Here to Help: Heroic USPS Employees Make a Difference

Letter Carrier Noreen Mintken was delivering mail in an Omaha, NE, neighborhood when she heard what she thought was the sound of a car backfiring. But as two kids ran around the corner, she realized that the noise was something more serious.

"They have a gun! They're shooting!" the boys screamed.

Mintken told them to follow her, and they sought shelter behind a building. She recalled that up to seven more shots rang out amid yelling, followed by tires squealing, then silence. The boys wanted to go see what had happened, but the Postal Service™ employee told them they should let her walk them to the nearby Boys & Girls Club.

"I just wanted to be sure they were okay," said Mintken, who learned from a police officer that she and the boys were only about 50 feet away from the gunfire. "My boss said I was a hero, but I didn't really think much of it," she said. "I just did what I thought was right."

Mintken is one of several thousand employees who have been recognized through the Postmaster General (PMG) Heroes' Program. These women and men have gone above and beyond the call of duty in a variety of situations, such as assisting lost children, getting help for sick or injured customers, spotting fires, and more.

Now in its fifteenth year, the program is based on a simple idea: Postal Service employees know the habits of their customers and the rhythms of their communities, and are often the first to notify emergency personnel when something is wrong.

Employees must be nominated for the PMG Hero Award. Corporate Communications reviews nominations for accuracy, then sends them to the Inspection Service and the Office of the Inspector General for approval.

Following approval, each nominee receives a commendation letter from Postmaster General Megan J. Brennan. Honorees are also featured in "Heroes' corner" on the Postal Service daily employee news site, *Link*. Additionally, a heroes' wall at USPS® Headquarters in Washington, DC, displays stories and photos, which are updated monthly, to promote these employees' heroic acts.

To nominate an employee, complete PS Form 400, *Corporate Communications PMG Hero Nomination*, and email it to PMG_HeroNominations@usps.gov. To download or print the form, go to usps.link/heroes, where you can also find the "Heroes' corner" archives and read more stories about heroic employees.

ASM Revision: Use of Signature Devices and Digital Signature Technology

Effective June 21, 2018, the Postal Service™ is revising the *Administrative Support Manual (ASM)* to introduce digital signature technology for Postal Service use, and its applicability, roles, and responsibilities. The Postal Service authorizes and approves user accounts for approved digital signature technology within eAccess.

Administrative Support Manual (ASM)

	*	*	*	*	*

	*	*	*	*	*

[Revise the title of 112.4 to read as follows:]

112.4 Use of Signature Devices and Digital Signature Technology

112.41 General

[Revise the text of 112.41 to read as follows:]

This section provides policy and procedures to establish and manage signature devices and digital signature technologies used in the Postal Service. The policy requires Postal Service officers, executives, and managers to authorize the use of such devices that reproduce their signatures, to delegate in writing the authority to use them, and to control and monitor their use. Only Postal Service-approved digital signature technologies and signature devices may be used to provide signatory authority within the Postal Service. Postal Service officers, executives, and managers authorize and monitor user accounts for digital signature technology within eAccess.

112.42 Policy

[Revise the text of 112.42 to read as follows:]

Postal Service officers, executives, and managers are responsible and accountable for the security and uses of devices containing reproductions of their signatures. They must determine the appropriate use of each device and establish a process to manage the use, which must include written delegation of authority to specified individuals for use of each device. These signature reproduction devices may be used to sign various documents within the Postal Service with the exception of contracts, interagency agreements, strategic alliances, sales agreements, and documents that commit the Postal Service to any expenditure.

When a handwritten signature is required to bind the Postal Service, only a Postal Service-approved digital signature technology or traditional ink signature is authorized as the means for such an action, to include the execution of contracts, interagency agreements, strategic alliances, and sales agreements. An approved digital signature technology may also be used to denote signature and approval of other types of documents within the Postal Service.

To use other signature devices not covered in this policy (see 112.431), or integrate a digital signature technology solution, you must send a request to the Corporate Information Security Office for review and the Chief Information Officer for approval. These devices may include solutions based on biometrics or other devices or technologies that generate a signature and apply it electronically to a document.

[Revise the title of 112.431 to read as follows:]

112.431 Signature Devices Covered

* * * * *

[Revise the title and text of 112.432 to read as follows:]

112.432 Digital Signature Technology

Digital signatures are an encrypted digital code appended to an electronic document to verify that it was created by a known source and has not been altered. Use of these technologies ensure authentication, data integrity, and non-repudiation of the individual's signature. As stated in 112.42, in addition to traditional ink signatures, only Postal Service-approved digital signature technologies are authorized as a means for executing contracts, interagency agreements, strategic alliances, sales agreements, or documents that commit the Postal Service to any expenditures. Only authorized individuals may use these digital signature technologies for signatory purposes.

112.44 Responsibility

112.441 Officers, Executives, and Managers

[Revise the text of 112.441 to read as follows:]

Postal Service officers, executives, and managers are responsible for complying with the policy and procedures for delegating signature authority for the use of signature devices and authorizing eAccess accounts for use of an approved digital signature technology.

