## USPS Makes Holiday Returns Easy

The Postal Service™ is making improvements to its returns infrastructure to prepare for the annual season of holiday returns.

This shopping season is likely to be even more hectic than last year with projected growth from online shopping in the double-digits. Also, USPS® is projected to deliver nearly 900 million packages between Thanksgiving and New Year's Day. Once the sun sets on candle and tinsel, consumers will start returning items that they ordered or that they received as gifts. As the number of items ordered online and shipped to consumers grows, so will the demand for easy, convenient return methods that attract repeat business.

The Postal Service is ready for the challenge in the following ways:

- **Continued expansion of our returns processing capabilities.** A total of 16,723 Parcel Return Service Return Delivery Units and 186 Return Sectional Center Facilities across the country are available to pick up packages. This helps USPS handle the volume and positions us as the returns shipping provider of choice in a crowded market worth about \$6 billion.
- **It's easier for businesses to insure returns with USPS.** Insurance is available for up to \$5,000.
- **Offering one universal shipping permit.** We have one universal shipping permit that covers Parcel Return Service, Merchandise Return Service, and USPS Returns® and outbound products.
- **Significant enhancement for USPS Returns.** USPS Returns applies to three mail classes: First-Class Package Service®, Priority Mail®, and Ground Return Service. This service offers customers cost-effective options and streamlines the weighing and rating process through mail processing equipment.

## Return Labels

Return labels can either be included in the original order or requested through a merchant's call center. Consumers then affix the return label to their package and mail it using one of the following options:

- Take it to one of 30,000 plus Post Offices nationwide,
- Drop it in one of 143,000 plus collection boxes (packages must meet aviation mail security guidelines), or
- Go to [usps.com](https://usps.com) to schedule a Package Pickup, which is available to more than 40,000 ZIP Codes.

The Postal Service also offers a number of options that help businesses create and deliver return labels to customers. Businesses that use Priority Mail Returns® Service, First-Class Package Return® Service, Ground Return Service, and Parcel Return Service can use the Print and Deliver application to request return labels; USPS will then create those labels and deliver them, along with return instructions, to the following:

- One of 30,000 plus Post Offices nationwide;
- A domestic address; or
- One of more than 2,837 self-service kiosks, where consumers can print them.

Businesses that create their own returns labels may also distribute them to customers via the Label Broker™. Designed for customers without a printer, the Label Broker allows merchants to store labels in a secure USPS repository; customers may then print labels at their local Post Office® or at [usps.com](https://usps.com).

Merchants can also instruct the Postal Service to hold the labels for pickup at a designated Post Office. Small and medium-sized merchants have the following options:

- Use the Merchant Returns Label Tool to generate Merchandise Returns or USPS Returns labels.
- Use the Click-N-Ship® Business Pro to generate Parcel Return Service or Merchandise Return Service labels to include in the original shipment box or send to the cloud platform. Self-service printing is also available individually or in batches.

### DMM Revision: Change Address Quality Threshold for Intelligent Mail Package Barcode

Effective January 27, 2019, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®), section 204.2.1.8, to update the Address Quality (AQ) Compliance threshold for all mailers who enter commercial parcels.

The Postal Service will increase the Intelligent Mail® Package Barcode (IMpb®) AQ threshold from 89 percent to 90 percent, effective January 31, 2019. The effective date of the new IMpb AQ threshold will coincide with the effective date for the previously determined threshold increases for Manifest Quality and Barcode Quality.

### DMM Revision: Domestic Competitive Products Pricing and Mailing Standards Changes

Effective January 27, 2019, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) to reflect changes to prices and mailing standards for the following competitive products:

- Priority Mail Express®.
- Priority Mail®.
- First-Class Package Service®.

This article describes new prices and product features for Competitive Products established by the Governors of the United States Postal Service®. New prices are available on Postal Explorer® at [pe.usps.com](http://pe.usps.com).

Competitive Products changes are identified by product as follows:

#### **Priority Mail Express**

##### *Dimensional Weight Pricing*

The Postal Service will defer implementing Dimensional Weight (DIM) pricing for Priority Mail Express retail and commercial parcels until June 23, 2019. Effective June 23, 2019, postage for Priority Mail Express parcels addressed for delivery to Zones 1 through 9 and exceeding 1 cubic foot (1,728 cubic inches) will be based on the actual weight or the dimensional weight, whichever is greater.

Priority Mail Express DIM weight pricing will be calculated using one of two formulas: rectangular or nonrectangular, with a DIM divisor of 166.

