- Priority Mail Express.
- Priority Mail.
- First-Class Package Service.
- Parcel Select.
- Extra Services.
- Return Services.
- Recipient Services.

USPS Retail Ground

Dimensional Weight Pricing

The Postal Service is implementing Dimensional Weight (DIM) pricing for USPS Retail Ground parcels. Postage for USPS Retail Ground parcels addressed for delivery to zones 1 through 9 and exceeding 1 cubic foot (1,728 cubic inches) will be based on the actual weight or the dimensional weight, whichever is greater.

USPS Retail Ground DIM weight pricing will be calculated using one of two formulas: rectangular or nonrectangular, with a DIM divisor of 166.

USPS Retail Ground — Limited Overland Routes pricing will not be subject to DIM pricing.

Balloon Pricing

As a result of the implementation of DIM pricing for USPS Retail Ground parcels in zones 1 through 9, the Postal Service will eliminate balloon pricing.

USPS Retail Ground — Limited Overland Routes pricing will continue to be subject to balloon pricing.

Mailer Services

Premium Data Retention and Retrieval Services

The Postal Service is introducing “Premium Data Retention and Retrieval” service, which allows customers to request that the Postal Service retain for their packages the following (beyond the Postal Service’s standard data retention period, for up to 10 years):

1. Scan data, or
2. Scan and signature data.

Premium Data Retention service is available for packages shipped via Priority Mail Express, Priority Mail, First-Class Package Service, Parcel Select, and packages with Adult Signature Services. For Scan and Signature Retention on products other than Priority Mail Express, the customer must have purchased an underlying signature service, such as Signature Confirmation™ service. Customers can request Premium Data Retention and Retrieval service online at usps.com or through a Shipping Services File.

Other

eVS Unmanifested Fee

The Postal Service is introducing an “eVS Unmanifested” fee to discourage the shipment of eVS unmanifested eligible pieces, reduce occurrences of lower postage assessments, and offset additional reconciliation, manual processes, and operational costs. The fee will apply to Priority Mail Express, Priority Mail, First-Class Package Service, and Parcel Select commercial pieces.

Resources

The Postal Service provides additional resources to assist customers with this price change for Competitive products. These tools, available at pe.usps.com, include price lists, downloadable price files, and *Federal Register* notices.

These standards become effective January 26, 2020.

Except for USPS Retail Ground — Limited Overland Routes parcels as specified in 1.3, postage for parcels addressed for delivery to zones 1–9 and exceeding 1 cubic foot (1,728 cubic inches) is based on the actual weight or the dimensional weight (as calculated in 1.4.1 or 1.4.2), whichever is greater.

1.4.1 Determining Dimensional Weight for Rectangular Parcels

Follow these steps to determine the dimensional weight for a rectangular parcel:

- a. Measure the length, width, and height in inches. Round off (see 604.7.0) each measurement to the nearest whole inch.
- b. Multiply the length by the width and then that total by the height.

- d. If the dimensional weight exceeds 70 pounds, the customer pays the 70-pound price.

1.4.2 Determining Dimensional Weight for Nonrectangular Parcels

Follow these steps to determine the dimensional weight for a nonrectangular parcel:

- a. Measure the length, width, and height in inches at their extreme dimensions. Round off (see 604.7.0) each measurement to the nearest whole inch.
- b. Multiply the length by the width and then that total by the height.
- c. Multiply the result by an adjustment factor of 0.785.
- d. If the final result exceeds 1,728 cubic inches, divide the result by 166 and round up (see 604.7.0) to the next whole number to determine the dimensional weight in pounds.

422.211 Salary Schedule

[Revise the text of 422.211 to read as follows:]

The City Carrier (CC) Schedule consists of two rate schedules. Schedule 1 (RSC Q) is applicable to city carriers with a career appointment date (CAD) before January 12, 2013. Schedule 2 (RSC Q7) is applicable to city carriers with a CAD on or after January 12, 2013. Carrier technicians receive an additional 2.1 percent of the employee’s applicable hourly rate for all paid hours.