112.442 Corporate Information Security Office

[Revise the text of 112.442 to read as follows:]

The Corporate Information Security Office or representative is responsible for approving use of any signature devices not covered in 112.431 and new digital signature technology solutions described in 112.432.

112.443 Chief Information Officer

[Revise the text 112.443 to read as follows:]

The Chief Information Officer or representative is responsible for approving use of any signature devices not covered in 112.431 and new digital signature technology solutions described in 112.432.

112.45 Procedures for Managing Use of Signature Devices**112.451 Obtain Approval**

* * * * *

[Revise item a. to read as follows:]

- a. Prepare a written request defining the number and types of signature devices and the conditions under which each device will be used, and work with the appropriate CISO personnel to determine the necessary controls and monitoring to be implemented.

* * * * *

112.452 Delegate a Signature Solution Authority

[Revise the first sentence of 112.452 to read as follows:]

Upon obtaining approval for a signature device, the requester will issue a written delegation of authority to the individual authorized to affix his or her signature.***

* * * * *

[Add new 112.47 to read as follows:]

112.47 Procedures for Managing Use of Digital Signature Technology

Officers, executives, and managers have the authority to implement within their organizations the use of a Postal Service-approved digital signature technology for the purpose of signing documents. User accounts are authorized and managed through eAccess. The user's account may not be used by or delegated to another user. Managers must review access granted to users under their supervision to ensure that the access is still required by users to perform their duties. The minimum acceptable review schedule is on a semiannual basis; more frequent reviews should be scheduled based on information sensitivity (see Handbook AS-805, *Information Security*, 9-3.2.5, Periodic Review of Access Authorization).

The Postal Service will incorporate these revisions into the next online update of the ASM, which is available on the PolicyNet website:

Smart Email Use — Take Extra Precautions with Outside Contacts

Corresponding with contacts outside the Postal Service™ is a frequent occurrence for many USPS® employees. While it is common to exchange emails with non-USPS partners, USPS employees must take extra steps to ensure senders are legitimate and information is protected.

As of June 12, 2018, all emails from external senders now include the label **[EXTERNAL]** in the email subject line. This visual alert system reminds employees to take extra precautions with these contacts. When you see this label, remember to do the following:

- **Assess the email for signs that it may be a phishing attempt.** “Urgent” requests that require immediate action or offers that seem too good to be true are common signs.
- **Hover over hyperlinks to reveal their destination before clicking.** Make sure the sender is trustworthy before opening any attachments.

- **Report suspicious emails to CyberSafe using the Outlook button.** Employees can also send the email as an attachment to CyberSafe@usps.gov (select the message and type ctrl+alt+f).

Additionally, be sure to include **#sensitive#** in the email subject line when sharing sensitive attachments with non-USPS recipients. This will encrypt the file and prevent it from getting into the wrong hands.

For more information on email safety, visit the Cyber-Safe at USPS® websites on *Blue* (blue.usps.gov/cyber) and *LiteBlue* (liteblue.usps.gov/cyber), or the public-facing website at uspscybersafe.com.

Invalid USPS Corporate Account Numbers

Provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. This list supersedes all previous notices, which you must recycle.

Acceptance clerks must not accept Priority Mail Express® shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at usps.com/shop/money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Send inquiries to the Military Postal Service Agency at amps.usps.gov/jy2/frm.htm.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

Freely Associated States Restrictions

We list the mailing restrictions for Freely Associated States (FAS) in the Pull-Out section of the *Postal Bulletin*. All FAS Restrictions will be updated periodically.

Freely Associated States

Mail addressed to freely associated states is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The following FAS Restrictions table outlines these conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) following the table). For more information on available extra services for FAS destinations, see *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, part 503.

Acceptance clerks must use the table with the Retail System Software terminal to determine which FAS ZIP Codes are active and which conditions of mailing apply. Send inquiries to Randall Sobol at randall.f.sobol@usps.gov.

Stamp Announcement 18-20: World War I: Turning the Tide Stamp

©2017 USPS

On July 27, 2018, in Kansas City, MO, the U.S. Postal Service® will issue the *World War I: Turning the Tide* stamp (Forever® priced at the First-Class Mail® rate) in one design, in a pressure-sensitive adhesive pane of 20 stamps (Item 477400). The stamp will go on sale nationwide July 27, 2018.

With this stamp, the Postal Service™ pays tribute to the sacrifice of American soldiers and millions of supporters on the home front who experienced World War I. Entering World War I (1914–1918) in its later stages, the United States helped turn the tide of war in favor of the Allies. The stamp art features a close-up of a member of the American Expeditionary Force holding the U.S. flag. Barbed wire can be seen in the background, as well as an airplane in flight and smoke rising up from the battlefield. The artwork was

painted in airbrush on illustration board, a technique that evokes the propaganda posters used during World War I. Art director Greg Breeding designed the stamp with art by Mark Stutzman.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 800- 782-6724, or on The Postal Store® website at usps.com/shop.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches high by 4 inches long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through

the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900