**Priority Mail**

*Dimensional Weight Pricing*

The Postal Service will defer until June 23, 2019, extending the zones for Priority Mail retail, commercial, and commercial plus, Dimensional Weight (DIM) pricing to include Zones 1 through 4. Effective June 23, 2019, postage for all Priority Mail parcels addressed for delivery to Zones 1 through 9 and exceeding 1 cubic foot (1,728 cubic inches) will be based on the actual weight or the dimensional weight, whichever is greater.

The Postal Service will also defer changing the DIM divisor used in the rectangular and nonrectangular formulas to 166 for parcels addressed for delivery to Zones 5 through 9, effective June 23, 2019.

*Balloon Pricing*

The Postal Service will eliminate balloon pricing under the retail, commercial, and commercial plus price categories.

**First-Class Package Service**

*Zone Pricing*

First-Class Package Service — Retail prices will continue to start at 1 ounce up to 13 ounces. First-Class Package Service — Commercial prices will continue to start at 1 ounce up to less than 16 ounces.

**Parcel Select**

*Dimensional Weight Pricing*

The Postal Service will defer until June 23, 2019, implementing Dimensional Weight (DIM) weight pricing for Parcel Select parcels in the Destination Entry and Ground price categories. **USPS Retail Ground, Extra Services, Return Services, and Mailer Services**

**Recipient Services**

*Premium Forwarding Service Local*

The Postal Service is adding another option to the Premium Forwarding Service product: Premium Forwarding Service Local (PFS-Local). PFS-Local provides residential and business customers the option to have USPS® gather their mail addressed to Post Office Boxes (except no fee Group E boxes) within the same servicing postal facility, and dispatch the mail to their delivery street address.

An annual enrollment fee is required, and a reshipment fee is charged for each container of mail requested and received by the customer (Monday through Saturday).

**Other**

*Small Parcel Forwarding Fee*

The Postal Service is introducing a “small parcel” forwarding fee for Parcel Select Lightweight parcels. The forwarding fee would only apply for pieces endorsed “Change Service Requested” under “Option 2” (ACS only) that are forwarded due to an active change-of-address. All other undeliverable pieces will be discarded and an electronic ACS notice is provided in both cases.

*Overweight Item Charge*

As described in the August 29, 2018, *Federal Register* final rule (83 FR 43985-43986), the Postal Service is introducing a charge for items identified in the postal network that exceed the 70-pound weight limit for Postal Service products, and are, therefore, nonmailable. Overweight items identified in the postal network will be assessed a \$100 charge payable before release of the item, unless the item is discovered at the same facility it was entered.

**Resources**

The Postal Service provides additional resources to assist customers with this price change for competitive products. These tools include price lists, downloadable price files, and *Federal Register* notices, available on Postal Explorer at <http://pe.usps.com>.

- a. Customers must pay an annual enrollment fee per PO Box to establish service. The enrollment fee is refundable only if the request is denied.
- b. The annual enrollment and reshipment fees are paid using a credit card for residential/individual-use PO Box customers or a permit linked to the Enterprise Payment System (EPS) account for commercial customers.

- c. The reshipment fee is charged for each reshipment container and non-accountable item that does not fit in a container. Customers may request reshipments Monday through Saturday.
- d. If no mail is collected for reshipment on a designated frequency day, no reshipment fee is charged.
- e. Customers with mailpieces arriving postage due are charged using the customer's postage due account prior to delivery. If no account exists, the appropriate postage due is collected upon delivery.
- f. - j. USPS may cancel a customer's PFS-Local service request effective 24 hours after the customer receives written notice of cancellation from the serving Post Office. Cancellation is based upon the customer's failure to pay the fees, failure to meet the standards for PFS-Local service, or when there is substantial reason to believe that the service is being or will be used for unlawful activities. In this case, USPS may grant cancellation within less than 24 hours. The customer may appeal this cancellation of services to the manager, Post Office Operations, but must pay for all reshipment fees as applicable for any service provided during the appeal period.

Effective January 27, 2019, the Postal Service™ will revise *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)* in various sections to implement the changes coincident with the price adjustments.

Publishers will no longer receive address-related notices via PS Form 3579, Notice of Undeliverable Periodical, or electronic ACS, if the address is vacant or not deliverable. Publications processed by Postal Automated Redirection System, Computerized Forwarding System, or Remote Forwarding System will be discarded without notice to the publisher.
- A modification to correct the Business Reply Mail® (BRM/Qualified Business Reply Mail™ (QBRM™) anomaly by applying the retail “stamped” letter price to basic and high volume BRM, to offset the postage increase basic and high volume BRM per piece fees decreased from the previous price.
- The elimination of the Full-Service requirement on commercial mailings of First-Class Mail® or USPS Marketing Mail® postcards, letters, or flats using picture permit imprint indicia.