* * * * *

[Revise the title and text of 422.223 to read as follows:]

422.223 Rules for Assignment into Carrier Technician Position

Rules are as follows:

- a. *Change to Carrier Technician from City Carrier.* The city carrier moving to carrier technician position receives a 2.1 percent increase in the employee's applicable hourly rate for all paid hours and retains the same step. The employee will retain the waiting period step credit that had been earned prior to the change to carrier technician in calculating the next step increase date. If the employee previously served as a carrier technician, see 422.123a4.
- b. *Promotion to These Schedules from Other Rate Schedules.* For this promotion:
 - (1) From EAS (RSC E) and Part-Time Postmasters (RSC F), and to the current full-time salary, add 5 percent. Advance this amount to the next higher salary step in the new grade if the calculated amount falls between two steps. A new step waiting period begins unless the employee is promoted to a bargaining unit grade previously held (i.e., repromotion); in which case, see 422.123a4.
 - (2) From PNS (RSC G), OSD (RSC K), MH, (RSC M), IT/ASC (RSC N), PS (RSC P) or MESC (RSC C), RC (RSC R), and PPO (RSC Y), to the current full-time salary, add two times the most prevalent step increment of the current grade. (Add three times for a promotion of three or more grades.)
Advance this amount to the next higher salary step in the new grade if the calculated amount falls between the two steps. A new step waiting period begins unless the employee is promoted to a bargaining unit grade previously held (i.e., repromotion); in which case, see 422.123a4.
- c. *Promotion from These Schedules to Other Rate Schedules.* For this promotion:
 - (1) To IT/ASC (RSC N), to the current full-time salary, add two times the most prevalent step increment of the current grade. (Add three times for a promotion of three or more grades.)
Advance this amount to the next higher salary step in the new grade if the calculated amount falls between the two steps. A new step waiting period begins unless the employee is promoted to a bargaining unit grade previously held (i.e., repromotion); in which case, see 422.123a4.
 - (2) To EAS (RSC E), Pay Band (RSC V), and Attorney (RSC U) to the current full-time salary, see 413.22.
 - (3) To PS, OSD, or MESC Schedule 2 (RSC P and C), assign the proper step by referring to Exhibit

422.123a. A new step waiting period begins on the effective date of the promotion.

(4) To RC (RSC R), see 422.422a2.

Note: See also Exhibit 421.82.

- d. *Promotion Pay Anomaly.* No employee is at any time compensated less as a consequence of a promotion than that employee would have been if the employee had not been promoted, but instead advanced in step increments in the lower grade by fulfilling the waiting time requirements necessary for step increases. This rule includes employees who were promoted to a higher grade and subsequently reassigned to their former grade.
If during any pay period following the promotion the employee's basic wage is less than the employee would have received for that pay period if the employee had not been promoted, the difference is paid to the employee in a lump sum payment.
- e. *Supplemental Rules.* See 422.123b.

* * * * *

[Revise the title of 422.225 to read as follows:]

422.225 Reductions in Grade and Rules for Assignment from Carrier Technician to City Carrier Position

* * * * *

[Revise item a. to read as follows:]

- a. *General.* Reductions in grade include:
 - (1) Voluntary changes to a lower level or from carrier technician to city carrier,
 - (2) Management-initiated changes to a lower level or from carrier technician to city carrier, and
 - (3) Demotions.

[Revise the first sentence of item b. to read as follows:]

- b. *Step and Next Step Date Assignment for Bargaining Unit to Bargaining Unit Reductions in Grade within or into the City Carrier Rate Schedule (RSC Q and Q7).****

* * * * *

[Revise the text of item c. to read as follows:]

- c. *Step and Next Step Date Assignment for Nonbargaining Unit to Bargaining Unit Reductions in Grade.* The following applies:
 - (1) For all nonbargaining reductions in grade to the Rural Carrier Schedule, consult 422.423 and 422.424 to determine the proper step and next step date.
 - (2) For all other nonbargaining-to-bargaining reductions in grade, determine the employee's salary, step, and next step date as if the service had

continued uninterrupted from the level/step in effect at the time of the nonbargaining promotion.

- (3) For reductions in grade to the same rate schedule occupied immediately before a promotion to a nonbargaining position, the following provisions apply:
 - (a) When an employee returns to the same level as that occupied immediately before the nonbargaining promotion, assign the salary, step, and next step date as if the service had continued uninterrupted from the level/step in effect at the time of the nonbargaining promotion.
 - (b) When an employee changes to a higher level than that occupied immediately before the nonbargaining promotion, apply the promotion rules for the appropriate salary schedule in 422 to determine the employee’s new salary, step, and next step date.
 - (c) When an employee changes to a lower level than that occupied immediately before the nonbargaining promotion, apply the reduction in grade rules in 422.125b to determine the employee’s new salary, step, and next step date.
- (4) For reductions in grade to a different rate schedule occupied immediately before a promotion to a nonbargaining position, use the Equivalent Grades chart (Exhibit 418) and apply the appropriate rule as follows:
 - (a) When an employee changes to an equivalent level, apply the reassignment rules in 422.124c to determine the employee’s new salary, step, and next step date.
 - (b) When an employee changes to a higher level, apply the promotion rules for the appropriate salary schedule in 422 to determine the employee’s new salary, step, and next step date.
 - (c) When an employee changes to a lower level, follow the reduction in grade rules in 422.125b to determine the employee’s new salary, step, and next step date.
- (5) For reductions in grade when there is no prior bargaining unit service, the employee is assigned to the step and next step date in the lower grade as if all career Postal Service had been in the lower grade.

