Cover Story

Stay Alert — School is Back in Session

August is the beginning of the new school year for many students. This means an increase in the number of pedestrians crossing streets and sidewalks as children walk to and from school or wait for school buses. Drivers need to take extra precautions to avoid accidents and keep our children safe by staying alert and driving defensively.

Children are unpredictable. They take risks, ignore hazards, and fail to look both ways when crossing the street, or while walking or riding their bikes. Here are some precautions to adopt while driving through residential areas and near schools:

- Slow down and obey the speed limits.
- Adjust your mirrors so that you can see around your vehicle.
- Avoid backing up your vehicle.
- Avoid distracted driving.

A school zone sign with a flashing yellow light indicates you must reduce your speed to the limit posted on the sign. When you see a school zone sign, do not pass or change lanes and obey the posted speed limit throughout the school zone. Always stay alert and use increased caution.

As with school zones, drivers must also be alert and slow down when near a school bus. A bus with flashing red lights or a stop sign extended means children are getting on or off the bus. Vehicles from both directions must stop at least 10 feet away to allow enough space for children to safely enter and exit the bus. Drivers must remain stopped until the following occurs:

- The red lights stop flashing,
- The stop sign has been drawn back,
- The driver waves you on, and
- The bus begins to move.

Failure to stop for a school bus with the stop indicators engaged can result in hefty fines. In many states, school buses are also required to stop at railroad crossings. You are breaking the law if you pass a school bus stopped at a railroad crossing.

The U.S. Postal Service® makes every effort to promote safe neighborhoods. Whether you are on the clock or off, be alert and aware of your surroundings to keep our children safe.

Human Resources

Preventive Care

The year is winding down, and USPS® employees have been paying for health insurance for the last 7 months. The question is, how many employees have gotten their free annual check-up? After all, preventive care helps people keep track of their overall health (see flyer on page [10](#)).

Employees still have plenty of time to schedule appointments before the end of the year. When making the appointment, employees must state that this is for an

annual preventive care check-up. This ensures that medical staff will correctly code the visit and not charge for something different.

Information Security

2018 CyberSafe Courses are Now Available

The Corporate Information Security Office (CISO) launched three CyberSafe courses for all personnel as part of the annual CISO cybersecurity training requirement. The protection of employee, customer, and supplier data continues to be a top priority for the U.S. Postal Service®. By taking the assigned training courses, employees learn how to safely use the Internet while protecting themselves and the Postal Service™ from cyber threats.

The completion deadline for these courses is **September 21, 2018**. Users who don't meet this deadline will be subject to limited ACE system access until they complete these courses.

Please log into the new Human Resources HERO system at usps.csod.com to complete the following courses:

- **CyberSafe Fundamentals Part I and II.** Provides employees with the fundamental skills and knowledge to adhere to cybersecurity policy to protect USPS® information assets.
- **CyberSafe 201: Data Protection.** Provides employees with best practices for handling sensitive and sensitive-enhanced information to keep USPS information assets secure.

Use USPS Network and Email Credentials Appropriately

Though it might be tempting to type in your USPS® email address and password to sign up for a sweepstakes competition or a favorite store's newsletter, using USPS email addresses and passwords on third-party sites is **strictly prohibited**.

USPS employees and suppliers must practice cyber-safe behavior every day to protect their personal information, customer information, and the Postal Service™ network from cyber criminals. Employees should follow these tips to safeguard their online identity:

- **Use USPS email addresses for business purposes only.** Work-related conferences and USPS-related external newsletters are good examples of legitimate use.
- **Never use USPS email addresses to login to third-party websites.** This includes social media platforms like LinkedIn or Facebook, online shopping, dating services, and explicit content sites (e.g., adult-oriented goods and services).

- **Do not check personal email or social media accounts on USPS computers or mobile phones.** This includes checking Gmail, Hotmail, or Facebook accounts on web browsers or mobile applications.

Report any suspicious or threatening emails immediately using the "Report to CyberSafe" button in the Outlook toolbar. If you do not have the reporting button, access the instructions on ServiceNow to obtain it.

If you believe your USPS email address has been compromised or previously entered on a third-party website without your knowledge, report the incident by emailing CyberSafe@usps.gov or by calling 877-876-2455. Switch to a personal account if you have been using your USPS email address on third-party websites.

For more information on email safety, visit the CyberSafe at USPS® websites on Blue (blue.usps.gov/cyber) and LiteBlue (liteblue.usps.gov/cyber), or the public-facing website at uspscybersafe.com.

USPS Replaces External First-Class Measurement Process with Internal Service Performance Measurement System

On July 5, 2018, the Postal Regulatory Commission approved Internal Service Performance Measurement (SPM) for USPS® as the official system of record for service measurement and reporting effective October 1, 2018. This means USPS will retire the legacy External First-Class Measurement system on September 30, 2018.

Internal SPM leverages the USPS workforce to randomly scan live mail at collection and delivery points, and combines this data with billions of pieces of live mail processed in the USPS network. Internal SPM provides a more robust and representative reflection of service perfor-

mance, which not only benefits USPS internal operations, but also increases mail visibility for our customers.

The information obtained through Internal SPM provides invaluable diagnostics to identify root causes for service failures and the opportunity to improve service. Delivering on our service commitment to our customers just makes sound business sense.

Invalid USPS Corporate Account Numbers

Provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. This list supersedes all previous notices, which you must recycle.

Acceptance clerks must not accept Priority Mail Express® shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at usps.com/shop/money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Send inquiries to the Military Postal Service Agency at amps.usps.gov/jy2/frm.htm.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

Stamp Announcement 18-28: The Art of Magic Souvenir Sheet

©2017 USPS

On August 7, 2018, in Las Vegas, NV, the U.S. Postal Service® issued *The Art of Magic Souvenir Sheet* (Forever® priced at the First-Class Mail® rate) in one design, in a pressure-sensitive adhesive sheet of three stamps (Item 565200). The souvenir sheet went on sale August 7, 2018. ***The Art of Magic Souvenir Sheet may not be split and the stamps may not be sold individually.***

The Postal Service™ celebrates magic, an art form that holds a special place in American history. Each of the three identical stamps on this souvenir sheet features an effect that mimics a classic illusion. By rotating each stamp, customers can see a white rabbit popping out of a black top hat. A version of the stamp without the effect appears in *The Art of Magic* pane of 20 stamps (Item 476800). Art director Greg Breeding designed the stamp, while Jay Fletcher created the illustration and served as the typographer.

Stamp Announcement 18-29: Birds in Winter Stamps

©2018 USPS

On September 22, 2018, in Quechee, VT, the U.S. Postal Service® will issue the *Birds in Winter* stamps (Forever® priced at the First-Class Mail® rate) in four designs, in a pressure-sensitive adhesive booklet of 20 stamps (Item 681900). The stamps will go on sale nationwide September 22, 2018.

The *Birds in Winter* stamps celebrate four of winter's winged beauties:

- The black-capped chickadee (*Poecile atricapillus*),
- The northern cardinal (*Cardinalis cardinalis*),
- The blue jay (*Cyanocitta cristata*), and
- The red-bellied woodpecker (*Melanerpes carolinus*).

The stamp art highlights the handsome plumage of resident birds often spotted throughout the year's coldest months. Evoking the drab feeling of winter with the stark white backgrounds, stamp artist Nadia Taylor hoped to

create a vivid contrast with the bright flashes of color found in the digital rendering of each bird. Art director Antonio Alcalá designed the stamps.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 800-782-6724, or on The Postal Store® website at usps.com/shop.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches high by 4 inches long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through

the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.