- The addition of a small parcel forwarding fee for USPS Marketing Mail parcels, endorsed “Change Service Requested” under “Option 2” (ACS only), that are forwarded due to an active change-of-address.

Overweight items identified in the postal network will be assessed a \$100 charge payable before release of the item, unless the item is discovered at the same facility where it was entered.

### DMM Revision: Products Mailable at Nonprofit Marketing Mail Prices

Effective January 27, 2019, the Postal Service™ will revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) to reflect a change in the cost of low-cost products mailable at nonprofit marketing mail prices.

Under statutory restrictions described in section 703.1.6.11, products mailed at the Nonprofit USPS Marketing Mail® prices must meet at least one of three exceptions. A low-cost item is one of the exceptions referenced in the Internal Revenue Code.

Each year, the Internal Revenue Service determines the value of a low-cost item — the actual cost to the authorized nonprofit organization — and adjusts the value for the cost of living. For 2019, the value of a low-cost item is \$11.10 or less.

**IMM Revision: Great Britain and Northern Ireland Name Change**

Effective January 27, 2019, the Postal Service<sup>™</sup> will revise *Mailing Standards of the United States Postal Service*, International Mail Manual (IMM<sup>®</sup>) to change the official name of “Great Britain and Northern Ireland” to “United Kingdom of Great Britain and Northern Ireland.” Revisions will occur in the following places: sections 213.5, 292.45a, and 293.45; the Index of Countries and Localities; the Country Price Groups and Weight Limits; and the Individual Country Listings. We have also made minor applicable revisions throughout the IMM.

On February 12, 2018, *International Bureau Circular* 12 notified Universal Postal Union (UPU) member countries “of a necessary rectification concerning the official name of one of its member countries.” Past practice within the UPU

(and elsewhere) led to the widespread use of the term “Great Britain” even though the official name of that UPU member country is “United Kingdom of Great Britain and Ireland.” Accordingly, all references within the UPU of “Great Britain” have been replaced with “United Kingdom of Great Britain and Northern Ireland” as the official name, “United Kingdom” as the short name, and “UK” as the relevant abbreviation.

The Postal Service is following suit and changing references in the IMM from “Great Britain and Northern Ireland” to “United Kingdom of Great Britain and Northern Ireland” or to “United Kingdom” where the shorter form is appropriate.

### Publication 52 Reminder: Lithium Battery Markings

On August 17, 2017, the Postal Service™ revised Publication 52, *Hazardous, Restricted, and Perishable Mail*, to provide new mailing standards for mailpieces containing lithium batteries. In the article titled “Publication 52 Revision: New Mailing Standards for Lithium Batteries,” in *Postal Bulletin 22474* (8-17-17, pages 4–12), the Postal Service announced the elimination of the text marking option for mailpieces required to bear, or optionally permitted to bear, lithium battery markings under Publication 52. To drive consistency in marking requirements in the various modes of transportation, the Postal Service stated its intention to require Department of Transportation (DOT)-approved lithium battery marks when these marks are required or optionally applied.

On March 30, 2017 (82 FR 15796), the DOT’s rulemaking agency, the Pipeline and Hazardous Materials Safety Administration (PHMSA), published a final rule titled *Hazardous Materials: Harmonization with International Standards (RRR)*. In that final rule, PHMSA announced a transition period (ending December 31, 2018) to permit shippers adequate time to transition to the new lithium battery mark and exhaust existing stocks of preprinted packaging.

On January 1, 2019, PHMSA will require the use of the new Global Harmonized System (GHS) lithium battery mark shown here. As a result, effective January 1, 2019, all mailpieces required to bear or optionally bearing lithium battery

marks must also display a properly completed GHS lithium battery mark, replacing the “\*\*” with the appropriate UN number(s) and the “\*\*\*” with the telephone number for additional information.

Employees must familiarize themselves with this new mark before the mandatory compliance date and ensure that local mailers are aware of the new marking requirement as soon as possible.

## Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
  - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
  - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
  - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at [usps.com/shop/money-orders.htm](http://usps.com/shop/money-orders.htm).

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

## Other Information

### Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Send inquiries to the Military Postal Service Agency at [amps.usps.gov/jy2/frm.htm](https://amps.usps.gov/jy2/frm.htm).

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

\* Implemented May 2001.