* * * * *

[Revise the text of bullets (1) through (3) of item d. to read as follows:]

- (1) *Protected Rate.* The employee continues to receive the wage he or she received in the higher grade for 2 calendar years:
 - (a) If the grade of the position is reduced due to a management action, such as a change in job ranking criteria that affects the grade of only one position, and
 - (b) If the employee occupied the position at the higher grade for 2 consecutive years before the effective date of the reduction (see also 421.51).
- (2) *Saved Rate.* For saved rate:
 - (a) An employee has a saved rate resulting in a red-circle amount if the grade of his or her position is reduced due to a management action, such as a change in job ranking criteria that affects the grade of more than one position under the same job description.
 - (b) If an employee who receives a red-circle amount is subsequently promoted and later returned to the former position through no fault of his or her own, the red-circle amount is restored (see also 421.52).
- (3) *Saved Grade.* A bargaining unit employee is entitled to saved grade if he or she is assigned to a lower grade position because of a management action that eliminates the position (e.g., job elimination due to technological and mechanization changes; see also 421.53).

Invalid USPS Corporate Account Numbers

Provide this listing to Contract Postal Units and acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. This list supersedes all previous notices, which you must recycle.

Acceptance clerks must not accept Priority Mail Express® shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international Postal Service money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at usps.com/shop/money-orders.htm.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

The entries under “Changes” appear in bold in the following APO/FPO/DPO table:

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

Freely Associated States Restrictions

We list the mailing restrictions for Freely Associated States (FAS) in the Pull-Out section of the *Postal Bulletin*. All FAS Restrictions will be updated periodically.

Freely Associated States

Mail addressed to freely associated states is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The following FAS Restrictions table outlines these conditions as listed by each affected FAS ZIP Code™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) following the table). For more information on available extra services for FAS destinations, see *Mailing Standards of the United States Postal Service, Domestic Mail Manual (DMM®)*, part 503.

Environmental Management

Required Procedures for Environmental Regulatory Agency Site Visits and Notices of Violation

United States Postal Service® policy requires compliance with all applicable local, state, and federal environmental regulations, and full cooperation with environmental regulators.

Environmental Agency Inspections and Site Visits

The site installation head *must immediately* report visits and site inspections by the U.S. Environmental Protection Agency (EPA), or any state or local environmental regulatory agency, to the appropriate USPS® regional manager, Environmental Compliance and Sustainability, regardless of whether the site visit is pre-scheduled or unannounced.

In addition, the installation head, or his or her designee, *must follow* the guidelines in *Standard Operating Procedure for Environmental Agency Inspections and Site Visits* to ensure appropriate support and facility compliance during environmental agency inspections at Postal Service™ facilities. The Standard Operating Procedure is available at blue.usps.gov/sustainability/environmental/facility-inspection.htm.

Environmental Notices of Violation and Similarly Entitled Notices

A notice of violation (NOV) or similarly entitled notice, such as a warning letter, request for information, request to show cause, or notice of non-compliance, can be issued to the Postal Service for failure to comply with an environmental regulation. Notices, issued from the EPA or a state or local agency, may occur as the result of a regulator site visit or inspection.

After becoming aware of an NOV or similarly entitled notice, the site installation head (or the Facilities project manager, if applicable) *must immediately* notify the appropriate regional manager, Environmental Compliance and Sustainability, and send an electronic copy of the notice. Reporting NOVs and similar notices ensures a timely and necessary response to critical items or anything that must be referred to the Law Department.

USPS Environmental Compliance and Sustainability Points of Contact

The Office of Sustainability has a team of internal environmental compliance professionals available to assist sites by interacting with regulators, developing corrective action plans, and providing compliance solutions.

