable.
- Processes, such as email transmissions and programs, unexpectedly start on their own.
- Files are edited without prompting.
- Files appear, disappear, or undergo unexpected changes in size.
- Systems display strange messages, or mislabel files and directories.
- Systems become slow, unstable, or inaccessible.

To avoid getting malware in the first place:

- Check carefully before clicking on links or opening any attachments.
- Never tamper with, disable, or remove virus protection software installed on USPS[®] equipment (unless instructed by authorized personnel).
- Do not download unapproved programs, including shareware and freeware. USPS policy prohibits these types of downloads (see section 10-3.4.3, Prohibited Software, in Handbook AS-805, *Information Security*).

If you suspect malware has infected your USPS device, do not attempt to fix the situation yourself. Instead, report it to the CyberSecurity Operations Center (CSOC) by emailing cybersafe@usps.gov.

For more information on how to stay cybersafe, check out the *CyberSafe at USPS[®]* websites on *Blue* (blue.usps.gov/cyber/) and *LiteBlue* (liteblue.usps.gov/cyber/), or the public-facing website at uspscybersafe.com.

Stamp Services

Philatelic Products Spotlight

The U.S. Postal Service® is pleased to offer a line of philatelic products that supports our stamps. This year, we have introduced new product lines and refreshed our core product line. We designed our philatelic products to captivate our customers and collectors by elevating stamp art into useable, fascinating, and memorable items.

Notecards

Our core line of notecards this year celebrates the significance of letter writing by providing blank cards for customers to personalize. The *Celebration Boutonniere* and *Celebration Corsage* notecards and Thank You cards are perfect for any festive occasion; these elegant, yet simple notecards feature floral arrangements from the new *Celebration Corsage* and *Celebration Boutonniere* stamps. Both stamps are pictured on the back of each card and the inside is blank, which allows customers to write their own message of celebration, welcome, or love. Each set contains 10 notecards (5 of each design), a block of 10 Forever® *Celebration Boutonniere* stamps, and 10 floral seals as a finishing touch.

Collectible Folios

Collect the latest additions to our product line — these beautiful 6- by 9-inch folios are housed in individual slip-cases:

The *Total Eclipse of the Sun* folio commemorates an extraordinary event that will occur on August 21, 2017. For the first time in almost 4 decades, a total eclipse of the Sun will be visible from the U.S. mainland, sweeping across the width of the country, and casting a 70-mile-wide shadow path. Our *Total Eclipse of the Sun* folio is ideal for exploring the wonders of science with both children and adults. In addition to displaying a map of the eclipse's journey, the folio includes a translucent slipcase — so you can re-create the phases of the eclipse in your hands. A mint *Total Eclipse of the Sun* Forever stamp is also mounted to the inside of the folio.

With the *Sharks* folio, the U.S. Postal Service explores the wonders of the sea with stamps that showcase a multitude of creatures in the ocean. The new *Sharks* folio invites you to discover underwater surprises, from tiny starfish to great white sharks, as you unfold levels of the sea floor. With stamps spanning from 1990 to 2017, there is plenty to admire in this colorful marine collection. The *Sharks* folio will be available for purchase online July 26, 2017.

Framed Art

We also have your favorite stamps framed, so you can bring them to your home or office. Each art piece includes:

- First-day-of-issue details,
- Plexiglass and matting to protect the mint stamps,
- A dust cover, and
- A hanger on the back for easy display.

Have a Ball! framed art highlights our nation's passion for athletics. This new 14- by 17-inch piece showcases some of the sports balls used daily in the United States as people gather to engage in friendly and fun competition: a baseball, a basketball, a football, a golf ball, a kickball, a soccer ball, a tennis ball, and a volleyball.

Total Eclipse of the Sun framed art explores the marvels of the universe. This new 15.25- by 13.25-inch piece features artwork from the stamp as it appears both with and without the thermochromic ink that when heat-activated, gradually reveals an image of the full moon.

Disney Villains framed art celebrates the rich legacy of the Walt Disney Studios Ink & Paint Department. This new 12- by 15-inch piece features a mounted block of 10 *Disney Villains* Forever stamps against a background image of The Queen with the quote, "Magic Mirror on the wall, who is the fairest one of all?" and the first-day-of-issue details. *Disney Villains* framed art is also available individually:

Update: Stamp Announcement 17-27: Total Eclipse of the Sun Stamp

The Postal Service™ is revising the descriptive stamp text from the article entitled “Stamp Announcement 17-27: Total Eclipse of the Sun Stamp,” in *Postal Bulletin 22467*, (5-11-17, pages 48-49).

The updated text is shown here:

The heat of your touch is usually enough to activate the thermochromic ink, but other factors could influence this effect, such as lower body temperature, cooler extremities, or cooler room temperatures:

- **Body temperature.** Since body temperature differs from person to person, you may have to use an additional source of heat, such as a lamp, to reveal the image. When the temperature of the paper cools, the image will revert to the black disc.

- **Room temperature.** In an overly warm room, you may need to cool the stamps by placing them in an area which is substantially cooler than the room temperature.

Thermochromic inks are vulnerable to UV light and you must keep them out of direct sunlight for extended periods of time. Excessive exposure to UV light could affect the changeability of the ink, which would result in a permanent clearing of the ink to reveal the moon.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

Invalid USPS Corporate Account Numbers

Please provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices, which must be recycled.

Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at usps.com/shop/money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the RSS terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Send inquiries to the Military Postal Service Agency at amps.usps.gov/jy2/frm.htm.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

Freely Associated States Restrictions

Effective March 19, 2015, we will list the mailing restrictions for Freely Associated States (FAS) in the Pull-Out section of the *Postal Bulletin*. All FAS Restrictions will be updated periodically.

Freely Associated States

Mail addressed to freely associated states is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The following FAS Restrictions table outlines these conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) following the table). For additional information on available extra services for FAS destinations, see *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, part 503.

Acceptance clerks must use the table with the POS ONE terminal to determine which FAS ZIP Codes are active and which conditions of mailing apply. Send inquiries to Randall Sobol at randall.f.sobol@usps.gov.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 60 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by telephone at 800-782-6724, or at The Postal Store® website at usps.com/shop.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches high by 4 inches long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through

the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