## Freely Associated States Restrictions

We list the mailing restrictions for Freely Associated States (FAS) in the Pull-Out section of the *Postal Bulletin*. All FAS Restrictions will be updated periodically.

### Freely Associated States

Mail addressed to freely associated states is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The following FAS Restrictions table outlines these conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) following the table). For more information on available extra services for FAS destinations, see *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, part 503.

Acceptance clerks must use the table with the Retail System Software terminal to determine which FAS ZIP Codes are active and which conditions of mailing apply. Send inquiries to Randall Sobol at [randall.f.sobol@usps.gov](mailto:randall.f.sobol@usps.gov).

## Management Instructions

### Management Instruction PO-530-2018-2: Revised Process for Lease Trailer Damage Claims

Supply Management and Network Operations recently published Management Instruction (MI) PO-530-2018-2, *Processing Lease Trailer Damage Claims*. MI PO-530-2018-2 establishes procedures for documenting and processing claims arising out of damage to lease trailers.

The Postal Service™ is contractually obligated to reimburse suppliers of lease trailers for the cost to repair damage not caused by the fault or negligence of third parties. Suppliers of lease trailers that are damaged must submit documented claims for reimbursement. MI PO-530-2018-2 provides the steps that Postal Service employees must take to document damage to lease trailers and process claims for reimbursement. MI PO-530-2018-2 replaces MI PO-530-2001-2 (formerly posted on the web).

MI PO-530-2018-2 is available on the Postal Service PolicyNet website:

## Information Security

### Share Holiday Cheer, not User IDs and Passwords

While sharing is in season, USPS® employees must never share their user IDs and passwords, or permit others to use them to access Postal Service™ information resources, such as systems, applications, and electronic devices. Sharing user IDs and passwords is a violation of USPS corporate policy (see [about.usps.com/handbooks/as805.pdf#page=130](https://about.usps.com/handbooks/as805.pdf#page=130)).

Sharing user IDs and passwords could compromise Postal Service networks or our reputation. Passwords are the first line of defense for protecting Postal Service information resources and must not be shared or stored in application codes, files, or tables. USPS employees must also never send passwords in clear text via email to provide access to a system, an encrypted document, or an archive.

Additionally, all users are responsible for the actions performed on Postal Service information resources under their user ID. Anyone given access to another user's login information could intentionally or unintentionally compro-

mise the user's accounts or perform unauthorized actions in their name.

Further, USPS employees and contractors must never log in using the ID and passwords of those who have left the organization. Managers must ensure that personnel who have been transferred or terminated, or whose job responsibilities have changed, no longer have access to Postal Service information resources. Managers must advise system and database administrators of the final disposition of files and data.

Stay CyberSafe this holiday season by not sharing your login credentials. For more information about cybersecurity best practices, visit the CyberSafe at USPS® websites on *Blue* ([blue.usps.gov/cyber](https://blue.usps.gov/cyber)) and *LiteBlue* ([liteblue.usps.gov/cyber](https://liteblue.usps.gov/cyber)), or the external website at [uspscybersafe.com](https://uspscybersafe.com).

### Taking Your USPS-Issued Electronic Devices Abroad

The Corporate Information Security Office wants to remind all USPS® employees that international travel with USPS-issued electronic devices, such as laptops, iPads, mobile devices, and other technology, is not permitted unless traveling on *official USPS business*.

USPS employees are potential targets for cyber criminals trying to gain access to the network or obtain sensitive information about the Postal Service™. Taking the required precautions is your responsibility and helps protect Postal Service information resources during international travel.

If your job requires international business travel for the Postal Service, the following actions are required:

- Request authorization for international business travel with USPS-issued electronic devices at least 21 days before your departure.
- Apply for an international virtual private network (VPN), and exclusively use the VPN to connect to the Internet, even when on your Personal Hotspot.
- Never install unauthorized software on USPS-issued electronic devices, such as “WeChat” or other social media applications.

- Always use the Personal Hotspot on your USPS-issued mobile device rather than connecting to unknown Wi-Fi networks.
- Never leave electronic devices unsecured or unattended anywhere, even in private places, such as hotel rooms.
- Never place electronic devices in checked baggage — always keep them with you in your carry-on during travel.
- Immediately report any loss, theft, or unauthorized access while abroad:
  - Send an email to the Cybersecurity Operations Center at [Cybersafe@usps.gov](mailto:Cybersafe@usps.gov), or
  - Call the United States Postal Inspection Service® at 877-876-2455.

For more information about cybersecurity best practices, visit the CyberSafe at USPS® websites on *Blue* ([blue.usps.gov/cyber](https://blue.usps.gov/cyber)) and *LiteBlue* ([liteblue.usps.gov/cyber](https://liteblue.usps.gov/cyber)), or the external website at [uspscybersafe.com](https://uspscybersafe.com).