Timely reporting of environmental agency site visits and notices can minimize operational and financial issues for the Postal Service. Report an environmental regulatory agency visit or NOV (or similarly entitled notice) by sending an email to the appropriate regional manager, Environmental Compliance and Sustainability. The regional manager will then assign a Postal Service environmental specialist to assist you:

- For the Northeast, Eastern, and Capital Metro Areas, and Headquarters-related facilities, contact Nicholas DeCarlo at nicholas.decarlo@usps.gov.
- For the Great Lakes, Western, Southern, and Pacific Areas, contact Judy Wingo-Stalinger at judy.wingostalinger@usps.gov.

Reminder: International Reply Coupons (Return Dates: January 1 – 31, 2020)

Retail Unit Instructions

All Postal Retail Units (PRUs) must submit foreign-issued (exchanged) International Reply Coupons (IRCs) accepted through December 31, 2019, to the Kansas City Stamp Fulfillment Service (SFS) center.

Foreign-issued (exchanged) IRCs (shown here) with expiration dates of December 31, 2021, are the only versions of IRCs that SFS will accept.

SFS will accept exchanged IRCs beginning January 1, 2020. The due date for submission by PRUs is January 31, 2020.

Expires December 31, 2021

Redemption rates for all foreign-issued (exchanged) IRCs with an expiration date of December 31, 2021, are based on the **round date stamp** (on the right-hand side of the coupon), and are acceptable for return to SFS.

Date	Redemption Rate
01/01/2018–12/31/2019	1.15

Expiration dates are printed on the back of the IRCs. Do **NOT** send in IRCs with an expiration date of December 31, 2017, or earlier to SFS for any reason. Follow the procedures below:

- IRCs with an expiration date on or before December 31, 2017, that have not been returned (as advised in past *Postal Bulletin* articles), must be removed from the unit inventory, destroyed locally (no value), and posted as a shortage (AIC 767) to the unit reserve stock inventory. Retail System Software units must enter a count in the “Count Inventory and Cash” workflow; select “Close Credit/Transfer to Another Employee.” Single Drawer Accountability (SDA) sites will use AIC 622 to post the shortage.
- Unit reserve custodians may submit a claim for loss to the district finance manager by following the procedures in Handbook F-101, *Field Accounting Procedures*, subchapter 8-7, Claim for Loss. Upon receipt of an approved claim for loss, clear the stamp

credit shortage AIC 367 (SDA sites will use AIC 222) and offset to AIC 633, Claim for Loss; use Reason Code 10, Uncollectible Employee Items.

Submission Instructions

- Bind foreign-issued (exchanged) IRCs in bundles of 100 or less.
- Prepare PS Form 17, *Stamp Requisition/Stamp Return* (May 2007), in triplicate and annotate “IRC Return.”
- Include a shipment number or the shipment will be returned to the originating unit. Include the destruction SFS finance number (receiving unit location ID).
- Submit the original and copy 1 of PS Form 17 with the stock. File copy 2 locally with all supporting documentation.
- Use only one PS Form 17 for all your IRCs. You do not need to attach PS Form 17 on the outside of the return. The office must write “IRC” on the outside of the return package.

Safety and Wellness

Peak Safety for Peak Season

As peak holiday season progresses, the United States Postal Service® continues taking action to keep employees, especially our newest employees, safe. Historically, the accident rate increases during the month of December. As package volumes increase, the risk of musculoskeletal injuries caused by lifting, pulling, and pushing also increases. Additionally, motor vehicle accidents occur more frequently as a result of inclement weather, holiday traffic, distraction, and inexperienced drivers.

To help ensure success, the Postal Service™ will promote safe work practices starting with new employee orientation. Management and safety ambassadors will make themselves available to:

- Answer questions and observe work practices,
- Share information about how to work safely, and
- Serve as mentors to new employees as well as the existing workforce.

Daily stand up talks and other safety resources are also available:

- Safety Toolkit: safetytoolkit.usps.gov/Home/Home.aspx
- Safety Talks: safetytoolkit.usps.gov:12/safety-talks.aspx
- Slip, Trip, and Fall Prevention: safetytoolkit.usps.gov:12/slipstripsfalls.aspx
- Driver Safety: safetytoolkit.usps.gov:12/dsi.aspx
- Lifting: safetytoolkit.usps.gov:12/lifting.aspx
- Safety Depends on Me videos: blue.usps.gov/corp-comm/uspstv/safety-and-health/

In addition to delivering holiday packages, the Postal Service works hard to ensure employees get home safely to their families every day.

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as “laser safe.” The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of

their postmarked items. Address customer requests for digital color postmarks to:

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.