The stamp art depicts several bright pink peach blossoms on a branch. Peach blossoms, which often bloom just in time for Lunar New Year, mark the beginning of spring in Chinese culture. Artist Kam Mak created this original painting. Art director and stamp designer Ethel Kessler incorporated elements from the previous series of Lunar New Year stamps, including Clarence Lee’s cut-paper design of a boar and the Chinese character for “boar” drawn in grass-style calligraphy by Lau Bun.

### Guidelines for Finalizing Year of the Boar Stamp Pictorial Postmark Art

To finalize the *Year of the Boar* stamp pictorial postmark art, insert the date, city, state, and ZIP Code™ of the physical location of your event adjacent to the stamp image. Overall dimensions of the pictorial postmark must not exceed 4 inches (horizontally) by 2 inches (vertically). Collectors prefer the dimensions 3-1/2 inches by 1.

The Postal Service™ must make all special postmarks known to collectors through advance publicity in the *Postal Bulletin*. Therefore, all special dedication cancellations must be reported to Stamp Services 4 weeks before the event using PS Form 413, Pictorial Postmark Announcement/Report. To get a copy of the form, go to [blue.usps.gov/formmgmt/forms/ps413.pdf](https://blue.usps.gov/formmgmt/forms/ps413.pdf).

The stamp will go on sale nationwide January 27, 2019, and must not be sold or cancelled before the first-day-of-issue.

The California dogface graces the seventh non-machineable butterfly stamp for use on irregularly sized envelopes, such as square greeting cards, invitations, or announcements. Stamp Announcement 19-08: Gregory Hines Stamp

©2018 USPS

On January 28, 2019, in New York, NY, the U.S. Postal Service® will issue the *Gregory Hines* stamp (Forever® priced at the First-Class Mail® rate) in one design, in a pressure-sensitive adhesive pane of 20 stamps (Item 477000). The stamp will go on sale nationwide January 28, 2019, and must not be sold or cancelled before the first-day-of-issue.

The 42nd stamp in the Black Heritage® series honors Gregory Hines (1946–2003), whose unique style of tap dancing injected new artistry and excitement into a traditional American form. A versatile performer who danced, acted, and sang on Broadway, on television, and in movies, Hines developed the entertainment traditions of tap into an art form for a younger generation and is credited with renewing interest in tap during the 1990s. Art director Derry Noyes designed the stamp, which features a 1988 photograph by Jack Mitchell.

**Availability to Post Offices: Item 477000, Gregory Hines (Forever Priced at the First-Class Mail Rate) Commemorative Pane of 20 Stamps**

Stamp Fulfillment Services will make an automatic push distribution to Post Offices of a quantity to cover approximately 30 days of sales. Distribution quantities for the automatic push distribution will be available by logging on to SFS Web at [sfsweb.usps.gov](https://sfsweb.usps.gov). Post Offices may begin ordering stamps on the first-day-of-issue through SFS Web; offices must also check the amount they will receive on their automatic push distribution.

**Special Dedication Postmarks**

Only the following pictorial postmark is permitted for the *Gregory Hines* stamp. The word “Station” or the abbreviation “STA” is required somewhere in the design, because it will be a temporary station. **Use of any image other than the following special pictorial image is prohibited.**

**Guidelines for Finalizing Gregory Hines Stamp Pictorial Postmark Art**

To finalize the *Gregory Hines* stamp pictorial postmark art, insert the date, city, state, and ZIP Code™ of the physical location of your event adjacent to the stamp image. Overall dimensions of the pictorial postmark must not exceed 4 inches (horizontally) by 2 inches (vertically). Collectors prefer the dimensions 3-1/2 inches by 1.

The Postal Service™ must make all special postmarks known to collectors through advance publicity in the Postal Bulletin. Therefore, all special dedication cancellations must be reported to Stamp Services 4 weeks before the event using PS Form 413, Pictorial Postmark Announcement/Report. To get a copy of the form, go to [blue.usps.gov/formmgmt/forms/ps413.pdf](https://blue.usps.gov/formmgmt/forms/ps413.pdf).

### Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and requests must be postmarked no later than 30 days following the requested pictorial postmark date.

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

## How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 800-782-6724, or on The Postal Store® website at [usps.com/shop](https://usps.com/shop).

### Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches high by 4 inches long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through

the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)  
USPS Stamp Fulfillment Services  
8300 NE Underground Drive, Suite 300
